EXPLANATION

The purpose of this request is to provide remote pharmacist services during non-business hours to New Hampshire Hospital in order to ensure all prescriptions ordered by physicians are reviewed prior to medications being administered to patients at New Hampshire Hospital.

The remote pharmacist will review, among other things, the medical history, diagnosis, allergies, prior adverse drug reactions and duplication of medication therapies when prescribing drugs to patients. This service will reduce events of adverse drug reactions for the New Hampshire Hospital patient population during non-business hours when the hospital pharmacy is closed.

For the past nine (9) months, the New Hampshire Hospital pharmacy staff have been working overtime in an effort to cover the time period of 1:30 pm through 10:00 pm to ensure the hospital's patients receive the appropriate medications and dosages at the scheduled times. The hospital desires 24-hour pharmacist coverage. Contracting with a remote-in pharmacist will serve the patients in the hospital at a cost that would be less than hiring 2 additional full time pharmacists which would be needed to ensure coverage from (7pm to 7am Monday through Sunday).

This contract will allow the pharmacists' hours to resume a 7:00 am to 7:00 pm, Monday through Friday and 7:00 am through 2:00 pm, Saturday through Sunday schedule; which provides greater pharmacy staffing at the busiest times.

The following performance measures/objectives will be utilized to measure the effectiveness of the agreement:

- Demonstrate allergy review and identify at least one (1) indication to notify the prescriber.
- Verbalizes process to check for interactions (i.e. drug-drug, drug-food etc.)
- Verbalizes process to check all duplications and at least one (1) indication to notify the prescriber.
- Verbalizes a process to provide a drug strength consistent with the dose in the prescriber's order.

Cardinal Health was selected through a competitive bid process. A Request for Bids was posted on the Department of Health and Human Services' web site from May 7, 2018 through June 4, 2018. The Department received one bid. The bid was reviewed and scored by a team of individuals with program specific knowledge. The review included a thorough discussion of the strengths and weaknesses of the bid. The Bid Summary is attached.

As referenced in the Request for Bids and in Exhibit C-1 of this contract, the Department has the option to extend contracted services for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

Should the Governor and Executive Council not authorize this request; the patients at NHH will be at an increased risk for drug reactions when a pharmacist is not present. NHH will also not meet the standards of the Joint Commission on Accreditation of Health Care Organizations (JCAHO).

Area served: New Hampshire Hospital patients.

Source of Funds: 36% General Funds and 64% Other Funds from agency income (Medicare, Medicaid & third party insurance).

In the event that the Federal or Other Funds become no longer available, General Funds will not be requested to support this program

Respectfully submitted,

 - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
 - III. For data aggregation purposes for the health care operations of Covered Entity.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer without unreasonable delay and in no case later than two (2) days after becoming aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall promptly perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
 - The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
 - The unauthorized person used the protected health information or to whom the disclosure was made;

conditions that are at least as restrictive as the restrictions and conditions that apply to Contractor under this Agreement.

- f. Upon suspicion of a breach, within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

Exhibit I

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.
- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

Exhibit I

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.
