REQUESTED ACTION

Authorize the Department of Administrative Services, Bureau of Education & Training to enter into a **sole source** lease agreement not to exceed \$35,436 with Hodges Development Corporation, Concord, NH (Vendor #154626), for the purpose of providing approximately 2,188 square feet of training space at 130 Pembroke Road in Concord, NH. Effective upon Governor and Council approval for the period July 1, 2019 through June 30, 2020. **100% Revolving Funds**

Funding is available from the following account, contingent upon availability and continued appropriations.

		FY20
022-500248	Rent to Owners Non State Space	\$35,436

EXPLANATION

The Bureau of Education and Training is seeking approval to enter into a one (1) year **sole source** lease commencing July 1, 2019 and ending June 30, 2020 for the continued provision of approximately 2,188 square feet of classroom space for their programs at 130 Pembroke Road, Concord, NH. The total one-year cost will be \$35,436, which is \$16.20 per square foot. A waiver for the RFP process was submitted for the lease to be **sole source** due to the cost of moving for the short term pending the RFP process completion for the new location of the Bureau of Education and Training.

This lease is at the same cost per square foot as the FY19 lease agreement. The rent includes the Landlord's provision of heat, sewer & water, electricity, real estate taxes, insurance, snow plowing & removal, building & site maintenance, and janitorial services to common areas. In addition to the standard provisions of the lease agreement, this lease includes a right of "early termination" which provides the Bureau of Education and Training the opportunity to exercise the option for "early termination" by notifying Hodges Development Corporation 30 days in advance of the desired date to vacate the premises.

The Office of the Attorney General has reviewed and approved this lease amendment.

We respectfully request your approval.

Respectfully submitted,

Approval respectfully requested

Department of Administrative Service

Requesting Agency: Department of Administrative Service, Bureau of Education and Training, 25
Capitol St. Concord, NH

DESCRIPTION: DAS-Bureau of Education and Training (BET) is currently leasing a space located at 130 Pembroke Rd., Concord, NH for an education and training facility. They had a five (5) year lease and it will expire in June 2019. BET has already done two RFP's for a larger space to have the opportunity to increase their classes which should subsequently increase revenue for their department. The lease process was slowed down by an emergency need from Department of Personnel(DOP). They need to relocate while their space is being repaired so they need to move out of 25 Capitol St. (SHA). The length of time projected to move both BET and DOP into the new space will be later than the current (BET) lease allows. The current lease cannot be amended because it would be over 5 years. BET/DOP is requesting a waiver from Public notice because they are projecting to only lease this space another six (6) to twelve (12) months until the new lease is approved at G&C and construction is complete, so they can move into the new space. The current Landlord has agreed to continue leasing to BET on a month to month basis for the same dollars per square foot, they are leasing at now. The short term lease will be \$2,953.00 a month, which is the rent paid now. The current landlord will also agree to a month to month lease with a 30-day notice. This solution will not have additional costs from fit-up or move expenses. It will save the state from additional expense by saving BET from an additional expense due to the delays in the new lease. The RFP process would increase the rent rate due to fit up costs, data transfer costs and higher rent rates. To amend the current lease to increase the time to approve this lease would cause it to go to Long Range and be retroactively submitted to G&C. The cost to move BET to a temporary location will be considerably more than to renew the lease at the current location.

Recommendation: Bureau of Planning Management recommends approval of this waiver to relieve a time sensitive burden and apply special circumstances to procure swiftly than would be possible by the utilization of the notice. This also compares favorably to the current price of similar spaces. It will keep BET in their current location until the new lease and build out is complete. They will also be able to save any emergency move money required to move to a new space.

Dear Commissioner Arlinghaus:

The Department of Administrative Services, Division of Personnel is respectfully requesting a waiver from the public notice requirement for leased space, pursuant to CHAPTER Adm 600 PROCUREMENT AND PROPERTY RULES, Adm 610.11.c.1.e, Exemptions and Waivers from Public Notice Requirement (Other circumstances which render it necessary to procure space more swiftly than would be possible by the utilization of the notice, response and initial selection requirements of the rules).

It is in the best interests of the state and can be obtained at a cost that compares favorably to the current price of similar space for rent, or similar space that is currently rented by the state.

This request is being made in an effort to save the unnecessary costs and time of bidding out space that will more than likely be significantly more in rental fees plus the necessary fit-up cost.

Thank you in advance for your consideration in approving this request.

Sincerely,

A handwritten signature in cursive script that reads "Lorrie A. Rudis".
