Funding is available in account titled, Abandoned Property, as follows (pending budget approval for Fiscal Years , 2018 and 2019):

	<u>FY2017</u>	<u>FY2018</u>	<u>FY2019</u>
01-38-38-380510-8021-020-500254 Audit Fees	\$1,100,000	\$1,210,000	\$1,331,000

EXPLANATION

RSA 471-C, New Hampshire's *Unclaimed and Abandoned Property Law*, provides that the Treasurer may contract with other entities to identify, recover, and remit unclaimed or abandoned assets (e.g. cash, securities) through audit or examination of records. Such examinations are conducted largely with out-of-state holders of such property. Treasury, upon report and remittance, endeavors to contact the rightful owner who may then claim the property. Amounts not claimed shall be escheated and deposited in the General Fund.

Treasury will contract with any reputable provider of audit/examination services that offers a competitive fee arrangement. The 10.25 % fee is consistent with the existing rate level throughout this industry.

Respectfully requested,

William F. Dwyer
State Treasurer

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.

EXHIBIT A - SERVICES TO BE PERFORMED

A. Identification of Unclaimed Property.

1. Discovery Audit Services, LLC ("DAS") shall conduct an examination, identify, and demand delivery of unclaimed property from holders that are subject to report and deliver said property under New Hampshire abandoned property law.
2. The period in which DAS shall examine and identify unclaimed property shall consist of the current reporting cycle as of the date of commencement of examination, as well as any prior reporting cycles for which property remains unclaimed and unreported.
3. DAS shall, when examining for New Hampshire, adhere to New Hampshire's abandoned property law, as defines in RSA 471-C and Code of Administrative Rules. New Hampshire shall notify DAS of all changes in its statutes or administrative rules initiated by or made known to the Treasurer. DAS shall be responsible for performance in accordance with current laws and regulations whether state or federal.
4. It is understood by the parties that DAS shall not commence an examination on behalf of New Hampshire without first obtaining New Hampshire's written consent or direction.
5. The holding of the U. S. Supreme Court in Texas v. New Jersey, 85 S. Ct. 1136 (1965), Pennsylvania v. New York, 92 S. Ct. 2820, (1972), and Delaware v. New York, 113 S. Ct. 1550, (1993), and any applicable federal legislation regarding which state has the right to escheat property shall be followed.
 - a. Where the name and last known address of the apparent owner according to the books and records of the holder is in New Hampshire, it shall be deemed to be reportable to New Hampshire.
 - b. If the holder has never maintained records setting forth the name and last known address of the apparent owner, the property shall be deemed reportable to the state of incorporation of the holder. An address shall be deemed reportable to the state of incorporation of the holder. An address shall be deemed to mean a description of location sufficient for the delivery and receipt of mail. Where no addresses presently exist, but the holder at one time maintained addresses of the apparent owners, the property shall be deemed reportable to the state of incorporation of the holder. Where no address exists, but the records of the holder establish that the apparent owner resided in New Hampshire, DAS shall advise New Hampshire and the holder's state of incorporation, for the purposes of determining which state possesses the priority claim to the funds.
 - c. Where the address of the apparent owner cannot be readily ascertained, but in fact exists in the books and records of the holder, sampling techniques will be

used to allocate the property among the states participating in the review. In such event, if required, sampling techniques will also be utilized to ascertain the proportion of the total reportable property for which the holder has names and last known addresses. DAS shall notify New Hampshire when sampling techniques under this paragraph are being used.

- d. If the above rules do not provide for a case, or the state having the priority claim cannot be determined, DAS shall notify New Hampshire of such fact if the holder is incorporated in New Hampshire or if an address in New Hampshire may be established from the books or records of the holder.
 - e. In the event that the state of priority claim provides for an exemption, deduction, exclusion or otherwise does not choose to assert jurisdiction over the property, New Hampshire shall be the state for reporting this property where it is the state of incorporation, and further shall be a state of proportion for reporting such property as described above in subparagraph (c) where it is not the state of incorporation.
6. If for certain periods the amount of reportable property cannot be ascertained from the books and records of the holder, projection and estimation techniques may be used to determine the reportable amounts for such periods. If names and addresses exist with respect to the abandoned property used in the projection and estimation, the names and addresses shall not be used to determine which state has the priority claim to the abandoned property estimated to be due.
 7. All sampling and projection and estimation techniques used by DAS shall be a method approved by "THE TREASURER" or his/her designee prior to their use.

B. Demand and Delivery of Unclaimed Property.

1. Prior to issuing any demand to a holder, DAS will submit a Report of Examination (ROE) to the New Hampshire Abandoned Property Division ("the Division") for its review and consideration.
2. Once the ROE has been approved by the Division, DAS will issue the demand the demand for property to the holder, collect and reconcile the amounts due and coordinate the remittance of both the property and electronic files to the Division.

 - c. A NAUPA detail file for immediate upload to the Division's system.
 - d. An invoice for DAS's fee based upon the contracted rate and the value of the remitted property.

C. Enforcement.

1. If a holder refuses to subject itself to an examination by DAS, or is uncooperative in an ongoing examination by DAS, or refuses to remit funds after demand, then DAS will notify the Division within seven (7) days of such occurrence.
2. DAS cannot initiate legal action against or enter into an agreement with a holder on behalf of New Hampshire.
3. DAS may inform a holder of New Hampshire's law regarding penalties and interest.
4. DAS may not impose, or threaten to impose, penalties and/or interest.
5. If a holder of unclaimed property agrees to work with DAS in order to comply with New Hampshire's unclaimed property law (a voluntary disclosure), then DAS shall report said property under this agreement under the following conditions: (1) only if DAS obtains the consent of the holder; and (2) only if DAS thereafter provides evidence of its agreement with the holder to New Hampshire at the time of the disclosure.

2. In instances where New Hampshire is NOT the initiating state and New Hampshire chooses to notify the holder that it also wishes to conduct an abandoned property examination using the services of DAS, then the method of compensation shall also be contingent fee.
3. The contingency fee shall be **10.25%** of gross amount reported and remitted to New Hampshire as a result of the examination. The fee will be determined by the amount of unclaimed funds and/or securities (including interest and penalties if assessed) for the current reporting cycle, as well as the past due reporting cycle(s), evidenced in the abandoned property examination Report.

3. In the event a holder fails, neglects or refuses to remit the subject property after receipt of ROE by DAS, and after thirty (30) day demand has been made for payment, and New Hampshire is thereafter required to take any additional measures to recover the property identified, DAS's fee shall be based on the net recovery of the value of the subject property after reduction to account for the cost of any and all actions by the New Hampshire to effect said recovery.
