EXPLANATION

The purpose of this request is to continue to provide registered dietitian services that assess the nutritional needs of the one-hundred and twenty (120) individuals at Glenclyff Home. The Contractor has met the requirements of the current contract. This Agreement fulfills the Centers for Medicare and Medicaid Services regulation 483.35 to have a registered dietitian assess the nutritional needs of residents in nursing homes.

The original agreement was competitively bid.

The original agreement, included language in Exhibit C-1 that allows the Department to renew the contract for up to four years, subject to the continued availability of funding, satisfactory performance of service, parties' written authorization and approval from the Governor and Executive Council. The Department is in agreement with renewing services for the last two remaining years.

Should Governor and Executive Council determine not to approve this Request, Glenclyff Home would be out of compliance with the Centers for Medicaid and Medicare regulation 483.35 that requires all residents receive a diet approved by a Registered Dietitian, which would then put the Medicaid funding at risk.

Area served: Glenclyff Home.

Source of funds: 20% General Funds and 80% Agency Funds.

Respectfully submitted,

Jeffrey A. Meyers
Commissioner

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division for Behavioral Health, Glenclyff Home, to amend an Agreement with Amy Tuller (Vendor #162999-B001), 539 Bradley Hill Road, Norwich, VT 05055, to continue to provide Registered Dietitian Services to the residents at Glenclyff Home, by increasing the price limitation by \$78,200 from \$78,200 to an amount not to exceed \$156,400, effective July 1, 2017 or upon Governor and Executive Council approval, whichever is later, through June 30, 2019. The source of funding is 20% General Funds and 80% Agency Funds.

Funds to support this request are anticipated to be available in the following account in State Fiscal Year 2018 and SFY 2019, upon the availability and continued appropriation of funds in the future operating budget with the ability to adjust encumbrances between State Fiscal Years through the Budget Office, without further approval from the Governor and Executive Council, if needed and justified.

EXPLANATION

Approval of this Amendment will allow the Contractor to continue to provide registered dietitian services that assess the nutritional needs of the residents at Glenclyff Home. The Contractor has met the requirements of the current contract. This Agreement fulfills the Centers for Medicare and Medicaid Services regulation 483.35 to have a registered dietitian assess the nutritional needs of residents in nursing homes.

The original agreement was competitively bid.

This contract contains language that allows the Department the right to renew the Contract for up to four (4) additional years, subject to the continued availability of funds, satisfactory performance of services, and approval by the Governor and Executive Council. The Department is requesting renewal of the Contract for an additional two (2) of the four (4) years.

Notwithstanding any other provision of the Contract to the contrary, no services shall continue after June 30, 2017, and the Department shall not be liable for any payments for services provided after June 30, 2017, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2018-2019 biennium.

Should Governor and Executive Council determine not to approve this Request, Glenclyff Home would be out of compliance with the Centers for Medicaid and Medicare regulation 483.35 that requires all residents receive a diet approved by a Registered Dietitian, which would then put the Medicaid funding at risk.

Area served: Glenclyff Home.

Source of funds: 20% General Funds and 80% Agency Funds.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Glencliff Home, to enter into a **retroactive** agreement with Amy Tuller (Vendor #162999-B001), 539 Bradley Hill Road, Norwich, VT 05055, for the provision of Registered Dietitian Services for the residents at the Glencliff Home, in an amount not to exceed \$78,200, effective retroactive to July 1, 2015 through June 30, 2017, upon Governor and Executive Council approval. The source of funding is 100% General Funds.

Funds to support this request are anticipated to be available in the following account in State Fiscal Year 2016 and SFY 2017 upon the availability and continued appropriation of funds in the future operating budget with the ability to adjust encumbrances between State Fiscal Years through the Budget Office, without further approval from the Governor and Executive Council, if needed and justified.

State Fiscal Year	Class/Object	Class Title	Budget Amount

2017	101-500729	Medical Providers	\$39,100
		Total	\$78,200

EXPLANATION

This request is **retroactive** because the contractor that was originally awarded the contract was unable to meet the contract requirements and withdrew their bid. The Department acted quickly to enter into a contract with the second bidder in order to continue providing dietary services, after the expiration of a contract on June 30, 2015, to remain in compliance with the Centers for Medicare and Medicaid Services funding requirements. However, the Department did not receive the executed contract from the vendor until the end of September

This agreement fulfills The Centers for Medicare and Medicaid Services requirement that the Glencliff Home provide the services of a registered dietitian to assess the nutritional needs of residents of the facility.

mar

This contract was competitively bid. A request for bid was advertised in the Penney Saver and the Journal Opinion for two consecutive weeks from April 1, 2015 through April 9, 2015, and on the Department of Purchase and Property web site. Amy Tuller was one of two bidders; the low bidder withdrew their bid as they were unable to meet the requirements of the contract. Amy Tuller is certified by the American Dietetic Association as a Registered Dietitian in New Hampshire and Vermont and is a Diabetes Educator.

This contract contains language that allows the Department the right to renew the Contract for up to four (4) additional years, subject to the continued availability of funds, satisfactory performance of services, and approval by the Governor and Executive Council.

Should Governor and Executive Council determine not to approve this Request, Glenciff Home would be out of compliance with the Centers for Medicaid and Medicare regulation 483.35 that requires all residents receive a diet approved by a Registered Dietitian; which would then put the Medicaid funding at risk.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
