Advanced Technology & Innovations Summit

October 7 – 8, 2015
Francis Marion Hotel
Charleston, South Carolina

Agenda

Wednesday, October 7, 2015

7:00 am – 1:00 pm **Optional Legislator Tour – *Pre-registration Required***
Location: Meet in Pinckney Room, Meeting Level for group departure

General Session Location: Carolina Ballroom B, Meeting Level

4:00 pm – 4:15 pm **Welcome & Opening Remarks**
Facilitated By: Dyan Alexander
Executive Director
Women In Government

Representative Helen Miller
Chair, Women In Government Board of Directors
Iowa State Legislature

4:15 pm – 4:45 pm **Social Media for Government**
Facilitated By: Senator Jen Flanagan
Member at Large, Women In Government Board of Directors
Massachusetts State Legislature

Karuna Nain
Safety Policy Programs Manager
Facebook

Representative Stephanie Clayton
Kansas State Legislature

Social media is universal, and while almost all political officials are using the online tools, some are not utilizing them to the fullest extent. This session will look at Facebook's guide for government officials, and how legislators can be more engaged.

4:45 pm – 5:30 pm

Advocacy & Social Media: Casebook

*Facilitated By: Representative Kathy Hawken
Immediate Past Chair, Women In Government Board of Directors
North Dakota State Legislature*

Jacque Gombach

National Director of Sales
Case Commons, Inc.

This session will feature the social media innovations of Case Commons, a spin off of the Annie E. Casey Foundation. They work to support the transformation of public human services through innovative technology by utilizing web-native, real time technology and analytics to improve how public human services agencies meet the needs of the country's most vulnerable children and families.

5:30 pm – 6:00 pm

Student Data Privacy

*Facilitated by: Senator Kay Wolf
Vice Chair, Women In Government Board of Directors
Kansas State Legislature*

Ryan Harkins

Director of State Affairs & Public Policy
Microsoft

Recent advances in technology and telecommunications have dramatically influenced the proliferation of student data. This session will focus on the how legislators can alleviate proliferation concerns.

6:30 pm – 7:00 pm

Networking Reception

Location: Colonial, Lobby Level

7:00 pm – 9:00 pm **Welcome Dinner**
Location: Colonial, Lobby Level

7:30 pm – 7:45 pm **Welcome Remarks**
Facilitated by: Representative Helen Miller
Chair, Women In Government Board of Directors
Iowa State Legislature

Hilda Pinnix-Ragland
Chair, Women In Government Business Council
Vice President - Corporate Affairs, Duke Energy

Thursday, October 8, 2015

8:00 am – 8:45 am **Breakfast Roundtable**
Location: Colonial, Lobby Level
Facilitated by: Brenna Kehew Sculley
Associate Director, Policy & Programs
Women In Government Board of Directors

Legislators will share what kind of technology is utilized in their states, and how the legislature has changed in their tenure.

General Session Location: Carolina Ballroom B, Meeting Level

9:00 am – 9:30 am **111D & Environmental Regulation**
Facilitated by: Representative Phyllis Kahn
Member at Large, Women In Government Board of Directors
Minnesota State Legislature

Myra Reece
Bureau Chief
S.C. Department of Health, and Environmental Control
U.S. Environmental Protection Agency

By forming statewide, collaborative partnerships, South Carolina has taken a proactive approach in shaping the national standards set by the new EPA ruling 111D. This session will look at the stakeholder consensus process and how the coalition developed a set of "guiding principles" for the EPA's consideration as it moves forward with carbon regulation under the Clean Air Act.

9:30 am – 10:00 am

Harnessing the Wind

*Facilitated by: Senator Kay Wolf
Vice Chair, Women In Government Board of Directors
Kansas State Legislature*

Allie Brown

Renewable Energy Associate
Southern Alliance for Clean Energy

NREL - JEDI *mat*

Wind energy is ripe for expansion, and this session will look at how states can capitalize on this growing energy source.

10:00 am – 10:30 am

Implications of the Toxic Substances Control Act

*Facilitated by: Senator Nancy Todd
Member at Large, Women In Government Board of Directors
Colorado State Legislature*

Josh Young

Director, Government Affairs
American Chemistry Council

Sarah Brozena

Senior Director, Regulatory and Technical Affairs
American Chemistry Council

This session will look at the implications of the Toxic Substances **Control** Act of 1976, which provides EPA with authority to require **reporting, record-keeping and testing requirements**, and restrictions relating to **chemical substances and/or mixtures**.

10:30 am – 11:00 am

Drones & Policy: The Future

*Facilitated by: Representative Phyllis Henderson
Member at Large, Women In Government Board of Directors
South Carolina State Legislature*

One of the issues facing state policy makers as they look at new technology is the usage of drones by their police departments. While the FAA regulates commercial use, many states have passed legislation to limit law enforcement's usage, while some states have looked at drones as a critical tool for their police forces.

*UAS
drones
job creator*

7 NH Bills

11:00 am – 11:30 am **Smart Connected Cities**
*Facilitated by: Representative Pinney Beebe-Center
Maine State Legislature*

Terri Norman
Sales Center Vice President
AT&T

Smart city technology involves sensors that can track vehicle traffic, electric meters to monitor energy usage, apps to remotely manage city lighting, and sensors that can detect gunfire. This session will look at the impact of these new technologies.

11:30 am – 12:00 pm **Texting & Driving**
*Facilitated by: Senator Gloria Butler
Georgia State Legislature*

Pamela Lackey
State President
AT&T South Carolina

@TrooperBob

Sergeant Bob Beres
Commander, Office of Community Relations
South Carolina Highway Patrol

The National Highway Traffic Safety Administration reported that in 2012 driver distraction was the cause of 18 percent of all fatal crashes, a dangerous statistic. This segment will look at how everyone can be more aware, and how legislators can encourage constituents to stay safe.

12:00 pm – 1:15 pm **Texting & Driving Simulator**
Location: Carolina Foyer

Virtually experience what it's like to drive while texting, and see how truly distracting and dangerous it can be.

12:00 pm – 1:15 pm **Luncheon**

*Tina Alba-Sax
David Lang
Brit Main
Lumus*

Mark Hatch

Chief Executive Officer
TechShop

TechShop is part fabrication and prototyping studio, part hackerspace, and part learning center that provides access to highly expensive professional equipment and software. This session will look at how offering products and instruction to small businesses can provide them the opportunity to reach new heights.

1:45 pm – 2:00 pm

Instant Recess Break

2:00 pm – 3:00 pm

Assessing the Costs & Value of Medications

*Facilitated by: Representative Kelly Fajardo
New Mexico State Legislature*

~~Lori Reilly~~ *Sharon Berger*
Executive Vice President, Policy & Research
PhRMA

This session will discuss the considerations that influence drug costs and their utility in the wake of rising healthcare costs.

3:00 pm – 4:00 pm

Importance of Medical Innovation – Immuno-oncology

*Facilitated By: Representative Helen Miller
Chair, Women In Government Board of Directors
Iowa State Legislature*

#2 cause of death

Martin Mendiola, MD

Bristol-Myers Squibb
Associate Director, Oncology

Since the days of vaccine discoveries, medical innovation has been vital to sustaining human life. In the wake of increasing cancer diagnoses, immuno-oncology has emerged as an exciting new innovation to fight cancer. This session will focus on how these efforts that have redefined the role of the human immune system.

Facilitated by: Senator Eileen Donoghue
Vice Chair, Higher Education Committee
Massachusetts State Legislature

- Competency Based
- shorter time to get degree

Alli Bell
Senior Associate
HCM Strategists

Krissy De Alejandro
Executive Director
tnAchieves

An increasing proportion of Americans are not obtaining high-quality degrees, certificates and other credentials, limiting their potential. This session will focus on how every student, regardless of family income, zip code, and even academic preparedness, can work to receive a post-secondary education.

9:15 am – 9:45 am

Paid Leave

*Facilitated by: Representative Beth Bernstein
South Carolina State Legislature*

Ellen Bravo

Executive Director
Family Values @ Work

Senator Gayle Goldin

Rhode Island State Legislature

According to the Annie E. Casey Foundation, millions of Americans struggle to find jobs or are stuck in low-wage positions that do not afford them paid sick leave. This segment will discuss the challenges of maintaining employment and financial stability and the culture regarding paid sick leave.

9:45 am – 10:00 am

Break

10:00 am – 10:30 am

Airline Policy

*Facilitated by: Senator Katrina Shealy
South Carolina State Legislature*

Lindsay Leonard

Senior Director, National Strategy & Engagement
Boeing Airlines

Millions of American take to the air every year and the airline industry has an important role to play in making sure that those people make it to their destinations safely. This session will focus on bringing attention to the ever changing airline industry and its most recent focus on safety, up to date technology, and competing in the global market.

10:30 am – 11:00 am

COPD Legislation

*Facilitated by: Representative Stacey Guerin
Treasurer, Women In Government Board of Directors
Maine State Legislature*

Representative Michelle Cook

Deputy Majority Leader
Connecticut State Legislature

Chronic Obstructive Pulmonary Disease (COPD) is now the third leading cause of death in the United States and there are millions more that are affected by COPD and do not even know it. This session will include ways in which COPD can be combated and discuss effective ways in which policy can be implemented to stop the increase in this disease.

11:00 am – 11:30 am **Cost Benefit Analysis & the Value of Meds**

*Facilitated by: Representative Deborah Hudson
Member at Large, Women In Government Board of Directors
Delaware State Legislature*

Tara Ryan

Vice President, State Advocacy
PhRMA

This session will focus on how policies can encourage the research and development of new medicines, and allow for better access to these medicines to improve the quality of life for those suffering with illness.

11:30 am – 12:00 pm **Affordable, Accessible, & High Quality Healthcare**

*Facilitated by: Representative Mary Lou Marzian
Secretary, Women In Government Board of Directors
Kentucky State Legislature*

Jennifer La Perre

Senior Director, Health & Wellness
Walmart Stores, Inc.

Creative solutions are needed when looking for ways to increase healthcare access. This session will examine the new advances available including telehealth services and clinic visits which are offered more and more as an alternative to traditional medical visits, and how states can work to implement telehealth services.

12:00 pm – 1:00 pm **Networking Luncheon**

Location: Carolina Ballroom A

1:00 pm – 1:15 pm **Beverage Break & Tasting**

Location: Carolina Foyer

General Session Location: Carolina Ballroom B
