Invitation
Regional WIOA Proposed Regulations
Review and Response Work Sessions for
Adult Education State Directors and Their Staff

It is critical that state directors and their staff members thoroughly review the proposed WIOA draft regulations; but it is equally important that you respond to those proposed regulations to ensure they support adult education in your state.

For those reasons, NAEPDC is pleased to invite you to attend one of two regional meetings to review the draft regulations and explore responses for your state.

Purpose: The purposes for these meetings are twofold:

 - State plans, infrastructure and “other” costs, WIB memberships, EL/Civics and IET, joint data management systems, out-of-school youth and others.
