REQUESTED ACTION

Authorize the Office of Strategic Initiatives (OSI) to enter into a **SOLE SOURCE** contract with North Country Council (NCC), (VC#177235), Littleton, NH in the amount of \$22,222.00 as part of the Targeted Block Grant (TBG) Program for planning assistance and training to municipalities on local, municipal and regional planning issues, contingent upon approval of Governor and Executive Council from July 1, 2019 through June 30, 2021. 100% General Funds.

Funding is available in the following account, Municipal/Regional Assistance, contingent upon the availability and continued appropriation of funds in the FY2020/21 operating budget, as follows:

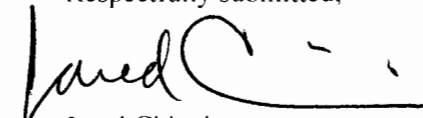

01-02-02-024010-65700000	<u>FY 2020</u>	<u>FY2021</u>
073-500581 Grants Non Federal	\$11,111.00	\$11,111.00

EXPLANATION

The Targeted Block Grant (TBG) Program was established in the 1980s to allocate funds designated for the regional planning commissions in OSI's budget to provide planning assistance to municipalities and to implement regional planning activities. This contract is sole source pursuant to RSA 4-C:8, which authorizes OSI to provide technical assistance through financial grants to each of the nine regional planning commissions in the state. Regional planning commissions were established by the state in 1968 and play an important role in the coordination of planning efforts between the state, regional and local levels.

This funding will enable NCC to continue assistance to communities on local planning and developments of regional impact and to provide educational programs for local officials on various planning and land use topics.

Respectfully submitted,

Jared Chicoine
Director
Office of Strategic Initiatives

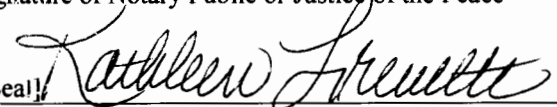

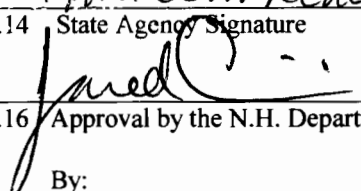

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
