His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Trails (Bureau) to take ownership of a 2005 Bombardier BR 120 Groomer (SN 933700039) with 1672.8 hours of use and a 2005 Mogul Master Drag 16-08 (SN 700550995), with a total value estimated between \$35-\$40,000, formerly owned by the Pemigewasset Snowmobile Club. No State funds are involved in this transfer of ownership.

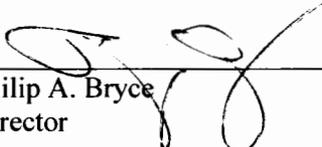

EXPLANATION

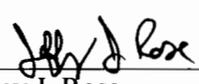

The Pemigewasset Snowmobile Club (Club) dissolved this summer and no longer exists as a non-profit club in New Hampshire. The letter from the Club notifying us of this dissolution also informed us of the physical location of the groomer and drag with instructions to pick it up. The Bureau's Grant-In-Aid (GIA) program originally funded a portion the grooming equipment's purchase. Under Administrative Rule Res 8404.04 Terms of Ownership, the Bureau retains certain rights in any equipment under a GIA lien and in the event that a club disbands without reforming, the Bureau has first option to purchase the equipment (for the non-GIA proportion of the value only). In this circumstance, the Club has relinquished ownership of the equipment altogether with no cost by the State to purchase. The Bureau intends to work with abutting clubs in the Bristol area to use this grooming equipment during the 2017/2018 winter season and then will determine the best permanent location of this equipment for the future.

Respectfully submitted,

Concurred,

(SR)
