REQUESTED ACTION

Approval is requested of the attached supplemental resolution authorizing the issuance of up to \$52 million of Turnpike System Revenue Bonds, 2019 Refunding Series A (the "Bonds") pursuant to RSA 237-A. The State Treasurer is permitted to proceed with the sale and issuance of these Bonds through a competitive process, negotiated sale, or private placement.

EXPLANATION

Approval of the supplemental resolution will permit the issuance of refunding bonds to replace existing Turnpike System Revenue Bonds, 2009 Series A (Federally Taxable – Build America Bonds – Direct Payment) (the "2009 Series A Bonds"). The sale of the Bonds is anticipated to be on a competitive basis and awarded to the underwriter with the lowest cost bid to the State. The Bonds are being sold as a current refunding on or after August 1, 2019 with delivery in November 2019 to replace the currently outstanding 2009 Series A Bonds that are callable on November 1, 2019. The proceeds of the Bonds will be used to pay off the 2009 Series A Bonds on or after the November 1, 2019 call date.

Respectfully submitted,

ARTICLE II

AUTHORIZATION OF 2019 REFUNDING SERIES BONDS

SECTION 2.1. Principal Amount, Designation and Series. Pursuant to the provisions of the General Resolution, a series of Bonds is hereby authorized in the maximum aggregate principal amount of \$52,000,000 and shall be designated as “Turnpike System Revenue Bonds, 2019 Refunding Series”.

SECTION 2.2. Purposes. The purposes for which the 2019 Refunding Series Bonds are being issued are (i) to pay the costs of issuance relating to the 2019 Refunding Series Bonds, including without limitation, the Underwriters’ discount set forth in the Purchase Contract, if applicable, and (ii) to provide for the payment of the redemption price of and interest on the Refunded Bonds in accordance with the Refunding Trust Agreement.

SECTION 2.3. Date, Maturities, Interest Payments and Redemption Terms. The 2019 Refunding Series Bonds shall be dated and shall mature on the dates, in the years and in the principal amounts determined by the State Treasurer and as set forth in the Official Statement. The 2019 Refunding Series Bonds shall bear interest from their date, payable on the dates and at the rates and be subject to redemption or non-callable prior to maturity, all as determined by the State Treasurer and as set forth in the Official Statement and in accordance with and subject to the terms of, in the case of a Negotiated Sale, the Purchase Contract or, in the case of a Competitive Sale, the Notice of Sale.

SECTION 2.4. Book-Entry System. The 2019 Refunding Series Bonds will be issued by means of a book-entry system, with bond certificates immobilized at The Depository Trust Company, New York, New York (“DTC”), or its custodial agent. Transfer of ownership of the 2019 Refunding Series Bonds, if and for as long as DTC acts as securities depository therefor, shall be made only through DTC and its participants in accordance with the rules and regulations specified by DTC. Notwithstanding anything in the General Resolution to the contrary, if and for as long as DTC acts as securities depository therefor, notices of redemption of the 2019 Refunding Series Bonds or any portion thereof shall be sent to DTC by registered or certified mail not less than thirty days nor more than sixty days prior to the date fixed for redemption.

In the event that DTC acts as securities depository for the 2019 Refunding Series Bonds and then (a) DTC determines not to continue to act as securities depository therefor or (b) the State Treasurer determines that continuation of the book-entry system of evidence and transfer of ownership of the 2019 Refunding Series Bonds would adversely affect the interests of the beneficial owners of the 2019 Refunding Series Bonds, the State Treasurer will discontinue the book-entry system with DTC. If the State Treasurer fails to identify another qualified depository to replace DTC, the Trustee will at the direction of the State Treasurer authenticate and deliver replacement 2019 Refunding Series Bonds in the form of fully registered certificates.

The State Treasurer is hereby authorized to make such representations and enter into such agreements as the State Treasurer deems necessary and appropriate in furtherance of the provisions of this section.

SECTION 2.5. Bond Form. The 2019 Refunding Series Bonds shall be in substantially the following form with such insertions and deletions as the State Treasurer shall determine to be necessary or desirable to reflect the terms of the 2019 Refunding Series Bonds:

REGISTERED OWNER:

PRINCIPAL AMOUNT: _____ DOLLARS

The State of New Hampshire (the "State"), for value received, promises to pay to the Registered Owner of this bond or registered assigns, but solely from the Revenues to be provided under the Resolution described below, the Principal Amount specified above, in lawful money of the United States of America, on the Maturity Date unless this bond is called for earlier redemption, upon presentation and surrender hereof, with interest (calculated on the basis of a 360-day year of twelve 30-day months) at the Interest Rate per annum, payable on _____, 20__ and semiannually thereafter on _____ and _____ of each year (each, an "Interest Payment Date") until the Principal Amount is paid or has been duly provided for. This bond will bear interest from the most recent Interest Payment Date to which interest has been paid or, if no interest has been paid, from the Original Issue Date. Interest is payable to the Registered Owner of this bond, determined as of the close of business on the applicable record date, at its address as shown on the registration books maintained by The Bank of New York Mellon Trust Company, N.A., as trustee and paying agent (the "Trustee").

The record date for payment of interest is the fifteenth day of the month preceding the date on which the interest is to be paid, provided that, with respect to overdue interest or interest payable on redemption of this Bond other than on an Interest Payment Date or interest on any overdue amount, the Trustee may establish a special record date. The special record date may be not more than twenty days before the date set for payment. The Trustee will mail notice of a special record date to the Registered Owners at least ten (10) days before the special record date. The Trustee will promptly certify to the State that it has mailed the notice to all Registered Owners and the certificate will be conclusive evidence that the notice was given in the required manner.

This Bond is one of a series of \$_____ aggregate principal amount issued by the State for the purpose of refunding certain bonds pursuant to RSA 237-A, as amended, previously issued under the General Bond Resolution duly adopted by the Governor and Council on November 9, 1987, as heretofore supplemented and amended (collectively, the "Resolution").

The bonds issued under the Resolution are payable solely from and are equally and ratably secured by a pledge of the Revenues derived by the State from the ownership and operation of its Turnpike System, subject to the payment of Operating Expenses.

Neither the full faith and credit nor the taxing power of the State or any political subdivision is pledged for the payment of the bonds.

Reference is made to the Resolution for a description of the Revenues pledged, the expenses payable therefrom before payment of the bonds, the terms and conditions upon which additional bonds may be issued or the Resolution amended, and the rights, limitations of rights, duties, obligations and immunities of the State, the Trustee and the bondholders, including the order of payments in the event of insufficient funds and restrictions on the rights of the bondholders to bring suit. Copies of the Resolution may be inspected at the offices of the Secretary of State and the State Treasurer or at the principal corporate trust office of the Trustee. Terms not defined herein shall have the meanings given them in the Resolution.

In case any Event of Default occurs, the principal amount of this bond together with accrued interest may be declared due and payable in the manner and with the effect provided in the Resolution.

The bonds of this series are being issued by means of a book entry system, with bond certificates immobilized at The Depository Trust Company, New York, New York ("DTC"), or its custodial agent, evidencing ownership of the bonds in principal amounts of \$5,000 or integral multiples thereof, and with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Bond certificates are not available for distribution to the public. The principal or redemption price, if any, of and interest on this bond are payable by the Trustee to the Registered Owner of this bond, as nominee of DTC. Transfer of principal, redemption price, if any, and interest payments to participants of DTC is the responsibility of DTC; transfer of principal, redemption price, if any, and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The State and Trustee are not responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the bonds or (b) the State Treasurer determines that continuation of the book entry system of evidence and transfer of ownership would adversely affect the interests of the beneficial owners of the bonds, the State will discontinue the book entry system with DTC. If the State fails to identify another qualified securities depository to replace DTC, the Trustee will at the direction of the State Treasurer authenticate and deliver replacement bonds in the form of fully registered certificates.

This bond is transferable only upon the books of the State which shall be kept for such purpose by the Trustee, but only in a manner which will maintain immobilization of bond certificates at one or more securities depositories. This bond may not be transferred or exchanged in a manner which would involve the delivery of bond certificates to the beneficial owners of bonds unless the book entry system has been discontinued by the State in accordance

with the preceding paragraph, in which case replacement bonds may be issued in accordance with law and such procedures as the State Treasurer shall deem appropriate.

[The bonds of this series (except the bonds maturing on or before _____, which are not subject to redemption prior to maturity) are redeemable prior to maturity beginning on _____, 20____, at the option of the State, as a whole or in part at any time at a price of 100% of their principal amount plus accrued interest to the redemption date.

The bonds of this series maturing on _____, _____ and _____, _____ are also subject to redemption from sinking fund installments in amounts sufficient to redeem on _____ of each year the principal amount of bonds shown below, without premium, plus accrued interest to the redemption date:

Term Bonds due _____,

In the event this bond is called for redemption, notice will be sent by first class, registered or certified mail not more than sixty (60) days nor less than thirty (30) days prior to the redemption date to the Registered Owner, as nominee of DTC. It will be the responsibility of DTC and its participants to give notice of the redemption to beneficial owners of this bond. Failure to mail notice to the registered owner of any other bond, any defect in the notice to such an owner, or failure by DTC and its participants to provide notice of redemption to the beneficial owners of this bond will not affect the redemption of this bond. The redemption notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption, in a separate account established by the State for such purpose no later than the redemption date, or that the State may rescind such notice at any time prior to the scheduled redemption date if the State Treasurer delivers a notice thereof to the registered owner of the Bonds. The redemption notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded, and the failure of the State to make funds available in whole or in part on or before the redemption date shall not constitute a default. Notice of redemption having been duly mailed, this bond, or the portion called for redemption, will become due and payable on the redemption date at the applicable redemption price and, moneys for the redemption having been deposited with the Trustee, from and after the date fixed for redemption interest on this bond (or such portion) will no longer accrue.

Portions of the principal sum of this bond in the amount of five thousand dollars (\$5,000) or any multiple thereof may be redeemed. In the event of such a partial redemption, the identity of the beneficial owners whose beneficial interests in this bond shall be redeemed and the amount of any such redemption shall be determined by DTC and its participants by lot in such manner as DTC and its participants shall deem appropriate. If less than all of the principal sum is to be redeemed, upon surrender of this bond to the Trustee there will be issued to the Registered Owner, without charge, a new bond for the unredeemed principal sum.]

In connection with the offering of the bonds the State has executed a Continuing Disclosure Certificate (as it may be amended from time to time, the "Certificate"). The State hereby covenants to comply with the provisions of the Certificate, and reference is made to the Certificate for a description of the nature and extent of the obligations of the State and the rights of the Registered Owner under the Certificate. The Certificate is described in the Official Statement relating to the bonds. A copy of the Certificate is available from the State Treasurer upon request.

This bond will not be valid unless the Certificate of Authentication has been signed by the Trustee.

The sale of the 2019 Refunding Series Bonds on a negotiated basis to a syndicate of underwriters (the "Underwriters") selected by the State Treasurer, at an aggregate purchase price to be determined by the State Treasurer is hereby authorized. The State Treasurer is hereby authorized to execute and deliver a Bond Purchase Contract (the "Purchase Contract") and a final Official Statement, to the underwriters of the 2019 Refunding Series Bonds. Such Purchase Contract and final Official Statement shall set forth the principal amount of 2019 Refunding Series Bonds to be issued, the date of the 2019 Refunding Series Bonds, the principal amount of the 2019 Refunding Series Bonds maturing each year and the dates and years of such maturities, the 2019 Refunding Series Bonds constituting the term bonds and the mandatory redemption amounts related thereto, if any, and the interest rates on the 2019

Refunding Series Bonds, and the execution of such Purchase Contract shall constitute conclusive evidence of the approval of the State Treasurer and the approval of the Governor and Council thereof. The State Treasurer, Governor and Commissioner of the Department of Transportation are authorized to execute and deliver all other documents and instruments necessary or convenient in connection with the issuance of the 2019 Refunding Series Bonds, including any amendment, supplement or update to the final Official Statement authorized hereby.

(b) If the State Treasurer determines that the sale of the 2019 Refunding Series Bonds shall be a Competitive Sale, then the publication and distribution of a Preliminary Official Statement, Notice of Sale and Summary Notice of Sale, calling for electronic bids for the purchase of the 2019 Refunding Series Bonds, each in substantially the forms customarily used by the State with such changes as the State Treasurer shall determine, are hereby authorized. The sale of the 2019 Refunding Series Bonds upon the terms and conditions set forth in such Notice of Sale is hereby approved. The State Treasurer is hereby authorized to award the 2019 Refunding Series Bonds to the bidder or bidders offering to purchase all of the 2019 Refunding Series Bonds, or a maturity or maturities thereof, at the lowest true interest cost to the State, as set forth in the Notice of Sale relating to the 2019 Refunding Series Bonds and to execute and deliver a final Official Statement to the purchaser or purchasers of the 2019 Refunding Series Bonds, in such form as the State Treasurer deems appropriate. Such award shall constitute conclusive evidence of the approval of the State Treasurer and the approval of the Governor and Council thereof. The State Treasurer, Governor and Commissioner of the Department of Transportation are authorized to execute and deliver all other documents and instruments necessary or convenient in connection with the issuance of the 2019 Refunding Series Bonds, including any amendment, supplement or update the final Official Statement authorized hereby.

SECTION 2.8. Refunding Trust Agreement; Continuing Disclosure Certificate; Debt Service Forward Supply Agreement. The State Treasurer is hereby authorized to execute on behalf of the State the Refunding Trust Agreement providing for the refunding of the Refunded Bonds, substantially in the form as the State Treasurer may approve, execution thereof by the State Treasurer to constitute conclusive evidence of such approval and the approval of the Governor and Council.

(a) The State Treasurer, Governor and Commissioner of the Department of Transportation are hereby authorized to execute, on behalf of the State, a Continuing Disclosure Certificate, substantially in the form of similar certificates previously executed in connection with the issuance of outstanding Turnpike System Revenue Bonds and with such changes as may be necessary or desirable in connection with the issuance of the 2019 Refunding Series Bonds, their execution thereof to constitute conclusive evidence of their approval and the approval of the Governor and Council.

(b) In connection with the refunding of the Refunded Bonds, the State Treasurer is hereby authorized to execute on behalf of the State such amendments to the Debt Service Forward Supply Agreement dated as of February 8, 1995, by and between the State and JPMorgan Chase Bank, N.A., as successor to Chemical Bank, as the State Treasurer determines to be necessary or desirable, execution thereof by the State Treasurer to constitute conclusive evidence of the State Treasurer's approval and the approval of the Governor and Council.

SECTION 2.9. Terms, Conditions and Details Determined by State Treasurer. Except as specifically provided in Article II, or in the General Resolution, the State Treasurer shall determine the aggregate principal amount of the 2019 Refunding Series Bonds, the appropriate principal amount and maturities of Refunded Bonds, and the maturities, interest rates, redemption prices and terms, if any, and the form of the 2019 Refunding Series Bonds, and all other details and terms and conditions of the 2019 Refunding Series Bonds and the sale thereof as set forth in the Official Statement, all in accordance with and subject to the terms of, in the case of a Negotiated Sale, the Purchase Contract or, in the case of a Competitive Sale, the Notice of Sale. The State Treasurer is hereby authorized to make such certifications and representations and enter into such agreements as the State Treasurer deems necessary and appropriate in furtherance of the provisions of this 2019 Refunding Series Resolution.

ARTICLE III

DISPOSITION OF PROCEEDS

SECTION 3.1. Disposition of Proceeds. In accordance with Section 2.7 of the General Resolution, upon delivery of the 2019 Refunding Series Bonds the proceeds shall be paid to the State Treasurer or to the Trustee and applied as follows:

- (a) amounts necessary to pay costs of issuance of the 2019 Refunding Series Bonds shall be applied thereto by the State Treasurer; and
- (b) the remainder shall be deposited in the Refunding Trust Fund pursuant to the Refunding Trust Agreement and applied as provided therein.

ARTICLE IV

REBATE SUBACCOUNT

SECTION 4.1. 2019 Refunding Series Bonds Rebate Subaccount. There is hereby established a subaccount of the Rebate Account established by Section 3.4 of the General Resolution to be known as the “2019 Refunding Series Bonds Rebate Subaccount” and referred to hereafter in this Article as the “Rebate Subaccount”. Moneys in the Rebate Subaccount shall be held by the Trustee and applied in accordance with the provisions of this section.

(a) For purposes of this section, the following terms shall have the following meanings:

(1) “Bond Year” shall mean each one-year period (or shorter period beginning on the date of original delivery of the 2019 Refunding Series Bonds and ending on [January 31, 2020]) ending January 31, 2030;

(2) “Code” shall mean the Internal Revenue Code of 1986;

(3) “Excess” for any period means the sum of:

(i) the excess of

(A) the aggregate amount earned on all Nonpurpose Investments (other than investments attributable to an excess described in this subparagraph (i) and investments of amounts deposited in the Debt Service Account but only to the extent the average annual debt service on the 2019 Refunding Series Bonds is less than \$2,500,000 or the gross earnings on such amounts for the Bond Year are less than \$100,000 (or a pro rata portion of \$100,000 in the case of a short Bond Year)) acquired with any Gross Proceeds of the 2019 Refunding Series Bonds over

(B) the amount which would have been earned if all such Nonpurpose Investments were invested at a rate equal to the Yield on the 2019 Refunding Series Bonds, plus

(ii) any income attributable to the investment of the excess described in subparagraph (i) above;

(4) "Gross Proceeds" shall have the meaning given such term in the Rebate Provision;

(5) "Nonpurpose Investments" shall have the meaning given such term in the Rebate Provision;

(6) "Rebate Provision" shall mean Section 148(f) of the Code and the regulations thereunder;

(7) "Rebate Requirement," with respect to the 2019 Refunding Series Bonds, shall mean, at any date of calculation, the cumulative net Excess, if any, as last determined by the State Treasurer in accordance with this section, less amounts previously paid to the United States under paragraph (d) of this section; and

(8) "Yield" shall mean, as the case may be, the yield on the 2019 Refunding Series Bonds or the yield on any investment of Gross Proceeds of the 2019 Refunding Series Bonds, in either case calculated as required by the Rebate Provision.

(b) Except as otherwise provided in this section, amounts on deposit in the Rebate Subaccount shall not be subject to the claim of any party (including Bondholders) and shall not be paid over to any party other than the United States of America. In addition to the Rebate Subaccount, the State hereby covenants to establish such other separate accounts or subaccounts within the accounts established pursuant to the General Resolution as may be necessary or desirable to account for the Gross Proceeds of the 2019 Refunding Series Bonds and all Nonpurpose Investments acquired therewith in order to comply with the Rebate Provision.

(c) Within forty-five (45) days after the close of each Bond Year (or any earlier date that may be necessary to make a required payment to the United States under paragraph (d) of this section), the State Treasurer shall compute and certify to the Trustee in reasonable detail the Rebate Requirement as of the close of such Bond Year and shall deposit into the Rebate Subaccount from moneys held in the Revenue Account an amount sufficient to

cause the balance in the Rebate Subaccount to equal the Rebate Requirement as so determined. If at the date of calculation of the Rebate Requirement the amount on deposit in the Rebate Subaccount exceeds the Rebate Requirement as so determined, upon written certification thereof in reasonable detail by the State Treasurer to the Trustee, such excess shall be transferred by the Trustee to the Revenue Account. For purposes of this paragraph (c), computations of Excess shall be made as if the last day of the applicable Bond Year were a "computation date" within the meaning of Treas. Reg. §1.148-3(e) or any successor regulation. In determining the aggregate amount earned on Nonpurpose Investments, any gain or loss on the disposition of such Investments shall be taken into account.

(d) Within sixty (60) days of the end of the fifth Bond Year, and each fifth Bond Year thereafter, the Trustee, upon receipt of a written direction from the State Treasurer, shall pay from the Rebate Subaccount to the United States on behalf of the State the amount then required to be paid under the Rebate Provision as determined by the State Treasurer and certified to the Trustee. Within sixty (60) days after the 2019 Refunding Series Bonds have been paid in full, the Trustee, upon receipt of a written direction from the State Treasurer, shall pay to the United States on behalf of the State the full amount then required to be paid under the Rebate Provision as determined by the State Treasurer and certified to the Trustee. Each such payment shall be filed with the Internal Revenue Service Center, Ogden, Utah 84201, or any other address as directed by the Internal Revenue Service, accompanied by a Form 8038-T. If at the time of any such payment the amount of the Rebate Subaccount is insufficient to pay the amount required to be paid under the Rebate Provision, the deficiency shall be paid from the Revenue Account by the State Treasurer.

(e) Not later than fifteen (15) days prior to each date on which a payment could become due under paragraph (d) hereof (a "Rebate Payment Date"), the State Treasurer shall deliver to the Trustee a certificate either summarizing the determination that no amount is required to be paid or specifying the amount then required to be paid pursuant to paragraph (d) hereof and, if an amount is required to be paid, the Trustee shall make such payment on the Rebate Payment Date from the Rebate Subaccount.

(f) The Trustee and the State Treasurer shall keep such records as will enable them to fulfill their responsibilities under this section and the Rebate Provision and shall retain such records for at least six years following final payment of the 2019 Refunding Series Bonds.

(g) The State shall exclude from its computations of Excess pursuant to Subsection 4.1(a) any Gross Proceeds that are not subject to rebate pursuant to Code §148(f)(4)(A), (B) or (C) or pursuant to the provisions of Treas. Reg. 1.148-7.

SECTION 4.2. Late Payments. In the event any rebatable arbitrage with respect to the 2019 Refunding Series Bonds is not paid to the United States when due, the State shall pay to the United States any interest, penalty or other amount necessary to prevent the 2019 Refunding Series Bonds from becoming arbitrage bonds within the meaning of Section 148 of the Code.

SECTION 4.3. Amendments of Article IV. The provisions of this Article IV shall be complied with by the State in order to meet the requirements of the Code such that interest on the 2019 Refunding Series Bonds shall be and remain excludable from the gross income of the

recipients thereof for federal income tax purposes; provided, however, the State shall not be required to comply with any such provision with respect to the 2019 Refunding Series Bonds in the event the State receives an unqualified opinion of nationally recognized bond counsel that compliance with such provision is no longer required to satisfy the requirements of the Code or that compliance with some other provision in lieu of a provision specified in this Article IV will satisfy said requirements, in which case compliance with the other provision specified in such opinion shall constitute compliance with the provisions specified in this Article IV. The State shall adopt a Supplemental Resolution reflecting the deletion or substitution of any such provision of this Article IV in the same manner as provided for Supplemental Resolutions adopted in accordance with Section 8.1 of the General Resolution.

ARTICLE V

BOND INSURANCE

SECTION 5.1. Bond Insurance. If a Bond Insurance Policy is to be issued in connection with the issuance of the 2019 Refunding Series Bonds, the following provisions shall apply:

(a) Notwithstanding anything in Section 3.3 of the General Resolution to the contrary, if, on the third day preceding any interest payment date for the 2019 Refunding Series Bonds there is not on deposit with the Trustee sufficient moneys available to pay all principal of and interest on the 2019 Refunding Series Bonds due on such date, the Trustee shall immediately notify the Bond Insurer and its Fiscal Agent, if any (the "Fiscal Agent"), of the amount of such deficiency. If, by said interest payment date, the State has not provided the amount of such deficiency, the Trustee shall simultaneously make available to the Bond Insurer and to the Fiscal Agent the registration books for the 2019 Refunding Series Bonds maintained by the Trustee. In addition:

(1) The Trustee shall provide the Bond Insurer with a list of the 2019 Refunding Series Bondholders entitled to receive principal or interest payments from the Bond Insurer under the terms of the Bond Insurance Policy and shall make arrangements for the Bond Insurer and its Fiscal Agent (A) to mail checks or drafts to 2019 Refunding Series Bondholders entitled to receive full or partial interest payments from the Bond Insurer and (B) to pay principal of the 2019 Refunding Series Bonds surrendered to the Fiscal Agent by the 2019 Refunding Series Bondholders entitled to receive full or partial principal payments from the Bond Insurer; and

(2) The Trustee shall, at the time it makes the registration books available to the Bond Insurer pursuant to (i) above, notify 2019 Refunding Series Bondholders entitled to receive the payment of principal of or interest on the 2019 Refunding Series Bonds from the Bond Insurer (A) as to the fact of such entitlement, (B) that the Bond Insurer will remit to them all or part of the interest payments coming due, (C) that, except as provided in paragraph (b) below, in the event that any 2019 Refunding Series Bondholder is entitled to receive full payment of principal from the Bond Insurer, such 2019 Refunding Series Bondholder must tender its 2019 Refunding Series Bond with the instrument of transfer in the form provided on the Bond executed in the name of the Bond Insurer, and (D) that, except as provided in paragraph (b) below, in the event that such

2019 Refunding Series Bondholder is entitled to receive partial payment of principal from the Bond Insurer, such 2019 Refunding Series Bondholder must tender its 2019 Refunding Series Bond for payment first to the Trustee, which shall note on such 2019 Refunding Series Bond the portion of principal paid by the Trustee, and then, with the form of transfer executed in the name of the Bond Insurer, to the Fiscal Agent, which will then pay the unpaid portion of principal to the 2019 Refunding Series Bondholder.

(b) In the event that the Trustee has notice that any payment of principal of or interest on a 2019 Refunding Series Bond has been recovered from a 2019 Refunding Series Bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall at the time it provides notice to the Bond Insurer, notify all 2019 Refunding Series Bondholders that in the event that any Bondholder's payment is so recovered, such 2019 Refunding Series Bondholder will be entitled to payment from the Bond Insurer to the extent of such recovery, and the Trustee shall furnish to the Bond Insurer its records evidencing the payments of principal of and interest on the 2019 Refunding Series Bonds which have been made by the Trustee and subsequently recovered from Bondholders, and the dates on which such payments were made.

(c) The Bond Insurer shall, to the extent it makes payment of principal of or interest on the 2019 Refunding Series Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy and, to evidence such subrogation, (i) in the case of subrogation as to claims for past due interest, the Trustee shall note the Bond Insurer's rights as subrogee on the registration books maintained by the Trustee upon receipt from the Bond Insurer of proof of the payment of interest thereon to the 2019 Refunding Series Bondholders of such 2019 Refunding Series Bonds and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Bond Insurer's rights as subrogee on the registration books for the 2019 Refunding Series Bonds maintained by the Trustee upon receipt of proof of the payment of principal thereof to the 2019 Refunding Series Bondholders of such 2019 Refunding Series Bonds. Notwithstanding anything in this 2019 Refunding Series Resolution or the 2019 Refunding Series Bonds to the contrary, the Trustee shall make payment of such past due interest and past due principal directly to the Bond Insurer to the extent that the Bond Insurer is a subrogee with respect thereto.

(d) For as long as the Bond Insurance Policy shall be in full force and effect,

(i) the State shall provide the Bond Insurer with the following information:

shall be provided within fifteen (15) days of the date it is filed with the Trustee;

(C) a copy of any official statement or other disclosure document prepared by the State in connection with the issuance of Additional Bonds or any other indebtedness secured by a pledge of Revenues inferior to the pledge of Revenues created by the Resolution which shall be provided within thirty (30) days of the sale of such indebtedness; and

- (D) (I) Annual vehicular traffic (number)

- (IV) Any planned expansions or improvement projects or projects in process.

The information to be provided pursuant to this such clause (D) shall be provided separately for the Central New Hampshire Turnpike and the Eastern New Hampshire Turnpike (each as defined in the Act) portions of the System and for the remainder of the System, if any. This information shall be provided by the State to the Bond Insurer within 180 days after the end of each Fiscal Year.

(ii) The Trustee shall provide the following to the Bond Insurer:

(A) notice of any deficiency in or withdrawal from the Debt Service Reserve Account (other than a transfer of any excess therein to the Revenue Account in accordance with the second sentence of Section 3.5(c) of the General Resolution); and

(B) notice of the redemption, other than from sinking fund installments, of any of the 2019 Refunding Series Bonds, which notice shall include the principal amount, maturity dates and CUSIP numbers of the 2019 Refunding Series Bonds being redeemed.

(e) Notwithstanding any provision in the Resolution to the contrary, for so long as the Bond Insurance Policy shall be in full force and effect, the Trustee shall not give notice of redemption of any of the 2019 Refunding Series Bonds, other than from sinking fund installments, unless and until the Trustee shall hold sufficient funds to pay the redemption price of such 2019 Refunding Series Bonds when due.

(f) For so long as the Bond Insurance Policy shall be in full force and effect, the Trustee shall (i) immediately give notice to the Bond Insurer of the occurrence of any Event of Default specified in clause (1), (2) or (3) of Section 7.1(a) of the General Resolution and (ii) give notice to the Bond Insurer of the occurrence of any other Event of Default specified in Section 7.1(a) of the General Resolution within thirty (30) days of the Trustee having knowledge of such Event of Default.

(g) The Trustee, in determining whether an Event of Default specified in clause (1), (2) or (3) of Section 7.1(a) of the General Resolution shall have occurred with respect to the 2019 Refunding Series Bonds, shall do so without regard to any payments made under the Bond Insurance Policy. In executing its obligations under the Resolution, including, but not limited to, Article V thereof, the Trustee shall perform such obligations, including, but not limited to, any actions taken to protect the interests of the 2019 Refunding Series Bondholders and to enforce the provisions of the Resolution to the same extent as it would if the Bond Insurance Policy were not in effect.

(h) For so long as the Bond Insurance Policy shall be in full force and effect and provided that the Bond Insurer shall not have defaulted on its payment obligations under the Bond Insurance Policy, (i) for all purposes of Article VII of the General Resolution (except the giving of notice of an Event of Default pursuant to Section 5.4 of the General Resolution) and Article VIII of the General Resolution, the Bond Insurer shall be deemed to be the sole Bondholder of the 2019 Refunding Series Bonds, (ii) no amendment or supplement to Article V of this 2019 Refunding Series Resolution shall be made without the prior written consent of the Bond Insurer, and (iii) the Bond Insurer shall be a party in interest to the Resolution and shall be entitled to (A) notify the Trustee of the occurrence of any Event of Default with respect to the 2019 Refunding Series Bonds and (B) request that the Trustee intervene in any judicial proceedings that affects the 2019 Refunding Series Bonds or the security therefor, subject, however, to the rights of the Trustee under Sections 5.3(g) and 7.6(b) of the General Resolution. The Trustee shall accept any notice of the occurrence of an Event of Default from the Bond Insurer.

(i) Notwithstanding anything in Article V of the General Resolution to the contrary, (A) no resignation or removal of the Trustee shall become effective until a successor has been appointed and has accepted the duties of Trustee and (B) for so long as the Bond Insurance Policy shall be in full force and effect, the State shall furnish the Bond Insurer with written notice of the resignation or removal of the Trustee and the appointment of any successor thereto.

(j) Unless otherwise approved by the Bond Insurer, obligations described in clause (ii) of the definition of "Defeasance Obligations" set forth in Section 1.1 of the General Resolution may be used pursuant to Section 2.9 of the General Resolution to discharge and

satisfy the obligation, pledge, covenants and agreements of the State with respect to the 2019 Refunding Series Bonds only if such obligations are rated in the highest rating category of either Moody's Investors Service Inc. ("Moody's") or Standard & Poor's ("S&P"). In addition, no Defeasance Obligation shall be so used unless it is non-callable. In the event the 2019 Refunding Series Bonds are discharged pursuant to Section 2.9 of the General Resolution, the State shall cause to be delivered to the Bond Insurer a report of an independent nationally recognized certified public accountant verifying that the amounts held by the Trustee, together with interest income thereon, will be sufficient to pay when due the principal or redemption price of and interest on such 2019 Refunding Series Bonds being discharged.

(k) Notwithstanding anything in the Resolution to the contrary, for so long as the Bond Insurance Policy remains in full force and effect, any calculation of "Net Revenue Requirement" shall compute Debt Service on Variable Rate Bonds by using the Maximum Interest Rate applicable to such Bonds, provided that to the extent Variable Rate Bonds issued or to be issued include related select auction variable rate securities and residual interest bonds or other related issues which, taken together, are the equivalent of a fixed rate obligation of the State, such issues shall be aggregate and treated as a single issue of fixed rate Bonds.

(l) Notwithstanding anything in the Resolution to the contrary, for so long as the Bond Insurance Policy remains in effect, any surety bond, insurance policy or letter of credit deposited into the Debt Service Reserve Account in lieu of cash pursuant to Section 3.5(d) of the General Resolution shall be rated in the highest rating category by Moody's or S&P.

(m) For so long as the Bond Insurance Policy shall remain in full force and effect, the State shall provide the Bond Insurer and each rating agency then maintaining a rating on the 2019 Refunding Series Bonds with a full transcript of all proceedings relating to the adoption of any Supplemental Resolution.

(n) Any notice, direction, document or other information required to be delivered to the Bond Insurer or Fiscal Agent (as defined in Section 5.1(a) hereof), shall be deemed given when delivered (i) in the case of the Bond Insurer to such address as the Bond Insurer shall identify prior to the date of delivery of the 2019 Refunding Series Bonds; and (ii) in the case of the Fiscal Agent, to such address as the Bond Insurer shall identify prior to the date of delivery of the 2019 Refunding Series Bonds, or in either case, at such case, at such other office or addressed in such other manner as the party to whom the notice is given has designated by written notice to the party giving the notice.

SECTION 5.2. Modifications to Article V. The provisions of this Article V may be modified or amended on or prior to the date of delivery of the 2019 Refunding Series Bonds, upon delivery by the State Treasurer to the Trustee of a certificate specifying the amendments or modifications which are, in her opinion, necessary or desirable in order to cause the Bond Insurer to issue the Bond Insurance Policy. Any such amendments or modifications made by the State Treasurer shall be deemed to be part of this 2019 Refunding Series Resolution.
