**NEW HAMPSHIRE  
SECRETARY OF STATE**

Dear Dave:

In this letter will be a report of activity for the "Septemberfest" that the Coos County Republican Party held in Stratford on September 25, 2004. The reason for the time delay of my report is two-fold. I was out-of-state for a period of time just after the event and the late submission of ticket sales amounts. There does not appear to be any printed form to report an activity such as this, so I hope this will suffice.

Total of all <i>receipts</i> for the event	\$7,893.00
Total of all <i>expenditures</i> for the event	<u>\$6,249.47</u>
Surplus	\$1,643.53

The surplus was placed in the Coos County Republican Party checking account for future use.

I hope this is what I should be doing. If there is a problem, please do not hesitate to contact me. Thank you.
