REQUESTED ACTION

Pursuant to RSA 94:6, the Department of Administrative Services requests authority to place Mathew Stanton, Deputy Director of the Division of Procurement and Support Services, at Labor Grade GG, step three (\$89,856.00) in the unclassified system effective July 29, 2022.

EXPLANATION

Chapter 202 of the Laws 2021 provided for the conversion of this position from a classified position to an unclassified position. When a classified employee is promoted into a unclassified system, their new salary request follows the format outlined in personnel rule 901.08: "the appointing authority shall assign the lowest step in the salary range of the new class which is at least the equivalent of one salary increment in the salary range of the former class." In promotion from classified to unclassified, agencies try to mirror the same process.

Chapter 202 included eleven senior management positions which were converted from the classified to unclassified systems. Each position was evaluated and allocated according to the process outlined in RSA 94:1-d then reviewed and ratified by the Joint Committee on Employee Classification of the New Hampshire General Court.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner
