U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-7000

ASSISTANT SECRETARY FOR
COMMUNITY PLANNING AND DEVELOPMENT

April 2, 2020

The Honorable Christopher Sununu
Governor of New Hampshire
State House
107 N Main Street
Concord, NH 03301

Dear Governor Sununu:

I am pleased to inform you of special Emergency Solutions Grants (ESG) Program funds HUD is allocating to your jurisdiction in the amount of \$3,209,928, as authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136. These special ESG-CV funds are to be used to prevent, prepare for, and respond to the coronavirus pandemic (COVID-19) among individuals and families who are homeless or receiving homeless assistance; and to support additional homeless assistance and homelessness prevention activities to mitigate the impacts of COVID-19.

President Trump signed the CARES Act on March 27, 2020 to help the Nation respond to the coronavirus outbreak. The CARES Act made available an additional \$4 billion in ESG-CV funds to supplement the Fiscal Year (FY) 2020 ESG funding provided under the Further Consolidated Appropriations Act, 2020 (Public Law 116-94). Of this amount, the Department is immediately allocating \$1 billion for ESG-CV grants based on the FY 2020 ESG formula. The rest of the funding for ESG-CV grants will be allocated directly to States or units of local government by a separate formula developed by the Secretary. Up to \$40 million of the additional funds will be set aside for technical assistance.

Given the immediate needs faced by our communities, the Department has announced the first allocation of funds, which are subject to the following flexibilities and conditions provided by the CARES Act:

- The funds may be used to cover or reimburse allowable costs incurred by a State or locality before the award of funding (including prior to the signing of the CARES Act) to prevent, prepare for, and respond to COVID-19;
- The funds are not subject to the spending cap on emergency shelter and outreach under 24 CFR 576.100(b)(1);
- Up to 10 percent of funds may be used for administrative costs, as opposed to 7.5 percent as provided by 24 CFR 576.108(a);
- The funds are exempt from the ESG match requirements, including 24 CFR 576.201;
- The funds are not subject to the consultation and citizen participation requirements that otherwise apply to the Emergency Solutions Grants, however each recipient must

publish how its allocation has and will be used, at a minimum, on the Internet at the appropriate Government web site or through other electronic media;

- The funds may be used to provide homelessness prevention assistance (as authorized under 24 CFR 576.103 or subsequent HUD notices) to any individual or family who does not have income higher than HUD's Very Low-Income Limit for the area and meets the criteria in paragraphs (1)(ii) and (1)(iii) of the "at risk of homelessness" definition in 24 CFR 576.3;
- That recipients may deviate from applicable procurement standards when using these funds to procure goods and services to prevent, prepare for, and respond to coronavirus, notwithstanding 24 CFR 576.407(f) and 2 CFR 200.317-200.326;
- While we encourage you to offer treatment and supportive services when necessary to assist vulnerable homeless populations, individuals and families experiencing homelessness must not be required to receive treatment or perform any other prerequisite activities as a condition for receiving shelter, housing, or other services for which these funds are used, notwithstanding 24 CFR 576.401(e).

In addition, the Act authorizes the Secretary to grant waivers of and specify alternative requirements for statutes and regulations the Secretary administers in connection with the use of ESG funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). These waivers and alternative requirements can be issued when necessary to expedite and facilitate the use of funds to prevent, prepare for, and respond to coronavirus.

The Department is developing a notice that will further lay out the CARES Act provisions and other waivers and requirements to enable swift implementation of additional ESG-CV grants. This notice and any subsequent notices of waivers and alternative requirements will be made available on HUD's website and distributed to grantees. The Department will also support grantees with technical assistance.

As your jurisdiction develops its plan to use these grant funds, HUD encourages approaches that prioritize the unique needs of persons experiencing homelessness and the development of partnerships between all levels of government and the private for-profit and non-profit sectors. Your jurisdiction should coordinate with State and local health authorities before undertaking any activity to support state or local pandemic response. HUD encourages you to share successes that may help other grantees. Like other supplemental funding, ESG-CV grants are subject to oversight and tracking, such as requirements to prevent the duplication of benefits. We look forward to working with you to prevent fraud, waste, and abuse and to document the impact of this program for beneficiaries.

Importantly, proper reporting in the Integrated Disbursement and Information System (IDIS) is critical to ensuring grantees are complying with program requirements and policies, providing demographic and income information about the persons who benefit from funded activities, and allowing HUD to monitor recipients. Your jurisdiction's ongoing attention is essential to ensuring complete and accurate reporting of performance measurement data.

HUD's Office of Community Planning and Development (CPD) is looking forward to working with your jurisdiction to successfully meet the urgent and complex challenges faced by our communities. If you or your staff has questions, please contact your local CPD Field Office Director or CPDQuestionsAnswered@hud.gov.

Sincerely,

John Gibbs
Acting Assistant Secretary
for Community Planning and Development
U.S. Department of Housing and Urban Development.
