His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House

**REQUESTED ACTION**

Authorize the Department of Environmental Services to amend a loan agreement with the Town of Raymond (VC# 177464 B001), Raymond, NH by increasing the loan amount by \$500,000 from \$2,651,000 to \$3,151,000 to finance water system improvements under the provisions of RSA 486:14 and N.H. Code of Administrative Rules Env-Dw 1100 et seq. effective upon Governor & Council approval. The original loan agreement was approved on June 15, 2016, Item #57. 100% Drinking Water State Revolving Loan Fund (DWSRF) Repayment Funds.

Funding is available in the account as follows:

| Dept Environmental Services, DWSRF Loan Repayments, Loans | \$500,000      |

**EXPLANATION**

The purpose of this amendment is to authorize the Town of Raymond to modify their original loan agreement approved by Governor and Council on June 15, 2016 as Item #57. The Town of Raymond had originally requested \$2,651,000 from the Drinking Water State Revolving Fund Program (DWSRF) to finance a project which includes the design and construction of a replacement well within the Cider Ferry Well field to replace existing Well #1, and the design and construction of the infrastructure necessary to place new Well #4 into production and connect to the existing distribution system. After the review of the estimated construction costs the probable range of bid results may exceed the current loan amount. In order to address the potential shortfall and to avoid any delays in authorizing award for construction the Town is requesting the additional funds. DES has sufficient funds at this time to meet the Town's request. This project will improve water system capacity and water quality.

The DWSRF is authorized by RSA 486:14 and N.H. Code of Administrative Rules Env-Dw 1100 et seq. There is currently a balance of \$16,796,312 in the DWSRF available for new loans. Attached is a tabulation of the DWSRF showing the effect of this loan on the funds available for loans.

We respectfully request your approval.

7 Hampshire, Drinking Water State Revolving Loan Fund Program (the "State") and the **Town of**  
8 **Raymond** (the "Loan Recipient") in accordance with RSA 486:14 and New Hampshire Code of  
9 Administrative Rules Env-Dw 1100 (the "Rules") for the purpose of financing, to the extent of  
10 the aggregate amount of funds transferred ("Disbursements") to the Loan Recipient made  
11 hereunder, **Well #1 Replacement & New Well #4 Project** ("Project") now being undertaken by  
12 the Loan Recipient. The Project is described in Exhibit A. The Loan Recipient shall abide by all  
13 of the requirements of RSA 486:14 and the Rules.

14  
15 II. The State agrees to loan to the Loan Recipient, and the Loan Recipient agrees to repay to the  
16 State, in accordance with the terms of this Agreement, the principal sum of **Two Million Six**  
17 **Hundred Fifty One Thousand Dollars (\$2,651,000)** ("Principal Sum") or such lesser amount  
18 as shall equal the aggregate of Disbursements made hereunder by the State to the Loan  
19 Recipient. In addition to the principal sum, the Loan Recipient agrees to pay the applicable  
20 interest accrued as described in Paragraphs V, VII, and IX. Federal financial assistance provided  
21 through Capitalization Grants for Drinking Water State Revolving Funds (CFDA #66.468) may  
22 comprise all or a portion of the Principal Sum. Any Disbursement or other payment from the  
23 State to the Loan Recipient is contingent upon the availability of funds.

1 III. The Loan Recipient is eligible for the Disadvantaged System Program as outlined in Section  
2 8 of the 2015 State of New Hampshire Drinking Water State Revolving Fund Intended Use Plan.  
3 The amount of principal forgiveness will be determined when the aggregate principal loan  
4 amount is established and the project is complete.

5  
6 IV. Disbursements shall be made on a periodic basis, as requested by the Loan Recipient, but  
7 not more frequently than monthly, subject to the approval of the amount of each Disbursement  
8 by the State. The State shall approve the amount requested if it determines that the costs covered  
9 by the request are eligible under Env-Dw 1104.01, as applicable. Interest on any Disbursement  
10 shall accrue from the date of the Disbursement at the rate of 1% per annum computed on the  
11 basis of 30-day months and 360-day years until the date of Substantial Completion ("Substantial  
12 Completion") of the Project. Such interest may be paid (1) semi-annually, prior to the  
13 commencement of Loan repayment, (2) prior to the commencement of Loan repayment, (3) at  
14 the time of the first Loan repayment, or (4) added to the principal outstanding Loan balance at  
15 the option of the Loan Recipient so long as the Loan Recipient's authority to borrow is not  
16 exceeded.

17  
18 V. Upon Substantial Completion of the Project, the aggregate of the Disbursements shall be  
19 consolidated by a Promissory Note ("Note") of the Loan Recipient issued under and in  
20 accordance with the applicable provisions of the Municipal Finance Act, RSA 33, as amended  
21 and supplemented, including the provisions of RSA 486:14. The Note shall be substantially in  
22 the form of Exhibit B.

23

24

25

1 VI. The interest rate applicable to the Note will be determined in accordance with RSA 486:14  
2 and Env-Dw 1100 et seq. Such interest rate will be the lesser of **2.464%** and the adjusted market  
3 rate as determined by Env-Dw 1106 in effect on the date of the Note.

4  
5 VII. The Loan Recipient hereby authorizes the State to compute the payments of principal and  
6 interest on the Note. The principal shall be paid in full within **twenty (20)** years from the date of  
7 the Note. Note payments shall commence on the first day of the month following the first  
8 anniversary of the Substantial Completion date of the Project or the first anniversary of the  
9 Scheduled Completion date of the project, whichever is earlier. The Scheduled Completion date  
10 is hereby determined to be **December 1, 2017**; however, should the project experience excusable  
11 delay beyond this date, an extension may be granted by the Commissioner upon request in  
12 writing by the Loan Recipient. In no event shall Note payments commence later than ten years  
13 from the effective date of this agreement.

14  
15 VIII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any  
16 part of the outstanding principal or interest of the Note.

17  
18 IX. In the event of a default in the full and timely remittance of any Note payment, any State  
19 Aid Grant funds payable to the Loan Recipient under RSA 486:1 may be offset against and  
20 applied to the payment of any obligations that are due hereunder. The Loan Recipient agrees to  
21 be liable for all costs of collection, legal expenses, and attorney's fees incurred or paid by the  
22 State in enforcing this agreement or in collecting any delinquent payments due hereunder.

1 X. No delay or omission on the part of the State in exercising any right hereunder shall operate  
2 as a waiver of such right or of any other right under this agreement. A waiver on any one  
3 occasion shall not be construed as bar to any right and/or remedy on any future occasion.

4  
5 XI. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all  
6 applicable state and federal requirements contained in the Rules and applicable federal law.  
7 Exhibit C contains specific federal requirements applicable to this agreement for the loan  
8 recipient.

9  
10 XII. The Loan Recipient acknowledges that by accepting the Loan it will be a sub-recipient of  
11 federal financial assistance and, as such, subject to requirements of the federal Single Audit Act  
12 of 1984, as amended by the Single Audit Act Amendments of 1996 (the "SAA"). The Loan  
13 Recipient further acknowledges that, if the Loan Recipient expends more than \$750,000 in  
14 federal financial assistance from all sources in any fiscal year, it must perform an SAA audit in  
15 accordance with the requirements of Office of Management and Budget Circular A-133. In that  
16 event, the Loan Recipient shall provide the State with a copy of the SAA audit report within nine  
17 months of the end of the audit period.

18  
19 XIII. The Loan Recipient is required to develop an asset maintenance and renewal plan for the  
20 assets(s) being funded under the loan or incorporate the funded asset(s) into an existing asset  
21 management plan. At a minimum the plan must include a commitment to asset management,  
22 financing and implementation strategy and an inventory of the funded asset(s).

23  
24 XIV. The Loan Recipient agrees to permit the Comptroller General of the United States, an  
25 appropriate Inspector General appointed under section 3 or 8G of the Inspector General Act of

1 1978 (5 U.S.C. App.), or an authorized representative of either of the foregoing officials, or of  
2 the State of New Hampshire to have access to and the right to:

8 (ii) Interview any officer or employee regarding such transactions.

9  
10 The Borrower shall insert subparagraphs (i). and (ii). in the Construction Contract and require the

12  
13 XV. The effective date of this agreement shall be the date of its approval by the Governor and  
14 Executive Council. This agreement may be amended, waived, or discharged only by a written  
15 instrument signed by the parties hereto and only after approval of such amendment, waiver, or  
16 discharge by the Governor and Executive Council.

17  
18 XVI. This agreement shall be construed in accordance with the laws of the State of New  
19 Hampshire and is binding upon and inures to the benefit of the parties and their respective  
20 successors. The parties hereto do not intend to benefit any third parties and, consequently, the  
21 agreement shall not be construed to confer any such benefit.

22  
23 XVII. This agreement, which may be executed in a number of counterparts, each of which shall  
24 be deemed an original, constitutes the entire agreement and understanding between the parties

1 and supersedes all prior agreements and understandings relating thereto. Nothing herein shall be  
2 construed as a waiver of sovereign immunity, such immunity being hereby specifically reserved.
