**EXPLANATION**

The Drinking Water and Groundwater Trust Fund was created in 2016 using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The Drinking Water and Groundwater Advisory Commission was established to administer the Trust Fund and to provide guidance to the State on the use of the Trust Fund.

On December 9, 2019, the Advisory Commission voted to authorize \$50,000 as a grant to Beebe River Community Association for water system improvements including well pumping controls and alarms, upgrades to the existing storage tank, and installation of shut-off valves to ensure ongoing payment of water fees. In the event that grant funds become no longer available, General Funds will not be requested to support this program.
