Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 21-P:12-a, the Department of Safety, Division of Fire Standards and Training and Emergency Medical Services (FSTEMS), requests authorization to enter into a grant agreement with the Town of Plymouth (VC#159942-B003) for a total amount of \$10,809.55 for the purpose of implementing a mobile integrated healthcare (MIH) program called NH Project FIRST. Effective upon Governor and Council approval through September 29, 2020. Funding source: 100% Federal Funds.

Funding is anticipated to be available in the SFY 2020 operating budget as follows:

02-023-023-237010-44570000	Dept. of Safety – FSTEMS – 100% Nat'l Fire Academy Grant (FR-CARA)	<u>SFY 2020</u>
072-500574	Grants to Local Gov't - Federal	\$10,809.55
Activity Code: 23SAMHSA20		

Explanation

NH Project FIRST (First responders Initiating Recovery, Support, and Treatment) is designed to utilize specially trained first responders to connect at-risk individuals with treatment and recovery programs; train at-risk individuals and their support systems on overdose emergency care including the use of naloxone; and increase the number of first responders who can administer naloxone.

The Town of Plymouth plans to use four (4) personnel from the Plymouth Fire Department on an overtime basis to implement a mobile integrated healthcare (MIH) program. The grant funds will also provide for the purchase of CPR training equipment, training aids, and for software to support data collection and tracking the number of contacts and training with at-risk individuals and their supports systems and the number of individuals connected to the Doorway-NH. Furthermore, the funding will provide for two employees to attend recovery coach training to increase understanding of opioid misuse intervention.

The grant listed above is funded from the FFY 2020 First Responder Comprehensive Addiction and Recovery Act, which was awarded to the Department of Safety, Division of Fire Standards and Training and Emergency Medical Services (FSTEMS) from the U.S. Department of Health and Human Services' Substance Abuse and Mental Health Services Administration (SAMHSA). The grant funds are to be used to implement the MIH program to reduce the number of opioid overdoses and opioid overdose deaths, and increase the number of at-risk individuals entering into treatment and recovery services throughout the State.

Grant guidance and applications are available to all New Hampshire licensed emergency medical services (EMS) units. Subrecipients submit applications to this office, which are reviewed by the FSTEMS FR-CARA Staff, the FR-CARA Advisory Committee, and approved by the FSTEMS Director. The criteria for approval are based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local communities.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

The First Responder Comprehensive Addiction and Recovery Act (FR-CARA) grants are 100% federally funded by SAMHSA with no match requirement. In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

5:00 PM WORKSESSION

LSSA Negotiations with Plymouth State University (PSU)

- Mr. Randlett opened this meeting with a welcome to PSU and expressing the Select Board's desire to work together with PSU to come to a mutually agreeable LSSA that would serve the needs of all. Introductions were made around the table to include: Select Board Members, John Randlett, Bill Bolton, Mike Ahern, Bryan Dutille, Town Administrator, Paul Freitas, Executive Director, Kathryn Lowe and Finance Director, Anne Abear and Town Administrator's Assistant, Colleen Kenny. PSU attendees included, Richard Grossman, Marlin Collingwood, Tracy Claybaugh, Laurie Wilcox, Jessica Dutille, Jeff Furlone and two student representatives. Also in attendance were State Representatives, Joyce Weston and Sallie Fellows.
- Plymouth State offered \$400,000 for the LSSA with the understanding that additional services provided by the Town will be billed to Plymouth State.
- Chiefs Temperino and Lefebvre will work with the Select Board to come up with a potential annual flat fee for Detail for all planned events where PSU needs Plymouth Police coverage.
- Additionally, a flat fee will be further discussed for ambulance costs for students needing transport to the hospital. PSU offered a fee of \$300 to \$400 to be discussed at the next meeting.
- PSU confirmed that while they are in the process of transitioning to the USNH police dispatching system, they will still need some services provided by Plymouth Police. It is anticipated the full implementation with PSU and USNH Dispatch will be complete in approximately one year. At that time, PSU will be in a better position to determine what additional services they

will need from Plymouth Police, which will assist in determining the dispatching costs PSU will pay to the Town. The Town requested a six-month notice from PSU prior to the dispatching costs being reduced which PSU agreed to provide.

- PSU also requested the Town consider an annual inspection of rental properties used by students to ensure student safety. This will also be discussed at the next meeting as currently the Town is unable to provide inspections, except in the cases of rental remodeling or additions where Town inspections are required.
- PSU requested Fox Park parking for students starting August 26, however, this may not be possible during the summer months with residents using Fox Park as well. This also may be revisited.
- PSU confirmed that they would be paying the back taxes directly to the town on the old McDonald's lot as they will be leasing that property.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
