REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Mary Jane Sullivan Vendor #151168-B001, 61 Locke Road, Hampton, New Hampshire 03842, in an amount not to exceed \$50,000, to provide technical expertise and monitor the quality improvement activities of the New Hampshire Early Hearing Detection and Intervention Program, to be effective July 1, 2013 or date of Governor and Executive Council approval, whichever is later, through June 30, 2015. EXPLANATION

Funds in this contract will be used to secure a pediatric audiologist to provide technical expertise to the New Hampshire Early Hearing Detection Intervention Program, pediatric audiology diagnostic centers and hospital newborn hearing screening programs; monitor the use of screening protocols and guidelines; and monitor the quality improvement activities of the New Hampshire Early Hearing Detection Intervention Program and the information management system.

This contract is critical because highly trained, clinical audiological expertise is required to provide oversight and consultation for quality assurance activities for infant hearing screening and training. The pediatric audiology consultant works with hospitals, providers, audiologist, and the Early Hearing Detection and Intervention program to ensure that children at risk for hearing loss and ultimate subsequent speech and learning delays can be effectively identified and referred for early treatment and remedial services thus allowing children in New Hampshire to reach their full potential. The level of professional expertise needed is not available by any in-house resource, nor are such activities duplicated elsewhere, thus necessitating such a contract.

Based on emerging data from state newborn hearing screening programs, the estimate of congenital hearing loss is two to three per 1,000 live births. This does not include children born with normal hearing who have late onset or progressive hearing loss. Hearing loss is the most common disability present at birth. Without screening at birth, a hearing loss is identified when a child is between 14 months and three years of age. Early identification and providing support services will increase a child's understanding and use of language. Families of all infants born in the twenty (20) New Hampshire hospitals with birth facilities were offered newborn hearing screening. In 2011, all infants born in a New Hampshire hospital had hearing screening results or the reason not screened entered into the tracking system. In 2011, 186 infants had diagnostic testing and of those, 12 infants were identified with hearing loss in New Hampshire.

Should Governor and Executive Council not authorize this Request, the New Hampshire Early Hearing Detection Intervention Program will not be able to provide assistance in providing age-appropriate diagnostic testing and follow-up for infants who failed their newborn hearing screenings.

Mary Jane Sullivan was selected to provide this service through a competitive bid process. A Request for Applications was posted on The Department of Health and Human Services' web site from January 23, 2013 through February 18, 2013. In addition, the current grantee was sent an email on January 24, 2013.

One applicant responded to the request for applications. Three professionals, all from within the Department of Health and Human Services, met and reviewed the application. All three reviewers have at least twelve years experience managing agreements with vendors for various public health programs and all have expertise in maternal and child health. Reviewers evaluated proposals consistent with the evaluation criteria specified in the Request for Applications. The submitted application scored an average of 94 out of 100 points. The Bid Summary is attached.

As referenced in the Request for Applications, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this individual in SFY 2012 and SFY 2013 in an 18-month contract in the amount of \$47,500.

The following performance measures will be used to measure the effectiveness of the agreement.

- The audiology consultant will provide consultation, within 30 days of request, to audiologists at new Pediatric Audiology Diagnostic Centers to promote the establishment of evidenced-based diagnostic testing and treatment protocols, 100% of the time.
- The audiology consultant will participate in 100% of scheduled performance review meetings and conference calls with the Early Hearing Detection and Intervention (EHDI) Program.

Her Excellency, Governor Margaret Wood Hassan

If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, in accordance with the HITECH Act, Subtitle D, Part 1, Sec.13402.
- b. The Business Associate shall comply with all sections of the Privacy and Security Rule as set forth in, the HITECH Act, Subtitle D, Part 1, Sec. 13401 and Sec.13404.
- c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.
- e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

- h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, and the HITECH Act as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule and the HITECH Act.
- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3 d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.
