

BEFORE THE
STATE OF NEW HAMPSHIRE
BALLOT LAW COMMISSION

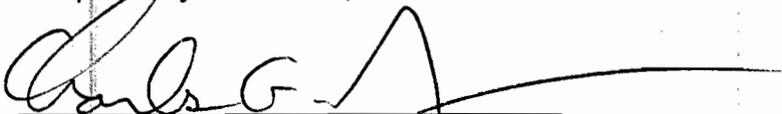

**PATRICIA KRUEGER'S REQUESTS FOR
FINDINGS OF FACT AND RULINGS OF LAW**

1. The ballots marked "spoiled" cannot be counted. RSA 659:22; Stearns v. O'Dowd, 78 N.H. 358, 62 (1917).
2. Ballots challenged by Krueger that did not follow the instructions to be filled in properly according to RSA 659:17-a are not to be counted.
3. The Candia straight GOP ballot with Alf written in is not a valid write-in as Alf is a puppet of a space alien, not a person. The GOP circle should control. See Murchie v. Clifford, 76 N.H. 99, 102-103 (1911).
4. Absentee ballots not properly signed or voided by the Moderator in Manchester Ward I cannot be counted for DeStefano. RSA 659:53.
5. Patricia Krueger won the Senate election on November 3, 1998.

Respectfully submitted,

DATED: November 23, 1998
