Explanation

The Department of Safety, Division of Motor Vehicles, is seeking approval to enter into a new five year lease to replace the current regional Keene DMV office with space to be located on the first floor of 149 Emerald Street, Suites A1 and A2, in Keene NH. This 2,630 square foot location is payable at a net rate of \$16.00 per square foot, which is \$42,080.00 annually, fixed (0% escalation) for the five year term of the lease. The DMV's current office at 15 Ashbrook Court in Keene does not have sufficient interior space nor sufficient parking for customers and employees and the office space is not conducive to providing excellent customer service.

In addition to rental payments, two supplemental one-time renovation payments of \$55,000.00 and \$57,500.00 not to exceed a total of \$112,500.00, will reimburse the Landlord at the beginning of the lease for making improvements and renovations to the premises. This proposed office is in an easily accessible area and provides adequate customer parking, as well as space for certain road skills examinations.

As required by Administrative Rule, Adm. 610.06 "Public Notice," the Department of Safety conducted a space search soliciting "letters of intent" offering 3,000 square feet of space, in the greater Keene NH area, with a "Request for Proposal" on the Department of Administrative Services, Bureau of Planning and Management website. A lengthy space search produced no

viable proposals other than the enclosed. The Division of Motor Vehicles viewed approximately twenty potential locations; however, all but one (the enclosed) had issues with access, price, parking and/or office size.

The Architectural Barrier Free Design Committee reviewed the enclosed lease during their May 21, 2019, meeting, with their positive letter of recommendation. The Committee has recommended approval of this lease contingent upon all renovations and parking elements being provided in conformance with current barrier-free design codes. This has been agreed by both parties and is fully documented in the lease "design build" specifications and drawings.

The total cost of this lease shall not exceed the five year rent of \$210,400.00 plus the two supplemental one-time payments equaling \$112,500.00 for a total cost that shall not exceed \$322,900.00. The annual rent includes the Landlord's provision of real estate taxes, insurance, site and building maintenance, snow plowing and removal. The annual rent does not include provision of janitorial services or utilities which are estimated at \$20,000.00 annually.

Approval of this lease agreement will allow the Department of Safety to provide an adequate size, easily accessible Division of Motor Vehicles Office in the greater Keene area.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety
