**NON-FINANCIAL MODIFICATION (#2) OF CONTRACT WITH RESPECT TO
PROGRAM ADMINISTRATION FUNDS AT THE SUB- RECIPIENT CONTRACTING LEVEL**

The Department of Resources and Economic Development, Office of Workforce Opportunity and Southern NH Services, Inc. (SNHS), Manchester, NH (VC# 177198) hereby mutually agree to amend their contract (# 1044520) for WIOA Services, which was originally approved by the Governor and Executive Council on February 11, 2015 (Item #36), amended on August 5, 2015 (Item #58) to increase funds and a non-financial modification (#1) effective December 31, 2015, with a completion date of June 30, 2019. This non-financial modification (#2) of an existing agreement does not change the funding or contract dates of the original agreement in any way and is hereby incorporated by reference to the existing agreement by the parties and must be attached to the said agreement, and shall accomplish the following:

1. Changes the 8% administration cap previously negotiated with the State Workforce Innovation Board (SWIB) to 10% effective July 1, 2016 per Board approval of the WIOA Master Budget document at the June 15, 2016 meeting.
2. Clarifies that the Unified OMB guidelines requires WIOA administrative entities (OWO) to allow a sub-recipient of federal funds (SNHS, Inc.) to charge the full amount (%) of their approved Indirect Cost Rate (ICR) to their WIOA approved grant. It is understood that the ICR may change annually and that SNHS shall apply the ICR current at the time of invoice.
3. Further clarifies that indirect costs calculated using the approved indirect cost rate, applicable within the annual budget cycle, shall be recorded on the approved annual line-item budget and reported on monthly invoices as a subset cost of the allowable 10% administrative cap. The total of direct administrative and the total of indirect costs together may not exceed the 10% administration cap.

**NON-FINANCIAL MODIFICATION OF CONTRACT WITH RESPECT TO
THE IMPLEMENTATION OF WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) SUB-
RECIPIENT CONTRACTING REQUIREMENTS EFFECTIVE DECEMBER 31, 2015**

The Department of Resources and Economic Development, Office of Workforce Opportunity and Southern NH Services, Inc. (SNHS), Manchester, NH (VC# 177198) hereby mutually agree to amend their contract (# 1044520) for WIOA Services, which was originally approved by the Governor and Executive Council on February 11, 2015 (Item #36), amended on August 5, 2015 (Item #58), with a completion date of June 30, 2019. This non-financial modification of an existing agreement does not change the funding or contract dates of the original agreement in any way and is hereby incorporated by reference to the existing agreement by the parties and must be attached to the said agreement, and shall accomplish the following:

1. Clarify that for the purposes of this agreement, SNHS, Inc. is a "sub-recipient" versus a contractor. All reference within the master contract agreement to sub-recipient/contractor is hereby changed to sub recipient. Funds allocated to SNHS, Inc. via this agreement are considered a "sub-award" and as such is responsible for adherence to applicable federal program requirements specified in WIOA law and regulation.
2. All funds awarded via this contract agreement shall be expended consistent with the Uniform Guidance – Office of Management and Budget (OMB) CFR Chapter II, Part 200, et.al.
3. Identify the FEIN number for the sub recipient within the contract document: SNHS, Inc. FEIN #02-0268285
4. Document the agreement between Southern NH Services, Inc. and the Office of Workforce Opportunity, on behalf of the State Workforce Innovation Board, to assign an 8% administration cap to be applied to the total funds allocated, exclusive of sub award funds, for each program year, as identified on the annual, approved line-item budget. SNHS, Inc. is informed of OMB guidance that allows sub-recipients to charge an approved federally recognized indirect cost rate negotiated between the sub-recipient and the Federal Government. A copy of the most recent approved indirect cost rate is attached for reference. For the purpose of this agreement, SNHS negotiated with the State Board for a fixed 8% indirect cost charge for each fiscal year covered within the agreement. *Admin fee*
5. Clarifies and provides consistency of message regarding Maintenance of Records and Record Retention requirements. SNHS, Inc. shall be responsible for maintaining all program and fiscal records for a minimum of three years. Records reviewed for Data Validation and/or Audit findings shall be maintained for a minimum of six years.
6. All other terms and conditions of this contract shall remain the same in full force and effect as originally set forth; and
7. This non-financial amendment is subject to approval by the Commissioner of the Department of Resources and Economic Development.

The original contract was approved by the Governor and Executive Council on February 11, 2015, item #36. This program is 100% federal funding.

Funds to support this request are anticipated to be available in the following account in FY 2016 and FY2017 and pending budget approval for FY 2016, FY2017, FY2018 and FY 2019:

EXPLANATION

This original contract between DRED/OWO and SNHS was approved for the delivery of Workforce Innovation Opportunity Act (WIOA) program services, including NEGs and was issued in response to Request for Proposals (RFP) # 02-DRED/OWO/WIOA issued September 26, 2014. DRED/OWO is the state grant recipient for WIOA federal funds awarded by the USDOL. In executing its responsibilities for WIOA Adult and Dislocated Worker funds, the Board through DRED/OWO designates specific operational and fiscal responsibilities for WIOA funds to SNHS through this contract agreement. As a condition of this agreement, SNHS assumes responsibility for the specific operational, fiscal, and monitoring responsibilities cited in the contract for the purpose of delivering services to WIOA eligible customers, and agrees to carry out these duties consistent with all the conditions and terms of this contract, and all applicable federal and state laws, regulations, and grant specific requirements.

EXPLANATION

This contract between DRED/OWO and SNHS for the delivery of Workforce Innovation Opportunity Act (WIOA) program services is issued in response to Request for Proposals (RFP) # 02-DRED/OWO/WIOA issued September 26, 2014. (See Attachment A for RFP details). DRED/OWO is the state grant recipient for WIOA federal funds awarded by the USDOL. The State Workforce Investment Board (Board) is the oversight body established in federal regulation to oversee the appropriate use of WIOA federal funds received by DRED/OWO.

In executing its responsibilities for WIOA Adult and Dislocated Worker funds, the Board through DRED/OWO designates specific operational and fiscal responsibilities for WIOA funds to SNHS through this contract agreement. As a condition of this agreement, SNHS assumes responsibility for the specific operational, fiscal, and monitoring responsibilities cited in the contract for the purpose of delivering services to WIOA eligible customers, and agrees to carry out these duties consistent with all the conditions and terms of this contract, and all applicable federal and state laws, regulations, and requirements.

This is a four-year cost-reimbursement contract for services to ensure program continuity. For major WIOA service contracts, efficiency in operation is a paramount policy consideration for the Board, as disruption in service would adversely affect program clientele. Funds are allocated for operating a standardized program that requires significant training and program management experience and understanding, along with sufficient resources to reimburse the state for any disallowed costs incurred as a result of erroneous eligibility determinations.

The Attorney General's Office has reviewed and approved this contract as to form, substance and execution.

Respectfully submitted,

Jeffrey J. Rose
Commissioner

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Resources & Economic Development (DRED) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DRED determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DRED may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to DRED to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DRED may terminate this transaction for cause or default.

- (2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

If the condition is not corrected within the ten (10) day period, the Contractor will be determined to be in breach of contract.

The Board may unilaterally terminate or negotiate modification of an agreement at any time if its Federal or State grants are suspended, reduced, or terminated before or during the contract period, or if Federal or State Grant terms and regulations change significantly.
<input checked="" type="checkbox"/>	F. In the event of early termination initiated by either party for whatever reason, the Contractor is entitled to payment earned through the date of contract termination. Only reimbursement for costs incurred under contract from the contract beginning date through the date of contract termination will be eligible for payment.

DRED shall conduct follow-up visits to review the previous deficiencies and to assess the efforts made to correct them. If such deficiencies persist, DRED may terminate the contract.

LEGAL AUTHORITY	
<input checked="" type="checkbox"/>	A. INDEPENDENT CONTRACTORS	
<input checked="" type="checkbox"/>	A. It is expressly understood and agreed by both parties that DRED/OWO is subcontracting with the Contractor as an independent Contractor and that the Contractor agrees to indemnify DRED/OWO against all disallowed costs or other claims which may be established by the Contractor or any third party occurring in connection with the services to be provided by the Contractor under contract.

**STATEMENT OF WORK
ORGANIZATION/AGENCY REQUIREMENTS**

Successful Contractors to this RFP must demonstrate the capacity to effectively manage statewide services consistent with the NH Works one-stop service delivery model; commit to several program elements deemed by the Board to be required components of the Adult and Dislocated Worker program design; and recognize the direct oversight and leadership role that DRED/OWO shall maintain in managing service delivery contracts.

To be eligible to operate a WIOA service delivery program, an agency or organization must:

<input checked="" type="checkbox"/>	A. Have the management and fiscal capacity to administer a complicated federal grant program statewide, as well as demonstrated experience in the operation of employment and training programs on a statewide level.
<input checked="" type="checkbox"/>	B. Understand that only costs directly related to the operation of the grant program, and properly justified with supporting documentation will be allowable charges to this program. Required supporting documentation such as properly completed time cards, time sheets, travel reports, invoices, receipts, etc., must be maintained. Funds provided under WIOA shall not be used to supplant or duplicate facilities or services available in the area from federal, state, or local sources.
<input checked="" type="checkbox"/>	C. Demonstrate a working knowledge of the Act, Final Rules and Regulations, the key program services required under WIOA, an understanding of the required performance measures and strategies for achieving measures, and how the effective delivery of Adult and Dislocated Worker Program services helps to align workforce and economic development efforts in the State.
	D. An agency or organization awarded a contract for the delivery of WIOA services shall:
<input checked="" type="checkbox"/>	1. Have demonstrated ability to be flexible and adapt quickly to change. Specifically, the agency or organization must operate within an infrastructure that can support the mobilization of existing staff, as well as the ability to ramp up staffing on short notice, to meet the demand for specialized/customized services in response to mass layoffs and/or new program services – conversely, a contractor must be able to reduce staff as necessary.
<input checked="" type="checkbox"/>	2. Be subject to an extensive set of fiscal and programmatic reporting and oversight requirements, which shall include the use of specific forms and reports required to carry out the monitoring and evaluation of programs as mandated by the federal regulations and/or DRED/OWO policy and procedures.
<input checked="" type="checkbox"/>	3. Be liable for any disallowed or illegal expenditure of funds or program operations conducted under their contract - resources used to reimburse disallowed/illegal expenses may not come from federal funds.

<input checked="" type="checkbox"/>	4. Be required to use the WIOA eTeams case management system, as well as maintain hardcopy participant files. All books, records, documents, and papers (including participant files) relating to WIOA service delivery shall be retained by the contractor for a minimum period of three (3) years following submission of the final expenditure report, participant exit or data validation date, or until such time as any litigation, audit findings or other claims have been resolved and so certified by DRED/OWO.
<input checked="" type="checkbox"/>	5. Be required to sign a Contract for services, which will provide for the full indemnification and hold harmless of any liability to DRED/OWO and/or the Board for any activities conducted by the contractor. This includes a full statement of responsibility for reimbursing DRED/OWO for any costs or expenditures which are disallowed in an audit, or any other claims which might be made against a program operator by a WIOA participant or other interested party. The contractor shall also be required to subscribe to the WIOA assurances and certifications.
<input checked="" type="checkbox"/>	6. Be required to assign staff whose sole responsibility and commitment is the delivery of comprehensive WIOA services. WIOA services shall be implemented as a "whole" service consistent with the intent of WIOA rules and regulations. No other federal, state or local program services offered by the contractor shall be allowed to take precedence over the intent of WIOA service delivery. Careful scrutiny of contractors with an inherent conflict of interest resulting from the operation of programs with conflicting mandates.
<input checked="" type="checkbox"/>	7. Be required to ensure that all staff funded under contract is adequately trained in WIOA regulations, process and procedures, including EO and confidentiality procedures consistent with US DOL requirements.
<input checked="" type="checkbox"/>	8. Be required to have the capacity to provide consistent content and quality of services on a statewide basis – i.e., in each of the 12 NH Works offices.
<input checked="" type="checkbox"/>	9. Be required to ensure timely data entry of participant enrollment and case management information into the electronic WIOA case management system (eTeams) to ensure complete and accurate data is available to meet performance and reporting requirements.
<input checked="" type="checkbox"/>	10. Be required to achieve established performance goals on an annual bases; failure to meet performance goals shall require corrective action and/or be used as a factor in determining future contract awards.
<input checked="" type="checkbox"/>	11. Be required to ensure that participant confidentiality is maintained at all times.
<input checked="" type="checkbox"/>	12. Be required to recruit and enroll eligible individuals consistent with established enrollment goals.
<input checked="" type="checkbox"/>	13. Be required to develop local operational and fiscal policies and reporting procedures, to ensure federal and state goals, objectives and

	performance measures for WIOA funds are met.
<input checked="" type="checkbox"/>	E. The Contractor must be able to offer cost-effective services; preference will be given to those who combine Adult and Dislocated Worker services to maximize limited resources.
<input checked="" type="checkbox"/>	F. The Contractor must have an existing financial infrastructure sufficient to support the processing of WIOA financial reports, WIOA participant training and support service payments, and the availability of non-federal financial resources to cover any costs incurred as a result of erroneous eligibility determinations and/or disallowed program activities.
<input checked="" type="checkbox"/>	G. The Contractor shall be registered (and in good standing) to conduct business in the State of New Hampshire, and must not be the subject of any past or current federal suspension or disbarment proceedings.
<input checked="" type="checkbox"/>	H. The Contractor shall carry appropriate liability and workers compensation insurances.
<input checked="" type="checkbox"/>	I. The Contractor must have the ability to carry out the Direct Service Requirements as defined in this RFP.
<input checked="" type="checkbox"/>	J. In addition, Contractors shall abide by State procedures that recognize DRED/OWO as the <u>sole</u> contact with the U.S. Department of Labor (USDOL) for all issues related to the implementation and management of WIOA funded activities in the State of New Hampshire. As such, all contractor communication with USDOL regarding WIOA issues must be directed through DRED/OWO.

Report on the Financial Statements

We have audited the accompanying financial statements of Southern New Hampshire Services, Inc. (a nonprofit organization) which comprise the statement of financial position as of July 31, 2013, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

JULY 31, 2013 AND 2012

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

SNHS Elderly Housing, Inc.
SNHS Elderly Housing II, Inc.
SNHS Elderly Housing III, Inc.

SNHS Farmington Elderly Housing, Inc.
SNHS Greenfield Elderly Housing, Inc.
SNHS North Berwick Elderly Housing, Inc.
SNHS Northwood Elderly Housing, Inc.
SNHS Pittsburg Elderly Housing, Inc.
SNHS Raymond Elderly Housing, Inc.

Use of Estimates

The preparation of combined financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results may differ from these amounts.

Cash and Cash Equivalents

For the purpose of the combined statements of cash flows, the Organization considers all unrestricted highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Revenue Recognition

The Organization's revenue is recognized primarily from federal and state grants and contracts generally structured as reimbursed contracts for services and therefore revenue is recognized based on when their individual allowable budgeted expenditures occur. Federal and state grant revenue comprised 73% and 79% of total revenue in the fiscal years ended July 31, 2013 and 2012, respectively.

Accounts and Contracts Receivable

All accounts and contracts receivable are stated at the amount management expect to collect from balances outstanding at year-end. Receivables are recorded on the accrual basis of accounting primarily based on reimbursable contracts, grants and agreements. Balances outstanding after management has used reasonable collection efforts are written off through a charge to bad debt expense and a credit to the applicable accounts receivable. Management does not believe an allowance for uncollectible accounts receivable is necessary at July 31, 2013 and 2012.

JULY 31, 2013 AND 2012

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses

The costs associated with providing program services and management and general support services are presented by natural classification on the combined statement of functional expenses and have been summarized on a functional basis on the combined statements of activities.

Income Taxes

The Organization qualifies as an organization exempt from income tax under Section 501 (c) (3) of the Internal Revenue Code.

Management has evaluated the Organization's tax positions and concluded that as of July 31, 2013 and 2012, the Organization does not believe that it has taken any tax positions that would require the recording of any additional tax benefits or liabilities within the next twelve months. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Organization's tax returns will not be challenged by the taxing authorities and that the Organization will not be subject to additional tax, penalties and interest as a result of such challenge. Generally, the Organization's tax returns remain subject to examination for three years after they were filed.

Subsequent Events

Management has made an evaluation of subsequent events through April 30, 2014, which represents the date on which the combined financial statements were available to be issued and determined that any subsequent events that would require recognition or disclosure have been considered in the preparation of these combined financial statements.

Reclassifications

Certain reclassifications have been made to the 2012 combined financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

NOTE 2: RESTRICTED CASH

The housing projects are required to set aside amounts for the replacement of property and other expenditures. These amounts are set aside in separate accounts and generally are not available for operating purposes.

The housing projects are also required to put any surplus cash into a separate account. These accounts are also not available for operating purposes.

NOTE 3: FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures* establish a framework to measuring fair value within generally accepted accounting principles (GAAP). That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

NOTE 5: CONTINGENT LIEN J. BROWN HOMESTEAD PROPERTY

In 1999, the town of Raymond, New Hampshire, conveyed land and buildings to Rockingham Community Acton (RCA) for \$1 and a mortgage lien of \$604,418. The buildings contain four apartments limited to low-income seniors, office space for the Outreach operations, space for the Food Pantry operation, and a common meeting room for use by Town of Raymond organizations. The Town of Raymond included a requirement that the property be used for a social service center for a period of 20 years, called the benefit period, after which this requirement terminates.

RCA granted the Town of Raymond a lien on the property, such lien to be paid from the proceeds of any sale in the event that RCA sells or otherwise conveys the property within 20 years from the date of the mortgage (1999), or if not paid at the time of the sale will run with the land to any subsequent purchaser for the remaining benefit period. This mortgage lien has no scheduled principle or interest payments and is forgivable at a rate of 1/20 each year of the benefit period until it is completely forgiven in year 2019. The value of this lien at July 31, 2013 and 2012 is \$211,547 and \$241,768, respectively.

The appraised value of the land and buildings at the time of the donation was \$220,000. RCA has operated its Raymond Community Action Center at the property since the transfer and plans to continue to do so. Therefore, since RCA has no plans to sell or transfer this property the contingent mortgage lien liability has not been included on these financial statements.
