REQUESTED ACTION

Authorize the New Hampshire Police Standards & Training Council (NHPSTC) to enter into a service agreement with Crawford Polygraph Services, of Center Harbor, NH 03226 (Vendor Code 151981) in the amount of \$7,000.00 to provide instruction to law enforcement officers on how best to conduct courses on effective interview and interrogation techniques. The training is to be held at the Arthur D. Kehas Law Enforcement Training Facility and Campus, effective upon Governor and Council approval through the end of the fiscal year June 30, 2015. 100% Penalty Assessment Fund.

Funding is available in account titled Training as follows:

06-87-87-08700-89990000-067-500557 Provider Training & Education FY2015 \$7,000.00

EXPLANATION

Each year, the NH Police Standards and Training releases a request for proposals for specialized in-service training classes that we lack either staffing or the expertise to present ourselves. These classes are offered to New Hampshire police officers at no charge to them or their departments, as a service. The specific classes to be provided under this agreement in Fiscal Year 2015 are two sessions of *Interview and Interrogation* at a total cost of \$7,000. The funding for these classes comes from the Penalty Assessment Fund. This request has no General Fund impact.

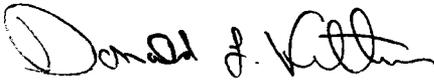

PSTC maintains a list of potential vendors for specialized instructional courses offered as part of our normal training programs. When prospective individuals or companies contact us about providing courses, their information is added to our potential vendor list so they can participate in our yearly RFP process. This year, the RFP was released on April 14,

2014, with each member of our vendor list being mailed the RFP request packet containing the list of course topics we plan to provide the following fiscal year. Submissions received were then evaluated and assessed to determine the extent to which the content of the classes matched the description the vendors were provided for each course offering. The credentials of the persons proposed to teach each of the classes were also evaluated, as well as the proposed price for each class. A group of employees from NHPSTC who are knowledgeable in police training rated and scored the submissions according to a process that was developed with input from the Department of Administrative Services and the Governor's Office. Those participating in the bid evaluation process were Law Enforcement Training Specialists Mark Bodanza, Tim Merrill, and Benjamin Jean.

In the topic area of interview and interrogation techniques, and the training thereof, the proposal received from Crawford Polygraph Services earned the highest score with the lowest cost. The evaluators also determined that the class content was such that it met the best interests of NHPSTC and the law enforcement community.

This agreement has no general fund impact. We respectfully request your approval for this agreement.

Respectfully Submitted,

The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement

those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.
