### Explanation

The Department of Safety, Division of State Police, was recently contacted by Jane Byers who would like to donate funds in the name of her late mother's foundation; Jean Dorsey K-9 Foundation. We recently were able to outfit eleven (11) of our eighteen (18) patrol canines with vests received through another donation; therefore, this donation would help outfit a couple of the remaining patrol canines. This donation would be an enormous asset to the Canine Unit and would better protect the investment of the dogs.
