REQUESTED ACTION

Authorize the Treasury ("Treasury") to enter into a contract with Verus Analytics, LLC of Waterbury, CT, for a contingent fee not to exceed 10.25 % of the gross amount identified and remitted to the state from audits/examinations of the records of any holder or person to determine compliance with RSA Chapter 471-C, *Custody and Escheat of Unclaimed and Abandoned Property* from July 31, 2019 to June 30, 2022. **100% Other (Abandoned Property Funds)**

020-500254	<u>FY2020</u>	<u>FY2021</u>	<u>FY2022</u>
Audit Fees	\$1,337,655	\$1,344,343	\$1,344,343

EXPLANATION

RSA 471-C, New Hampshire's *Unclaimed and Abandoned Property Law*, provides that the Treasurer may contract with other entities to identify, recover, and remit unclaimed or abandoned assets (e.g. cash and securities) through audit or examination of records. Such examinations are conducted largely with out-of-state holders of such property. Treasury, upon report and remittance, endeavors to contact the rightful owner who may then claim the property. Amounts not claimed shall be escheated and deposited in the General Fund.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

Treasury will contract with any reputable provider of audit/examination services that offers a competitive fee arrangement. The 10.25 % fee is consistent with the existing rate level throughout this industry.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. Audit Services Contract Exhibits

Exhibit A - Services to be Performed

A. Identification of Unclaimed Property.

1. Verus Analytics LLC ("Verus") shall conduct an examination, identify, and demand delivery of unclaimed property from holders that are subject to report and deliver said property under New Hampshire abandoned property law.
2. The period in which Verus shall examine and identify unclaimed property shall consist of the current reporting cycle as of the date of commencement of examination, as well as any prior reporting cycles for which property remains unclaimed and unreported.
3. Verus shall, when examining for New Hampshire, adhere to New Hampshire's abandoned property law, as defined in RSA 471-C. New Hampshire shall notify Verus of all changes in its statutes or administrative rules initiated by or made known to the Treasurer. Verus shall be responsible for performance in accordance with current laws and regulations whether state or federal.
4. It is understood by the parties that Verus shall not commence an examination on behalf of New Hampshire without first obtaining New Hampshire's written consent or direction.
5. Audits may be conducted by Verus on behalf of New Hampshire alone or in conjunction with audits conducted by Verus on behalf of other states with which Verus has entered into contracts. In the event that audits are conducted on behalf of multiple states, Verus may disclose information it acquires through the audit process with such states pursuant to a plan whereby New Hampshire benefits from such reciprocal discoveries. New Hampshire and Verus shall jointly establish all necessary procedures related to the sharing of such information as well as all procedures relating to the examination of holder records and the reporting and delivery of unclaimed property in connection with a multistate audit.
6. The holdings of the U.S. Supreme Court in *Texas v. New Jersey*, 85 S. Ct. 1136 (1965), *Pennsylvania v. New York*, 92 S. Ct. 2820, (1972), and *Delaware v. New York*, 113 S. Ct. 1550, (1993), and any applicable federal legislation regarding which state has the right to escheat property shall be followed.
 - i. Where the name and last known address of the apparent owner according to the books and records of the holder is in New Hampshire, it shall be deemed to be reportable to New Hampshire.
 - ii. If the holder has never maintained records setting forth the name and last known address of the apparent owner, the property shall be deemed reportable to the

5/3/19

state of incorporation of the holder. An address shall be deemed to mean a description of location sufficient for the delivery and receipt of mail. Where no addresses presently exist, but the holder at one time maintained addresses of the apparent owners, the property shall be deemed reportable to the state of incorporation of the holder. Where no address exists, but the records of the holder establish that the apparent owner resided in New Hampshire, Verus shall advise New Hampshire and the holder's state of incorporation, for the purposes of determining which state possesses the priority claim to the funds.

- iii. Where the address of the apparent owner cannot be readily ascertained, but in fact exists in the books and records of the holder, sampling techniques will be used to allocate the property among the states participating in the review. In such event, if required, sampling techniques will also be utilized to ascertain the proportion of the total reportable property for which the holder has names and last known addresses. Verus shall notify New Hampshire when sampling techniques under this paragraph are being used.
 - iv. If the above rules do not provide for a case, or the state having the priority claim cannot be determined, Verus shall notify New Hampshire of such fact if the holder is incorporated in New Hampshire or if an address in New Hampshire may be established from the books or records of the holder.
 - v. In the event that the state of priority claim provides for an exemption, deduction, exclusion or otherwise does not choose to assert jurisdiction over the property, New Hampshire shall be the state for reporting this property where it is the state of incorporation, and further shall be a state of proportion for reporting such property as described above in subparagraph (c) where it is not the state of incorporation.
 - vi. For purposes of funds owing under life insurance policies, if a person other than the insured or annuitant is entitled to the funds and an address of the person is not known to the holder or it is not definite and certain from the records of the holder who is entitled to the funds, it shall be presumed that the last known address of the person entitled to the funds is the same as the last known address of the insured or annuitant according to the records of the holder.
7. If for certain periods the amount of reportable property cannot be ascertained from the books and records of the holder, projection and estimation techniques may be used to determine the reportable amounts for such periods. If names and addresses exist with respect to the abandoned property used in the projection and estimation, the names and addresses shall not be used to determine which state has the priority claim to the abandoned property estimate to be due.
 8. All sampling and projection and estimation techniques used by Verus shall be a method approved by "THE TREASURER" or his/her designee prior to their use.

5/3/19

B. Demand for Delivery of Unclaimed Property.

1. Verus shall demand or direct holders or transfer agents to deliver all cash, net safe deposit assets (after application of RSA 385), securities and related assets, and related owner information to New Hampshire.
2. Verus shall demand or direct holders or transferors or transfer agents to deliver all other unclaimed property to New Hampshire.
3. Verus shall make a report of property payable to New Hampshire within thirty (30) calendar days once the property is identified and the holder agrees that it is subject to report and deliver under New Hampshire's abandoned property law.
4. Certificates for security must be registered, if at all possible, in the name of the State of New Hampshire or its Nominee. Certificates that cannot be transferred must still be remitted to New Hampshire in the nominee or original owner's name.
5. The ORIGINAL DATE that certificates are registered in the name of New Hampshire or credited in book entry form must be retained, and must become a part of all reports relating to such certificates.

C. Reporting.

1. Upon completion or termination of, or withdrawal from an examination commenced or joined by New Hampshire, Verus shall deliver a Report to New Hampshire whether or not property is determined to be reportable to New Hampshire and to the extent practicable with its data processing capabilities, New Hampshire shall accept Verus' Report in electronic form.
2. Reports shall include the following information:
 - Name and address of holder;
 - Name and address of owner;
 - Social security number or federal tax D number of owner (where applicable or reasonably available);
 - Owner account number;
 - Class of security;
 - CUSIP number;
 - Description of security;
 - Maturity date and interest, (where applicable);
 - Date of last account activity;
 - Interest/Dividends due;
 - Market value at time of transfer of registration to New Hampshire;
 - Total cash received; and
 - Total property to be received by New Hampshire.

5/2/19

3. New Hampshire shall be notified if a holder's records are out-of-proof. Out-of-proof reports may be substituted with New Hampshire's consent, but only if pro-rated by Verus prior to submission to New Hampshire, and only if allocated for each individual owner in order to reflect the actual dollar/share amount submitted, and only if marked as an "out-of proof report".
4. Delivery of property to New Hampshire shall be accomplished at the sole expense of Verus.
5. Verus shall adhere to all reporting requirements of New Hampshire's abandoned property law and administrative rules.

D. Enforcement.

1. If a holder refuses to subject itself to an examination by Verus, or is uncooperative in an ongoing examination by Verus, or refuses to remit funds or securities after demand, then Verus will notify New Hampshire within seven (7) days of such occurrence.
2. Verus cannot initiate legal action against or enter into an agreement with a holder on behalf of New Hampshire.
3. Verus may inform a holder of New Hampshire's law regarding penalties and interest.
4. Verus may not impose, or threaten to impose, penalties and/or interest.
5. If a holder of unclaimed property agrees to work with Verus in order to comply with New Hampshire's unclaimed property law (a voluntary disclosure), then Verus shall report said property under this agreement under the following conditions: (1) only if Verus obtains the consent of the holder; and (2) only if Verus thereafter provides evidence of its agreement with the holder to New Hampshire at the time of disclosure.
6. New Hampshire shall compensate Verus for unclaimed property processed under the terms of this contract even though New Hampshire may receive the Examination Report and/or Verus' invoice after the expiration of this or any successor contracts.

E. Examination Procedures.

1. All findings in connection with the examination of holders and the demands for payment of the unclaimed property shall be made pursuant to the laws of New Hampshire, as defined in RSA 471-C.
2. The examination of the books and records of unclaimed property and the demand for delivery of reportable property shall be made pursuant to the laws of New Hampshire and shall adhere to New Hampshire's abandoned property examination standards.

F. Time of Performance.

5/3/19

1. If an examination, as described in Exhibit A is commenced during the term of this contract, and extends beyond the term of this contract, Verus shall be compensated according to the terms and conditions of this Agreement.

G. Additional Services.

1. **Additional Services:** When requested by New Hampshire, Verus will conduct Contractor-Assisted Self-Audits and meet the mandatory requirements listed below.

A. Assistance: Verus may assist New Hampshire in the identification, outreach, education and notification of potential holders of unclaimed property regarding the subject of unclaimed property and of the holders' obligation to file unclaimed property reports and remit those funds to New Hampshire.

B. Identification and Contact: When requested by New Hampshire, Verus will research and identify potential holders of unreported unclaimed property. Contractor-Assisted Self-Audits shall focus on holders that:

- i. appear to have never reported unclaimed property to New Hampshire within the past 10 years;
- ii. appear to have reported unclaimed property to New Hampshire no more than twice within the past 10 years;

D. Authorization: Verus must obtain prior authorization from New Hampshire to oversee a Contractor-Assisted Self-Audit to be conducted by a holder. New Hampshire has the final and sole authority to determine who, if anyone, will take part in a Contractor-Assisted Self-Audit. All unclaimed property funds or securities submitted by Verus or the Holder pursuant to Contractor-Assisted Self-Audit conducted without prior written approval from New Hampshire shall be received by New Hampshire without compensation to Verus.

E. Contractor-Assisted Self-Audit: Within 30 days of New Hampshire initiating a Contractor-Assisted Self-Audit, Verus must contact the holder and begin to execute the Contractor-Assisted Self-Audit plan. Verus shall assist the holder to determine, report, and collect all types of unclaimed property in the possession of the Holder, within the scope of the audit due and owing New Hampshire. Verus

5/2/19

2. In instances where New Hampshire is NOT the initiating state and New Hampshire chooses to notify the holder that it also wishes to conduct an abandoned property examination using the services of Verus, then the method of compensation shall be contingent fee.
3. The contingency fee shall be 10.25% of gross amount reported and remitted to New Hampshire as a result of the examination. The fee will be determined by the amount of unclaimed funds and/or securities (including interest and penalties if assessed) for the current reporting cycle, as well as the past due reporting cycle(s), evidenced in the abandoned property examination report.
