REQUESTED ACTION

Authorize the Department of Environmental Services (DES) to enter into a grant agreement with the City of Manchester (177433-B004) totaling \$17,375 to fund Household Hazardous Waste collection projects effective upon Governor & Council approval through June 30, 2020. 100% Hazardous Waste Funds.

Funding is available in the following account:

03-44-44-440010-5923-073-500580
Dept. of Environmental Services, P2 + SBTAP, Grants-Non Federal

FY 2019
\$17,375

EXPLANATION

Improper disposal of household hazardous waste may leach toxic chemicals into water supplies, rivers, ponds and farmland, thereby endangering public health and the environment. Of particular concern is the danger of contaminating groundwater used for drinking water supplies. The Legislature, under RSA 147-B:6, established a program to grant monies to municipalities or their authorized representatives to partially fund household hazardous waste collection projects. Funding is determined on a per capita basis. A grantee is required to match the funds received from the state.

The grant agreements specify that collection projects will be conducted by a New Hampshire registered hazardous waste transporter and that all waste collected at the project site be transported, at the end of the day, to an authorized hazardous waste facility for proper disposal. DES will make payment to a grantee upon successful completion of the project as defined in the agreement. In October of 2017, communities were notified that grant funds were available and that applications would be accepted for assisting with household hazardous waste disposal projects in FY 2019. Applications were submitted to the household hazardous waste program for consideration. Although this is a competitive grant program, the FY 2019 budget is sufficient to allow funding for all applicants this fiscal year. A list of household hazardous waste grant fund applicants for FY 2019 is provided as Attachment 1.

We respectfully request your approval.

Robert R. Scott,
Commissioner

the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4 Notwithstanding anything in this Agreement to the contrary, either the State or except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

17. **INSURANCE AND BOND.**

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
