REQUESTED ACTION

Authorize the Department of Environmental Services to amend a Drinking Water and Groundwater Trust Fund grant (PO #1082093) to the Town of Plaistow (VC#177462-B001), Plaistow, NH, by extending the completion date from June 1, 2022 to December 1, 2023 for water system improvements under the provisions of RSA 485:F, effective upon Governor & Council approval through December 1, 2023. The original grant was approved by Governor and Council on June 10, 2020, Item #74. 100% Drinking Water and Groundwater Trust Fund.

EXPLANATION

We are requesting approval of this amendment to provide the Town of Plaistow additional time to complete the agreed upon scope of services for capital improvements related to the Southern New Hampshire Regional Water Interconnection Project (the Project). The Town of Plaistow is using grant funds for eligible construction phase costs including engineering and construction of significant water system infrastructure to connect to the Project and build-out a public water system in Plaistow to serve residents with wells contaminated by MtBE. The work in Plaistow was delayed primarily due to unanticipated difficulties obtaining land required for construction of the East Road Pumping station, seasonal considerations, and COVID impacts delaying construction. Approval of this grant amendment will allow the Town the necessary time to complete construction. To date, \$4,667,410.50 of the original grant has been spent.

If grant funds become no longer available, General funds will not be requested to support this program. This amendment has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval of this item.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
