*Victoria F. Sheehan*  
Commissioner

**THE STATE OF NEW HAMPSHIRE**  
**DEPARTMENT OF TRANSPORTATION**

*William Cass, P.E.*  
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Construction  
May 14, 2019

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Alvin J. Coleman & Son, Inc. (Vendor 154411) of Conway, NH on the basis of a low bid of \$2,253,953.50 for intersection safety improvements at the intersection of NH Route 28 and NH Route 171, from the date of Governor and Council approval through June 19, 2020, unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Year 2019 and is contingent upon the availability and continued appropriation of funds in Fiscal Year 2020 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2019</u>	<u>FY 2020</u>
04-96-96-963515-3054 Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$253,953.50	\$2,000,000.00

2. Further authorize that a contingency in the amount of \$112,697.68 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2019</u>	<u>FY 2020</u>
04-96-96-963515-3054 Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$0.00	\$112,697.68

**EXPLANATION**

This project is part of the State's Ten Year Transportation Improvement Plan, under the Highway Safety Improvement Program (HSIP). This project consists of safety improvements at the intersection of NH Route 28 and NH Route 171 by constructing a roundabout. NH Route 28 work starts approximately 465 feet south of the intersection and proceeds to approximately 720 feet north of the intersection. NH Route 171 work starts approximately 600 feet east of the intersection and proceeds to approximately 600 feet west of the intersection.

The intersection of NH 28 and NH 171 has a history of severe crashes including bodily injury and fatalities. The severest crashes have occurred when vehicles traveling on NH 171, which is stop

controlled at this intersection, have entered the intersection and consequently been impacted by vehicles traveling on NH 28. Crash severity will be significantly reduced at this intersection by the reduction in traveling speed and conflict points caused by the geometry of a roundabout.

The proposed contingency amount is 5% of the contract amount. This project was developed under accelerated conditions increasing the probability of unknown impacts to the project, such as unanticipated traffic control needs and construction restrictions. Adjusting quantity limits to offset quantity overruns is also not practical.

Although the bid costs exceeded the Department's estimate by 28.35%, only 1 bid was received and it is felt to be reasonable for the work involved. This project has an accelerated construction timeline requiring the roundabout to be completed, to binder, by October 18, 2019. This timeline and Spring 2019 advertising date influenced the bid price received; and, also, limited the competition, which was exacerbated by ongoing contractor work force challenges. Re-advertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

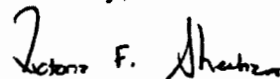

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 90% (Highway Safety Improvement Program (HSIP)) with anticipated utilization of Turnpike Toll Credits as the State's 10% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan  
Commissioner

VFS/pcj

Department Estimate: \$1,756,164.00

Contract Amount: \$2,253,953.50

Over Estimate: \$ 497,789.50

## SUPPLEMENTAL PROJECT INFORMATION SHEET

**DESCRIPTION:** This project consists of safety improvements at the intersection of NH Route 28 and NH Route 171 by constructing a roundabout. NH Route 28 work starts approximately 465 feet south of the intersection and proceeds to approximately 720 feet north of the intersection. NH Route 171 work starts approximately 600 feet east of the intersection and proceeds to approximately 600 feet west of the intersection.

**FEDERAL FUNDING:** 90% (Highway Safety Improvement Program (HSIP)) with anticipated utilization of Turnpike Toll Credits for the State's 10% match.

**CONTINGENCY:** The proposed contingency amount is 5% of the contract amount. This project was developed under accelerated conditions increasing the probability of unknown impacts to the project, such as unanticipated traffic control needs and construction restrictions. Adjusting quantity limits to offset quantity overruns is also not practical.

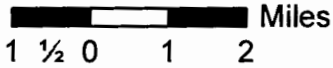

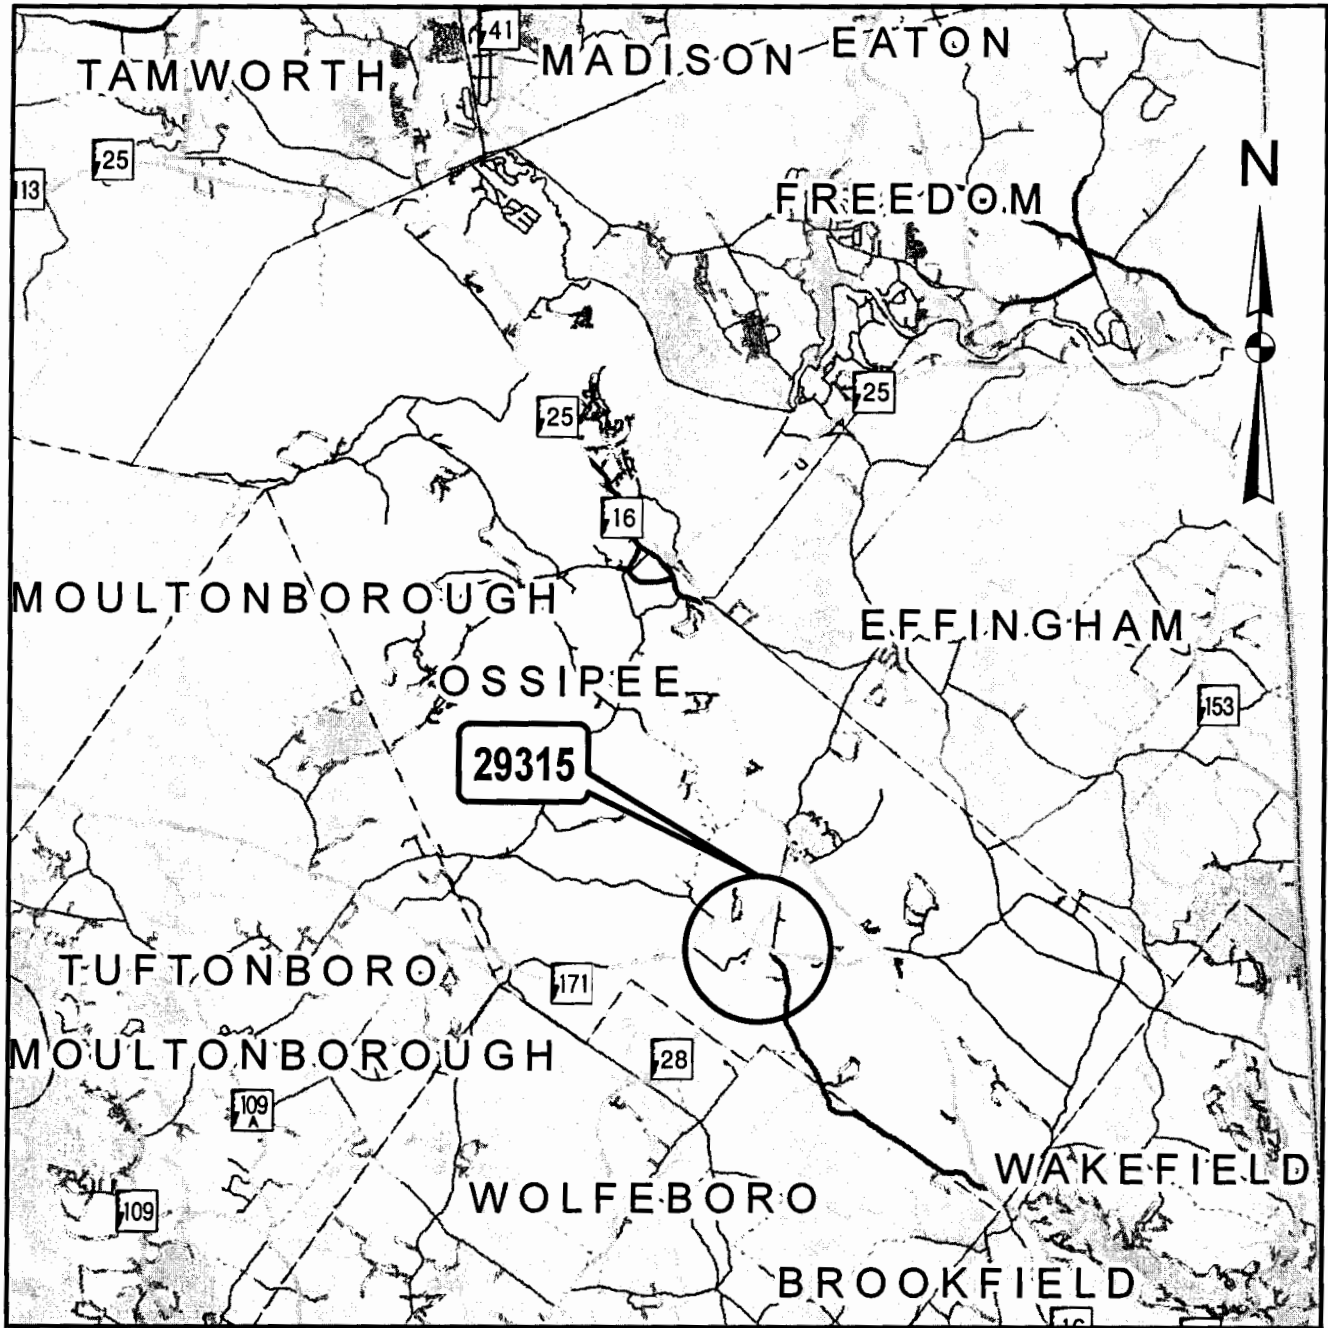

**PROJECT INITIATED:** Highway Safety Improvement Program (HSIP)

**PROJECT EXPLANATION:** The intersection of NH 28 and NH 171 has a history of severe crashes including bodily injury and fatalities. The severest crashes have occurred when vehicles traveling on NH 171, which is stop controlled at this intersection, have entered the intersection and consequently been impacted by vehicles traveling on NH 28. Crash severity will be significantly reduced at this intersection by the reduction in traveling speed and conflict points caused by the geometry of a roundabout.

**TRAFFIC IMPLICATION:** Traffic impacts are expected to be minimized by maintaining two-way traffic (one lane in each direction) on NH Route 28 during peak hours. Off-peak daily lane closures with single lane alternating two-way traffic patterns will be also used on NH Route 28 during off peak hours. Daily lane closures with single-lane, alternating two-way traffic patterns will be used to complete work on NH Route 171.

**FINAL COMPLETION DATE:** June 19, 2020

# CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

5/20/2019

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

**IMPORTANT:** If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

# CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

5/22/2019

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

**IMPORTANT:** If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
