REQUESTED ACTION

Authorize the Department of Environmental Services to reimburse Eugene Forbes, Burlington, VT (VC# 261259) for moving expenses associated with relocation from Burlington, Vermont to New Hampshire, in an amount not to exceed five thousand dollars (\$5,000.00), effective upon Governor and Council approval. 100% General Funds.

Funding is available in the account as follows.

FY 2015 \$ 5,000

Dept of Environmental Services, Pollution Control Program, Current Expenses

EXPLANATION

Under the Department of Administrative Services, Manual of Procedures, section Adm311.08 (dated March 1984) the policy is that "...moving expenses may be authorized by the governor and executive council, based on a recommendation from the appointing authority that the payment of such moving expenses is essential in order to recruit to professional positions." While recruiting for the position of Director of the Water Division, the Department of Environmental Services negotiated with Eugene Forbes with regard to payment of moving expenses required to move from his home in Burlington, Vermont to a new residence in New Hampshire. Mr. Forbes was subsequently appointed to the Director position with the understanding that reimbursement for moving expenses would be provided for up to a maximum of \$5,000.00.

In accordance with Section Adm311.08, Mr. Forbes was asked to obtain three estimates for moving from licensed movers as provided below:

Booska World Wide Moving & Storage - \$7,345.30 Action Moving & Storage - \$5,600.15 Chase – Allied Van Lines - \$10,018.08

Based on the estimates obtained, it is requested that reimbursement of moving expenses be approved up to a maximum amount of \$5,000.00

We respectfully request your approval.
