EXPLANATION

The Department is requesting this be a **sole source** contract due to the fact that Mr. Gustafson has provided these services to the Department of Education in the past and, as such, has built a deep knowledge base in this area and has developed extensive relationships within the education community and with institutional leaders.

His duties would include serving as an evaluator to assess program requests from in-state and out-of-state public and private higher education institutions for degree-granting approval pursuant to NH Code of Administrative Rules, Hecr 400; including serving as an observer at site visits held by the New England Commission of Higher Education, the accrediting entity for colleges and universities in New England. In addition, Mr. Gustafson will assist with redrafting the NH Code of Administrative Rules, and supporting the Division of Educator Support and Higher Education with ad hoc projects. Mr. Gustafson provides invaluable experience that is almost impossible to replicate. His expertise is extensive, from the academic arena to a wide range of administrative topics, including online education, accelerated degrees, various accrediting entities, personnel and labor issues, and management in state, public higher education and private higher education sectors.

In the event other funds are no longer available, general funds will not be requested to support this contract.

Respectfully submitted,

premium may be influenced by the information shown for these drivers.

IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

You have the right to request, no more than once during a 12-month period, that your policy be re-rated using a current credit-based insurance score. Re-rating could result in a lower rate, no change in rate, or a higher rate. If you would like us to reevaluate your credit-based insurance score or have any questions on how your premium was determined, please contact your State Farm agent.
