Requested Action

Pursuant to RSA 21-P:12-a, the Department of Safety, Division of Fire Standards and Training and Emergency Medical Services (FSTEMS) requests authorization to enter into a grant agreement with the Town of Dunbarton (VC#159858-B001) for a total amount of \$13,716.00 for the purpose of implementing a mobile integrated healthcare (MIH) program called NH Project FIRST. Effective upon Governor and Council approval through September 29, 2019. Funding source: 100% Federal Funds.

Funding is available in the SFY 2019 operating budget as follows:

02-023-023-237010-44570000	Dept. of Safety – FSTEMS – 100% Nat'l Fire Academy Grant (FR-CARA)	<u>SFY 2019</u>
072-500574	Grants to Local Gov't - Federal	\$13,716.00
Activity Code: 23SAMHSA19		

Explanation

NH Project FIRST (First responders Initiating Recovery, Support, and Treatment) is designed to utilize specially trained first responders to connect at-risk individuals with treatment and recovery programs; train at-risk individuals and their support systems on overdose emergency care including the use of naloxone; and increase the number of first responders who can administer naloxone.

The Town of Dunbarton plans to use four full-time Police Department personnel during over-time hours to implement a mobile integrated healthcare (MIH) program. To assist with this program, the town will also utilize, on a volunteer-basis, off-duty or nonscheduled emergency medical technicians (EMTs) from the town's volunteer Fire Department. The EMTs will be paid in accordance with the federal volunteer hourly rate. The grant funds will also provide for the purchase of a laptop computer and software to support the data collection and tracking of the anticipated reduction in overdoses, overdose fatalities, along with the expected increase of at-risk individuals who are referred to treatment in the community.

The grant listed above is funded from the FFY 2019 First Responder Comprehensive Addiction and Recovery Act, which was awarded to the Department of Safety, Division of Fire Standards and Training and Emergency Medical Services (FSTEMS) from the US Department of Health and Human Services' Substance Abuse and Mental Health Services Administration (SAMHSA). The grant funds are to be used to implement the MIH program to reduce the number of opioid overdoses and opioid overdose deaths, as well as increase the number of at-risk individuals entering into treatment and recovery services throughout the State.

Grant guidance and applications are available to all New Hampshire licensed emergency medical services (EMS) units. Subrecipients submit applications to this office, which are reviewed by the FSTEMS FR-CARA Staff, the FR-CARA

Advisory Committee, and approved by the FSTEMS Director. The criteria for approval are based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local communities.

The First Responder Comprehensive Addiction and Recovery Act (FR-CARA) grants are 100% federally funded by SAMHSA with no match requirement. In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice, until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and

11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and

11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. TERMINATION.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
