FY 2022

FAA CRRSA Act Funding

072-509073 Grants Federal

\$9,000.00

EXPLANATION

The CRRSA Act provides funding to Non-Primary General Aviation Airports to cover airport operating expenses at the NH's airports.

One FAA grant was issued, AIP 3-33-SBGP-037-2021, to provide the funding to Plymouth Municipal Airport and other NH airports to reimburse for the following:

- SBG-14-03-2021 for \$9,000.00 to reimburse for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service expenses.

This award is **retroactive** dating back to January 20, 2020 with an end date of May 3, 2025.

The CRRSA Act provided grant funds for operating expenses at Non Primary General Aviation airports that arise due to the COVID-19 public health emergency. Under FAA's new Airport Coronavirus Response Grant Program:

- Non-Primary Commercial Service and General Aviation Airports share not less than \$45 million (less the amount allocated for non-primary airports participating in the FAA Contract Tower Program) allocated based on the categories (National, Regional, Local, and Basic) published in the most current National Plan of Integrated Airport Systems (NPIAS), reflecting the percentage of the aggregate published eligible development costs for each such category, and then dividing the allocated funds evenly among the eligible airports in each category, rounded up to the nearest thousand. Sponsors may use these funds for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments.

CRRSA Act funds allow for the reimbursement of eligible expenses that were incurred on or after January 20, 2020 at a 100% Federal share up to the amount of the grant. As such, the Department will administer CRRSA Act funding to support the Plymouth Municipal Airport, in accordance with FAA guidance. FAA has the sole authority to make the determination regarding the amount and eligibility of what costs will be reimbursed.

The Contract has been approved by the Attorney General as to form and execution and the Department has verified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office and subsequent to Governor and Council approval will be on file at the Department of Transportation.

In the event that the Federal Funds become no longer available, General funds will not be requested to support this program.

In accordance with the FAA grant assurances C- Sponsor Certifications, Responsibility and Authority of the Sponsor, the grant funds must be immediately available for the project to execute the grant offer; therefore, all funding for this project is encumbered in the first fiscal year.

Source of Funds: 100% Federal Funds from the Federal Aviation Administration.

Sincerely,

Victoria F. Sheehan
Commissioner

Until the grant is completed and closed, you are responsible for submitting a signed/dated SF-425 annually, due 90 days after the end of each federal fiscal year in which this grant is open (due December 31 of each year this grant is open).

By accepting this grant, you agree to continue to employ, through February 15, 2021, at least 90 percent of the number of individuals employed by the airport as of March 27, 2020. In accordance with the employee retention grant assurance, you will provide an employee retention report to CARESAirports@faa.gov by March 1, 2021.

As a condition of receiving Federal assistance under this award, you must comply with audit requirements as established under 2 CFR part 200. Subpart F requires non-Federal entities that expend \$750,000 or more in Federal awards to conduct a single or program specific audit for that year. Note that this includes Federal expenditures made under other Federal-assistance programs. Please take appropriate and necessary action to assure your organization will comply with applicable audit requirements and standards.

I am readily available to assist you and your designated representative with the requirements stated herein. We sincerely value your cooperation in these efforts.

Sincerely,

Gail Lattrell
