The purpose of this conference is to improve the knowledge and effectiveness of elected officials and to provide research, technical assistance and opportunities for policymakers to exchange ideas on the most pressing education policy issues. The intent of this conference is not to promote, advocate or oppose the passage, modification, defeat, or executive approval or veto of any contemplated or pending legislation or resolution for compensation. **Nothing presented at this conference shall be construed as lobbying activity.*

**Each "Session" will be interactive between speaker and audience. Please be prepared to teach others about the challenges, successes, near misses, and opportunities you have experienced in your own state.*

**Your role as an attendee is to be a speaker/teacher at this conference representing your home state; we'll learn from each other as we learn from our speakers.*
