Pursuant to RSA 230:14, attached hereto is a Petition for a hearing on the proposed intersection improvements to NH 41 and NH 16 in the Town of Ossipee.

Since the Petition is not for the limitation or control of access, a Commission of 3 persons should be appointed by the Governor, with the advice of the Executive Council, to hold a hearing. The Commission of 3 persons shall determine whether there is occasion for the laying out or alteration of the intersection of NH 41 and NH 16 in the Town of Ossipee as presented at the hearing.

The purpose of the project is intersection improvements at NH 41 and NH 16 including installing a traffic signal and left turning lanes as well as extending the two-way left turn lane from NH 41 to NH 25.

The suggested Commission Members were discussed with Executive Councilor Kenney on October 24, 2016.

Suggested Commission:

Ron Adams- Ossipee
Brad Harriman- Wolfeboro
Jessica Williams-Ossipee

26 work days @ \$50.00 = \$1,300.00
1297 miles @ \$ 0.535 = \$ 693.90
