DEPUTY ATTORNEY GENERAL

December 4, 2017

His Excellency Governor, Christopher T. Sununu
and the Honorable Council
State House
Concord, NH 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the Department of Justice to amend a **sole source** contract with Dr. Jeremy Stuelpnagel approved on September 27, 2017 #73 by changing the end date from November 30, 2017 to January 31, 2018 and by increasing the price limitation by \$9,999 from \$9,999 to \$19,998 in order for Dr. Stuelpnagel to aid the Office of the Chief Medical Examiner for the period of December 30, 2017 to January 3, 2018 effective upon the date of Governor and Executive Council approval through January 31, 2018. 100% General Funds.

Funding is available in the Department of Justice, Office of Chief Medical Examiner accounting unit #02-20-20-200510-2614-500783, Autopsy Expense.

EXPLANATION

This amendment is for a **sole source** contract because medical examiners represent a small community and it is very difficult to find a Pathologist who is available to serve as an Associate Medical Examiner on an occasional basis. Dr. Duval, the Chief Medical Examiner (CME), was able to obtain Dr. Stuelpnagel's services from Friday, October 6, 2017 to Tuesday, October 10, 2017, which was approved at the September 27, 2017 Governor and Executive Council meeting. Since that approval, Dr. Stuelpnagel has agreed to provide services from Saturday, December 30, 2017 to Wednesday, January 3, 2018, thus the Department is seeking to amend the contract to incorporate that time period as well.

The Attorney General is authorized, pursuant to RSA 611-B:4 to employ such persons as are reasonably necessary to assist the CME in the performance of her duties.

Pursuant to RSA 611-B, the CME is required to perform autopsies in cases of suspicious deaths. The investigative exigencies in such cases require prompt availability of qualified medical examiners to perform the autopsies. The Deputy Chief Medical Examiner and Associate Pathologist positions are currently vacant. The Department will be conducting interviews of possible candidates in December and it is hoped that one or both of the vacant positions can be filled within the next few months. Until that time, substitutes will be needed to assist the CME until permanent Pathologists can be hired.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

His Excellency Governor, Christopher T. Sununu
and the Honorable Council
State House
Concord, NH 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the Department of Justice to enter into a **sole source** contract with Dr. Jeremy Stuelpnagel as a substitute medical examiner, for a total not to exceed \$9,999, to aid the Office of the Chief Medical Examiner for the period of October 6, 2017 to October 10, 2017 effective upon the date of Governor and Executive Council approval through November 30, 2017. 100% General Funds.

Funding is available in the Department of Justice, Office of Chief Medical Examiner accounting unit #02-20-20-200510-2614-500783, Autopsy Expense.

EXPLANATION

Although this contract is under the Governor and Executive Council approval threshold, the Office of the Chief Medical Examiner utilized Dr. Stuelpnagel's services in a prior Fiscal Year 2018 contract. This is a **sole source** contract because medical examiners represent a small community and it is very difficult to find a Pathologist who is available to serve as an Associate Medical Examiner on an occasional basis. Dr. Duval, the Deputy Chief Medical Examiner, was able to obtain Dr. Stuelpnagel's services from Friday, October 6, 2017 to Tuesday, October 10, 2017.

The Attorney General is authorized, pursuant to RSA 611 B:4 to employ such persons as are reasonably necessary to assist the Chief Medical Examiner (CME) in the performance of his duties.

Pursuant to RSA 611-B, the CME is required to perform autopsies in cases of suspicious deaths. The investigative exigencies in such cases require prompt availability of qualified medical examiners to perform the autopsies. Over the past 20 years, the number of autopsies has increased 104%, from 250 to over 500 but the number of medical examiners performing those autopsies has remained static. The Chief Medical Examiner and the Deputy Chief Medical Examiner perform approximately 95% of the approximately 500+ autopsies performed yearly. Although an additional Pathologist position has been budgeted for the 2018/2019 biennium, it is unlikely one will be hired in the next few months. In addition, due to the Chief Medical Examiner's retirement effective September 30, 2017, substitutes will be needed to assist the Deputy Medical Examiner until permanent Pathologist can be hired.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,
