

Victoria F. Sheehan  
Commissioner

**THE STATE OF NEW HAMPSHIRE**  
DEPARTMENT OF TRANSPORTATION

William Cass, P.E.  
Assistant Commissioner

Bureau of Construction  
October 29, 2019

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Monoko, LLC (Vendor 281328) of Tarpon Springs, FL on the basis of a low bid of \$1,118,190.00 for bridge painting of six steel beam bridges along I-93 in Sanbornton and New Hampton, from the date of Governor and Council approval through December 18, 2020, unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Year 2020 and 2021 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2020</u>	<u>FY 2021</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$715,641.62	\$402,548.38

2. Further authorize that a contingency in the amount of \$55,909.50 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2020</u>	<u>FY 2021</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments		\$55,909.50

**EXPLANATION**

This project is part of the State's Ten Year Transportation Improvement Plan under the Bridge Tier 1 – 2 Maintenance and Preservation (Bridge T1-2 M&P) Program. This project consists of painting six steel beam bridges along a ten-mile stretch of I-93 at three NB/SB sites; in Sanbornton at Exit 22, in New Hampton at Exit 23 and just north of Exit 23.

Site	Town	Route	Crossing	Br. No.	I-93 MM
1	Sanbornton	I-93 NB, SB	NH 127 at Exit 22	125/075, 124/074	61.15
2	New Hampton	I-93 NB, SB	NH 104 at Exit 23	138/060, 137/060	69.22
3	New Hampton	I-93 NB, SB	NH 132	148/081, 147/082	70.64

The contract requires the Contractor to work within a lane-closure work zone on the roadway beneath each bridge, to blast and paint all steel bridge beams, and to perform pre- and post-project collection and removal of paint chips at each site. The work includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

The 1962-63 steel bridges all need repainting. Timely maintenance work will prevent further deterioration due to corrosion, extend the life of the bridge beams, and preserve the structural integrity of the structural steel. The bridges are an important component of the transportation infrastructure of the State.

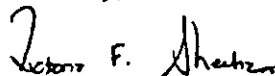

The proposed contingency amount is 5% of the contract amount. During the work, steel deficiencies may be revealed that may require unanticipated repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project is funded with 80% Federal (Bridge T1-2 M&P), utilizing Turnpike Toll credits as the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan  
Commissioner

VFS/pcj

Department Estimate: \$1,764,600.00

Contract Amount: \$1,118,190.00

Under Estimate: \$ 646,410.00

September 7, 2019

**SUPPLEMENTAL PROJECT INFORMATION SHEET**

**DESCRIPTION:** This project consists of painting six steel beam bridges along a ten-mile stretch of I-93 at three NB/SB sites; in Sanbornton at Exit 22, in New Hampton at Exit 23 and just north of Exit 23.

Site	Town	Route	Crossing	Br. No.	I-93 MM
1	Sanbornton	I-93 NB, SB	NH 127 at Exit 22	125/075, 124/074	61.15
2	New Hampton	I-93 NB, SB	NH 104 at Exit 23	138/060, 137/060	69.22
3	New Hampton	I-93 NB, SB	NH 132	148/081, 147/082	70.64

The contract requires the Contractor to work within a lane-closure work zone on the roadway beneath each bridge, to blast and paint all steel bridge beams, and to perform pre- and post-project collection and removal of paint chips at each site. The work includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

**FEDERAL FUNDING:** 80% (Bridg-T1-2 M&P) utilizing Turnpike Toll credits as the State's 20% match.

**CONTINGENCY:** The proposed contingency is 5% of the contract amount. During the work, steel deficiencies may be revealed that may require unanticipated repairs.

**PROJECT INITIATED:** This project is part of the Bridge Tier 1-2 Maintenance & Preservation Program.

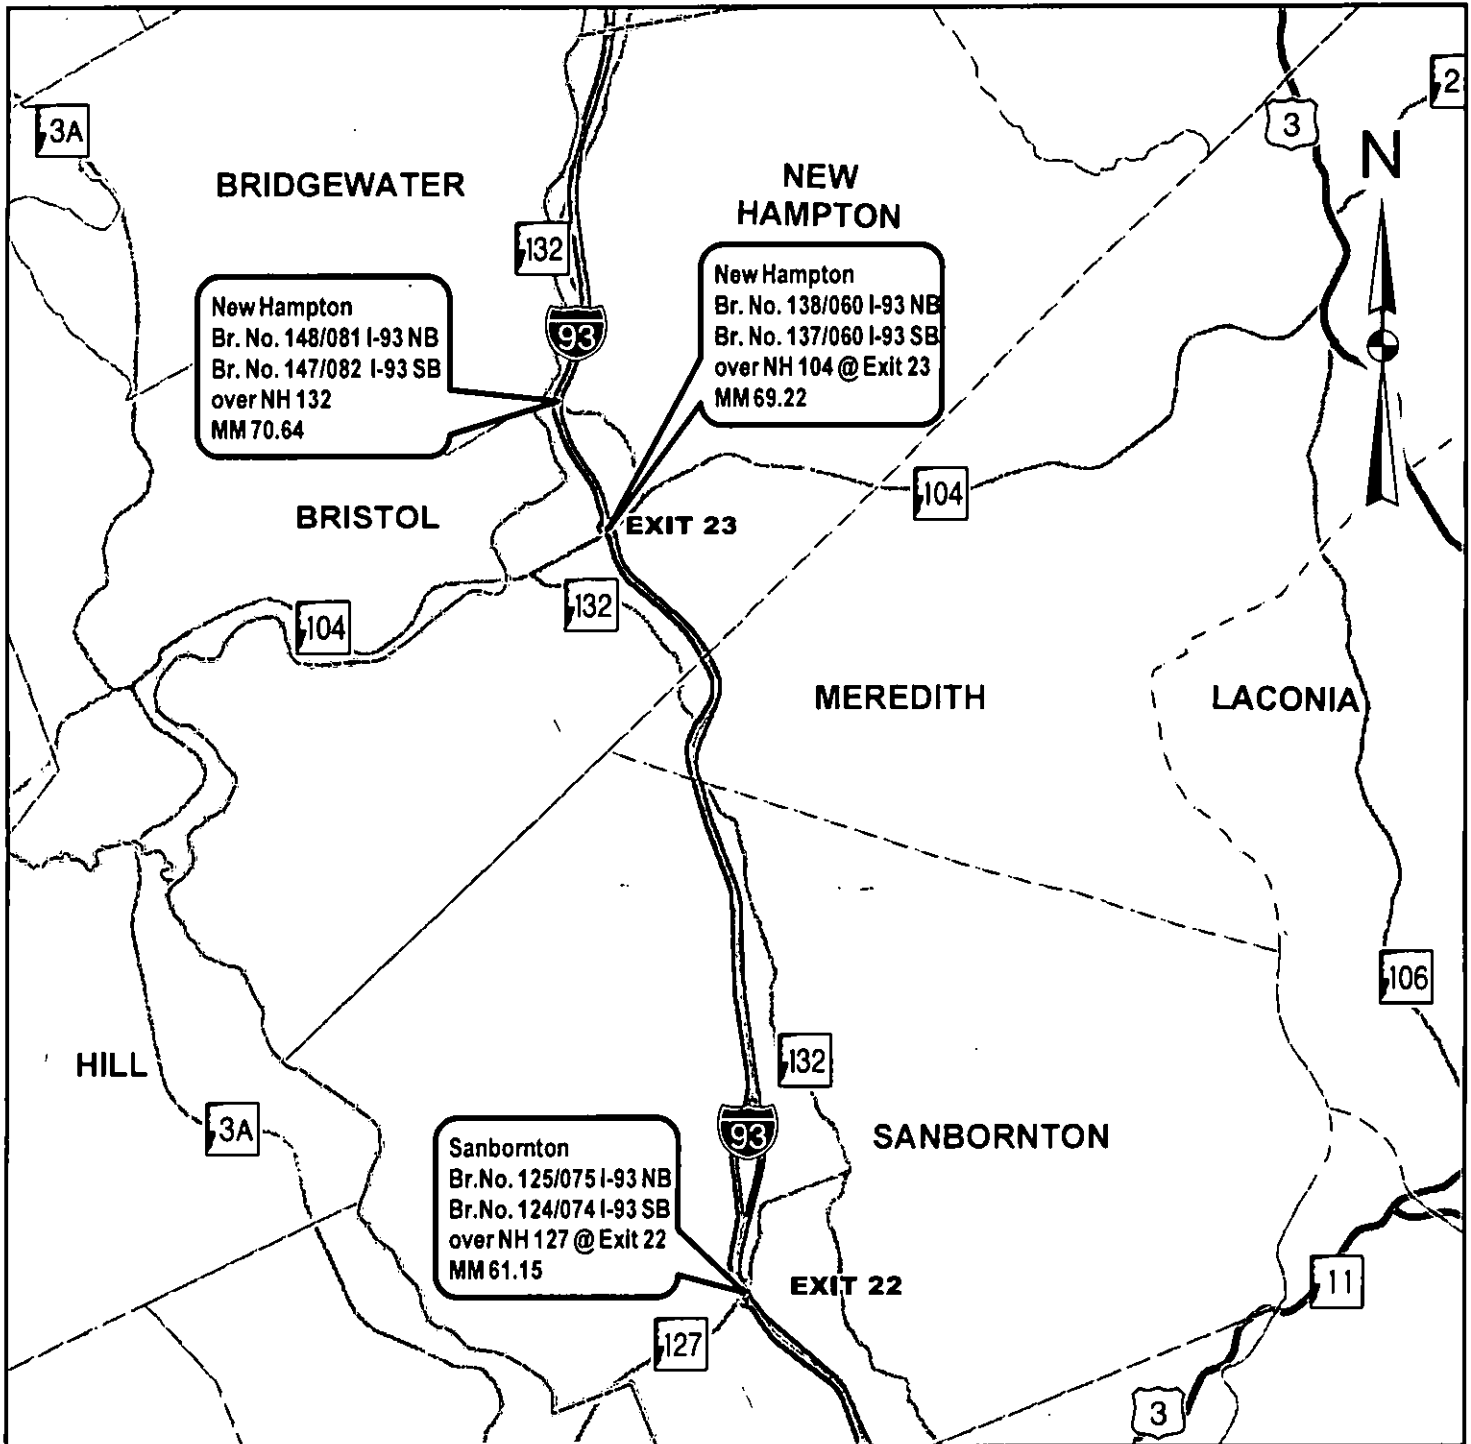

**PROJECT EXPLANATION:** The 1962-63 steel bridges all need repainting. Timely maintenance work will prevent further deterioration due to corrosion, extend the life of the bridge beams, and preserve the structural integrity of the structural steel. The bridges are an important component of the transportation infrastructure of the State.

**TRAFFIC IMPLICATIONS:**

1. At Site 1 (Exit 22) and Site 3 (NH 132) maintain one lane of alternating two-way traffic with portable traffic signals. This configuration will remain in place day and night (24/7) throughout the project.
2. At Site 2 (Exit 23) two adjacent lanes of two-way traffic are to remain open at all times. Lane closures are permitted only during off-season weekdays or during in-season night-time hours (8 pm to 6 am). Lane closures are not permitted on weekends. At the end of each work shift the equipment is removed from the roadway and a normal traffic configuration restored. Off-season is before Memorial Day and after Labor Day.
3. At Site 2 (Exit 23), flaggers or uniformed officers will assist traffic making left-turns from the NB and SB Off-ramps onto NH 104, as needed and as directed.
4. At Site 2 (Exit 23), Shingle Camp Hill Road will be closed to traffic entering and leaving NH 104 during work hours and reopened at the end of the work shift. Barricade the road at NH 104 and post notification signs at appropriate locations in Town.
5. Lane closures are limited to 8 consecutive weeks each at Sites 1 and 3; 10 weeks at Site 2.

**FINAL COMPLETION DATE:** December 18, 2020
