RE: John Lynch for New Hampshire (2004) Committee

Dear Mr. Secretary:

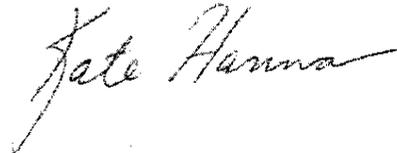

As of May 7, 2007, the John Lynch for New Hampshire (2004) Committee had a surplus of \$3,075.43. The balance of the 2004 Committee funds have been transferred to The John Lynch Committee (2008), a political committee.

This letter will serve as the final report for John Lynch for New Hampshire (2004).

Under separate cover, the six-month report for The New Hampshire for John Lynch Committee (2006) shall be filed reflecting the balance on hand for that political committee.

Should you have any questions, I would be pleased to respond.

Sincerely,

Kate Hanna
Treasurer to John Lynch for New Hampshire
