

The State of New Hampshire
Department of Environmental Services

Robert R. Scott, Commissioner

June 29, 2017

His Excellency, Governor Christopher Sununu
and the Honorable Council
State House
Concord, NH 03301

REQUESTED ACTION

Authorize the New Hampshire Department of Environmental Services (NHDES) to enter into a contract with The Rowley Agency, Inc., Concord, NH (Vendor #154464-B001) to purchase property insurance coverage for the Winnepesaukee River Basin Program (WRBP) for a total cost not to exceed \$37,041, effective as of September 1, 2017 through September 1, 2018, upon Governor and Council approval. 100% WRBP Funds.

Funding is available in the following account:

	<u>FY 2018</u>
03-44-44-442010-1300-020-500250	\$37,041.00
Dept. Environmental Services, Winnepesaukee River Basin, Current Expenses	

EXPLANATION

The WRBP is the state-owned sewer system serving parts of the New Hampshire Lakes Region. The WRBP wastewater collection and treatment facilities, which include a treatment plant in Franklin, thirteen pump stations, and a maintenance facility in Laconia, are operated by employees of NHDES on behalf of the communities benefiting from the facilities. A total of nearly \$70 million has been spent to construct these facilities and about \$5.6 million is spent each year to operate and maintain them. The purchase of insurance to protect these facilities is made under RSA 485-A:53.

The State's Risk Management Unit (RMU) coordinated with the WRBP to secure the similar coverage terms and conditions as in the previous fiscal year. Following the RMU's direction, the Rowley Agency arranged for this insurance purchase in accordance with its contract with the State for Producer Services for Property and Casualty Insurance.

The Rowley Agency made inquiries to six insurance markets to gauge their interest in providing insurance coverage for the WRBP. Only one insurance carrier, the incumbent insurer for the WRBP since 2003, responded with a proposal for insurance coverage. Three companies declined to quote due to the type of exposure and unfamiliarity with the class of business and they do not feel their underwriting guidelines or decision will change. Two companies declined to submit proposals in part because the rate offered by the Philadelphia Indemnity Insurance Company (Philadelphia) is extremely competitive and underpriced for the exposure. Philadelphia quoted \$37,041 for a one year premium including terrorism coverage.

His Excellency, Governor Christopher Sununu
and the Honorable Council

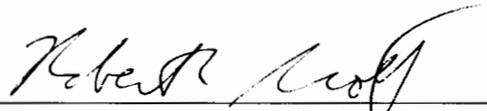

Page 2

The insurance agreement covers property, flood, earthquake, boiler and machinery, inland marine insurance, and terrorism insurance for the WRBP. The total contract price of \$37,041 includes the total annual premium. The quoted premium is void of agency fee or commission.

The Rowley Agency recommends that coverage be renewed as per the renewal terms with Philadelphia Insurance. The RMU agrees with the Rowley Agency's recommendation.

This contract has been approved by the Department of Justice as to form, substance and execution.

We respectfully request your approval.

Robert R. Scott, Commissioner

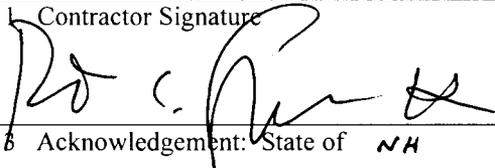

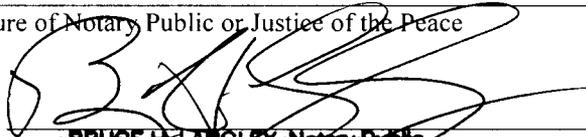

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
