**EXPLANATION**

College for America at Southern New Hampshire University has partnered with the State of New Hampshire to provide state employees with low-cost, competency-based associate and bachelor degree programs. The employee is required to complete competency based projects to earn a Bachelor's Degree.

This employee was hired by the Department as a Program Assistant II on March 29, 2019. The employee will be pursuing a Bachelor of Arts in Management, with a concentration in Public Administration. Further development of the employee's communication skills and knowledge of management practices will build upon the employee's competency with respect to developing internal procedures to facilitate workflow for each program and preparing contracts to comply with state requirements. Successful completion of the program will add to the overall strength of the Department to perform its mission to the residents of New Hampshire.

The employee will be completing projects on her own personal time. A fully executed tuition agreement is attached.

Respectfully submitted,

  
Christopher Nicolopoulos, Esq.  
Commissioner

### EDUCATIONAL TUITION AGREEMENT

#### COLLEGE FOR AMERICA

AGREEMENT dated this 1st day of October 2020 by and through the New Hampshire Insurance Department (hereinafter referred to as the "State") and, Karen Belair (hereinafter referred to as the "Recipient")

The State and the Recipient do hereby mutually agree as follows:

1. The State shall pay "per approval by Governor and Council" to the College for America the sum \$999.00 which monies shall be used for the sole purpose of enrolling the Recipient in a program for 20 competencies to be earned within a 4 (four) month term being offered by College for America. The 4 month term shall commence on November 2, 2020 and will terminate on February 21, 2021
2. The Recipient shall complete assigned projects in the 4 month term listed in paragraph 1.
3. Recipients enrolled in College for America shall provide documentation supporting projects completed per 4 month term.
4. Should the Recipient fail to complete any project during the 4 month term in paragraph 1, the Recipient shall pay to the State the sum set forth in paragraph 1, within 60 days from the date the term was to terminate, provided, however, that if more than one project was completed during the 4 month term, listed in paragraph 1, the amount which shall be paid to the State shall be calculated on a pro rata basis.
5. Upon the satisfactory completion of the 4 month term named in paragraph 1, the Recipient shall continue in the employ of the State in his/her current position (or in such other position, at equal or greater compensation, to which he/she may be assigned) for the period of twelve (12) months.
6. Should the Recipient breach any of the conditions set forth in paragraphs 3 and 4, the Recipient shall pay to the State a sum equal to all monies previously paid by the State for the Recipient pursuant to this Agreement, provided, however, that the Recipient shall receive a credit for each month in which he/she is employed by the State subsequent to the date upon which the named course(s) are satisfactorily completed, the value of said credit to be calculated on a pro rata basis.

IN WITNESS WHEREOF the representatives of the State, in his/her official capacity only, and without personal liability, and the Recipient, have hereunto set their hand on the date first above written.

## REQUESTED ACTION

Authorize the New Hampshire Fish and Game Department to accept a donation pursuant to RSA 4:8 of a new video camera from Belknap County Conservation District, Laconia, NH valued at approximately \$5,000.00. This equipment, if approved, would be provided to the Public Affairs Video Unit to be utilized for the purpose of creating videos that educate and inform the public of the work being performed at the Fish and Game Department to support its mission.

## EXPLANATION

This camera was donated to the Fish and Game Department as part of a grant the Department is participating in to restore five native Eastern brook trout streams in New Hampshire's Lakes Region. The camera will be used to help produce a video which will explain the process and highlight the results from the work. The camera will then be utilized to help fulfill the mission of the Department to inform and educate the public about the State's fish, wildlife and marine resources.

The New Hampshire Fish and Game Commission voted to accept this donation at the August 12, 2020 Commission Meeting.

Respectfully Submitted,

Scott Mason  
 Executive Director

Kathy Ann LaBonte, Chief  
 Business Division

# ORGANIZATIONAL CHART

## New Hampshire Council on Responsible Gambling

The New Hampshire Council for Responsible Gambling (a non-profit public council) was recently created by RSA 338-B. For seven years prior, a private non-profit council under the name of the New Hampshire Council for Problem Gambling, engaged in the education and support of problem gamblers. In January of 2020, the Governor and Executive Council appointed the five members in the organizational chart above from the private council as members of the public council as they were the foremost experts in New Hampshire on this subject. Funding of the New Hampshire Council on Responsible Gambling is part of Chapter 338-B.

Our members faced many challenges in both maintaining the work done by the New Hampshire Council on Problem Gambling and now this newly-formed Council, including understanding how the Council works as administratively attached, yet separate from the New Hampshire Lottery Commission. The Council's progress was hampered by the unforeseen challenges wrought by the Covid-19 pandemic.

**Council Members**

Maura McCann, Concord	Effective: October 2, 2019	Term: October 2, 2020
Heather M. Gray, Derry	Effective: September 18, 2019	Term: September 18, 2022

Dorothea Duda, Nashua	Effective: September 18, 2019	Term: September 18, 2021
Edmond, Talbot, Madison	Effective: September 18, 2019	Term: September 18, 2021

All council members serve without compensation, except for mileage reimbursement (see below).

---

Budget:	\$250,000.00*
Expenses:	\$ 6,000.00 (staffing of the hotline, treatment referral)
	\$ 572.00 (email hosting)
	\$ 212.60 (mileage)

\*The New Hampshire Council on Responsible Gaming was sworn in January, 2020. At the quarterly meeting in early March 2020, the council approved an invoice for staffing of the 24/7 hotline, treatment referral, recovery and community support as well as mileage. A Request for Proposal was drafted to increase services for the upwards of 20,000 individuals in New Hampshire who have a gambling problem. The Covid-19 Pandemic struck which slowed our progress on finalizing the RFP for issuance.

**REPORT  
AND  
FINDINGS  
OF**

**MICHAEL J. CRYANS**, designee of the Governor and Council of The State of New Hampshire, under the provisions of the New Hampshire Health and Education Facilities Authority Act, Chapter 195-D of the New Hampshire Revised Statutes Annotated, on the undertaking by the Authority of a certain project in participation with **BREWSTER ACADEMY** of Wolfeboro, New Hampshire, pursuant to said Act.

**Introductory**

The New Hampshire Health and Education Facilities Authority (hereafter referred to as the “Authority”) requested of Governor Christopher T. Sununu and the Executive Council that a hearing be held pursuant to the New Hampshire Health and Education Facilities Authority Act, Chapter 195-D of the New Hampshire Revised Statutes Annotated (hereafter referred to as the “Act”), and particularly as prescribed in Section 21 of the Act. The hearing is required as the result of an application submitted to the Authority by Brewster Academy, a not-for-profit corporation formed under New Hampshire law and located in Wolfeboro, New Hampshire (hereafter referred to as “Brewster” or the “Academy”), which is a participating educational institution under RSA 195-D:3. Such application seeks the participation of the Authority, under the Act, in financing the construction, furnishing and equipping of certain facilities as well as the refinancing of certain of the Academy’s existing indebtedness (hereafter referred to as the “Project”).

Pursuant to RSA 195-D:21, the Governor and Council designated me to hold a hearing and make findings in connection with the application. Following Public Notice given in accordance with Chapter 91-A of the New Hampshire Revised Statutes Annotated, by notice published in the New Hampshire Union Leader on September 22, 2020, the hearing was held commencing at 9:00 a.m. on September 30, 2020 in the office of the Authority, One Capitol Street, Suite 200,

Concord, New Hampshire. In accordance with Governor Sununu’s Emergency Order #12 issued pursuant to Executive Order #2020-04, the meeting was open to the public through telephonic means. All witnesses were duly sworn. A summary of testimony presented at the hearing follows.

**Summary of Testimony**

Susan Harrington, the Chief Financial Officer of the Academy, was the first witness. She stated that Brewster Academy is an independent private school providing a college preparatory curriculum for students in grades 9-12 and post-graduates with approximately 360 students, 80% are typically boarding students, and 20% are day students. Ms. Harrington explained that Brewster Academy aspires to be the school of choice for a community of diverse and talented young men and women seeking a college preparatory experience predicated upon traditional values within an innovative, student-centered academic program that focuses on mastery learning of course content encompassing the arts, language and humanities, math, and sciences, coupled with a positive boarding and day student experience emphasizing the intellectual, physical, and social development of self.

Ms. Harrington testified that the Project involves a number of elements. The first involves the expenditure of approximately \$3 million for capital projects at the Academy including the construction and equipping of a new student performing arts center and student commons facility. She testified that, in addition to the capital projects portion of the Project, the Academy intends to refinance certain of its existing indebtedness, represented by the Series 2011 Bonds issued on the Academy’s behalf by the Authority, the proceeds of which were used for a variety of capital acquisitions and improvements as well as refinancing certain prior indebtedness.

Ms. Harrington explained that certain Series 2020 Bond proceeds will be used to pay the costs of issuing the Series 2020 Bonds and may be used to fund an interest rate termination

payment with respect to the Series 2011 Bonds. She testified that the principal amount of the Bonds to be issued is not expected to exceed \$19 million, that the Series 2020 Bonds are expected to be sold to a financial institution in a private placement with a final maturity of approximately 25 years.

Ms. Harrington confirmed that, under the Loan Agreement with the Authority, the Academy will be required to continue to carry blanket fire and extended coverage as well as general liability insurance.

Ms. Harrington testified that, in her view, the Project would be a public use and benefit and would permit the Academy to continue to render an appropriate level of service to its current and future students. Based upon her position as Chief Financial Officer, she stated her opinions that the Academy would be able to meet its financial obligations under the proposed bond issue and that the Academy is currently operating in a financially responsible manner. She concluded her testimony by explaining that the refinancing of existing indebtedness would assist the Academy in lowering the cost of providing education in the State and would be done in connection with the Project.

Bonnie Payette was the final witness called. She stated that she is the Executive Director of the New Hampshire Health and Education Facilities Authority, and oversees the administration of the Authority's day-to-day affairs. In her capacity as Executive Director she has become acquainted with the Project and the details of its financing, having worked with the Academy's officers in developing the financial arrangements to be reflected in the bonds proposed to be issued. She stated that the Authority voted to issue its Bonds for the Project, subject to compliance being had with all laws bearing upon such issue and the advice of counsel, including Bond Counsel. She

testified that the Authority adopted a Resolution on August 20, 2020, approving issuance of bonds for the Academy.

Ms. Payette testified that certain documents are being prepared for execution in connection with the issuance of the Bonds and the financing of the Project. She stated that there will be a provision in the bond documents under which the Academy is obligated to hold and use the Project for educational purposes so long as the Bonds are outstanding. She testified to the language in the bond documents which requires that each bond issued by the Authority for the Academy bear on its face the following provision:

Neither the State of New Hampshire nor any political subdivision thereof shall be obligated to pay the principal of or interest on this bond, other than from Pledged Revenues, and neither the faith and credit nor the taxing power of the State of New Hampshire or of any political subdivision thereof is pledged to the payment of the principal of or interest on this bond.

Ms. Payette testified that the bond documents will make adequate provision for the payment of principal and interest on the Bonds, as well as the costs of the Project, so that the State will not be obligated in any way for their repayment.

Ms. Payette concluded her testimony by stating that, based on her familiarity with the statute under which the Authority operates, on her experience as Executive Director of the Authority, and on the advice of counsel, including Bond Counsel, the Project is within the powers conferred by law upon the Authority.

## Findings

Upon the testimony submitted at the hearing, and upon consideration, I find as follows:

(1) The construction and acquisition of the Project, and the refinancing of existing indebtedness, as the same is described in such testimony, will enable and assist Brewster Academy (herein called the "Academy"), a not-for-profit institution for secondary education located in Wolfeboro, New Hampshire, to provide education within the State of New Hampshire (herein called the "State"); and

(2) The Project, including the refinancing of existing indebtedness, will be leased to, or owned by, the Academy, which is a financially responsible participating institution within the State; and

(3) Adequate provision has been, or will be, made for the payment of the cost of the construction and acquisition of the Project and the refinancing of existing indebtedness related thereto; and under no circumstances will the State be obligated, directly or indirectly, for the payment of the principal of, or interest on, any obligations issued to finance such construction and acquisition or to provide for the refinancing of existing indebtedness, or obligations to which such refinancing of existing indebtedness relates; and

(4) Adequate provision has been, or will be, made in any lease or mortgage of the Project to be undertaken or any property leased or mortgaged in connection with the issuance of bonds or notes for the payment of all costs of operation, maintenance and upkeep of the Project by the Academy so that under no circumstances will the State be obligated, directly or indirectly, for the payment of such costs; and

(5) Adequate provision has been made to obligate the Academy to hold and use the Project for educational purposes so long as the principal of and interest on bonds or other obligations issued by the New Hampshire Health and Education Facilities Authority (herein called the "Authority") to finance the cost of the Project, including any refunding bonds issued to refund and refinance such bonds, have not been fully paid and retired and all other conditions of the resolution or trust agreement authorizing and securing the same have not been satisfied and the lien of such resolution or trust agreement has not been released in accordance with the provisions thereof; and

(6) The construction and acquisition of the Project and the refinancing of existing indebtedness will be within the authority conferred by Chapter 195-D of the New Hampshire Revised Statutes Annotated upon the Authority; and

(7) The construction and acquisition of the Project serves a need presently not fulfilled in providing education within the State and is of public use and benefit; and

(8) The refinancing of existing indebtedness will assist the Academy in lowering the cost of providing education within the State and will be in connection with a project being provided by the Academy.

## RATIFICATION AND GOVERNOR'S APPROVAL

The Governor and Council hereby ratify, confirm, approve and adopt the findings set forth in the Report and Findings attached hereto made by Michael J. Cryans, the Designee of the Governor and Council to hold a hearing and make findings pursuant to Section 21 of the New Hampshire Health and Education Facilities Authority Act, Chapter 195-D of the New Hampshire Revised Statutes Annotated. The hearing was required and held as a result of an application submitted to the New Hampshire Health and Education Facilities Authority by Brewster Academy, a not-for-profit institution for secondary education located in Wolfeboro, New Hampshire. The hearing was held on September 30, 2020 at 9:00 a.m., following public notice, in the office of the Authority, One Capitol Street, Suite 200, Concord, New Hampshire.

The Governor's signature constitutes his approval under Section 147(f) of the Internal Revenue Code of 1986, as amended, of the issuance of the bonds described herein and as described in the Notice of Public Hearing published on September 22, 2020.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Your Excellency and Members of the Council:

**REQUESTED ACTION**

That approval be and hereby is given to the Attorney General to reappoint Joshua C. Harrison (Position #9U220, Appropriation #02-20-20-200510-2613-013-500132) as an Assistant Attorney General, at a salary level of \$70,000, effective upon Governor and Executive Council approval or October 23, 2020, whichever is later, for a term ending October 18, 2025.

**EXPLANATION**

Mr. Harrison is a Concord resident and a member of the New Hampshire Bar. He received his Bachelor of Arts degree from Susquehanna University in 2014 and Juris Doctor from the University of New Hampshire School of Law in 2017. While in law school, he was a legal intern at the New Hampshire Department of Justice, Civil Bureau, and a legal resident at the United States District Court for the District of New Hampshire. Mr. Harrison joined the Department of Justice in October 2017 as an Attorney in the Environmental Protection Bureau. He was appointed an Assistant Attorney General in October 2018. I plan to continue his assignment in the Environmental Protection Bureau. His salary will remain the same. A copy of his resume is attached.

RSA 94:1-a, I(c)(3) provides that designation of positions, salary levels, and salary increases for attorneys at the Department of Justice shall be determined by the Attorney General, subject to approval of the Governor and Council, within appropriations made to the Department of Justice.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council

**THE STATE OF NEW HAMPSHIRE**  
DEPARTMENT OF TRANSPORTATION

*William Cass, P.E.*  
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Right-of-Way  
September 10, 2020

**REQUESTED ACTION**

The Department of Transportation wishes to place this item on the Consent Calendar.

Authorize the Department of Transportation to amend an item approved on April 17, 2019 (item #44A). That item was previously amended by an approval on May 20, 2020 (item #5A), increasing the number of appraisal firms from eight to nine.

This request is for authorization for the addition of Donald S. Welinsky *dba* Appraisal and Advisory Consultants (Vendor #333113) of Marshfield, MA, to prepare appraisals for property needed for transportation projects, effective upon Governor and Council approval through April 17, 2024. The addition would increase the number of appraisal firms from nine to ten. No new funding is required.

**EXPLANATION**

The purpose of this request is to enter into contract with one additional appraisal firm to expand the pool of contracted appraisers in the Statewide Acquisition Program. A previously approved Governor and Council item authorized eight appraisal firms, for a total cost of \$1,500,000.00 dollars (approved by Governor and Council on April 17, 2019, item #44A). An amendment to that item was approved on May 20, 2020 (item #5A) to add one additional firm bringing the total of firms to nine.

This request will authorize one additional firm that has since expressed interest, expanding the scope of available firms to a total of ten firms that could be engaged on short notice to complete appraisal assignments associated with transportation improvement projects. This will not increase the monetary amount previously approved or the terms of the previously approved contracts.

The Department of Transportation utilizes contract appraisers as needed to complete appraisal assignments associated with property acquisitions for transportation projects. Appraisals are required to establish values for purchasing property and property rights affected by transportation improvements. In addition, a second appraisal is required for a property with an acquisition cost of over \$1,000,000 due to Federal requirements. Requests for second appraisals may also come from the Department's Review

Appraiser, the Governor and Council, or the Layout Commissions. Occasionally, due to lack of comparable sales data, there are requests for third appraisals.

Individual appraisal assignments are allocated through a low bid process as described below. The process allows the Department to respond quickly and efficiently to project schedules, as well as to the needs of affected property owners anxious to see resolution of individual property issues. The process has been in place for several years and has been successful.

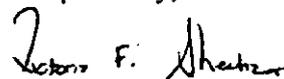

With Governor and Council approval, Appraisal and Advisory Consultants will serve in a pool of appraisers to provide appraisal services on an "as needed" basis. When an appraisal is required, the approved firms will be considered relative to the scope of the assignment, their capacity to perform in a timely fashion, quality of work, experience, and their overall suitability for the assignment. The firms thought to be best qualified for the assignment will be sent a copy of the scope of work and asked to submit a fee quotation. They will be informed of the required completion details and date, and the firm submitting the lowest fee quotation meeting the completion date will be notified to proceed. The selection process is in keeping with the Department's established procedures.

Should the Department require a second appraisal of a parcel previously awarded under this program, the assignment will be offered to the firm that previously submitted the second lowest quotation. If they are unable to accept, the third firm would be engaged. The contracting officer will be the final judge as to assignments and this will be on a case-by-case basis.

The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Authorization is respectfully requested to enter into contract with the additional firm listed above to complete appraisal assignments for the statewide acquisition program to expire April 17, 2024 as outlined above.

Respectfully,

Victoria F. Sheehan  
Commissioner

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80: through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United State access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

- 8.1.1 failure to perform the Services satisfactorily or on schedule;
- 8.1.2 failure to submit any report required hereunder; and/or
- 8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not

be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

#### 15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. **CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. **CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. **HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. **SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. **SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. **ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

EXHIBIT A

EXACT SERVICES REQUIRED BY THE CONTRACTOR (APPRAISER) ARE:

2.1. The Appraiser covenants and agrees to create and update written appraisal(s) of certain parcel(s) of property and in accordance with "The New Hampshire Department of Transportation Right-of-Way Manual, Appraisal Standards and Reports Section" on file with the Department of Transportation, ("NHDOT") and any amendments thereto, and made a part hereof. All appraisals shall meet the requirements of the New Hampshire Appraisal Board, the Uniform Appraisal Standards for Federal Land Acquisitions, and the Uniform Standards of Professional Appraisal Practice promulgated by The Appraisal Foundation. All appraisals will be submitted in both written and PDF format. The appraiser agrees to respond to any written review of their appraisal by the State's reviewer within 10 working days of receipt. The response will consist of a letter addressing each question asked by the State's reviewer, any corrected pages of the appraisal with the changes highlighted, plus the revised written appraisal.

2.2. The measure of damage to the condemnee(s) is to be estimated by the use of all applicable approaches to value necessary to support the final estimate of the appraiser in accordance with RSA 498-A and the approaches as set forth in the "Appraisal Standards and Reports", above referenced. The use of or the omission of any approach shall be justified as part of the Appraisal Report by the Appraiser. The Appraiser further covenants and agrees that the measure of damage to the condemnee(s) is to be determined by appraising the "Market Value" of the property and/or property interest(s) taken including improvements, if any, before the taking; and the "Market Value" of the remaining property, including improvements and/or property interest(s), if any, after the taking, in light of any environmental contamination, liens, leases, easements, or other encumbrances affecting the market value of the property in the before and after scenarios. The difference, if any, between the two values represents the measure of damages.

2.3. The Appraiser will, if required by the NHDOT, appear before any board or court to justify, testify, and defend their appraisal.

2.4. The Appraiser will refer to the NHDOT Contracting Officer or assignees of the NHDOT Contracting Officer all matters or questions of fact relative to or connected with the appraisal which give rise to dispute, dilemma or ambiguity and which are not clearly spelled out, described and determined by this contract or the standard practices of the profession; and the NHDOT Contracting Officer or assignee shall resolve the question or dispute by written instruction to the Appraiser.

2.5. The report(s) shall not include damages for items generally non-compensable under established State law. Requirements relative to consideration of benefits as outlined in the "Handbook for Highway Land Damage Commissions" revised February 18, 1964, prepared by the Office of the Attorney General, shall be followed. A copy is available for inspection at NHDOT ROW Section.

EXHIBIT A (CONT'D)

2.6. The Appraiser will neither perform any appraisal service, nor assist in the same, for the owner of any land or interest therein which has been in any way affected pecuniarily by this project, without prior approval of the NHDOT. This prohibition shall remain in effect until final disposition of all claims arising from the project.

2.7. Appraisal assignment, title, date signed by, are hereby incorporated herein. The policy is available for inspection at NHDOT ROW Section.

2.8. NHDOT fee appraiser selection procedures are hereby incorporated herein. The policy is available for inspection at NHDOT ROW Section.

## EXHIBIT B

### METHOD AND AMOUNT OF PAYMENT:

5.1.1. The NHDOT agrees to pay the Appraiser the quoted and accepted appraisal fee in accordance with the terms of the appraisal assignment. The Appraiser agrees to receive said sum as full compensation for furnishing all materials and labor which may be required in the preparation of the appraisal under this Contract and the attachments hereto. Payment is to be made by the State on the following basis for all contracts:

(a) Fifty (50%) percent of the quoted fee for each appraisal report upon the delivery of an acceptable appraisal and submission of a bill for the total amount. At the NHDOT's

discretion, unacceptable appraisal reports may be returned and no individual payment made until the appraisal report is re-submitted in an acceptable form.

(b) Fifty (50%) percent of the total following review and acceptance by the State Reviewer and concurrence in the acceptance of an adequately documented appraisal report by the U. S. Department of Transportation, or within sixty (60) days after completion of State Review, whichever is sooner.

(c) For each appraisal report which is late, the appraiser will be assessed a penalty of twenty-five (25%) percent of the approved day rate for each work day beyond the agreed upon appraisal completion date until the appraisal report is received.

(d) For appraisal review responses which are late, the appraiser will be assessed a penalty of twenty-five (25%) percent of the approved day rate for each workday beyond the calculated appraisal review response completion date. This date, to be determined by the Chief Right-of-Way Appraiser and identified in each appraisal review sent to the Appraiser, is established in accordance with the Appraisal Report Requirements identified in Exhibit A paragraph (1) of this Contract.

5.1.2. The NHDOT agrees to pay the Appraiser for all expenses incurred for each day or part of a day (\*) that the Appraiser spends at a hearing, pre-trial conference, trial or drafting appraisal update called for by the Attorney General's Office. For any appraisal update that is not completed and submitted within sixty (60) days of when it is requested by the Attorney General's Office, the Appraiser shall be assessed a penalty of twenty-five (25%) percent of the approved day rate for each work day the update is late.

The NHDOT and the Appraiser mutually agree that in case there may be major changes in the scope or character of the work to be performed under this contract, such changes shall be made in the individual amounts as stated under the "Schedule of Appraisals" by negotiated increases or decreases in said amounts. Or if work is added, such additional amounts as may be required shall be determined by negotiation and payment made at the agreed upon amounts.

(\*) day or part of day shall include the duration of a hearing, pre-trial conference or trial day.

EXHIBIT B (CONT'D.)

I do hereby agree to submit to the NHDOT complete appraisal reports in accordance with the "Appraisal Standards and Reports", for the following parcels of property for the individual amounts as indicated:

THIS CONTRACT IS FOR THE PREPARATION OF APPRAISAL REPORTS AND RELATED EFFORTS WITHIN THE TIME FRAME SPECIFIED FOR INDIVIDUAL ASSIGNMENTS.

**EXHIBIT C**

**SPECIAL PROVISIONS**

**AMEND TO READ:**

12. Notwithstanding the provisions of paragraph 12. of the P37 the Contractor may hire a subcontractor to perform services under this contract with the prior written consent of the state including persons who have contractual agreements with the State.
- 14.1.1 Commercial or comprehensive general liability insurance against all claims of bodily injury, death or property damage, in policy amounts of not less than \$250,000 per claim and \$1,000,000 per aggregate; (State to be named as an additional insured); and
- 14.1.2 Comprehensive automobile liability insurance covering all motor vehicles, including owned, hired, borrowed and non-owned vehicles, for all claims of bodily injury, death or property damage, in policy amounts of not less than \$100,000 combined single limit; and
- 14.1.3 Professional liability (errors and omissions) insurance coverage of not less than \$500,000 per occurrence and \$500,000 per aggregate. If coverage is claims made, the period to report claims shall extend for not less than three years from the date of substantial completion of the construction contract. No retention (deductible) shall be more than \$25,000; and
- 14.1.4 Workers' compensation and employer's liability insurance as required by law.

THE STATE OF NEW HAMPSHIRE  
DEPARTMENT OF TRANSPORTATION

William Cass, P.E.  
Assistant Commissioner

Jan.  
5A

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Right-of-Way  
April 14, 2020

**REQUESTED ACTION**

The Department of Transportation wishes to place this item on the Consent Calendar.

Authorize the Department of Transportation to amend an item approved on April 17, 2019, item #44A, by increasing the number of appraisal firms from eight to nine with the addition of Marsha M. Campaniello dba MMC Appraisal Services (Vendor #317195) of Concord, NH, to prepare appraisals for property needed for transportation projects effective upon Governor and Council approval through April 17, 2024. No new funding is required.

**EXPLANATION**

The purpose of this request is to enter into contract with one additional appraisal firm to expand the pool of contracted appraisers in the Statewide Acquisition Program. A previously approved Governor and Council item authorized eight appraisal firms, for a total cost of \$1,500,000.00 dollars (approved by Governor and Council on April 17, 2019, item #44A). This request will authorize one additional firm that has since expressed interest, expanding the scope of available firms to a total of nine firms that could be engaged on short notice to complete appraisal assignments associated with transportation improvement projects. This will not increase the monetary amount previously approved or the terms of the previously approved contracts.

The Department of Transportation utilizes contract appraisers as needed to complete appraisal assignments associated with property acquisitions for transportation projects. Appraisals are typically required to establish values for purchasing property and property rights affected by transportation improvements. In addition, a second appraisal is required for a property with an acquisition cost of over \$1,000,000 due to Federal requirements. Requests for second appraisals may also come from the Department's Review Appraiser, the Governor and Council, or the Layout Commissions. Occasionally, due to lack of comparable sales data, there are requests for third appraisals.

Individual approval assignments are allocated through a low bid process as described below. The process allows the Department to respond quickly and efficiently to project schedules, as well as to the needs of affected property owners anxious to see resolution of individual property issues. The process has been in place for several years and has been successful.

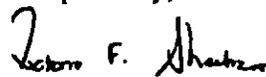

With Governor and Council approval, MMC Appraisal Services will serve in a pool of appraisers to provide appraisal services on an "as needed" basis. When an appraisal is required, the approved firms will be considered relative to the scope of the assignment, their capacity to perform in a timely fashion, quality of work, experience, and their overall suitability for the assignment. The firms thought to be best qualified for the assignment will be contacted and asked for a fee quotation. They will be informed of the required completion details and date, and the firm submitting the lowest fee quotation meeting the completion date will be notified to proceed. The selection process is in keeping with the Department's established procedures.

Should the Department require a second appraisal of a parcel previously awarded under this program, the assignment will be offered to the firm that previously submitted the second lowest quotation. If they are unable to accept, the third firm would be engaged. The contracting officer will be the final judge as to assignments and this will be on a case-by-case basis.

The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Authorization is respectfully requested to enter into contract with the additional firm listed above to complete appraisal assignments for the statewide acquisition program to expire April 17, 2024 as outlined above.

Respectfully,

Victoria F. Sheehan  
Commissioner

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not

Contractor Initials: MMC  
Date: 9/1/2020

be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

#### 15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United State Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. CHOICE OF LAW AND FORUM. This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. CONFLICTING TERMS. In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## EXHIBIT A

### ACT SERVICES REQUIRED BY THE CONTRACTOR (APPRAISER) ARE:

- 2.1. The Appraiser covenants and agrees to create and update written appraisal(s) of certain parcel(s) of property and in accordance with "The New Hampshire Department of Transportation Right-of-Way Manual, Appraisal Standards and Reports Section" on file with the Department of Transportation, ("NHDOT") and any amendments thereto, and made a part hereof. All appraisals shall meet the requirements of the New Hampshire Appraisal Board, the Uniform Appraisal Standards for Federal Land Acquisitions, and the Uniform Standards of Professional Appraisal Practice promulgated by The Appraisal Foundation. All appraisals will be submitted in both written and PDF format. The appraiser agrees to respond to any written review of their appraisal by the State's reviewer within 10 working days of receipt. The response will consist of a letter addressing each question asked by the State's reviewer, any corrected pages of the appraisal with the changes highlighted, plus the revised written appraisal.
- 2.2. The measure of damage to the condemnee(s) is to be estimated by the use of all applicable approaches to value necessary to support the final estimate of the appraiser in accordance with RSA 498-A and the approaches as set forth in the "Appraisal Standards and Reports", above referenced. The use of or the omission of any approach shall be justified as part of the Appraisal Report by the Appraiser. The Appraiser further covenants and agrees that the measure of damage to the condemnee(s) is to be determined by appraising the "Market Value" of the property and/or property interest(s) taken including improvements, if any, before the taking; and the "Market Value" of the remaining property, including improvements and/or property interest(s), if any, after the taking, in light of any environmental contamination, liens, encumbrances, easements, or other encumbrances affecting the market value of the property in the before and after scenarios. The difference, if any, between the two values represents the measure of damages.
- 2.3. The Appraiser will, if required by the NHDOT, appear before any board or court to justify, testify, and defend their appraisal.
- 2.4. The Appraiser will refer to the NHDOT Contracting Officer or assignees of the NHDOT Contracting Officer all matters or questions of fact relative to or connected with the appraisal which give rise to dispute, dilemma or ambiguity and which are not clearly spelled out, described and determined by this contract or the standard practices of the profession; and the NHDOT Contracting Officer or assignee shall resolve the question or dispute by written instruction to the Appraiser.
- 2.5. The report(s) shall not include damages for items generally non-compensable under established State law. Requirements relative to consideration of benefits as outlined in the "Handbook for Highway Land Damage Commissions" revised February 18, 1964, prepared by the Office of the Attorney General, shall be followed. A copy is available for inspection at NHDOT ROW Section.

2.6. The Appraiser will neither perform any appraisal service, nor assist in the same, for the owner of any land or interest therein which has been in any way affected pecuniarily by this project, without prior approval of the NHDOT. This prohibition shall remain in effect until final disposition of all claims arising from the project.

2.7. Appraisal assignment, title, date signed by, are hereby incorporated herein. The policy is available for inspection at NHDOT ROW Section.

2.8. NHDOT fee appraiser selection procedures are hereby incorporated herein. The policy is available for inspection at NHDOT ROW Section.

**EXHIBIT B**

**METHOD AND AMOUNT OF PAYMENT:**

5.1.1. The NHDOT agrees to pay the Appraiser the quoted and accepted appraisal fee in accordance with the terms of the appraisal assignment. The Appraiser agrees to receive said sum as full compensation for furnishing all materials and labor which may be required in the preparation of the appraisal under this Contract and the attachments hereto. Payment is to be made by the State on the following basis for all contracts:

(a) Fifty (50%) percent of the quoted fee for each appraisal report upon the delivery of an acceptable appraisal and submission of a bill for the total amount. At the NHDOT's discretion, unacceptable appraisal reports may be returned and no individual payment made until the appraisal report is re-submitted in an acceptable form.

(b) Fifty (50%) percent of the total following review and acceptance by the State Reviewer and concurrence in the acceptance of an adequately documented appraisal report by the U. S. Department of Transportation, or within sixty (60) days after completion of State Review, whichever is sooner.

(c) For each appraisal report which is late, the appraiser will be assessed a penalty of twenty-five (25%) percent of the approved day rate for each work day beyond the agreed upon appraisal completion date until the appraisal report is received.

(d) For appraisal review responses which are late, the appraiser will be assessed a penalty of twenty-five (25%) percent of the approved day rate for each workday beyond the calculated appraisal review response completion date. This date, to be determined by the Chief Right-of-Way Appraiser and identified in each appraisal review sent to the Appraiser, is established in accordance with the Appraisal Report Requirements identified in Exhibit A paragraph (1) of this Contract.

5.1.2. The NHDOT agrees to pay the Appraiser for all expenses incurred for each day or part of a day (\*) that the Appraiser spends at a hearing, pre-trial conference, trial or drafting appraisal update called for by the Attorney General's Office. For any appraisal update that is not completed and submitted within sixty (60) days of when it is

requested by the Attorney General's Office, the Appraiser shall be assessed a penalty of twenty-five (25%) percent of the approved day rate for each work day the update is late.

The NHDOT and the Appraiser mutually agree that in case there may be major changes in the scope or character of the work to be performed under this contract, such changes shall be made in the individual amounts as stated under the "Schedule of Appraisals" by negotiated increases or decreases in said amounts. Or if work is added, such additional amounts as may be required shall be determined by negotiation and payment made at the agreed upon amounts.

(\*) day or part of day shall include the duration of a hearing, pre-trial conference or trial day.

**EXHIBIT B (CONT'D.)**

(I)/(WE) do hereby agree to submit to the NHDOT complete appraisal reports in accordance with the "Appraisal Standards and Reports", for the following parcels of property for the individual amounts as indicated:

**SCHEDULE OF APPRAISALS**

THIS CONTRACT IS FOR THE PREPARATION OF APPRAISAL REPORTS AND RELATED EFFORTS WITHIN THE TIME FRAME SPECIFIED FOR INDIVIDUAL ASSIGNMENTS.

**EXHIBIT C**

**SPECIAL PROVISIONS**

**AMEND TO READ:**

12. Notwithstanding the provisions of paragraph 12. of the P37 the Contractor may hire a subcontractor to perform services under this contract with the prior written consent of the state including persons who have contractual agreements with the State.
- 14.1.1 Commercial or comprehensive general liability insurance against all claims of bodily injury, death or property damage, in policy amounts of not less than \$250,000 per claim and \$1,000,000 per aggregate; (State to be named as an additional insured); and
- 14.1.2 Comprehensive automobile liability insurance covering all motor vehicles, including owned, hired, borrowed and non-owned vehicles, for all claims of bodily injury, death or property damage, in policy amounts of not less than \$100,000 combined single limit; and
- 14.1.3 Professional liability (errors and omissions) insurance coverage of not less than \$500,000 per occurrence and \$500,000 per aggregate. If coverage is claims made, the period to report claims shall extend for not less than three years from the date of substantial completion of the construction contract. No retention (deductible) shall be more than \$25,000; and
- 14.1.4 Workers' compensation and employer's liability insurance as required by law.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

## ADDITIONAL INSURED – DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

### BUSINESS LIABILITY COVERAGE FORM

Except as otherwise stated in this endorsement, the terms and conditions of the Policy apply.

#### A. The following is added to Section C. WHO IS AN INSURED:

##### Designated Person Or Organization

- a. The person(s) or organization(s) shown in the Declarations as Additional Insured – Designated Person Or Organization is also an additional insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:
  - (1) In the performance of your ongoing operations; or
  - (2) In connection with your premises owned by or rented to you.
- b. If coverage provided to these additional insureds is required by a written contract or written agreement, or when required by a written permit issued by a state or governmental agency or subdivision or political subdivision, the insurance afforded to these additional insureds will not be broader than that which you are required by the contract, agreement, or permit to provide for these additional insureds.
- c. The insurance afforded to these additional insureds only applies to the extent permitted by law.

#### B. With respect to the insurance afforded such additional insured(s) by this endorsement, the following additional exclusion is added to Section B. EXCLUSIONS:

This insurance does not apply to "bodily injury" or "property damage" included within the "products-completed operations hazard".

Re: Marsha M. Campaniello  
DBA MMC Appraisal Services

Dear Paul,

Please accept this as my letter of interest in becoming a vendor for the State of New Hampshire in my capacity as a real estate appraiser under the name MMC Appraisal Services.

Per your request, I am sending to you via email the following documents:

- Secretary of State - Certificate of Good Standing
- Comprehensive General Liability Policy - Declaration showing State of NH as additional insured
- Current declaration page for automobile insurance
- Homeowner's insurance policy showing Workmen's Comp endorsement
  - Although, it is my understanding that, as a sole proprietor, the Workmen's Comp insurance is not required
- Professional Liability (E&O) declaration
- Sole Proprietor letter re: waiver of vote

In addition, following are statements in fulfillment of information requirements:

1. "I am not currently under suspension, debarment, voluntary exclusion or determination of ineligibility by any Federal Agency. I have not been suspended, debarred, voluntarily excluded or determined ineligible by any Federal Agency within the last three (3) years. Neither do I have a proposed debarment pending, and have not been indicted, convicted, or have had a civil judgement rendered against me by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years." My signature below serves as my attestation to this statement.
-

2. Per diem rate for Marsha M. Campaniello is \$1,600.

Please let me know if there are any questions or concerns.

I look forward to receiving a signed contract with the State.

Regards,

Marsha Campaniello

**REQUESTED ACTION**

The New Hampshire Department of Transportation requests authorization to enter into contracts with eight appraisal firms to prepare appraisals for property needed for transportation projects, for a total contract cost not to exceed \$1,500,000.00 over a period of five years. The contracts will become effective from the date of Governor and Council approval through April 17, 2024. Proposed funding is 91.7% Federal Funds, 7.3% Turnpike Funds, 1.0% Highway Funds.

These contracts will be funded from monies allocated to specific transportation projects from one of the accounts indicated below.

Funding is available as follows for FY 2019 and is contingent upon the availability and continued appropriation of FY 2020 through FY 2024, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

	<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>	<u>2023</u>	<u>2024</u>

## EXPLANATION

The purpose of this request is the authorization of the Department of Transportation entrance into contracts with eight appraisal firms to be available to complete appraisal assignments associated with property acquisitions needed for transportation projects. Appraisals are typically required to establish values for purchasing property and property rights affected by transportation improvements. In addition, second appraisals are needed for properties with an acquisition cost of over \$1,000,000.00 due to Federal requirements. Requests for second appraisals may also come from the Department's Review Appraiser, the Governor and Council or the Highway Layout Commissions. Occasionally, due to the lack of comparable sales data, there are requests for third appraisals.

If contract approval of the firms proposed is forthcoming, individual approval assignments will be allocated through a low bid process as described below. The process allows the Department to respond quickly and efficiently to project schedules, as well as to the needs of affected property owners who are usually anxious to see the resolution of individual property issues. The process has been in place for the past fifteen years and has worked well.

The Department solicited proposals for this contract on November 16, 2018 and eight firms indicated an interest in this program, and submitted information regarding their experience and qualifications. The Bureau's Pre-Qualification Committee reviewed the information and recommended the eight firms to be participants: They are:

- Bergeron Commercial Appraisal Co. of Portsmouth, New Hampshire  
Vendor #150493
- Capital Appraisal Associates, Inc. of Concord, New Hampshire  
Vendor #156083
- Colliers International Valuation and Advisory Services, LLC of Boston, MA  
Vendor #265746
- Frembeau Appraisal, Inc. of Manchester, New Hampshire  
Vendor #156812
- J. Chet Rogers, LLC of Hollis, New Hampshire  
Vendor #259227
- Leidinger Appraisals of Canterbury, New Hampshire  
Vendor #160125
- McManus & Nault Appraisal Co, Inc. of Bow, New Hampshire  
Vendor #164307
- Shurtliff Appraisal Assoc., Inc. of Hampstead, New Hampshire  
Vendor #155924

With Governor and Council approval, these eight firms will serve as a pool of appraisers to provide appraisal services on an as-needed basis. When an appraisal is required, the firms listed above will be reviewed relative to the scope of the assignment, their capacity to perform in a timely fashion, quality of work, experience, and their overall suitability for the assignment. The firms felt to be best qualified for the assignment will be contacted and asked for a fee quotation. They will be informed of the required completion details and date, and the firm submitting the lowest fee quotation meeting the completion date will be notified to proceed. The selection process is in keeping with the Department's established procedures.

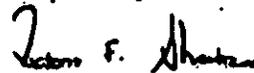

Should the Department require a second appraisal of a parcel for which appraisal services were previously utilized under this program, the assignment will be offered to the firm that previously submitted the second lowest quotation. If they are unable to accept, the third firm would be engaged.

For the Federal Funds portion, funding is 80% Federal Funds with 20% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% Federal Funds.

The agreements were approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contracts are on file at the Secretary of State's Office and the Department of Administrative Services. Subsequent to Governor and Council approval, the contracts will be on file at the Department of Transportation.

Authorization is respectfully requested to enter into multi-vendor appraisal contracts with the proposed eight appraisal firms listed above.

Respectfully,

Victoria F. Sheehan  
Commissioner

**2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED:** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.8, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses; of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

## 9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulas, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. **TERMINATION.** In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. **ASSIGNMENT/DELEGATION/SUBCONTRACTS.** The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. **INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

## 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9; or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**17. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**18. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

**19. CONSTRUCTION OF AGREEMENT AND TERMS.**

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

**REQUESTED ACTION**

The Department of Transportation requests placing this item on the Consent Calendar.

Authorize the Department of Transportation to enter into a contract amendment with the New England Central Railroad, Inc. (NECR), Vendor 160565, Rochester, New York, to amend the completion date from October 31, 2020 to January 31, 2021 for the use of the state-owned Northern Railroad Line in Lebanon, NH for freight railroad service. This amendment is effective November 1, 2020, with Governor and Executive Council approval, through January 31, 2021. The original operating agreement was approved by Governor and Council on December 9, 2009 (Item 161) and amended by Governor and Council on April 8, 2020 (Item 21).

Income from the agreement will be credited as follows:

**EXPLANATION**

On December 9, 2009 the Governor and Council approved an Operating Agreement between the Department of Transportation and the Claremont Concord Railroad Corp. to provide rail freight service on the active portion of the state-owned Northern Railroad Line connecting Lebanon to White River Junction, Vermont for the period of May 1, 2010 through April 30, 2020. On September 8, 2015 the Department of Transportation consented to an assignment of the 2010 Operating Agreement from the Claremont Concord Railroad Corporation to the New England Central Railroad, Inc. (NECR) as the NECR acquired the Claremont Concord Railroad.

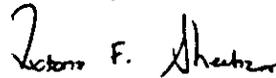

Pursuant to Section 1.15 of the current Operating Agreement, NECR notified the Department on April 30, 2019 that it wished to renew its operating agreement. The Department and NECR began active negotiations for the terms of a new 10-year Operating Agreement and requested additional time; a 6-month extension, Amendment #1, was approved by Governor and Council, as Item 121, on April 8, 2020. While negotiations have continued, an additional three (3) months is required to finalize the terms of a new 10-year Operating Agreement. As the railroad line is active, this Amendment allows NECR

and its shippers to continue to use the line for delivery and transloading of bulk cement, salt, fuel, and other products while negotiations conclude.

This Amendment has been reviewed and approved by the Office of the Attorney General for form and execution. Copies of the fully executed Amendment have been provided to the Secretary of State's Office and the Department of Administrative Services. Subsequent to the Governor and Council approval, a copy of the Amendment will be on file with the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

## AMENDMENT #2 TO OPERATING AGREEMENT

This AMENDMENT TO THE OPERATING AGREEMENT ("Amendment") is entered into this 24<sup>th</sup> day of September, 2020, by and between the State of New Hampshire, acting by and through the New Hampshire Department of Transportation, Bureau of Rail and Transit, PO Box 483, Concord, NH 03302-0483, (hereinafter referred to as "State") and New England Central Railroad, Inc., 400 Meridian Centre, Suite 330, Rochester, NY, 14618, (hereinafter referred to as "the Contractor"), collectively referred to as ("the Parties").

WHEREAS, the State and the Contractor, pursuant to an Assignment dated September 9, 2015, are parties to the Operating Agreement between the State and Claremont Concord Railroad Corporation dated May 1, 2010, approved by the New Hampshire Governor and Executive Council of New Hampshire on December 9, 2009 and as amended by the Parties on April 4, 2020 ("Operating Agreement");

WHEREAS, pursuant to the Operating Agreement, the Contractor provides service on the Northern Railroad Line, as more particularly described in Section 2.1 of the Operating Agreement;

WHEREAS, pursuant to Section 1.1.1(k), the Completion Date of the Operating Agreement is October 31, 2020;

WHEREAS, pursuant to Section 1.3.1, the Parties are negotiating for a new operating agreement, but will not be able to finalize a new agreement and seek approval of the Governor and Council of New Hampshire before the current Operating Agreement expires on October 31, 2020; and

WHEREAS, the Parties desire for the Contractor to continue its use and operation of the Northern Railroad Line pursuant to the terms of the current Operating Agreement during negotiations.

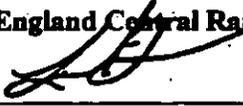

NOW THEREFORE, the Parties agree to amend the Operating Agreement as follows:

1. Section 1.1.1(k) of the Operating Agreement shall be amended to extend the Completion Date of October 31, 2020 for an additional three (3) months. The amended Completion Date shall be January 31, 2021. The Operating Agreement shall terminate on January 31, 2021, unless terminated sooner in accordance with Section 1.7 or Section 1.8 of the Operating Agreement.
2. If the Parties enter into a new operating agreement on or before January 31, 2021, the current Operating Agreement shall automatically terminate upon the effective date of the new agreement.
3. If the Parties cannot agree upon a new agreement by January 31, 2021, the State shall have no further obligations for renewal of the Operating Agreement with the Contractor.

4. The Parties agree that all other provisions of the Operating Agreement not amended herein shall remain in full force and effect.
5. This Amendment and all obligations of the parties hereunder shall become effective upon approval by the New Hampshire Governor and Executive Council.

IN WITNESS WHEREOF, the Parties hereto have set their hands the date first-written above.

**WRITTEN CONSENT OF DIRECTORS  
IN LIEU OF A MEETING**

**SEPTEMBER 24, 2020**

THE UNDERSIGNED, being all the members of the Board of Directors (the "Board") of New England Central Railroad, Inc., a Delaware corporation (the "Corporation"), do hereby adopt the following resolutions by written consent without a meeting, with full force and effect as if adopted by the unanimous affirmative vote of the Board at a duly called and constituted meeting:

Approval of Amendment to Extend Operating Agreement

RESOLVED, that the Board believes that it is advisable, desirable and in the best interests of the Corporation that the Corporation execute the amendment (the "Transaction Documents") extending the term of the Operating Agreement between the State of New Hampshire (the "State") and Claremont Concord Railroad Corporation dated May 1, 2010, approved by the New Hampshire Governor and Executive Council of New Hampshire on December 9, 2009 and assigned to the Corporation on or about September 9, 2015 (the "Operating Agreement") with consent of the State and perform the transactions contemplated thereby;

RESOLVED, that the Corporation is hereby authorized to enter into the Transaction Documents and the President, any Vice President, the Treasurer or Assistant Treasurer and the Secretary or Assistant Secretary of the Corporation (the "Authorized Officers") are hereby authorized and directed, in the name and on behalf of the Corporation, to execute and deliver to the State the Transaction Documents substantially in the form presented to the Board, and any agreement and/or instrument related thereto, referred to therein, identified as ancillary thereto or contemplated to be executed and delivered in connection therewith, with such changes therein as such Authorized Officers executing any such Transaction Document shall approve, such approval to be conclusively evidenced by such Authorized Officer's execution thereof;

General Authorization

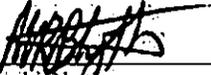

RESOLVED, that the Authorized Officers are hereby authorized to take or cause to be taken in the name and on behalf of the Corporation any and all such actions in addition to those specifically referred to in the foregoing resolutions, including, without limitation, paying fees and expenses, making use of the Corporation's credit resources and executing, delivering or filing all such other documents, instruments, agreements, schedules, reports or statements as they or any of them shall deem to be necessary or advisable in order to carry out the purpose and intent of each of the foregoing resolutions and to consummate the transactions contemplated thereby; and

RESOLVED, that any acts of the Authorized Officers and any of the person or persons designated and authorized to act by an Authorized Officer, which acts would have been authorized by the foregoing resolutions except that such acts were taken prior to the adoption of such resolutions, are hereby severally ratified, confirmed, approved and adopted as acts in the name and on behalf of the Corporation.

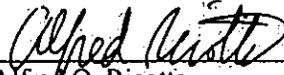

This written consent may be executed in two or more counterparts, each of which, when so executed, shall be deemed an original, and such counterparts together shall constitute but one and the same instrument.

IN LIEU OF A MEETING**

**MARCH 19, 2020**

THE UNDERSIGNED, being all the members of the Board of Directors (the "Board") of New England Central Railroad, Inc., a Delaware corporation (the "Corporation"), do hereby adopt the following resolutions by written consent without a meeting, with full force and effect as if adopted by the unanimous affirmative vote of the Board at a duly called and constituted meeting:

Approval of Amendment to Extend Operating Agreement

RESOLVED, that the Board believes that it is advisable, desirable and in the best interests of the Corporation that the Corporation execute the amendment (the "Transaction Documents") extending the term of the Operating Agreement between the State of New Hampshire (the "State") and Claremont Concord Railroad Corporation dated May 1, 2010, approved by the New Hampshire Governor and Executive Council of New Hampshire on December 9, 2009 and assigned to the Corporation on or about September 9, 2015 with consent of the State and perform the transactions contemplated thereby;

RESOLVED, that the Corporation is hereby authorized to enter into the Transaction Documents and the President, any Vice President, the Treasurer or Assistant Treasurer and the Secretary or Assistant Secretary of the Corporation (the "Authorized Officers") are hereby authorized and directed, in the name and on behalf of the Corporation, to execute and deliver to the State the Transaction Documents substantially in the form presented to the Board, and any agreement and/or instrument related thereto, referred to therein, identified as ancillary thereto or contemplated to be executed and delivered in connection therewith, with such changes therein as such Authorized Officers executing any such Transaction Document shall approve, such approval to be conclusively evidenced by such Authorized Officer's execution thereof;

General Authorization

RESOLVED, that the Authorized Officers are hereby authorized to take or cause to be taken in the name and on behalf of the Corporation any and all such actions in addition to those specifically referred to in the foregoing resolutions, including, without limitation, paying fees and expenses, making use of the Corporation's credit resources and executing, delivering or filing all such other documents, instruments, agreements, schedules, reports or statements as they or any of them shall deem to be necessary or advisable in order to carry out the purpose and intent of each of the foregoing resolutions and to consummate the transactions contemplated thereby; and

RESOLVED, that any acts of the Authorized Officers and any of the person or persons designated and authorized to act by an Authorized Officer, which acts would have been authorized by the foregoing resolutions except that such acts were taken prior to the adoption of such resolutions, are hereby severally ratified, confirmed, approved and adopted as acts in the name and on behalf of the Corporation.

CONSENT TO ASSIGNMENT OF AGREEMENT

This Consent to Assignment of the "Operating Agreement on the State-Owned Portions of the Northern Railroad Line" herein referred to as "Operating Agreement", is made as of the 8<sup>th</sup> day of September, 2015. Reference is made to the Operating Agreement from the State of New Hampshire, Department of Transportation ("Department") to the Claremont Concord Railroad Corporation, 197 Dock Street, Schuylkill Haven, PA, 17972. The term of the Operating Agreement commenced on May 1, 2010 and expires April 30, 2020. Per the terms of the Operating Agreement, an additional term of 10 years may be negotiated with the Department.

The Department hereby consents to an assignment of the Operating Agreement from the Claremont Concord Railroad Corporation to New England Central Railroad, Inc., 400 Meridian Centre, Suite 330, Rochester, NY, 14618 ("NECR"). By acceptance of the assignment of the Operating Agreement the NECR agrees to be bound by the terms and conditions of the Agreement. Acceptance of these terms was also affirmed in the "Assignment and Assumption Agreement" signed by the Claremont Concord Railroad Corporation and New England Central Railroad, Inc. and subsequently submitted to the Department.

The Department acknowledges that to the best of its knowledge and belief that the Claremont-Concord Railroad is not in default of any of its obligations under the Operating Agreement and that the Operating Agreement, as affected by this Consent and the assignment, has not been altered or amended and remains in full force and effect and may only be amended in accordance with the terms set forth within it.

Executed as an instrument under seal as of the date first above written.

## ARTICLE I - GENERAL CONDITIONS

### 1.1 DEFINITIONS

1.1.1 As used herein, the following terms have the meanings indicated:

- a. "Contractor" - Claremont Concord Railroad Corp., 197 Dock Street, Schuylkill Haven, PA 17972.
- b. "State" - means the State of New Hampshire.
- c. "FRA" means the Federal Railroad Administration.
- d. "STB" means the Surface Transportation Board.
- e. "Service" - means rail freight transportation.
- f. "Contracting Officer" - Commissioner, New Hampshire Department of Transportation (NHDOT), or his duly authorized representative having an address of 7 Hazen Drive, P.O. Box 483, Concord, NH 03302-0483. The Contracting Officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement and the resolution of any disputes by the Contracting Officer shall be final.
- g. "Agreement" - means this Operating Agreement dated May 1, 2010.
- h. "Facilities" collectively means the real estate, track, bridges, signals, switches, structures, buildings, and related railroad transportation property over which Service is to be provided, excluding cement transload facilities constructed by the Contractor.
- i. "Effective Date" means the date this Agreement is approved by the Governor and Council of the State of New Hampshire or the Contractor obtains operating authority from the STB, whichever occurs last.
- j. "Commencement Date" - May 1, 2010
- k. "Completion Date" - April 30, 2020.
- l. "Operating Year" - January 1 to December 31.
- m. "Users Fee" - Fee to be paid by the Contractor to State for the use of the Facilities.
- n. "Subcontractor" - An individual, partnership, firm, corporation, or any combination thereof, or joint venture, to whom the Contractor sublets any part of this Agreement.

### 1.2 EFFECTIVE DATE/COMPLETION OF SERVICES

- 1.2.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date")
- 1.2.2 Any Service performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation any obligation to pay the Contractor for any costs incurred or Service performed.

### 1.3 RENEWAL OF AGREEMENT

- 1.3.1 The Contractor shall notify the State by certified mail no later than one year prior to the Completion Date that the Contractor wishes to enter into renegotiations for a new Agreement for an additional ten (10) year period beginning May 1, 2020. If the Contractor and the State cannot agree upon new Operating Agreement by November 1, 2019, the State may at that time solicit proposals from other persons to operate the

Facilities and have no further obligations for renewal of this Agreement with the Contractor.

#### CONTRACTOR'S REPRESENTATION AND WARRANTIES

- 1.4 The Contractor represents and warrants the following:
- a. The Contractor is a corporation duly organized, validly registered with the Secretary of State, and in good standing under the laws of the State, and is duly qualified to do business in each jurisdiction where its business or the ownership of its property requires such qualification;
  - b. The Contractor has the full power and authority to enter into this Agreement and to carry out the functions that it has undertaken in this Agreement;
  - c. All corporate and other proceedings required to be taken by or on the part of the Contractor to authorize it to enter into this Agreement and perform the Service have been duly taken; and
  - d. The execution of this Agreement and the operation of the Service will not violate any statute, rule, regulations, order, writ, injunction or decree of any court, administrative agency or governmental body.

#### 1.5. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

1.5.1 In connection with the performance of the Service, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.

1.5.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

1.5.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

#### 1.6. PERSONNEL.

1.6.1 The Contractor shall at its own expense provide all personnel necessary to perform the Service. The Contractor warrants that all personnel engaged in the Service shall be qualified to perform the Service, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

Date 10/5/09

1.6.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Service to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

1.6.3 The Contracting Officer or his or her successor shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

#### 1.7 EVENT OF DEFAULT/REMEDIES.

1.7.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

1.7.1.1 failure to perform the Service satisfactorily or on schedule;

1.7.1.2 failure to submit any report required hereunder;

1.7.1.3 failure of the Contractor to maintain the records required hereunder, or to permit access thereof; and/or

1.7.1.4 failure to perform any other covenant, term or condition of this Agreement.

1.7.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

1.7.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

1.7.2.2 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

#### 1.8. TERMINATION.

1.8.1 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") containing all information required by the various reporting provisions of the Agreement, from the date of the last such reports through and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

Date 10/5/09

1.9. CONTRACTOR'S RELATION TO THE STATE.

1.9.1 In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

1.10 ASSIGNMENT/DELEGATION/SUBCONTRACTS.

1.10.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the Contracting Officer. None of the Service shall be subcontracted by the Contractor without the prior written consent of the State.

1.11 INDEMNIFICATION.

1.11.1 The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State; its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in Section 1.11.1 shall survive the termination of this Agreement.

1.12. INSURANCE.

1.12.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

1.12.1.1 Railroad Liability and Contractual Liability Insurance shall be purchased with the State named as co-insured in the amount of three million dollars (\$3,000,000), or five million dollars (\$5,000,000) if hazardous materials are shipped, each occurrence, with a deductible of twenty-five thousand dollars (\$25,000) maximum.

1.12.2 The policies described in subparagraph 1.12.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

1.12.3 The Contractor shall furnish to the Contracting Officer, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer, or his or her successor, no less than ten (10) days prior written notice of cancellation or modification of the policy.

Contractor Initials CE

Date 10/5/09

1.12.4 Within ten (10) days prior to the start of operation and annually thereafter, the Contractor shall provide the Contracting Officer with a certificate evidencing the continual existence of required insurances.

### 1.13. WAIVER OF BREACH

1.13.1 No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

### 1.14. NOTICE.

1.14.1 Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given above.

### 1.15. AMENDMENT.

1.15.1 This Agreement may be amended waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

### 1.16 CONSTRUCTION OF AGREEMENT AND TERMS.

1.16.1 This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

### 1.17 THIRD PARTIES.

1.17.1 The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

### 1.18 HEADINGS.

1.18.1 The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

### 1.19 SEVERABILITY.

1.19.1 In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

1.20 ENTIRE AGREEMENT.

1.20.1 This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

**ARTICLE II - PHYSICAL DESCRIPTION**

- 2.1 **PHYSICAL DESCRIPTION** - The Facilities are described as follows: Being all the property of every kind and description, real, personal and mixed that was acquired by the State of New Hampshire from the Boston and Maine Corporation by a Release Deed recorded at the Grafton County Registry of Deeds on August 2, 1999, Book 2409, Pages 865 through 876, and said demised property being located in the City of Lebanon, NH, County of Grafton; including all real property, rail facilities on, within and appurtenant to the line formerly owned by the Boston and Maine Corporation located between Engineering Station 3515+69 as shown on Valuation Map 32.1 Map 68 and Engineering Station 3662+40 as shown on Valuation Map 32.1 VT Map 71 in Lebanon, including the Westboro Yard, on file in the records of the New Hampshire Department of Transportation, Bureau of Rail & Transit.
- 2.2 The Facilities shall remain the property of the State, which reserves to itself the right to grant easements, contracts, leases, and other rights therein which do not, in the sole judgment of the State, conflict with the operations described in Article III. The State reserves to itself all rents, fees and revenues derived from such grants. As permitted by applicable State law, the State may sell portions of the railroad yard not needed for present or future railroad operations to the City of Lebanon or other parties. Notwithstanding these provisions, the Contractor with prior approval by the State may lease portions of the Facilities to shippers for construction of railroad sidings, loading platforms and other railroad-related facilities. Such leases shall be subject to appropriate local taxes, and revenues from such leases shall be included in the railroad's gross freight operating revenues.
- 2.3 The Contractor shall make no alterations to the Facilities, both real and personal, or construct any building or make other improvements on the Facilities beyond normal maintenance without the prior written consent of the State. Such consent shall not be unreasonably withheld. All alterations, changes, and improvements built, constructed, or placed on the Facilities by the Contractor, shall unless otherwise provided by written agreement between the State and the Contractor be the property of the State and remain on the State's property at the expiration or sooner termination of this agreement. Salvageable or scrap materials generated as a part of normal maintenance shall become the property of the Contractor.
- 2.4 At its option the State may provide the Contractor with State-owned railroad equipment and materials under the jurisdiction of the Bureau of Rail and Transit, which it may declare available to the Contractor. Said equipment and materials shall be used solely for the provision of Service under this Agreement and shall be insured by the Contractor to the State's satisfaction.

## ARTICLE III - OPERATIONS

### 3.1 SERVICE AREAS

- 3.1.1 The Contractor shall, between the Effective Date and the Completion Date, manage and operate Service on the Facilities described in 2.1 above. The Contractor shall be solely responsible for all phases and requirements of its operation, including, but not limited to, dispatching of trains, assignment of power and cars, scheduling, workforce, equipment, advertising, and marketing. The Contractor may charge a reasonable fee for operations on the Facilities by other railroads.
- 3.1.2 The Contractor agrees to provide cars, locomotives and all other things as necessary to afford the degree and quality of Service reasonably requested by its shippers.
- 3.1.3 Notwithstanding any other provisions of this Agreement, the State may arrange to provide service on a temporary basis if the Contractor is unable to provide service, and the Contractor agrees to allow provision of such temporary Service by others in the event of its inability to provide Service. Notice of Service by others must be given to the State in writing by the Contractor.
- 3.1.4 The Contractor warrants that all personnel engaged in the Services shall be qualified to perform such Services, and shall be properly licensed and authorized to perform such Services under all applicable laws. The Contractor shall not hire as an employee, and it shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services, to hire, any person who has a contractual relationship with the State, or who is a State officer or employee, elected or appointed.
- 3.1.5 The Contractor will conform to the State's "Guidelines Governing the Operation of On-Track Equipment on State-owned Railroad Lines," and will incorporate these Guidelines into its current Time Table.
- 3.1.6 If the Contractor intends to provide passenger or tourist excursion service on any portion of the Facilities, it shall notify the State in writing no less than sixty (60) days prior to initiation of such service, and submit a certificate of insurance for Specialized Passenger Risk Liability and Contractual Liability with the State named as additionally insured in the amount of Five Million (\$5,000,000) dollars at least five (5) days prior to commencement of passenger or tourist excursion operations.

### 3.2 MAINTENANCE

- 3.2.1 Equipment - The Contractor shall be responsible for proper upkeep and maintenance of all equipment it uses, either supplied by the State or the Contractor, and shall ensure that equipment is in compliance with all current FRA regulations. State equipment shall be returned to the State in as good condition as when received except for ordinary wear and tear.
- 3.2.2 Track - The Contractor shall be responsible for the proper upkeep and maintenance of Facilities. Said upkeep and maintenance shall include but not be limited to:
- a. Surface and alignment

Contractor Initials CE  
Date 10/5/09

- b. Brush and vegetation control (all brush to be chipped)
- c. Drainage and ditches
- d. All operating signals to be kept in good operating condition
- e. Crossing and switches to be kept in good operating condition. The Contractor shall provide a flagman during the passage of trains for the protection of any crossing protected by signals where the signal is not operating for any reason.
- f. Snow removal and winter maintenance when needed for service.

3.2.2.1 The Contractor shall be responsible to perform all work and routine maintenance necessary to maintain the lines included in the Facilities at FRA Class I Track Safety Standards or better, and in any event will expend no less than twenty (20) percent of annual gross freight operating revenue on actual track maintenance during each year of this Agreement, and will include a report of maintenance expenses on a form and according to a schedule to be specified by the State (See Exhibit A). Credit for these expenditures may be carried forward to future years at the State's discretion. The Contractor shall satisfy all obligations required by the FRA of a railroad owner, set forth in Part 213 of the FRA Track Safety Standards (49 CFR 213).

3.2.3 STRUCTURES (BRIDGES & CULVERTS) - The Contractor shall be responsible for maintaining structures and shall make needed repairs necessary to keep structures safe for the convenience of the railroad and the State. Said maintenance shall include but not be limited to the cleaning and removal of debris, lubrication of bearing surfaces, scour and erosion protection.

3.2.4 In the event a major unanticipated maintenance or capital expenditure is required (bridge failure or major washout, etc.) the Contractor shall assist in all necessary repairs, but be limited in its direct financial contribution to five thousand (\$5000.00) dollars per Operating Year, or any amount remaining pursuant to the required expenditures pursuant to Section 3.2.2.1, whichever is greater, in the aggregate. However, the Contractor waives any claims to damages for any delays in repairing or reopening the line after such an occurrence and the State reserves to itself the decision whether, when and how such repairs and reopening will be done.

### 3.3 INSPECTION

3.3.1 The Contractor shall patrol the Facilities and inspect the track in accordance with FRA Track Safety Standards subpart F (49 CFR 213.233) and submit an inspection report in a timely manner but no less than one (1) week after each inspection. Should any defects be found, the Contractor shall take the appropriate remedial action in a timely manner in accordance with such regulations and notify the Contracting Officer in writing of said remedial action.

3.3.2 The Contracting Officer has the right to monitor the Contractor to ensure that the Contractor complies with the conditions of this Agreement. The Contracting Officer shall be granted full access to the operations and shall have the authority to direct the Contractor to remedy deficiencies as per FRA Track Safety Standards under this Agreement.

3.3.3 The Contracting Officer may take any action, including the field inspection of any project site and the inspection of the rail facilities, equipment, and all books and records

Contractor Initials CF  
Date 10/5/09

of Contractor and of any contractor or subcontractor relating to any project or task accomplished under this Agreement.

**3.3.3.1 The purpose of such inspection shall be:**

- a. To ensure that work complies with the contract specifications.
- b. To verify quantitative measures of materials installed, such as tie counts.
- c. To verify labor and materials charges for contracts providing for payment on an actual cost basis ("force account work").
- d. To verify the quantities of uninstalled State-owned materials and the security of same against damage, theft, or use other than for approved projects.
- e. To provide any other information requested by the Contracting Officer relating to the Facilities.

**3.4 CONSTRUCTION PROJECTS:**

**3.4.1** The Contracting Officer reserves the right to advertise and let construction rehabilitation projects within the confines of the Facilities. The construction contractor to whom this work may be awarded shall have the right to perform the work so described in the contract. Any expenditures by the State pursuant to this Section 3.4 shall not diminish the obligation of the Contractor pursuant to Section 3.2.2.1 or any other provision of this Agreement.

**3.4.2** The Contracting Officer will from time to time allow utility projects to be constructed within the railroad right-of-way. Construction contractors for these projects will be required to enter into a license with the State, which will require certain conditions such as liability insurance, and to cooperate with the Contractor in assuring that the work be performed in such a manner that the tracks, operations and appurtenances of the rail facility will be safeguarded. The Contractor may require a flagman and/or railroad inspector at a construction site if he deems it necessary, the cost of said services to be paid by the constructing entity to the Contractor.

**3.4.3** At the request of the State, the Contractor shall construct sidings to new shippers on the Facilities at shippers' or the Contractor's expense. These sidings and appurtenances thereto may be competitively bid, if constructed by other than the Contractor, and billed to the shipper.

**3.5 FREIGHT TARIFFS** - On or before the Effective Date, the Contractor shall adopt all existing applicable tariffs, rates, and divisions. Said tariffs, rates, and divisions shall apply to the Service provided pursuant to this Agreement, until such tariffs, rates or divisions are changed in accordance with law. All proposed rates and tariffs under control of the Contractor may be reviewed by the Contracting Officer upon request.

**3.6 FORCE MAJEURE** - The parties hereto will be excused from performance of any of their respective obligations hereunder occasioned by any event beyond their respective control, including, without limitation, any action of any federal, state or local agency or instrumentality; by government authorities including compliance with environmental quality, energy conservation and occupational safety requirements adopted or effected after the date of this Agreement; by acts of God; by strikes or other labor trouble; by explosions, fires, or vandalism until such events are remedied; provided, however, that the party claiming force majeure shall take all reasonable actions to eliminate or end the force majeure condition.

Date 10/5/09

#### ARTICLE IV - USER FEE PAYMENTS, ACCOUNTING AND AUDITS

- 4.1 The Contractor shall make User Fee payments required under this article directly to the State of New Hampshire, Department of Transportation, Bureau of Rail and Transit.
- 4.2 Payments shall be paid monthly (or less frequently with the approval of the Contracting Officer), based upon the level of operation, as explained below. Payments shall be made no later than thirty (30) days after the last day of each calendar month that gross freight operating revenues are earned, and will include a report of freight traffic on a form and according to a schedule to be specified by the State. (See EXHIBIT A)
- 4.3 USER FEE PAYMENT
- 4.3.1 The Contractor shall pay five (5%) percent of annual gross freight operating revenues as a user's fee to the State.
- 4.3.2 The Contractor may, where directed in writing by and at the sole discretion of the Contracting Officer, deduct from payments the cost of specific expenditures including but not limited to major maintenance projects in track work or structure repair.
- 4.4 LATE PAYMENT
- 4.4.1 Should any payment be received more than five (5) days after the due date, the Contracting Officer shall be entitled to a five (5%) percent late charge added to that month's users fee.
- 4.5 ACCOUNTING AND AUDITS
- 4.5.1 The Contracting Officer shall have access, during regular working hours, for the purpose of audit and examination, to any books, documents, papers, and records of the Contractor that may be related or pertinent to this Agreement during the period of this Agreement and for a period of five (5) years after the termination of this Agreement. The Contractor shall impose this requirement of each of its subcontractors.
- 4.5.2 If, as a result of any audit, the Contracting Officer determines that the amount paid to the State is less than the amount owed, the Contractor shall pay the difference to State within thirty (30) days of the determination.
- 4.5.3 If, as a result of any audit, the Contracting Officer determines that the amount paid to the State is more than the amount owed, State will make repayment or credit the Contractor accordingly, so far as appropriations allow, the overpayment to the State.
- 4.5.4 The Contractor shall be responsible for collecting revenues and for delivering traffic reports, marketing reports, revenue reports and maintenance cost reports on forms and according to a schedule to be specified by the State. (See EXHIBIT A)

Contractor Initials CF  
Date 10/5/09

## ARTICLE V - MARKETING EFFORT

- 5.1 The Contractor will make every effort to market the line in order to make it profitable and to maintain good business and working relationships with local businesses, State and local government officials, employees, and other railroads, and will report on the marketing effort on a form and according to a schedule to be specified by the State. (See EXHIBIT A)

## ARTICLE VI - OTHER OPERATORS

- 6.1 In all of its operations and use of the Facilities, the Contractor will cooperate with other railroads in the use of the Facilities, including any railroad authorized by the State to use any portion of the Facilities in conjunction with the reactivation of the Northern Railroad following a selection process for a railroad operator on the line. The State may at its discretion provide mediation of disputes involving the state-owned railroad corridor consistent with Article 1.16.

## ARTICLE VII - TERMINATION OF AGREEMENT

- 7.1 If at any time after the Commencement Date the Contractor operates the Service fewer than sixty (60) days during any Operational Year, the State may terminate this Agreement and relieve the State and Contractor of all obligations hereunder, except the Contractor's continuing duty to maintain financial records and to continue to defend and hold harmless the State for any claims arising during the period of this Agreement.
- 7.2 In the event of a termination or expiration of this Agreement, the Contractor agrees that it shall obtain the necessary approvals from the STB to discontinue operations and turn over operating authority to a new railroad operator.

New Hampshire Department of  
BUSINESS AND  
ECONOMIC AFFAIRS

September 25, 2020

His Excellency, Governor Christopher T. Sununu  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Business and Economic Affairs, Division of Economic Development, Office of International Commerce, to amend an existing contract (PO #1072027) with Manufacturing Extension Partnership of New Hampshire, Inc., Concord, NH (Vendor #174339), by extending the contract end date from October 31, 2020 to June 30, 2021, effective upon Governor and Executive Council approval. The original contract was approved by the Governor and Executive Council on December 18, 2019, Item #81. No additional funds are involved in this time extension request. 100% Federal Funds.

EXPLANATION

The Department of Business and Economic Affairs, Office of International Commerce is requesting to extend the contract completion date in order to complete deliverables that have been delayed resulting from the impacts of Covid-19. As the contract went into effect in December 2019 and progressed over the following months, OIC coordinated with the granting agency, the Department of Defense, Office of Economic Adjustment (OEA), to request and receive a no cost extension for the overall grant.

The purpose of this contract, through coordination with OIC, is to provide specialized market intelligence aimed at producing market insights for new technology-based products and markets to aid in the growth and commercialization of technology. The purpose of this service is to provide a systematic and comprehensive approach to technology-focused market intelligence with the goal of providing customized actionable market intelligence to no less than 6 defense-impacted New Hampshire businesses. Successfully completed, these companies will be equipped to uncover new commercial opportunities for technology-based assets (e.g., idea, product, process, capability).

Respectfully submitted,

**REQUESTED ACTION**

Authorize the Department of Business and Economic Affairs, Division of Economic Development, Office of International Commerce to enter into a contract with the Manufacturing Extension Partnership of New Hampshire, Inc. (VC#174339), Concord, NH in the amount of \$150,000 to provide specialized market intelligence aimed at producing market insights for new technology-based products and markets in compliance with a grant awarded by the US Department of Defense through the Office of Economic Adjustment upon Governor and Executive Council approval for a period of twelve (12) months. **100% Federal Funds**

Funding is available as follows with the authority to adjust encumbrances in each of the State fiscal years through the Budget Office if needed and justified:

OEA GRANT 03-22-22-220510-14550000			
Class	Description	Account	FY2020
102	Contracts for Program Services	500731	\$150,000

**EXPLANATION**

The purpose of this contract, through coordination with the Office of International Commerce, is to provide specialized market intelligence aimed at producing market insights for new technology-based products and markets to aid in the growth and commercialization of technology. The purpose of this service is to provide a systematic and comprehensive approach to technology-focused market intelligence with the goal of providing customized actionable market intelligence to no less than 6 defense-impacted New Hampshire businesses. Successfully completed, these companies will be equipped to uncover new commercial opportunities for technology-based assets (e.g., idea, product, process, capability).

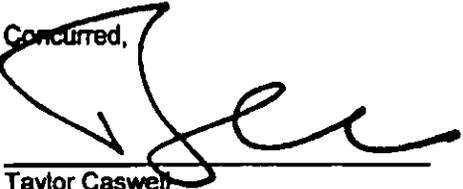

On June 10, 2019 a Request for Proposals for "Technology Focused Market Intelligence Services" was advertised on the Department of Administrative Services' website (Attachment A). One company submitted a proposal by the closing date of June 18, 2019. The Manufacturing Extension Partnership of New Hampshire, Inc. was subsequently recommended based on the scoring provided by a review panel. A summary of the scoring and list of panel members is attached for your review (Attachments B & C).

In the event that Federal Funds are no longer available, General Funds will not be requested to continue the support of this program.

The Attorney General's Office has approved this contract agreement as to form, substance, and execution.

Respectfully submitted,

**2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

#### 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

#### 9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. **TERMINATION.** In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. **ASSIGNMENT/DELEGATION/SUBCONTRACTS.** The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. **INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

#### 15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

#### 19. CONSTRUCTION OF AGREEMENT AND TERMS.

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. **HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. **SPECIAL PROVISIONS.** Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. **SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. **ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

**Scope of Work**

This Contract Agreement, by and between the State of New Hampshire Department of Resources and Economic Development, hereinafter called the "State", and the Manufacturing Extension Partnership of New Hampshire, Inc., hereafter referred to as "NH MEP", is for NH MEP to coordinate, manage, and implement the technology focused market intelligence service for no less than 6 defense-impacted New Hampshire businesses.

**Personnel**

- NH MEP shall secure all personnel required in performing the services under this Contract Agreement.
- All of the services required hereunder shall be performed by NH MEP or the State, or under the State's supervision, and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under State and Local law to perform such services.

**Scope of Work**

- Utilize a quantitative and qualitative approach to identify and select no less than six defense-dependent New Hampshire businesses to participate in project
  - Every effort will be made to provide assistance to those firms most significantly impacted by and dependent on the DoD. These efforts will employ selection criteria (e.g., reinvestment potential, defense-related revenue, etc.) as well as the best available information regarding firms that are defense impacted and dependent. Efforts will be made to prioritize defense-related impacts/dependence over all other subjective criteria. For purposes of this proposal, a qualified defense-dependent and impacted firm is defined as a business who is deriving a minimum of 20% of its business revenue from DoD contracts or as a subcontractor. Priority consideration will be given to the most defense-impacted.
- Coordinate with selected businesses through all stages of project
- Quantitatively and qualitatively assess the current state of participating businesses (its people, products, and processes)
- Quantitatively and qualitatively assess participating businesses' technologies and potential for commercialization/diversification
- Identify, profile, and characterize markets, trends, value chains, competition, and companies of most interest to participating companies
- Assist in establishing commercialization/diversification and market entry strategies
- Communicate with companies involved on a regular and scheduled basis
- Collaborate with industry subject matter experts, as required

The contractor deliverables are:

- Initial briefing meeting with OIC Project Manager outlining action plan for the project.
- At least monthly reports/updates provided to OIC Project Manager to note project status.
- Updates to company profiles provided to OIC for input into CRM system.
- Development of customized actionable market intelligence for participating companies.
- Final report detailing project outcomes for project participants, as well as a list of companies identified as being potential applicants and rationale for non-selection.

## **1. Purpose**

Pending receipt of U.S. Department of Defense (DoD), Office of Economic Adjustment (OEA), grant funding, the purpose and intent of this Request for Proposals (RFP) is to enter into a contract for a period of twelve (12) months upon the agreement of both parties and the approval of Governor and Executive Council (G&C).

The qualified contractor will coordinate with the Division of Economic Development's Office of International Commerce (OIC), the New Hampshire Aerospace and Defense Export Consortium (NHADEC) and no less than 6 defense-dependent New Hampshire businesses to provide technology focused market intelligence services. The contractor will produce customized intelligence for each company regarding market and technical development opportunities. Successfully completed, these companies will be equipped to uncover new commercial opportunities for technology-based assets (e.g., idea, product, process, capability).

## **2 Definitions**

- 2.1 "Selected Vendor" refers to the Offeror under this Request for Proposals (RFP) with which the Department of Business and Economic Affairs (BEA) negotiates a contract. The terms in this RFP referring to "Selected Vendor" represent contract terms that will be a part of the final contract.
- 2.2 "Offeror" refers to any individual, corporation, partnership or agency that responds in writing to this RFP. "State" refers to the State of New Hampshire; "DED" refers to the Division of Economic Development; "OIC" refers to the Office of International Commerce; "NHADEC" refers to the New Hampshire Aerospace and Defense Export Consortium.
- 2.3 The "Contract" is the resulting contract entered into between BEA and the successful Offeror.

## **3 Objectives**

BEA has received an OEA grant from the DoD. The goal of the grant is to enhance the capacity of the State, and its businesses, workers, industries, and communities to respond to Defense-related activities. The ultimate objectives of this grant are to provide technical assistance and resources to businesses impacted by DoD programmatic and budgetary changes and to aid businesses in economic diversification. Assistance and resources will be provided through programs of NHADEC. Founded in 2013, NHADEC is a promotional and sales-focused consortium focused on fostering the most opportune global markets for its members. The focus of

NHADEC's efforts is on helping members reach their full global market potential—increasing sales by diversifying and building new markets.

The purpose of this project is to provide no less than 6 defense-dependent New Hampshire businesses with market intelligence services that consider the technical and market viability of participants' assets. The goal of the service is to provide customized actionable intelligence on the market impacts of a business' technology-based asset. This service will assist defense-dependent businesses with uncovering commercial opportunities for technology-based assets (e.g., idea, product, process, capability).

#### 4 Scope of Work

Using a \$150,000 funding level, proposals must be based on a 12-month period of time and address each item listed below.

- Utilize a quantitative and qualitative approach to identify and select no less than six defense-dependent New Hampshire businesses to participate in project
  - Every effort will be made to provide assistance to those firms most significantly impacted by and dependent on the DoD. These efforts will employ selection criteria (e.g., reinvestment potential, defense-related revenue, etc.) as well as the best available information regarding firms that are defense impacted and dependent. Efforts will be made to prioritize defense-related impacts/dependence over all other subjective criteria. For purposes of this proposal, a qualified defense-dependent and impacted firm is defined as a business who is deriving a minimum of 20% of its business revenue from DoD contracts or as a subcontractor. Priority consideration will be given to the most defense-impacted.
- Coordinate with selected businesses through all stages of project
- Quantitatively and qualitatively assess the current state of participating businesses (its people, products, and processes)
- Quantitatively and qualitatively assess participating businesses' technologies and potential for commercialization/diversification
- Identify, profile, and characterize markets, trends, value chains, competition, and companies of most interest to participating companies
- Assist in establishing commercialization/diversification and market entry strategies
- Communicate with companies involved on a regular and scheduled basis
- Collaborate with industry subject matter experts, as required

The contractor deliverables are:

- Initial briefing meeting with OIC Project Manager outlining action plan for the project.

- At least monthly reports/updates provided to OIC Project Manager to note project status.
- Updates to company profiles provided to OIC for input into CRM system.
- Development of customized actionable market intelligence for participating companies.
- Final report detailing project outcomes for project participants, as well as a list of companies identified as being potential applicants and rationale for non-selection.

## **5 General Requirements**

### **5.1 Copies and Distribution of Proposal**

- 5.1.1 In order to be considered for selection, Offeror must submit a complete written response to this RFP. One (1) original, (1) electronic version and four (4) copies of each proposal must be submitted to BEA. No other distribution of the written proposal shall be made by the Offeror. Offerors may be required to present to the selection committee, if requested.

### **5.2 Organization and Experience**

- 5.2.1 Demonstrate the Offeror's financial capability to provide the work described in Section 4: Scope of Work.
- 5.2.2 Provide resumes/portfolios of individuals or subcontractors performing major duties and functions under the proposed contract; include role, responsibility, and qualifications.
- 5.2.3 Demonstrate experience providing technical assistance and market intelligence services, in addition to working with the aerospace and defense sectors.
- 5.2.4 Provide relevant examples of previous work.
- 5.2.5 Explain previous contracted services provided to State, if any.

### **5.3 Oral Presentation**

- 5.3.1 Offerors who submit a written proposal in response to this RFP may be selected to make an oral presentation. BEA will schedule the time and location of these presentations.

### **5.4 Financial Standing**

- 5.4.1 An Offeror, if requested, must be prepared to present evidence of financial standing necessary to satisfactorily meet the requirements set forth in the proposal

**5.5 Proposal Inquiries**

- 5.5.1 All inquiries concerning this RFP, including but not limited to requests for clarification, shall be submitted by e-mail to:

Contact: [Nathaniel.Nelson@livefree.nh.gov](mailto:Nathaniel.Nelson@livefree.nh.gov)

**Subject Line: RFP Reference: Technology Focused Market Intelligence Services Questions due by noon Thursday, June 13, 2019**

**5.6 Restriction on Contact with State Employees**

- 5.6.1 From the date of release of this RFP until an award is made, all communications with personnel employed by or under contract with the State regarding this RFP is forbidden unless first approved by the point of contact set forth in Section 5.5

**6 Specific Requirements**

- 6.1 Proposals should be as thorough and detailed as possible. Responses must be structured as outlined below. Offerors are required to submit the following items as a complete proposal.

**6.2 *Experience, Qualifications, and Strategic Exercise:***

- 6.2.1 Complete "Contractor Data Sheet" (Attachment A).
- 6.2.2 A written one-page introductory statement including:
- Experience in providing services as described in Section 4 and previous experience working with OEA grantees and/or projects.
  - Experience and expertise of participating personnel including, but not limited to, those identified in Attachment A and a description of training and development programs that ensure all personnel assigned to contract are capable and qualified.
- 6.2.3 A written one-page narrative detailing the implementation of the identified deliverables, with language speaking to an understanding of the unique

challenges and opportunities faced by New Hampshire's aerospace and defense industries. (To ensure client confidentiality, please be sure to redact client names.)

### **6.3 Proposal Submissions**

- 6.3.1 All information requested must be submitted. Failure to submit this information at time of bid will render the proposal non-compliant and will result in a disqualification.
- 6.3.2 Offeror shall provide a thorough description of its plans and approach for accomplishing the requirements of *Section 4: Scope of Work*.
- 6.3.3 Proposals should be as thorough and detailed as possible so that BEA may properly evaluate Offeror capabilities to provide the required services.
- 6.3.4 Each copy of the proposal must be in a single volume. Proposals must be prepared simply and economically, providing straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be on completeness and clarity of content. The State is not responsible for the cost of proposals.
- 6.3.5 The original copy must remain at BEA, available for public inspection/disclosure, subsequent to awarding of the contract. Information considered confidential or proprietary may be marked as such by the submitting party. However, such determinations are not conclusive on BEA and BEA shall be subject to the provisions and requirements of RSA chapter 91-A (the New Hampshire right-to-know law) when determining what documents are subject to public inspection/disclosure pursuant to a right-to-know request.
- 6.3.6 Proposal submissions can be e-mailed, mailed, or hand-delivered and directed to Nathaniel Nelson, International Trade Officer, Office of International Commerce. E-mailed proposal submissions should be sent to the following e-mail: [Nathaniel.Nelson@livefree.nh.gov](mailto:Nathaniel.Nelson@livefree.nh.gov)

If proposals are mailed, send directly to issuing agency. If proposals are hand-delivered, deliver to receptionist at BEA office, One Eagle Square, Suite 100, Concord, NH 03301.

- 6.4 Financial Terms - Complete "Rates and Fees Schedule" (Attachment B).
- 6.5 A written description of prior work, especially in the areas of developing and communicating customized intelligence for defense-impacted companies, specifically focused on uncovering new commercial opportunities for technology-based assets (e.g., idea, product, process, capability).
- 6.6 A presentation of proposed strategy, methodologies, and execution (if requested).
- 6.7 Provide at least four recent client references, of which at least two (2) shall be aerospace/defense-industry related. Include contract/service dates and contact information.

## **7 Evaluation and Award Criteria**

- 7.1 All proposals will be evaluated for responsiveness to the RFP by a Selection Committee made up of representatives of BEA and NHADEC.
- 7.2 All written proposals will be evaluated and scored on a 100 point basis on the following criteria (Attachment C), which will be accorded the relative weight indicated in parentheses:
- Experience and Qualifications of key staff and subcontractors (30 points)
  - Overall strategy and approach, methodology (30 points)
  - Creativity/Innovation (20 points)
  - Budget Approach/Cost Effectiveness (20 points)
  - Grand Total (100 points)
- 7.3 Offeror(s) must meet a minimum threshold of 60 points to be considered for further evaluation. Offeror(s) deemed to be best qualified among the written proposals will be identified on the basis of evaluation factors stated in Section 7.2.
- 7.4 Identified Offeror(s) will be selected to provide a creative presentation to further evaluate Offeror's capabilities. These presentations will be graded on a 20 point scale, outlined in the Proposal Score Sheet (Attachment C). BEA will notify finalists at least 5 days prior to creative presentation to schedule times and determine location. The score for oral presentation will be added to the scoring for the written proposal to reach a final evaluation score.
- 7.5 The Selected Contractor will be notified in writing. BEA and the Selected Contractor shall negotiate a contract containing the terms in the RFP/proposal. If BEA is unable to negotiate a satisfactory contract with the first Selected Contractor, BEA may undertake negotiations with the next recommended Offeror.

7.6 The proposed Contract must be approved by the Governor and Executive Council. This process takes approximately four to six weeks after the execution of Contract. The contract approved by the Governor and Executive Council will be effective immediately upon approval.

7.7 Offerors are advised that pursuant to New Hampshire Law, all information regarding RFP proposals, except for the number of Offerors, is confidential until five (5) days before submission of a contract to the Governor and Executive Council. After award of the contract, all RFP proposals, presentations and other documents may be subject to public disclosure pursuant to RSA 91-A. Accordingly, Offerors are requested to clearly identify any materials that they believe to be proprietary or confidential prior to submission of their proposals and/or presentations.

**2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor"), to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and in lieu to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.14, unless such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the occurrence of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in the Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference. 5.2 The payment by the State of the contract price shall be the only and the complete release owed to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 104:7 through RSA 104:7-e or any other provision of law. 5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding anticipated amendments to the no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.3.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS REGARDING EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal entities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, are communications with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as required by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and prohibitions in the State of New Hampshire or the United States to ensure implementation thereof. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records, and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenant, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or organization with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is presently involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in Block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

#### 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

#### 9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including but not limited to, all studies, reports, files, formulas, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. **TERMINATION.** In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to the one of any Final Report described in the attached EXHIBIT A.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor or any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. **ASSIGNMENT/DELEGATION/SUBCONTRACTS.** The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. **INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 hereof, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and is made by insurers licensed in the State of New Hampshire.

Contractor Initials \_\_\_\_\_  
Date \_\_\_\_\_

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

#### 16. WORKERS' COMPENSATION

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation payments or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provision hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provision hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, to a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, hereto.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and a rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

REQUESTED ACTION

Authorize the Department of Environmental Services (DES) to execute an amendment to the contract (PO# 9005610) with Hydrevolution, LLC (VC# 314687 R001), Seattle, WA, to conduct leak detection surveys at New Hampshire community water systems, by extending the completion date to November 30, 2021 from November 30, 2020, effective upon approval by the Governor and Council. The original contract was approved by the Governor and Council on March 11, 2020 as Item #54. 100% Federal Funds. This is a no-cost time extension only.

EXPLANATION

This amendment to the contract is being requested to allow Hydrevolution, LLC additional time to conduct leak detection surveys at 49 New Hampshire community water systems. All other conditions of the original contract will remain in full effect. Hydrevolution, LLC was unable to start the field work in 2020 due to travel restrictions, quarantine requirements, and safety concerns associated with the COVID-19 pandemic.

To date, none of the original contract amount of \$83,000 has been spent.

This amendment to the contract has been approved as to form, substance, and execution by the Office of the Attorney General. In the event that Federal funds no longer become available, General funds will not be requested to support this program.

We respectfully request your approval of this item.

**Amendment No. 1**

This Agreement (hereinafter referred to as the "Amendment") is by and between the State of New Hampshire, acting by and through its Department of Environmental Services (hereinafter referred to as the "State") and Hydreolution, LLC (hereinafter referred to as the "Contractor").

WHEREAS, pursuant to an Agreement (hereinafter referred to as the "Agreement") approved by the Governor and Council on March 11, 2020 as Item #54, the Contractor agreed to perform certain services upon the terms and conditions specified in the Agreement and in consideration of payment by the State of certain sums as specified therein; and

WHEREAS, pursuant to the provisions of paragraph 17 of the Agreement, the Agreement may be amended, waived, or discharged only by written instrument executed by the parties thereto; and

WHEREAS, the Contractor and the State have agreed to amend the Agreement in certain respects;

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Agreement and set forth herein, the parties hereto do hereby agree as follows:

1. Amendment and Modification of Agreement: The Agreement is hereby amended as follows:
  - a. The Completion Date as set forth in sub-paragraph 1.7 of the Agreement shall be changed from November 30, 2020 to November 30, 2021.
2. Effective Date of Amendment: This Amendment shall take effect upon the date of approval of this Amendment by the Governor and Executive Council of the State of New Hampshire.
3. Continuance of Agreement: Except as specifically amended and modified by the terms and conditions of this Amendment, the Agreement, and the obligations of the parties thereunder, shall remain in full force and effect in accordance with the terms and conditions set forth therein.

IN WITNESS WHEREOF, the parties have hereunto set their hands as of the day and year first above written.

REQUESTED ACTION

ITEM # 54

Authorize the Department of Environmental Services (DES) to enter into a contract with Hydreolution (VC #314687), Seattle, WA, in the amount of \$83,000 in order to conduct leak detection surveys at 49 New Hampshire community water systems, effective upon approval by Governor and Council through November 30, 2020. 100% Federal Funds.

Funding is available in the following account:

FY 2020

\$83,000

Department of Environmental Services, DWSRF Administration, Contracts for Program Services

EXPLANATION

The Department of Environmental Services (DES) is using \$83,000 of the funds received for the Drinking Water State Revolving Loan Fund (DWSRF) to fund leak detection surveys at New Hampshire community water systems. Leak detection and repair play a fundamental role in reducing water and energy consumption in water systems through the identification and reduction of water loss and waste.

In June 2019, DES sent leak detection project solicitations to all community water systems in New Hampshire. Fifty-two water systems submitted applications with relevant details, such as a proposed project description and demonstration of need. Members of the DES Drinking Water and Groundwater Bureau reviewed the applications and selected 48 systems to be included in the Request for Proposals (RFP).

DES summarized the projects and posted an RFP for leak detection firms to place competitive bids. Eleven proposals were received. A three-person review team consisting of experienced DES personnel independently scored the proposals in terms of total cost, survey completion times, qualifications and experience, adequacy of approach, and overall project understanding. Hydreolution, LLC was selected by the review team as having the top ranking proposal and the lowest cost. See Attachment A for a list of proposals and rankings.

The proposal submitted by Hydrevolution, LLC provided a clear plan describing how the different leak detection techniques would be utilized and specifically considered the pipe materials and contact point spacing within the water systems. The firm's experience and overall approach ensure a maximum return on investment in the form of water loss recovery and energy savings.

Hydrevolution, LLC will perform acoustic listening surveys on the distribution systems of the 49 community water systems. The surveys will be conducted in accordance with the "Manual of Water Supply Practices, Water Audits and Loss Control Programs" document identification number AWWA M36, American Water Works Association, 2016. Surveys will be performed in two phases: an initial screening of the area to identify suspected leaks, followed by a pinpointing phase to locate the suspected leak. A detailed report of the findings will be filed with DES and the water system at the conclusion of each survey. It will be the responsibility of the water system to repair any leaks found.

This agreement has been approved as to form, substance, and execution by the Office of the Attorney General. In the event that Federal funds no longer become available, General funds will not be requested to support this program.

We respectfully request your approval of this item.

  
Robert R. Scott, Commissioner

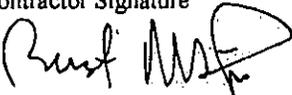

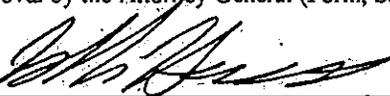

**Notice:** This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provide in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

## 9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

submit to the State a Transition Plan for services under the Agreement.

## 10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

## 12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. **INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

#### 15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. **CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. **CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. **HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. **SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. **SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. **ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

**EXHIBIT A**  
**SPECIAL PROVISIONS**

Federal Funds paid under this agreement are from a Grant to the State from the United States Environmental Protection Agency, New Hampshire Drinking Water State Revolving Fund under CFDA # 66.468. All applicable requirements, regulations, provisions, terms and conditions of this Federal Grant are hereby adopted in full force and effect to the relationship between NHDES and the Grantee. Additionally, the Grantee shall comply with the terms of the Federal Funding Accountability and Transparency Act (FFATA) by providing NHDES with their Data Universal Numbering System (DUNS) number.

**EXHIBIT B**  
**SCOPE OF SERVICES**

This Agreement consists of the following documents: Exhibit A Special Provisions, Exhibit B Scope of Services, Exhibit C Payment Terms, Certificate of Good Standing, Certificate of Vote/Authority, Certificate of Insurance, and Workers' Compensation Coverage, and DUNS, which are all incorporated herein by reference, as it fully set forth herein".

Hydrevolution, LLC (Hydrevolution) shall perform work outlined in the proposal entitled *Proposal: Leak Detection Surveys at NH Community Water Systems*, dated 10/7/2019, and incorporated herein by reference.

Hydrevolution shall conduct comprehensive leak detection surveys on the water distribution systems of forty-nine New Hampshire community water systems in accordance with the "Manual of Water Supply Practices, Water Audits and Loss Control Programs" document identification number AWWA M36, American Water Works Association, 2016. The forty-nine water systems, totaling 1,052 miles of distribution pipe, have been selected by the New Hampshire Department of Environmental Services (NHDES) as follows:

#### Project Planning

At least one month prior to the survey season, Hydrevolution should provide a survey schedule for the

Contractor Initials *RS*

Date 1/16/2020

systems, indicating when the surveys shall take place. When conditions are adequate for the survey season to begin, Hydrevolution shall post a document to Google Docs and share the document with NHDES. This document shall include a list of the community water systems listed above. This document shall be continuously updated to indicate the status of the leak detection surveys at each of the water systems, including at least the estimated start dates for the surveys, the systems where a survey has been started, the systems where a survey has been completed, and the systems scheduled for a survey during the upcoming month.

### Communication and Meetings

Hydrevolution, LLC shall contact each water system prior to the leak detection survey and request the following:

- A map in the form of a PDF file or paper plan of the area to be surveyed that shows pipe materials, pipe diameters, and contact points. If pipe materials, pipe diameters, or contact points are not known, the map shall indicate same. In instances where a map is not available, a schematic drawing of the system configuration shall be acceptable.
- The name, phone number, and email address of the water system representative that shall be the point of contact for the survey.
- Hydrevolution shall request, if needed, the water system representative to clean out valve and service boxes to facilitate the survey and operation of valves.

Hydrevolution shall schedule the survey and provide reasonable accommodation to meeting the needs of the water system representative's schedule both before the survey (to conduct the necessary preparatory work) and during the survey. Hydrevolution shall work with the system representative to determine when the system representative will be available to assist with the survey and if the system representative would like to be present during other portions of the survey.

Prior to starting the survey at each system, Hydrevolution shall meet with the system representatives. During the meeting Hydrevolution shall provide a clear understanding of the survey process and methodology, go over the days or hours Hydrevolution plans to be onsite to complete the survey, and review communication expectations during the survey. Hydrevolution shall also go over the water system plans provided by the system with the representative.

Hydrevolution shall check in with the water system representative daily to summarize the findings in the field and, if necessary or per the representative's request, review results in the field. For systems that take a day or less to survey, Hydrevolution shall provide a leak sheet to the representative day of. For all other systems, leak sheets shall be provided no later than the next day. Upon completion of the survey, Hydrevolution shall hold a brief close out meeting with the representative.

Contractor Initials

## Completion of Leak Detection Surveys

The conclusion of a leak detection survey is based on the successful completion of the following three tasks:

### Task 1 - Initial Listening Survey

Hydrevolution shall utilize specialized equipment to “listen” for sounds on direct contact points, such as, but not limited to, fire hydrants, main line gate valves, meter/curb valves, and blow-offs. System configuration, pipe material, pipe diameter, contact point spacing, system pressure, soil type, equipment sensitivity, and other variables shall be considered when selecting the most appropriate equipment and method for performing the initial listening survey.

The sound velocity of pipelines to be surveyed shall be determined and used in conjunction with the leak detection equipment. Prior to starting the survey of a system, a false leak shall be created to determine how far away leak detection equipment can detect the noise. Valves, hydrants, and services shall be checked at the determined distance or closer. Intersecting pipelines shall be surveyed from at least two directions and at least three listening points.

Since PVC is a poor sound conductor, all available appurtenances shall be checked on PVC pipe. If water distribution lines do not have available appurtenances or appurtenances are further than acoustic equipment can measure, a surface microphone shall be used to listen directly over the lines at 6-10' intervals. A test rod and/or resonance plate in conjunction with the ground microphone shall be used in instances where the main is located more than three feet off a hard surface.

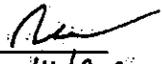

Survey tracking sheets shall be used to track areas surveyed. When leak noise is detected, the appurtenance used to detection the noise shall be documented for pinpointing.

The survey shall be performed between the hours of 8am and 4pm in areas that are typical to residential neighborhoods. The survey shall be performed between the hours of 10pm and 6am in areas that are commercial in nature and/or if high daytime traffic volumes are present.

### Task 2 – Secondary Listening Survey and Pinpointing Phase

All areas identified during the initial listening survey as having potential leak activity shall be scheduled for a secondary listening survey and pinpointing phase. The secondary listening survey shall be conducted within two to forty-eight hours of the initial listening survey.

Hydrevolution shall perform an intensified pattern of sonic tests directly over the mains and services to identify the location of the leak. An electronic digital leak noise correlator shall be used as a pinpointing tool where possible and a ground microphone shall be used to confirm the correlator results and the leak location.

Contractor Initials 

Date 1/16/2020

When a hydrant leak is suspected, the hydrant shall be valved off where possible and the main line shall be further surveyed.

Once a leak is pinpointed, a leak sheet shall be filled out with the applicable information.

In instances when a leak is repaired immediately by the water system, Hydrevolution shall return to area of confirmed leakage following repair to rule out other leaks that may be present.

System maintenance needs observed such as broken/missing valve lids, etc. shall be documented, as well as observations of other sources of water which may be causing leak problems such as storm drains or irrigation.

Hydrevolution shall not be required to perform pinpointing on pipelines that are not the responsibility of the system being surveyed.

Hydrevolution shall notify the water system representative within 24 hours of any leaks discovered. If Hydrevolution is unable to reach the client within 24 hours, a follow-up after 24 hours will be acceptable as long as Hydrevolution has made adequate attempts of reaching client to report leaks.

### Task 3 - Leak Reports

Hydrevolution shall prepare a report for each leak identified during the survey. The report shall contain the following and be based on the leak report template provided by NHDES:

- The date of leak discovery;
- Leak consultant initials;
- A photograph of the leak location;
- A map identifying the leak location and contact points used to identify the leak;
- The nearest street address of the leak location;
- The latitude and longitude of the leak location;
- The type of leak (main, valve, hydrant, service, etc.);
- The approximate leakage rate in gallons per minute;
- Leak severity classification;
- The type of surface cover, pipe material, and pipe size of the leak location;
- The method used for locating the leak; and
- An indication if the leak was visible or not.

At the conclusion of each survey, a final report shall be prepared and submitted by email to NHDES and copied to the water system. The final report shall be in PDF format and include the following:

- A summary of the project, including at least the following:
  - methodology used for that particular system and why;

Contractor Initials

Date 1/16/2020

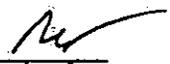

- dates of survey;
- miles surveyed;
- number of leaks found; and
- description of difficult areas to survey and what could be done to resolve this in the future;
- A copy of all leak reports as outlined above;
- A summary table of address, cross street, latitude, longitude, leak type, pipe material, pipe size, and estimated gpm;
- A table of the number of leaks by leak type;
- A table of the leakage volume by leak type;

REQUESTED ACTION

Authorize the Department of Environmental Services (NHDES) to amend an agreement (PO #1064375) with the University of New Hampshire, (VC #315187-B083) for the *Great Bay Pollution Waterbody/Watershed Nitrogen Nonpoint Source Study* project by extending the end date from December 31, 2020 to December 31, 2021. The original agreement was approved by the Governor and Council on October 3, 2018, Item #48. No additional funding is requested in this amendment. 100% Federal Funds

EXPLANATION

NHDES requests this Amendment to provide additional time for the Grantee to complete the project. This amendment is requested due to a COVID-19 related moratorium on non-essential construction activities on the University of New Hampshire (UNH) campus. Please see Attachment A for a copy of the original Grant Agreement.

To complete this project, UNH facilities will partner with the UNH Stormwater Center to implement best management practices (BMPs) that disconnect impervious cover at identified nitrogen source hotspots. The Great Bay Nitrogen Non-Point Source Study (GBNNPSS) identified stormwater as a significant source of the nonpoint source nitrogen load (34%) to Great Bay. The project focuses on a parking area located in the southeastern portion of UNH's Durham campus. The project partners will construct stormwater management practices to treat runoff from a 14.7-acre area which includes 12.5 acres of effective impervious cover (EIC). The project will disconnect and treat runoff through the implementation of an innovative subsurface gravel wetland prior to discharging to receiving waters. Disconnection of this EIC will lead to the overall annual reduction of 112 pounds of total nitrogen, 16 pounds of total phosphorus, and 7,800 pounds of sediment from the drainage area.

The improvements in this project proposal will address stormwater quality and quantity. Improvements are based on nitrogen loads from stormwater transport pathways, identified, modeled and reported in the GBNNPSS.

In the event that Federal Funds become no longer available, General Funds will not be requested to support this project. The agreement has been approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

  
Robert R. Scott, Commissioner

**AMENDMENT #1 to  
COOPERATIVE PROJECT AGREEMENT  
between the  
STATE OF NEW HAMPSHIRE, Department of Environmental Services  
and the  
University of New Hampshire of the UNIVERSITY SYSTEM OF NEW HAMPSHIRE**

The Cooperative Project Agreement, approved by the State of New Hampshire Governor and Executive Council on **October 3, 2018**, item # **48** for the Project titled "**Great Bay Pollution Waterbody/Watershed Nitrogen Nonpoint Source Study Implementation**," Campus Project Director, **James Houle**, is and all subsequent properly approved amendments are hereby modified by mutual consent of both parties for the reason(s) described below:

**Purpose of Amendment (Choose all applicable items):**

- Extend the Project Agreement and Project Period end date, at no additional cost to the State.
- Provide additional funding from the State for expansion of the Scope of Work under the Cooperative Project Agreement.
- Other:

- Article A. is revised to replace the State Department name of \_\_\_\_\_ with \_\_\_\_\_ and/or USNH campus from \_\_\_\_\_ to \_\_\_\_\_.
- Article B. is revised to replace the Project End Date of 12/31/2020 with the revised Project End Date of 12/31/2021, and Exhibit A, article B is revised to replace the Project Period of **Upon G&C Approval – December 31, 2020** with **Upon G & C Approval – December 31, 2021**.
- Article C. is amended to add Exhibit A by including the proposal titled, " \_\_\_\_\_ ," dated \_\_\_\_\_.
- Article D. is amended to change the State Project Administrator to \_\_\_\_\_ and/or the Campus Project Administrator to \_\_\_\_\_.
- Article E. is amended to change the State Project Director to \_\_\_\_\_ and/or the Campus Project Director to \_\_\_\_\_.
- Article F. is amended to increase funds in the amount of \$ \_\_\_\_\_ and will read:  
  
Total State funds in the amount of \$ \_\_\_\_\_ have been allotted and are available for payment of allowable costs incurred under this Project Agreement. State will not reimburse Campus for costs exceeding the amount specified in this paragraph.
- Article F. is amended to change the cost share requirement and will read:  
  
Campus will cost-share \_\_\_\_\_ % of total costs during the amended term of this Project Agreement.
- Article F. is amended to change the source of Federal funds paid to Campus and will read:

Federal funds paid to Campus under this Project Agreement as amended are from Grant/Contract/Cooperative Agreement No. \_\_\_\_\_ from \_\_\_\_\_ under CFDA# \_\_\_\_\_. Federal regulations required to be passed through to Campus as part of this Project Agreement, and in accordance with the Master Agreement for Cooperative Projects between the State of New Hampshire and the University System of New Hampshire dated November 13, 2002, are attached to this document as revised Exhibit B, the content of which is incorporated herein as a part of this Project Agreement.

- Article G. is exercised to amend Article(s) \_\_\_\_\_ of the Master Agreement for Cooperative Projects between the State of New Hampshire and the University System of New Hampshire dated November 13, 2002, as follows:

Article \_\_\_\_\_ is amended in its entirety to read as follows:

Article \_\_\_\_\_ is amended in its entirety to read as follows:

- Article H. is amended such that:

- State has chosen not to take possession of equipment purchased under this Project Agreement.
- State has chosen to take possession of equipment purchased under this Project Agreement and will issue instructions for the disposition of such equipment within 90 days of the Project Agreement's end-date. Any expenses incurred by Campus in carrying out State's requested disposition will be fully reimbursed by State.

- Exhibit A is amended as attached.

- Exhibit B is amended as attached.

All other terms and conditions of the Cooperative Project Agreement remain unchanged.

This Amendment, all previous Amendments, the Cooperative Project Agreement, and the Master Agreement constitute the entire agreement between State and Campus regarding the Cooperative Project Agreement, and supersede and replace any previously existing arrangements, oral and written; further changes herein must be made by written amendment and executed for the parties by their authorized officials.

This Amendment and all obligations of the parties hereunder shall become effective on the date the Governor and Executive Council of the State of New Hampshire or other authorized officials approve this Amendment to the Cooperative Project Agreement.

REQUESTED ACTION

Authorize the Department of Environmental Services to enter into an agreement with the University of New Hampshire Stormwater Center, (VC# 177867) in the amount of \$75,000 to complete the *Great Bay Waterbody/Watershed Nitrogen Nonpoint Source Study Implementation: Phase 3: University of New Hampshire BMPs to Reduce Nitrogen*, effective upon Governor and Council approval through December 31, 2020. 100 % Federal Funds.

Funding is available in the account as follows:

03-44-44-442010-2035-072-500575 FY 2019  
Dept. Environmental Services, NPS Restoration Program, Grants-Federal \$75,000

EXPLANATION

The Department of Environmental Services (NHDES) issued a Request for Proposals (RFP) for the 2017/2018 Watershed Assistance Grants program. The twenty-one proposals received were ranked based on the criteria included in the RFP: water quality improvement or protection; cost/benefit ratio; local capacity to complete the project; relative value or significance of the water body; and, general quality and thoroughness of the proposal. Based on the results of the selection process and available federal grant funding levels, the six highest ranked implementation projects were selected to receive funding. Please see Attachment B for a list of project rankings and review team members.

Watershed Assistance grants focus on the reduction of nonpoint source (NPS) pollution. NPS pollution occurs when rainfall, snowmelt, or irrigation water runs over land or through the ground, transporting materials which are then deposited into rivers, lakes, and coastal waters, or introduced into the groundwater. Pollutants can include chemicals, sediments, nutrients, and toxics which often have harmful effects on drinking water supplies, recreation, fisheries, and wildlife. Land development or changes in land use can also cause NPS pollution by disrupting the natural hydrology of a water body, increasing impervious surfaces, and contributing to the loss of aquatic habitat. Watershed Assistance programs address NPS pollution by promoting good land use practices on a watershed scale.

UNH facilities will partner with the UNH Stormwater Center to implement best management practices (BMPs) that disconnect impervious cover at nitrogen loading hotspots in the Great Bay watershed. *The*

*Great Bay Nitrogen Non-Point Source Study* (GBNNPSS) identified stormwater as a significant source of the nonpoint source nitrogen load (34%) to the Great Bay. Nitrogen from stormwater has been identified by GBNNPSS as a significant source of the nonpoint source nitrogen load (34%) to the Great Bay. The project focuses on a 16.2 acre area along the southeastern portion of UNH Durham campus. This phase will focus on management of a 14.7 acre area which includes 12.5 acres of effective impervious cover (EIC). The project will disconnect and treat runoff through the implementation of an innovative subsurface gravel wetland prior to discharging to receiving waters. Disconnection of this EIC will lead to the overall annual reduction of 112 pounds of total nitrogen, 16 pounds of total phosphorus, and 7,800 pounds of sediment from the drainage area.

The improvements realized through this project will address stormwater quality and quantity, and are based on nitrogen loads from stormwater transport pathways, identified, modeled and reported in the GBNNPSS.

The total project costs are budgeted at \$125,025. NHDES will provide \$75,000 (60%) of the project costs through a Section 319 of the Clean Water Act, federal grant. A budget breakdown is provided in Attachment A. In the event that federal funds become no longer available, General funds will not be requested to support this program.

The agreement has been approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

**C. Objectives:** The improvements in this project will address stormwater quality and quantity, and are based on nitrogen loads from stormwater transport pathways, identified, modeled and reported in the Great Bay Nitrogen Non-Point Source Study (GBNNPSS).

University of New Hampshire (UNH) facilities will partner with the UNH Stormwater Center to implement two to three best management practices (BMPs) that disconnect impervious cover at nitrogen hotspots identified by the Municipal Bioretention Program. The GBNNPSS identified stormwater as a significant source of the nonpoint source nitrogen load (34%) to the Great Bay. Nitrogen from stormwater transport pathways have been identified by GBNNPSS as a significant source of the nonpoint source nitrogen load (34%) to the Great Bay. Phase 3 of this project will focus on management of 12.5 acres of impervious cover. Through the implementation of an innovative subsurface gravel wetland the project will disconnect and treat runoff prior to discharging to receiving waters. Treatment of this impervious cover will lead to the overall annual reduction of 112 pounds of total nitrogen, 16 pounds of total phosphorus, and 7,800 pounds of sediment from the drainage area.

### **D. Scope of Work:**

**Objective 1:** Develop an approved Site Specific Project Plan (SSPP) for impervious cover and pollutant load reduction calculations.

**Measures of Success:** An SSPP is developed and approved.

**Deliverables:** Final, approved SSPP is submitted to NHDES.

**Task 1.1** The SSPP is developed and reviewed.

**Task 1.2** Final SSPP is approved, signed, and submitted to NHDES.

**Objective 2:** Implement low impact development (LID) BMPs to treat stormwater runoff and pollution from two to three locations at a university parking lot, and provide construction oversight.

**Measures of Success:** Successful installation of LID treatments.

**Deliverables:** LID designs

**Task 2.1** Conduct site assessment for LID installations and select final locations.

**Task 2.2** Design two to three LID installations.

**Task 2.3** Develop a request for bids from contractors to construct LID stormwater improvements. Submit bid documents and solicitation to DES for review and approval. Review bid results and select the contractor to complete the work. Prepare contract documents and send them to DES for review and approval prior to execution. Execute documents to enter into a contract to complete construction.

- Task 2.4 Order materials.
- Task 2.5 Install LID at two to three locations.
- Task 2.6 Provide construction oversight for installations.

Objective 3: Calculate pollutant load and impervious cover reductions for LID installations.  
Measures of Success: Calculations are completed.

Deliverables: A report of pollutant load and impervious cover reductions is submitted to NHDES.

- Task 3.1 Calculate impervious cover and pollutant load reductions for installed BMPs.
- Task 3.2 Prepare report documenting impervious cover and pollutant load reductions and submit report to NHDES.

Objective 4: Document project and installation progress.

Measures of Success: Photo-documentation (pre- and post-construction) and design summaries prepared.

Deliverables: Documentation report with design summaries and photo-documentation.

- Task 4.1 Collect data for report to document project progress including pre- and post-construction photos, design summaries, and other material as needed.
- Task 4.2 Develop report documenting project progress and submit report to NHDES.

Objective 5: Develop Operation and Maintenance (O & M) plans for installed BMPs.

Measures of Success: The O & M plans are developed and delivered to BMP owners (UNH Facilities Services) and NHDES.

Deliverables: Final O & M plan.

- Task 5.1 Develop O & M plans for installed BMPs.
- Task 5.2 Provide O & M plans to BMP owners (UNH Facilities Services) and NHDES.

Objective 6: Complete project administration.

Measures of Success: Project administration tasks are carried out and completed.

Deliverables: Semi-annual reports, final report, payment requests, and match documentation are submitted to NHDES – Watershed Assistance Section.

Task 6.1 Submit electronic semi-annual reports documenting all work performed during the project periods as follows:

- Work completed April 1 – September 30, report is due by October 31
- Work completed October 1 – March 31, report is due by April 30

A Pollutants Controlled Report must be completed and received by NHDES within one month following BMP implementation. In the event that the grantee has not completed a timely submittal of the progress reports, all further payments will be suspended until the overdue reports are submitted, and approved by NHDES.

Task 6.2 Submit Payment Requests, Match Documentation, and Procurement Documentation to NHDES.

Task 6.3 Submit a comprehensive final report to NHDES on or before the project completion date. The final report shall include load reduction estimates, photo-documentation of installed system components when applicable, and comply with the NHDES and U.S.

Environmental Protection Agency requirements found in the final report guidance document on the NHDES Watershed Assistance Section webpage.

Task 6.4 Conduct project and contract management and coordination.

**E. Budget and Invoicing Instructions:** Using standard Campus invoices, Campus shall submit requests for payment and documentation of the completion of Tasks as detailed in Attachment A: Scope of Work and Deliverables. Upon receipt and approval by the State Project Director of the Tasks and Deliverables specified within Attachment A and associated invoices, State will issue payment within 30 days to Campus in accordance with the payment schedule as follows:

Upon completion and NHDES approval of Task 1.1	\$500
Upon completion and NHDES approval of Task 1.2	\$500
Upon completion and NHDES approval of Task 2.1	\$11,875
Upon completion and NHDES approval of Task 2.2	\$23,750
Upon completion and NHDES approval of Task 2.3	\$10,500
Upon completion and NHDES approval of Task 2.4	\$5,875
Upon completion and NHDES approval of Tasks 2.5 and 2.6	\$6,000
Upon completion and NHDES approval of Task 3.1	\$1,000
Upon completion and NHDES approval of Task 3.2	\$1,000
Upon completion and NHDES approval of Task 4.1	\$500
Upon completion and NHDES approval of Task 4.2	\$500
Upon completion and NHDES approval of Task 5.1 and 5.2	\$500
Upon completion and NHDES approval of Task 6.1	\$2,000
Upon completion and NHDES approval of Task 6.2	\$3,000
Upon completion and NHDES approval of Task 6.3	\$3,000
Upon completion and NHDES approval of Task 6.4	\$4,500
<b>Total</b>	<b>\$75,000</b>

The total reimbursement shall not exceed the grant award of \$75,000.

**F. Funding Credit:** All materials produced for public distribution shall be reviewed and approved by State Project Director prior to distribution and when appropriate shall include a the NHDES logo and the following citation: "Funding for this project was provided in part by a Watershed Assistance Grant from the NH Department of Environmental Services with Clean Water Act Section 319 fund from the U.S. Environmental Protection Agency".

## EXHIBIT B

This Project Agreement is funded under a Grant/Contract/Cooperative Agreement to State from the Federal sponsor specified in Project Agreement article F. All applicable requirements, regulations, provisions, terms and conditions of this Federal Grant/Contract/Cooperative Agreement are hereby adopted in full force and effect to the relationship between State and Campus, except that wherever such requirements, regulations, provisions and terms and conditions differ for INSTITUTIONS OF HIGHER EDUCATION, the appropriate requirements should be substituted (e.g., OMB Circulars A-21 and A-110, rather than OMB Circulars A-87 and A-102). References to Contractor or Recipient in the Federal language will be taken to mean Campus; references to the Government or Federal Awarding Agency will be taken to mean Government/Federal Awarding Agency or State or both, as appropriate.

Special Federal provisions are listed here:  None or  **Uniform Guidance issued by the Office of Management and Budget (OMB) in lieu of Circulars listed in paragraph above.**

**EXPLANATION**

The State Opioid Response (SOR) Grant was initially awarded to NH in Sept. 2018. The purpose of the grant is to address the Opioid Crisis through the enhancement of prevention, treatment, and recovery services and supports to individuals impacted by opioid addiction. The cornerstone of NH's efforts are the nine regionally located Doorways, which provide entry points to the system of care. SOR also utilizes the 2-1-1 call center and a comprehensive website with resource information. The Doorways provide screenings and clinical assessments to identify needs and result in referrals to the network of community based treatment and recovery services and supports. The Doorways also provide support in meeting additional needs for insurance, housing, employment, and education. SOR funding is also being used to improve treatment provider capacity, increase delivery of evidence-based Medication Assisted Treatment (MAT), provide education about and access to Naloxone, and build the network of peer-run recovery community centers and availability of recovery housing. DHHS has recently been awarded additional funding to continue NH's SOR efforts, as well as received a no cost extension of the original SOR funding.

The funds are to be budgeted as follows:

- Funds in class 20, Current Expenses, is used for general office supplies, postage and data collection stipends.
- Funds in class 38, Technology – Software, is used for software licenses for program staff.
- Funds in class 39, Telecommunications, is used for phones for program staff.
- Funds in class 41, Audit Fund Set Aside, is used for audit fund set aside paid to Department of Administrative Services.

Funds in class 42, Additional Fringe Benefits, is used for post-retiree benefits.  
Funds in class 59, Temp Full Time, is used for existing program staff positions.  
Funds in class 60, Benefits, is used for existing program staff positions.  
Funds in class 70, In State Travel Reimbursement, is used for travel expenses associated with program staff visiting provider locations around the state.  
Funds in class 85, Interagency Transfer Out of Fed Funds, is used for contracts with other state agencies to provide services.  
Funds in class 102, Contracts for Program Services, is used for contracts with various providers for access, prevention, treatment, recovery and housing services.

The following is provided in accordance with the Budget Officer's instructional memorandum, dated April 17, 1985, in support of the requested actions:

1. Does the transfer involve continuing programs or one-time projects?  
Transfers are for continuing programs.
2. Is this transfer required to maintain existing program level or will it increase program level?  
Transfers are to maintain existing program levels.
3. Cite any requirements, which make this program necessary.  
These programs are supported 100% by Federal Funds through the Substance Abuse and Mental Health Services Administration, State Opioid Response Grant CDFA 93.788.
4. Identify the source of funds on all account listed on this transfer.  
100% Federal Funds
5. Will there be an effect on revenue is this transfer is approved or disapproved?  
DHHS draws the revenue based on actual expenditures, the transfer will not have any effect on revenues to be drawn for actual expenditures.
6. Are funds expected to lapse is this transfer is not approved?  
No.
7. Are personal services involved?  
There are personal services involved in the program, but this transfer does not result in any new positions.

Area served: Statewide.

Source of Funds: 100% Federal Funds

In the event that Federal Funds become no longer available, general funds will not be requested to support the program expenditures.

Respectfully submitted,

Lori A. Shibinette  
Commissioner

The Honorable Mary Jane Wallner, Chairman  
Fiscal Committee of the General Court

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Pursuant to the provisions of RSA 9:16-a, Transfers Authorized, authorize the Department of Health and Human Services, New Hampshire Hospital, to transfer general funds in the amount of \$753,000 and other funds in the amount of \$957,000 between various class lines. The transfers are summarized and detailed in the attached worksheets, effective upon approval of the Fiscal Committee and the Governor and Executive Council through June 30, 2021. 44% General Funds, 56% Other Agency Funds

**EXPLANATION**

The Department of Health and Human Services is requesting authorization to transfer funds between various class lines in order to address staffing challenges with anticipated surpluses within the Department's authorized budget. Expenditure patterns for SFY 2021 to date have been analyzed and taken into consideration savings from vacant positions when projecting expenditures for the balance of the fiscal year. Based upon this review, the vacancy savings will be utilized to fund contracts for staffing placement services. This transfer will provide for the continued efficient operation of the Department.

The following is the information specifically required when transfers are requested, in accordance with the Budget Officer's instructional memorandum dated April 17, 1985, to support the above requested actions:

- A. Justification:  
See the attached Appendix B for justification of the availability of funds and required additional funds.
- B. Does this transfer involve continuing programs or one-time projects?  
This transfer involves continuing programs.
- C. Is this transfer required to maintain existing program levels or will it increase the program?  
This transfer is required to maintain existing program levels.
- D. Cite any requirements which make this program mandatory.  
The programs of the Department are mandated by various state and federal laws.
- E. Identify the source of funds on all accounts listed on this transfer.  
See Appendix A for the source of funds for all accounts.

Page 2 of 2

- F. Will there be any effect on revenue if this transfer is not approved?  
This request is revenue neutral.
- G. Are funds expected to lapse if this transfer is not approved?  
Funds that are in excess of the budget would lapse if not transferred to cover shortfalls.
- H. Are personnel services involved?  
Yes, this transfer will allow the department to contract for temp-to-hire staffing services.

The Department has conducted a detailed review of line items in the budget to ensure that available funds are maximized to the greatest degree possible.

Respectfully submitted,

Lori A Shibinette  
Commissioner

**EXPLANATION**

This request is being made to accept the additional grant funds available for SFY 2021 to administer the Title II/Formula Grant from the Office of Juvenile Justice and Delinquency Prevention in compliance with conditions set forth in the applicable Program Instructions, terms and conditions, Department regulations, and OMB Circulars.

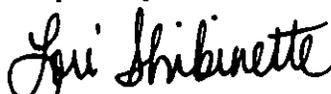

Funds will be budgeted in Class 041 – Audit Fund Set Aside to pay for audit costs per State requirements. Funds will also be budgeted in Class 102 – Contract Services to provide necessary expertise when delivering Implicit Bias Training to the Division for Children, Youth and Families (DCYF) Juvenile Justice Services (JJS) staff and other stakeholders, as determined for pilot implementation, by utilizing in-house experts and subcontractors with experience in curriculum development, design, coordination and youth outreach in order to maximize program development and training delivery. The Contractor will provide all training services at the approval of the Department with the advice and recommendation of the NH State Advisory Group (SAG) for Juvenile Justice. Implicit Bias training is one of many foundational trainings that will aid the population to better understand their own bias. By understanding their bias, these populations will make more informed decisions about youth, with the goal of keeping them out of the juvenile justice system.

Area served: Statewide.

Source of Funds: 100% Federal Funds.

If Federal Funds become no longer available, General Funds will not be requested to support the program expenditures.

**EXPLANATION**

The Department of Health and Human Services, DCYF is requesting authorization to transfer funds between class lines in order to properly align with the Department of Administrative Services inter-agency transfer protocols.

The following is the information specifically required when transfers are requested, in accordance with the Budget Officer's instructional memorandum dated April 17, 1985, to support the above requested actions:

- A. **Justification:**  
This request is necessary in order to encumber an agreement with the Department of Corrections in the correct expense class in accordance with DAS inter-agency transfer protocols. It was unknown at the time of the FY20-FY21 budget development that the Department would be entering into this agreement.
- B. **Does this transfer involve continuing programs or one-time projects?**  
This transfer involves continuing programs.
- C. **Is this transfer required to maintain existing program levels or will it increase the program?**  
This transfer is required to maintain existing program levels.
- D. **Cite any requirements which make this program mandatory.**  
The programs of the Department are mandated by various state and federal laws.
- E. **Identify the source of funds on all accounts listed on this transfer.**  
100% General Funds.
- F. **Will there be any effect on revenue if this transfer is not approved?**  
No.
- G. **Are funds expected to lapse if this transfer is not approved?**  
Funds that are in excess of the budget would lapse if not transferred to cover the existing contract.
- H. **Are personnel services involved?**  
No positions are being transferred as a result of this request.

Area served: Statewide.

Source of Funds: 100% General Funds

Respectfully submitted,

Lori A. Shibinette

**EXPLANATION**

This request is **Sole Source** because the Contractor is uniquely positioned as an accredited educational facility with the only certified child abuse and neglect pediatrician in NH. The Contractor also possess a statewide network of health care facilities and access to trainers that would satisfy the any future anticipated business or legislative requirements. Additionally, the Contractor has numerous public and private partnerships that would allow for the successful administration of this program.

The purpose of this request is to provide on-call access 24 hours a day, 7 days a week to experienced health care professionals who are trained in and can advise on the standardized diagnostic methods, treatment, and disposition of suspected child sexual abuse and physical abuse. Dartmouth Hitchcock's Child Advocacy and Protection Program (CAPP) will conduct physical examinations of children who are suspected victims of multiple types of abuse, and provide the Division for Children, Youth and Families (DCYF) with medical opinions based on these examinations. Dartmouth Hitchcock will also provide case reviews of other specific cases, at the request of DCYF, and consultation to DCYF when necessary. The Contractor will also provide training, as requested by DCYF.

The Contractor will provide nurses and child protective service workers performing screenings and assessments of reported cases of child abuse pre-service training in the standardized medical diagnostic methods, treatment, and disposition. Further, the Contractor will periodically have health care providers, experienced in child abuse and neglect, provide in-service training. Health care professionals who participate in the training or are members of a multidisciplinary team, working with the Department of Health and Human Services or law enforcement, will participate in periodic peer or expert review of their evaluations and undertake continuing education in the medical evaluation of child abuse and neglect according to professional standards.

The population to be served are children involved with DCYF investigations, who are suspected victims of child abuse or neglect. These services are needed because DCYF, through its investigative process, often requires the expert opinion of appropriately trained medical professionals who specialize in the evaluation and diagnosis of child abuse and neglect. Approximately 1,000 individuals will be served from October 7, 2020, to June 30, 2022.

The Department will monitor contracted services by ensuring:

- 90% of all clients will be contacted and offered a family appointment within ten (10) days of CAPP receiving the referral from DCYF.

- 80% of all cases referred to CAPP by the Department will have received a completed evaluation and assessment within two (2) months of the referral from DCYF if the family agrees to the CAPP evaluation.
- 10% increase in medical providers recruited to be CAPP consultants annually.
- 100% of medical providers participate in a minimum of five (5) peer review sessions annually.

As referenced in Exhibit A, Revisions to Standard Contract Provisions, Section 1.2, of the attached contract, the parties have the option to extend the agreement for up four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval.

Should the Governor and Council not authorize this request children who are alleged victims of physical and sexual abuse will not have access to these specialized evaluations to ensure they receive appropriate treatment and services.

Area served: Statewide

Source of Funds: Medicaid CFDA#93.778

The Department will request General Funds in the event that Federal Funds are no longer available and services are still needed.

Lori A. Shabinette  
Commissioner

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

## 9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

submit to the State a Transition Plan for services under the Agreement.

## 10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

## 12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. **INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

#### 15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. **CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. **CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. **HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. **SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. **SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. **ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

**EXHIBIT A**

**REVISIONS TO STANDARD CONTRACT PROVISIONS**

**1. Revisions to Form P-37, General Provisions**

- 1.1. Paragraph 3, Subparagraph 3.2, Effective Date/Completion of Services, is deleted in its entirety and replaced as follows:
  - 3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must use reasonable efforts to complete all Services by the Completion Date specified in block 1.7.
- 1.2. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:
  - 3.3. The parties may extend the Agreement for up to four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.
- 1.3. Paragraph 7, Subparagraph 7.1, Personnel, is deleted in its entirety and replaced as follows:
  - 7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor certifies that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
- 1.4. Paragraph 9, Subparagraph 9.1, Termination, is amended to include the following language:
  - 9.1 Contractor may terminate the Agreement by providing the State with thirty (30) days advance written notice if the State fails to pay the undisputed amount of any expense report submitted by Contractor pursuant to Exhibit C within thirty (30) days after the date of the report; however, upon receipt of such notification the State has an additional twenty (20) days to make payment of undisputed amounts to avoid termination.
- 1.5. Paragraph 9, Subparagraph 9.2, Termination, is deleted in its entirety and is replaced as follows:
  - 9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15)

**EXHIBIT A**

days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B.

- 1.6. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:
  - 12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed and how corrective action shall be managed if the subcontractor's performance is inadequate. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.
- 1.7. Paragraph 13, Indemnification, is deleted in its entirety and replaced as follows:
  13. **CONTRACTOR LIABILITY.** The Contractor is responsible and liable for any personal injury or property damages caused by its, its employees, agents, contractors and subcontractors' action or omission.
- 1.8. Paragraph 14, Subparagraph 14.1.2, Insurance, is deleted in its entirety and replaced as follows:
  - 14.1.2. Professional liability insurance in the amount of \$1,000,000 per occurrence and \$3,000,000 per annual aggregate.
- 1.9. Paragraph 14, Subparagraph 14.2, is deleted in its entirety and is replaced as follows:
  - 14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance.

New Hampshire Department of Health and Human Services  
Special Medical Evaluation Services

**EXHIBIT B**

- 4.1.1. 90% of all clients will be contacted and offered a family appointment within ten (10) days of CAPP receiving the referral from DCYF.
- 4.1.2. 80% of all cases referred to CAPP by the Department will have received a completed evaluation and assessment within two (2) months of the referral from DCYF if family agrees to the CAPP evaluation.
- 4.1.3. 10% increase in medical providers recruited to be CAPP consultants annually.
- 4.1.4. 100% of medical providers participate in a minimum of five (5) peer review sessions annually.
- 4.2. The Contractor shall actively and regularly collaborate with the Department to enhance contract management, improve results, and adjust program delivery and policy based on successful outcomes.
- 4.3. The Contractor may be required to provide other key data and metrics to the Department, including client-level demographic, performance, and service data.
- 4.4. Where applicable, the Contractor shall collect and share data with the Department in a format specified by the Department.

**5. Additional Terms**

**5.1. Impacts Resulting from Court Orders or Legislative Changes**

- 5.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

**5.2. Culturally and Linguistically Appropriate Services (CLAS)**

- 5.2.1. The Contractor shall submit and comply with a detailed description of the language assistance services they will provide to persons with limited English proficiency and/or hearing impairment to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

**5.3. Credits and Copyright Ownership**

- 5.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement, "The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services."

**EXHIBIT B**

5.3.2. The Contractor shall not reproduce any materials produced under the contract without prior written approval from the Department.

**6. Force Majeure**

6.1.1. Any delays in performance by a party under the contract shall not be considered a breach of the contract if and to the extent caused by occurrences beyond the reasonable control of the party affected: acts of God, embargoes, governmental restrictions, strikes, pandemics, fire, earthquake, flood, explosion, riots, wars, civil disorder, rebellion, or sabotage. The party suffering such occurrence shall immediately notify the other party of the occurrence of the Force Majeure event (in reasonable detail) and the expected duration of the event's effect on the party. A disruption in a party's performance due to Force Majeure extending beyond a stated period may be the cause for termination of the Contract at the sole discretion of the State. The State reserves the right to extend any time for performance by the actual time of the delay caused by the occurrence, provided that the party affected by the event uses reasonable efforts to overcome such delay. Notwithstanding anything in this provision, Force Majeure shall not include the novel coronavirus COVID-19 pandemic, which is ongoing as of the date of the execution of this Contract. In the event that the Contractor's performance under the contract may be delayed due to a supply chain disruption or shortage and/or other similar occurrences completely outside of Contractor's control, the Contractor must notify the State of such delay and the State, at its sole discretion, may modify the delivery of services due to the circumstances. Said discretion on the part of the State to modify the delivery of services will not be unreasonably withheld, delayed, or conditioned.

**7. Records**

- 7.1. The Contractor shall keep records that include, but are not limited to:
- 7.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.
  - 7.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

**CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS  
US DEPARTMENT OF EDUCATION - CONTRACTORS  
US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner  
NH Department of Health and Human Services  
129 Pleasant Street,  
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
  - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
    - 1.2.1. The dangers of drug abuse in the workplace;
    - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
    - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
    - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
  - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
    - 1.4.1. Abide by the terms of the statement; and
    - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
  - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

- 1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
  - 1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - 1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- 1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

- \*Medicaid Program under Title XIX
- \*Community Services Block Grant under Title VI
- \*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-1.)
3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION  
AND OTHER RESPONSIBILITY MATTERS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

*SPM*

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
  - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
  - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).
14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

**CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO  
FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND  
WHISTLEBLOWER PROTECTIONS**

The Vendor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Vendor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;
- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;
- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);
- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;
- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;
- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;
- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;
- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;
- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

**CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE**

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Vendor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Vendor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

- a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
  - I. For the proper management and administration of the Business Associate;
  - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
  - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

SAK

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

**(3) Obligations and Activities of Business Associate.**

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
  - o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
  - o The unauthorized person used the protected health information or to whom the disclosure was made;
  - o Whether the protected health information was actually acquired or viewed
  - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within five (5) business days of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

- pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.
- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
  - g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
  - h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
  - i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
  - j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
  - k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within five (5) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
  - l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

**(4) Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

**(5) Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

**(6) Miscellaneous**

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

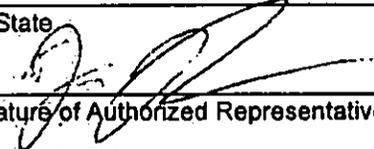

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

**CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY  
ACT (FFATA) COMPLIANCE**

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than \$25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of \$25,000 or more. If the initial award is below \$25,000 but subsequent grant modifications result in a total award equal to or over \$25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
  - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25M annually and
  - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic documents or mail.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.
8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.
9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.
10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.
11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.
12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

**I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR**

**A. Business Use and Disclosure of Confidential Information.**

1. The Contractor must not use, disclose, maintain or transmit Confidential Information

New Hampshire Department of Health and Human Services

DHHS Security Requirements

Exhibit K

except as required or permitted under this Contract or required by law. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If Contractor is transmitting DHHS Data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. Contractor may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS Data.
3. Encrypted Email. Contractor may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If Contractor is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. Contractor may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. Contractor may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If Contractor is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. Contractor may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If Contractor is employing remote communication to

New Hampshire Department of Health and Human Services

DHHS Security Requirements

Exhibit K

access or transmit Confidential Data, a secure method of transmission or remote access, which complies with the terms and conditions of Exhibit K, must be used.

10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If Contractor is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If Contractor is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

### III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain DHHS Data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have thirty (30) days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or, if it is infeasible to return or destroy DHHS Data, protections are extended to such information, in accordance with the termination provisions in this Section. To this end, the parties must:

#### A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems accessed or utilized for purposes of carrying out this contract.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting DHHS Confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, current, updated, and

maintained anti-malware (e.g. anti-viral, anti-hacker, anti-spam, anti-spyware) utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

If the Contractor maintains any Confidential Information on its systems (or its sub-contractor systems) and it has not done so previously, the Contractor will implement policies and procedures to ensure that any storage media on which such data maybe recorded will be rendered unreadable and that the data will be un-recoverable when the storage media is disposed of. Upon request, the Contractor will provide the Department with copies of these policies and with written documentation demonstrating compliance with the policies. The written documentation will include all details necessary to demonstrate data contained in the storage media has been rendered unreadable and un-recoverable. Where applicable, regulatory and professional standards for retention requirements may be jointly evaluated by the State and Contractor prior to destruction.

1. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media

DHHS Security Requirements

Exhibit K

used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.
4. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will ensure End-User will maintain an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.
5. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.
6. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.
7. The Contractor will not store any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.
8. Data Security Breach Liability. In the event of any computer security incident, incident, or breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.
9. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of, HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) and 42 C.F.R. Part 2 that govern protections for individually identifiable

health information and as applicable under State law.

10. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at <https://www.nh.gov/doiit/vendor/index.htm> for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.
11. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor must notify the DHHS Security Office and the Program Contact via the email addresses provided in Section VI of this Exhibit, immediately upon the Contractor determining that a breach or security incident has occurred and that DHHS confidential Information/data may have been exposed or compromised. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.
12. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.
13. The Contractor is responsible for End User oversight and compliance with the terms and conditions of the contract and Exhibit K.

DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

**V. LOSS REPORTING**

The Contractor must immediately notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches as specified in Section IV, paragraph 11 above.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with DHHS's documented Incident Handling and Breach Notification procedures and in accordance with the HIPAA, Privacy and Security Rules. In addition

## Report of Independent Auditors

To the Board of Trustees of  
Dartmouth-Hitchcock Health and subsidiaries

We have audited the accompanying consolidated financial statements of Dartmouth-Hitchcock Health and its subsidiaries (the "Health System"), which comprise the consolidated balance sheets as of June 30, 2019 and 2018, and the related consolidated statements of operations and changes in net assets and of cash flows for the years then ended.

### *Management's Responsibility for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on the consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Health System's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health System's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Dartmouth-Hitchcock Health and its subsidiaries as of June 30, 2019 and 2018, and the results of their operations, changes in net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Emphasis of Matter***

As discussed in Note 2 to the consolidated financial statements, the Health System changed the manner in which it accounts for revenue recognition from contracts with customers and the manner in which it presents net assets and reports certain aspects of its financial statements as a not-for-profit entity in 2019. Our opinion is not modified with respect to this matter.

***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The consolidating information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole. The consolidating information is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of its operations, changes in net assets and cash flows of the individual companies and is not a required part of the consolidated financial statements. Accordingly, we do not express an opinion on the financial position, results of operations, changes in net assets and cash flows of the individual companies.

**1. Organization and Community Benefit Commitments**

Dartmouth-Hitchcock Health (D-HH) serves as the sole corporate member of the following entities: Dartmouth-Hitchcock Clinic and Subsidiaries (DHC), Mary Hitchcock Memorial Hospital and Subsidiaries (MHMH), (DHC and MHMH together are referred to as D-H), The New London Hospital Association and Subsidiaries (NLH), Windsor Hospital Corporation (d/b/a Mt. Ascutney Hospital and Health Center) and Subsidiaries (MAHHC), Cheshire Medical Center and Subsidiaries (Cheshire), Alice Peck Day Memorial Hospital and, effective July 1, 2018, Subsidiary (APD), and the Visiting Nurse and Hospice for Vermont and New Hampshire and Subsidiaries (VNH). The "Health System" consists of D-HH, its members and their subsidiaries.

The Health System currently operates one tertiary, one community and three acute care (critical access) hospitals in New Hampshire (NH) and Vermont (VT). One facility provides inpatient and outpatient rehabilitation medicine and long-term care. The Health System also operates multiple physician practices, a nursing home, a continuing care retirement community, and a home health and hospice service. The Health System operates a graduate level program for health professions and is the principal teaching affiliate of the Geisel School of Medicine (Geisel), a component of Dartmouth College.

D-HH, Dartmouth-Hitchcock Clinic, Mary Hitchcock Memorial Hospital, The New London Hospital Association, Cheshire Medical Center, and Alice Peck Day Memorial Hospital are NH not-for-profit corporations exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC). Windsor Hospital Corporation and the Visiting Nurse and Hospice of VT and NH are VT not-for-profit corporations exempt from federal income taxes under Section 501(c)(3) of the IRC.

**Community Benefits**

The mission of the Health System is to advance health through clinical practice and community partnerships, research and education, providing each person the best care, in the right place, at the right time, every time.

Consistent with this mission, the Health System provides high quality, cost effective, comprehensive, and integrated healthcare to individuals, families, and the communities it serves regardless of a patient's ability to pay. The Health System actively supports community-based healthcare and promotes the coordination of services among healthcare providers and social services organizations. In addition, the Health System also seeks to work collaboratively with other area healthcare providers to improve the health status of the region. As a component of an integrated academic medical center, the Health System provides significant support for academic and research programs.

Certain member hospitals of the Health System file annual Community Benefits Reports with the State of NH which outline the community and charitable benefits each provides. VT hospitals are not required by law to file a state community benefit report. The categories used in the Community Benefit Reports to summarize these benefits are as follows:

- *Community Health Services* include activities carried out to improve community health and could include community health education (such as classes, programs, support groups, and materials that promote wellness and prevent illness), community-based clinical services (such as free clinics and health screenings), and healthcare support services (enrollment assistance in public programs, assistance in obtaining free or reduced costs medications, telephone information services, or transportation programs to enhance access to care, etc.).

- *Health Professions Education* includes uncompensated costs of training medical students, Residents, nurses, and other health care professionals
- *Subsidized health services* are services provided by the Health System, resulting in financial losses that meet the needs of the community and would not otherwise be available unless the responsibility was assumed by the government.
- *Research support and other grants* represent costs in excess of awards for numerous health research and service initiatives awarded to the organizations within the Health System.
- *Financial Contributions* include financial contributions of cash, as well as in-kind contributions such as time, supplies, and expertise to local organizations to address community health needs.
- *Community-Building Activities* include expenses incurred to support the development of programs and partnerships intended to address public health challenges as well as social and economic determinants of health. Examples include physical improvements and housing, economic development, support system enhancements, environmental improvements, leadership development and training for community members, community health improvement advocacy, and workforce enhancement.
- *Community Benefit Operations* includes costs associated with staff dedicated to administering benefit programs, community health needs assessment costs, and other costs associated with community benefit planning and operations.
- *Charity Care and Costs of Government Sponsored Health Care* includes losses, at-cost, incurred by providing health care services to persons qualifying for hospital financial assistance programs, and uncompensated costs of providing health care services to patients who are Medicaid Beneficiaries.
- *The uncompensated cost of care for Medicaid patients* reported in the unaudited Community Benefits Reports for 2018 was approximately \$139,683,000. The 2019 Community Benefits Reports are expected to be filed in February 2020.

The following table summarizes the value of the community benefit initiatives outlined in the Health System's most recently filed Community Benefit Reports for the year ended June 30, 2018:

*(in thousands of dollars)*

Government-sponsored healthcare services	\$ 246,064

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

The consolidated financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, and have been prepared consistent with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 954, *Healthcare Entities*, which addresses the accounting for healthcare entities. The net assets, revenue, expenses, and gains and losses of healthcare entities are classified based on the existence or absence of donor-imposed restrictions.

Accordingly, net assets without donor restrictions are amounts not subject to donor-imposed stipulations and are available for operations. Net assets with donor restrictions are those whose use has been limited by donors to a specific time period or purpose, or whose use has been restricted by donors to be maintained in perpetuity. All significant intercompany transactions have been eliminated upon consolidation.

**Use of Estimates**

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. The most significant areas that are affected by the use of estimates include implicit and explicit pricing concessions, valuation of certain investments, estimated third-party settlements, insurance reserves, and pension obligations. Actual results may differ from those estimates.

**Excess of Revenue over Expenses**

The consolidated statements of operations and changes in net assets include the excess of revenue over expenses. Operating revenues consist of those items attributable to the care of patients, including contributions and investment income on investments of net assets without donor restrictions, which are utilized to provide charity and other operational support. Peripheral activities, including contribution of net assets without donor restrictions from acquisitions, loss on early extinguishment of debt, loss due to swap termination, realized gains/losses on sales of investment securities and changes in unrealized gains/losses in investments are reported as non-operating gains (losses).

Changes in net assets without donor restrictions which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purpose of acquiring such assets), change in funded status of pension and other postretirement benefit plans, and the effective portion of the change in fair value of interest rate swaps.

**Charity Care**

The Health System provides care to patients who meet certain criteria under their financial assistance policies without charge or at amounts less than their established rates. Because the Health System does not anticipate collection of amounts determined to qualify as charity care, they are not reported as revenue.

## Dartmouth-Hitchcock Health and Subsidiaries

### Consolidated Notes to Financial Statements

#### June 30, 2019 and 2018

---

The Health System grants credit without collateral to patients. Most are local residents and are insured under third-party arrangements. The amount of charges for implicit price concessions is based upon management's assessment of historical and expected net collections, business and economic conditions, trends in federal and state governmental healthcare coverage, and other collection indicators (Notes 1 and 4).

#### **Patient Service Revenue**

The Health System applies the accounting provisions of ASC 606, *Revenue from Contracts with Customers* (ASC 606). Patient service revenue is reported at the amount of consideration to which the Health System expects to be entitled from patients, third party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors and implicit pricing concessions. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as estimates change or final settlements are determined (Note 4).

#### **Contracted Revenue**

The Health System has various Professional Service Agreements (PSAs), pursuant to which certain organizations purchase services of personnel employed by the Health System and also lease space and equipment. Revenue pursuant to these PSAs and certain facility and equipment leases and other professional service contracts have been classified as contracted revenue in the accompanying consolidated statements of operations and changes in net assets.

#### **Other Revenue**

The Health System recognizes other revenue which is not related to patient medical care but is central to the day-to-day operations of the Health System. Other revenue primarily consists of revenue from retail pharmacy, which the Health System records as customer revenues in the amounts that reflect the consideration to which it expects to be entitled in exchange for the prescription. Other revenue also includes joint operating agreements, grant revenue, cafeteria sales and other support service revenue.

#### **Cash Equivalents**

Cash equivalents include investments in highly liquid investments with maturities of three months or less when purchased, excluding amounts where use is limited by internal designation or other arrangements under trust agreements or by donors.

#### **Investments and Investment Income**

Investments in equity securities with readily determinable fair values, mutual funds and pooled/commingled funds, and all investments in debt securities are considered to be trading securities reported at fair value with changes in fair value included in the excess of revenues over expenses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 7).

Investments in pooled/commingled investment funds, private equity funds and hedge funds that represent investments where the Health System owns shares or units of funds rather than the underlying securities in that fund are valued using the equity method of accounting with changes in value recorded in the excess of revenues over expenses. All investments, whether held at fair value or under the equity method of accounting, are reported at what the Health System believes to be the amount they would expect to receive if it liquidated its investments at the balance sheet dates on a nondistressed basis.

## Dartmouth-Hitchcock Health and Subsidiaries

### Consolidated Notes to Financial Statements

#### June 30, 2019 and 2018

---

Certain members of the Health System are partners in a NH general partnership established for the purpose of operating a master investment program of pooled investment accounts. Substantially all of the Health System's board-designated and assets with donor restrictions, such as endowment funds, were invested in these pooled funds by purchasing units based on the market value of the pooled funds at the end of the month prior to receipt of any new additions to the funds. Interest, dividends, and realized and unrealized gains and losses earned on pooled funds are allocated monthly based on the weighted average units outstanding at the prior month-end.

Investment income or losses (including change in unrealized and realized gains and losses on investments, change in value of equity method investments, interest, and dividends) are included in the excess of revenue over expenses and classified as non-operating gains and losses, unless the income or loss is restricted by donor or law (Note 9).

#### **Fair Value Measurement of Financial Instruments**

The Health System estimates fair value based on a valuation framework that uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy, as defined by ASC 820, *Fair Value Measurements and Disclosures*, are described below:

- Level 1      Unadjusted quoted prices in active markets that are accessible at the measurement date for assets or liabilities.
- Level 2      Prices other than quoted prices in active markets that are either directly or indirectly observable as of the date of measurement.
- Level 3      Prices or valuation techniques that are both significant to the fair value measurement and unobservable.

The Health System applies the accounting provisions of Accounting Standards Update (ASU) 2009-12, *Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)* (ASU 2009-12). ASU 2009-12 allows for the estimation of fair value of investments for which the investment does not have a readily determinable fair value, to use net asset value (NAV) per share or its equivalent as a practical expedient, subject to the Health System's ability to redeem its investment.

The carrying amount of patient accounts receivable, prepaid and other current assets, accounts payable and accrued expenses approximates fair value due to the short maturity of these instruments.

#### **Property, Plant, and Equipment**

Property, plant, and equipment, and other real estate are stated at cost at the time of purchase or fair value at the time of donation, less accumulated depreciation. The Health System's policy is to capitalize expenditures for major improvements and to charge expense for maintenance and repair expenditures which do not extend the lives of the related assets. The provision for depreciation has been determined using the straight-line method at rates which are intended to amortize the cost of assets over their estimated useful lives which range from 10 to 40 years for buildings and improvements, 2 to 20 years for equipment, and the shorter of the lease term, or 5 to 12 years, for leasehold improvements. Certain software development costs are amortized using the straight-line method over a period of up to 10 years. Net interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

## Dartmouth-Hitchcock Health and Subsidiaries

### Consolidated Notes to Financial Statements

#### June 30, 2019 and 2018

---

The fair value of a liability for legal obligations associated with asset retirements is recognized in the period in which it is incurred, if a reasonable estimate of the fair value of the obligation can be made. When a liability is initially recorded, the cost of the asset retirement obligation is capitalized by increasing the carrying amount of the related long-lived asset. Over time, the liability is accreted to its present value each period and the capitalized cost associated with the retirement is depreciated over the useful life of the related asset. Upon settlement of the obligation, any difference between the actual cost to settle the asset retirement obligation and the liability recorded is recognized as a gain or loss in the consolidated statements of operations and changes in net assets.

Gifts of capital assets such as land, buildings, or equipment are reported as support, and excluded from the excess of revenue over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of capital assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire capital assets are reported as restricted support. Absent explicit donor stipulations about how long those capital assets must be maintained, expirations of donor restrictions are reported when the donated or acquired capital assets are placed in service.

#### **Bond Issuance Costs**

Bond issuance costs, classified on the consolidated balance sheets within long-term debt, are amortized over the term of the related bonds. Amortization is recorded within interest expense in the consolidated statements of operations and changes in net assets using the straight-line method which approximates the effective interest method.

#### **Intangible Assets and Goodwill**

The Health System records within other assets on the consolidated balance sheets goodwill and intangible assets such as trade names and leases-in-place. The Health System considers trade names and goodwill to be indefinite-lived assets, assesses them at least annually for impairment or more frequently if certain events or circumstances warrant and recognizes impairment charges for amounts by which the carrying values exceed their fair values. The Health System has recorded \$10,524,000 and \$2,462,000 as intangible assets associated with its affiliations as of June 30, 2019 and 2018, respectively.

#### **Derivative Instruments and Hedging Activities**

The Health System applies the provisions of ASC 815, *Derivatives and Hedging*, to its derivative instruments, which require that all derivative instruments be recorded at their respective fair values in the consolidated balance sheets.

On the date a derivative contract is entered into, the Health System designates the derivative as a cash-flow hedge of a forecasted transaction or the variability of cash flows to be received or paid related to a recognized asset or liability. For all hedge relationships, the Health System formally documents the hedging relationship and its risk-management objective and strategy for undertaking the hedge, the hedging instrument, the nature of the risk being hedged, how the hedging instrument's effectiveness in offsetting the hedged risk will be assessed, and a description of the method of measuring ineffectiveness. This process includes linking cash-flow hedges to specific assets and liabilities on the consolidated balance sheets, specific firm commitments or forecasted transactions. The Health System also formally assesses, both at the hedge's inception and on an ongoing basis, whether the derivatives that are used in hedging transactions are highly effective in offsetting changes in variability of cash flows of hedged items. Changes in the fair value of a derivative that is highly effective and that is designated and qualifies as a cash-flow hedge are recorded in net assets without donor restrictions until earnings are affected by the

**Dartmouth-Hitchcock Health and Subsidiaries**  
**Consolidated Notes to Financial Statements**

---

variability in cash flows of the designated hedged item. The ineffective portion of the change in fair value of a cash flow hedge is reported in excess of revenue over expenses in the consolidated statements of operations and changes in net assets.

The Health System discontinues hedge accounting prospectively when it is determined: (a) the derivative is no longer effective in offsetting changes in the cash flows of the hedged item; (b) the derivative expires or is sold, terminated, or exercised; (c) the derivative is undesignated as a hedging instrument because it is unlikely that a forecasted transaction will occur; (d) a hedged firm commitment no longer meets the definition of a firm commitment; and (e) management determines that designation of the derivative as a hedging instrument is no longer appropriate.

In all situations in which hedge accounting is discontinued, the Health System continues to carry the derivative at its fair value on the consolidated balance sheets and recognizes any subsequent changes in its fair value in excess of revenue over expenses.

**Gifts**

Gifts without donor restrictions are recorded net of related expenses as non-operating gains. Conditional promises to give and indications of intentions to give to the Health System are reported at fair value at the date the gift is received. Gifts are reported with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the consolidated statements of operations and changes in net assets as net assets released from restrictions.

**Recently Issued Accounting Pronouncements**

In May 2014, the FASB issued ASU 2014-09 - *Revenue from Contracts with Customers (ASC 606)* and in August 2015, the FASB amended the guidance to defer the effective date of this standard by one year. ASU 2014-09 affects any entity that either enters into contracts with customers to transfer goods or services or enters into contracts for the transfer of nonfinancial assets unless those contracts are within the scope of other standards. The core principle of the guidance in ASU 2014-09 is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Health System adopted ASU 2014-09 effective July 1, 2018 under the modified retrospective method, and has provided the new disclosures required post implementation. For example, patient accounts receivable are shown net of the allowance for doubtful accounts of approximately \$132,228,000 as of June 30, 2018 on the consolidated balance sheet. If an allowance for doubtful accounts had been presented as of June 30, 2019, it would have been approximately \$121,544,000. While the adoption of ASU 2014-09 has had a material effect on the presentation of revenues in the Health System's consolidated statements of operations and changes in net assets, and has had an impact on certain disclosures, it has not materially impacted the financial position, results of operations or cash flows. Refer to Note 4, Patient Service Revenue and Accounts Receivable, for further details.

### Consolidated Notes to Financial Statements

#### June 30, 2019 and 2018

---

In February 2016, the FASB issued ASU 2016-02 – *Leases (Topic 842)*, which requires a lessee to recognize a right-of-use asset and a lease liability, initially measured at the present value of the lease payments, on its balance sheet. The standard also requires a lessee to recognize a single lease cost, calculated so that the cost of the lease is allocated over the lease term, on a generally straight-line basis. The guidance also expands the required quantitative and qualitative disclosures surrounding leases. The ASU is effective for fiscal years beginning after December 15, 2018, or fiscal year 2020 for the Health System. The Health System is evaluating the impact of the new guidance on the consolidated financial statements.

In January 2016, the FASB issued ASU 2016-01- *Recognition and Measurement of Financial Assets and Financial Liabilities*, which address certain aspects of recognition, measurement, presentation and disclosure of financial instruments. This guidance allows an entity to choose, investment-by-investment, to report an equity investment that neither has a readily determinable fair value, nor qualifies for the practical expedient for fair value estimation using NAV, at its cost minus impairment (if any), plus or minus changes resulting from observable price changes in orderly transactions for the identical or similar investment of the same issue. Impairment of such investments must be assessed qualitatively at each reporting period. Entities must disclose their financial assets and liabilities by measurement category and form of asset either on the face of the balance sheet or in the accompanying notes. The ASU is effective for annual reporting periods beginning after December 15, 2018 or fiscal year 2020 for the Health System. The provision to eliminate the requirement to disclose the fair value of financial instruments measured at cost (such as the fair value of debt) was early adopted during the year ended June 30, 2017.

In August 2016, the FASB issued ASU 2016-14 - *Presentation of Financial Statements for Not-for-Profit Entities*. The new pronouncement amends certain financial reporting requirements for not-for-profit entities. It reduces the number of classes of net assets from three to two: net assets with donor restrictions includes amount previously disclosed as both temporarily and permanently restricted net assets, net assets without donor restrictions includes amounts previously disclosed as unrestricted net assets. It expands the disclosure of expenses by both natural and functional classification. It adds quantitative and qualitative disclosures about liquidity and availability of resources. The ASU is effective for the Health System for the year ending June 30, 2019. The Health System has adopted this ASU on a retrospective basis, except for the presentation of expenses based on natural and functional classification and the discussion of liquidity, as permitted in the ASU. Please refer to Note 14, Functional Expenses, and Note 15, Liquidity.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The new pronouncement was intended to assist entities in evaluating whether transactions should be accounted for as contributions or exchange transactions and whether a contribution is conditional. This ASU was effective for the Health System on July 1, 2018 on a modified prospective basis and did not have a significant impact on the consolidated financial statements of the Health System.

### 3. Acquisitions

Effective July 1, 2018, Alice Peck Day Memorial Hospital became the sole corporate member of APD LifeCare Center Inc. (LifeCare). LifeCare owns and operates Harvest Hill, an assisted living facility, the Woodlands, a residential living community and the Elizabeth S. Hughes Care Unit, which provides hospice care.

#### **June 30, 2019 and 2018**

---

In accordance with applicable accounting guidance on not-for-profit mergers and acquisitions, Alice Peck Day Memorial Hospital recorded goodwill related to the acquisition of LifeCare of approximately \$5,131,000. Restricted contribution income of \$383,000 was recorded within net assets with donor restrictions in the accompanying consolidated statement of changes in net assets. Included in the transaction was LifeCare's cash balance of \$4,863,000. No consideration was exchanged for the net assets assumed and acquisition costs were expensed as incurred. LifeCare's financial position, results of operations and changes in net assets are included in the consolidated financial statements as of and for the year ended June 30, 2019.

#### **4. Patient Service Revenue and Accounts Receivable**

The Health System reports patient service revenue at amounts that reflect the consideration to which it expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payers (including managed care payers and government programs), and others; and they include variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Health System bills patients and third-party payers several days after the services were performed or shortly after discharge. Revenue is recognized as performance obligations are satisfied under contracts by providing healthcare services to patients.

The Health System determines performance obligations based on the nature of the services provided. Revenues for performance obligations satisfied over time are recognized based on actual charges incurred in relation to total expected charges as this method provides a reasonable estimate of the transfer of services over the term of performance obligations based on inputs needed to satisfy the obligations. Generally, performance obligations satisfied over time relate to patients receiving inpatient acute care services. For inpatient services, performance obligations are measured from admission to the point when there are no further services required for the patient, which is generally the time of discharge. For outpatient services and physician services, performance obligations are recognized at a point in time when the services are provided and no further patient services are deemed necessary.

Generally, the Health System's patient service performance obligations relate to contracts with a duration of less than one year, therefore the Health System has elected to apply the optional exemption provided in ASC 606-10-50-14a and, therefore, we are not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. This generally refers to inpatient services at the end of the reporting period. The performance obligations for these contracts are generally completed when the patients are discharged, which generally occurs within days or weeks of the end of the reporting period.

Established charges represent gross charges. They are not the same as actual pricing, and they generally do not reflect what a hospital is ultimately entitled to for services it provides. Therefore, they are not displayed in the Health System's consolidated statements of operations and changes in net assets.

Hospitals are paid amounts negotiated with insurance companies or set by government entities, which are typically less than established or standard charges. Gross charges are used to calculate Medicare outlier payments and to determine certain elements of payment under managed care

contracts. Gross charges are what hospitals charge all patients prior to the application of contractual adjustments and implicit price concessions.

**Explicit Pricing Concessions**

Revenues for the Health System under the traditional fee-for service Medicare and Medicaid programs are based on prospectively determined rates per discharge or visit, reasonable (allowable) cost, or prospective rates per episodic period, depending on the type of provider.

- Inpatient acute care services provided to Medicare program beneficiaries are paid using the prospective payment system ("PPS") to determine rates-per-discharge. These rates vary according to a patient classification system ("DRG"), based on diagnostic, clinical and other factors. In addition, inpatient capital costs (depreciation and interest) are reimbursed by Medicare on the basis of a prospectively determined rate per discharge. Medicare outpatient services are paid on a prospective payment system, based on a pre-determined amount for each outpatient procedure (APC), subject to various mandated modifications. Retrospectively determined cost-based revenues under these programs, such as indirect medical education, direct graduate medical education, disproportionate share hospital, transplant services, and bad debt reimbursement are based on the hospital's cost reports and are estimated using historical trends and current factors. The Health System's payments for inpatient services rendered to New Hampshire ("NH") and Vermont ("VT") Medicaid beneficiaries are based on PPS, while outpatient services are reimbursed on a retrospective cost basis or fee schedules for NH beneficiaries. VT outpatient beneficiaries are paid on a prospective basis per outpatient procedure.
- Inpatient acute, swing, and outpatient services furnished by critical access hospitals ("CAH") are reimbursed by Medicare at 101% of reasonable costs, subject to 2% sequestration, excluding ambulance services and inpatient hospice care.
- Providers of home health services to patients eligible for Medicare home health benefits are paid on a prospective basis, with no retrospective settlement. The prospective payment is based on the scoring attributed to the acuity level of the patient at a rate determined by federal guidelines.
- Hospice services to patients eligible for Medicare hospice benefits are paid on a per diem basis, with no retrospective settlement, provided the aggregate annual Medicare reimbursement is below a predetermined aggregate capitated rate.
- The Health System's cost based services to Medicare and Medicaid are reimbursed during the year based on varying interim payment methodologies. Final settlement is determined after the submission of an annual cost report and subject to audit of this report by Medicare and Medicaid auditors, as well as administrative and judicial review. Because the laws, regulations, and rule interpretations, governing Medicare and Medicaid reimbursement are complex and change frequently, the estimates recorded could change over time by material amounts.
- Revenues under Managed Care Plans (Plans) consist primarily of payment terms involving mutually agreed upon rates per diagnosis, discounted fee-for service rates, or similar contractual arrangements. These revenues are also subject to review and possible audit. The Plans are billed for patient services on an individual patient basis. An individual patient's bill is subject to adjustments in accordance with contractual terms in place with the Plans following their review and adjudication of each bill.

### Consolidated Notes to Financial Statements

#### June 30, 2019 and 2018

---

The Health System is not aware of any claims, disputes, or unsettled matters with any payer that would materially affect its revenues for which it has not adequately provided in the accompanying Health System's consolidated financial statements.

The Health System provides charity care to patients who are unable to pay for healthcare services they receive as determined by financial conditions. Patients who qualify receive partial or full adjustments to charges for services rendered. The Health System's policy is to treat amounts qualified as charity care as explicit price concessions and as such are not reported in net patient service revenue.

During fiscal year 2016, Vermont state legislation passed changes to the tax base for home health providers from 19.30% of core home health care services (primarily Medicaid services) with a cap of 6% of net patient service revenue to 3.63% of net patient revenue for fiscal year 2017 and fiscal year 2018. Home health provider tax paid, which is included in other operating expenses, was \$628,000 and \$737,000 in 2019 and 2018, respectively.

On June 30, 2014, the NH Governor signed into law a bi-partisan legislation reflecting an agreement between the State of NH and 25 NH hospitals on the Medicaid Enhancement Tax (MET) Senate Bill 369. As part of the agreement, the parties have agreed to resolve all pending litigation related to MET and Medicaid Rates, including the Catholic Medical Center Litigation, the Northeast Rehabilitation Litigation, 2014 DRA Refund Requests, and the State Rate Litigation. As part of the MET Agreement Effective July 1, 2014, a "Trust / Lock Box" dedicated funding mechanism will be established for receipt and distribution of all MET proceeds with all monies used exclusively to support Medicaid services.

On May 22, 2018, the State of New Hampshire and all New Hampshire hospitals (NH Hospitals) signed a new settlement agreement and multi-year plan for Disproportionate Share Hospital (DSH) payments, with provisions to create alternative payments should there be federal changes to the DSH program by the United States Congress. The agreement may change or limit federal matching funds for MET when used to support DSH payments to hospitals and the Medicaid program, or change the definition of Uncompensated Care (UCC) for purposes of calculating DSH or other allowable uncompensated care payments. The term of the agreement is through state fiscal year (SFY) 2024. Under the agreement, the NH Hospitals forgo approximately \$28,000,000 of DSH payment for SFY 2018 and 2019, in consideration of the State agreeing to form a pool of funds to make directed payments or otherwise increase rates to hospitals for SFY 2020 through 2024. The Federal share of payments to NH Hospitals are contingent upon the receipt of matching funds from Centers for Medicare & Medicaid Services (CMS) in the covered years. In the event that, due to changes in federal law, the State is unable to make payments in a way that ensures the federal matching funds are available, the Parties will meet and confer to negotiate in good faith an appropriate amendment to this agreement consistent with the intent of this agreement. The State is required to maintain the UCC Dedicated Fund pursuant to earlier agreements. The agreement prioritizes payments of funds to critical access hospitals at 75% of allowable UCC, the remainder thereafter is distributed to other NH Hospitals in proportion to their allowable uncompensated care amounts. During the term of this agreement, the NH Hospitals are barred from bringing a new claim in federal or state court or at Department of Revenue Administration (DRA) related to the constitutionality of MET.

During the years ended June 30, 2019 and 2018, the Health System received DSH payments of approximately, \$69,179,000 and \$66,383,000 respectively. DSH payments are subject to audit pursuant to the agreement with the state and therefore, for the years ended June 30, 2019 and

2018, the Health System recognized as revenue DSH receipts of approximately \$64,864,000 and approximately \$54,469,000, respectively.

During the years ended June 30, 2019 and 2018, the Health System recorded State of NH Medicaid Enhancement Tax ("MET") and State of VT Provider tax of \$70,061,000 and \$67,692,000, respectively. The taxes are calculated at 5.5% for NH and 6% for VT of certain net patient service revenues in accordance with instructions received from the States. The Provider taxes are included in operating expenses in the consolidated statements of operations and changes in net assets.

#### **Implicit Price Concessions**

Generally, patients who are covered by third-party payer contracts are responsible for related co-pays, co-insurance and deductibles, which vary depending on the contractual obligations of patients. The Health System also provides services to uninsured patients and offers those patients a discount from standard charges. The Health System estimates the transaction price for patients with co-pays, co-insurance, and deductibles and for those who are uninsured based on historical collection experience and current market conditions. The discount offered to uninsured patients reduces the transaction price at the time of billing. The uninsured and patient responsible accounts, net of discounts recorded, are further reduced through implicit price concessions based on historical collection trends for similar accounts and other known factors that impact the estimation process. Subsequent changes to the estimate of transaction price are generally recorded as adjustments to net patient service revenue in the period of change.

The implicit price concessions included in estimating the transaction price represent the difference between amounts billed to patients and the amounts the Health System expects to collect based on collection history with similar patients. Although outcomes vary, the Health System's policy is to attempt to collect amounts due from patients, including co-pays, co-insurance and deductibles due from insurance at the time of service while complying with all federal and state statutes and regulations, including but not limited to, the Emergency Medical Treatment and Active Labor Act (EMTALA). Through various systems and processes the Health System estimates Medicare and Medicaid net patient service revenue and cost report settlements and accrues final expected settlements. For filed cost reports, the accrual is recorded based on those filings, subsequent activity, and on historical trends and other relevant evidence. For periods in which a cost report is yet to be filed, accruals are based on estimates of what is expected to be reported, and any trends and relevant evidence. Cost reports generally must be filed within five months of the closing period.

Settlements with third-party payers for retroactive revenue adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care using the most likely amount. These settlements are estimated based on the terms of the payment agreement with the payer, correspondence from the payer and historical settlement activity, including assessments to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known, or as years are settled or are no longer subject to such audits, reviews or investigations. As of June 30, 2019 and 2018, the Health System had \$52,470,000 and \$52,041,000, respectively, reserved for estimated third-party settlements.

For the years ended June 30, 2019 and 2018, additional increases (decreases) in revenue of \$1,800,000 and (\$5,604,000), respectively, was recognized due to changes in its prior years related to estimated third-party settlements.

Investments are accounted for using either the fair value method or equity method of accounting, as appropriate on a case by case basis. The fair value method is used for all debt securities and equity securities that are traded on active markets and are valued at prices that are readily available in those markets. The equity method is used when investments are made in pooled/commingled investment funds that represent investments where shares or units are owned of pooled funds rather than the underlying securities in that fund. These pooled/commingled funds make underlying investments in securities from the asset classes listed above. All investments, whether the fair value or equity method of accounting is used, are reported at what the Health System believes to be the amount that the Health System would expect to receive if it liquidated its investments at the balance sheets date on a non-distressed basis.

The following tables summarize the investments by the accounting method utilized, as of June 30, 2019 and 2018. Accounting standards require disclosure of additional information for those securities accounted for using the fair value method, as shown in Note 7.

For the years ended June 30, 2019 and 2018 investment income is reflected in the accompanying consolidated statements of operations and changes in net assets as operating revenue of approximately \$983,000 and \$960,000 and as non-operating gains of approximately \$40,052,000 and \$40,387,000, respectively.

Private equity limited partnership shares are not eligible for redemption from the fund or general partner, but can be sold to third party buyers in private transactions that typically can be completed in approximately 90 days. It is the intent of the Health System to hold these investments until the fund has fully distributed all proceeds to the limited partners and the term of the partnership agreement expires. Under the terms of these agreements, the Health System has committed to contribute a specified level of capital over a defined period of time. Through June 30, 2019 and 2018, the Health System has committed to contribute approximately \$164,319,000 and \$137,219,000 to such funds, of which the Health System has contributed approximately \$109,584,000 and \$91,942,000 and has outstanding commitments of \$54,735,000 and \$45,277,000, respectively.

	<u>\$ 621,256</u>	<u>\$ 607,321</u>

As of June 30, 2019, construction in progress primarily consists of an addition to the ambulatory surgical center located in Manchester, NH as well as renovations taking place at the various pharmacy locations to bring their facilities compliant with Regulation USP800. The estimated cost to complete the ambulatory surgical center at June 30, 2019 is approximately \$59,000,000 over the next two fiscal years while the pharmacy renovation is estimated to cost approximately \$6,300,000 over the next fiscal year.

The construction in progress reported as of June 30, 2018 for the building renovations taking place at the birthing pavilion in Lebanon, NH was completed during the first quarter of fiscal year 2019 and the information systems PeopleSoft project for Alice Peck Day Memorial Hospital and Cheshire was completed in the fourth quarter of fiscal year 2019.

Depreciation and amortization expense included in operating and non-operating activities was approximately \$88,496,000 and \$84,729,000 for 2019 and 2018, respectively.

**7. Fair Value Measurements**

The following is a description of the valuation methodologies for assets and liabilities measured at fair value on a recurring basis:

**Cash and Short-Term Investments**

Consists of money market funds and are valued at net asset value (NAV) reported by the financial institution.

**Domestic, Emerging Markets and International Equities**

Consists of actively traded equity securities and mutual funds which are valued at the closing price reported on an active market on which the individual securities are traded (Level 1 measurements).

**Dartmouth-Hitchcock Health and Subsidiaries**  
**Consolidated Notes to Financial Statements**  
**June 30, 2019 and 2018**

**U.S. Government Securities, Domestic Corporate and Global Debt Securities**

Consists of U.S. government securities, domestic corporate and global debt securities, mutual funds and pooled/commingled funds that invest in U.S. government securities, domestic corporate and global debt securities. Securities are valued based on quoted market prices or dealer quotes where available (Level 1 measurement). If quoted market prices are not available, fair values are based on quoted market prices of comparable instruments or, if necessary, matrix pricing from a third party pricing vendor to determine fair value (Level 2 measurements). Matrix prices are based on quoted prices for securities with similar coupons, ratings and maturities, rather than on specific bids and offers for a designated security. Investments in mutual funds are measured based on the quoted NAV as of the close of business in the respective active market (Level 1 measurements).

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Health System believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following tables set forth the consolidated financial assets and liabilities that were accounted for at fair value on a recurring basis as of June 30, 2019 and 2018:

**8. Net Assets with Donor Restrictions**

Net assets with donor restrictions are available for the following purposes at June 30, 2019 and 2018:

<i>(in thousands of dollars)</i>	2019	2018
Healthcare services	\$ 20,140	\$ 19,570
Research	26,496	24,732

	<u>\$ 142,460</u>	<u>\$ 137,833</u>

Income earned on donor restricted net assets held in perpetuity is available for these purposes.

**9. Board Designated and Endowment Funds**

Net assets include numerous funds established for a variety of purposes including both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. Net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Trustees has interpreted the NH and VT Uniform Prudent Management of Institutional Funds Acts (UPMIFA or Act) for donor-restricted endowment funds as requiring the preservation of the original value of gifts, as of the gift date, to donor-restricted endowment funds, absent explicit donor stipulations to the contrary. The Health System's net assets with donor restrictions which are to be held in perpetuity consist of (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to be held in perpetuity, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund, if any. Collectively these amounts are referred to as the historic dollar value of the fund.

**Dartmouth-Hitchcock Health and Subsidiaries**  
**Consolidated Notes to Financial Statements**  
**June 30, 2019 and 2018**

Net assets without donor restrictions include funds designated by the Board of Trustees to function as endowments and the income from certain donor-restricted endowment funds, and any accumulated investment return thereon, which pursuant to donor intent may be expended based on trustee or management designation. Net assets with donor restrictions that are temporary in nature, either restricted by time or purpose, include funds appropriated for expenditure pursuant to endowment and investment spending policies, certain expendable endowment gifts from donors, and any retained income and appreciation on donor-restricted endowment funds, which are restricted by the donor to a specific purpose or by law. When the restrictions on these funds have been met, the funds are reclassified to net assets without donor restrictions.

In accordance with the Act, the Health System considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: the duration and preservation of the fund; the purposes of the donor-restricted endowment fund; general economic conditions; the possible effect of inflation and deflation; the expected total return from income and the appreciation of investments; other resources available; and investment policies.

The Health System has endowment investment and spending policies that attempt to provide a predictable stream of funding for programs supported by its endowment while ensuring that the purchasing power does not decline over time. The Health System targets a diversified asset allocation that places emphasis on investments in domestic and international equities, fixed income, private equity, and hedge fund strategies to achieve its long-term return objectives within prudent risk constraints. The Health System's Investment Committee reviews the policy portfolio asset allocations, exposures, and risk profile on an ongoing basis.

The Health System, as a policy, may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment is established, subject to donor intent expressed in the gift instrument and the standard of prudence prescribed by the Act.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below their original contributed value. Such market losses were not material as of June 30, 2019 and 2018.

Endowment net asset composition by type of fund consists of the following at June 30, 2019 and 2018:

Revenue Bonds issued by members of the DHOG are administered through notes registered in the name of the Bond Trustee and in accordance with the terms of a Master Trust Indenture. The Master Trust Indenture contains provisions permitting the addition, withdrawal, or consolidation of members of the DHOG under certain conditions. The notes constitute a joint and several obligation of the members of the DHOG (and any other future members of the DHOG) and are equally and ratably collateralized by a pledge of the members' gross receipts. The DHOG is also subject to certain annual covenants under the Master Trust Indenture, the most restrictive is the Annual Debt Service Coverage Ratio (1.10x).

**(1) Series 2018A and Series 2018B Revenue Bonds**

The DHOG issued NHHEFA Revenue Bonds, Series 2018A and Series 2018B in February 2018. The Series 2018A Revenue Bonds were primarily used to refund a portion of Series 2015A and Series 2016A. The Series 2018B were primarily used to refund a portion of Series 2015A and Series 2016A, Revolving Line of Credit, Series 2012 Bank Loan and the Series 2015A and Series 2016A Swap terminations. A loss on the extinguishment of debt of approximately \$578,000 was recognized in non-operating gains (losses) on the statement of operations and changes in net assets, as a result of the refinancing. The interest on the Series 2018A Revenue Bonds is variable with a current interest rate of 5.00% and matures in variable amounts through 2037. The interest on the Series 2018B Revenue Bonds is fixed with an interest rate of 4.18% and matures in variable amounts through 2048.

**(2) Series 2017A and Series 2017B Revenue Bonds**

The DHOG issued NHHEFA Revenue Bonds, Series 2017A and Series 2017B in December, 2017. The Series 2017A Revenue Bonds were primarily used to refund Series 2009 and Series 2010 and the Series 2017B Revenue Bonds were used to refund Series 2012A and Series 2012B. The interest on the Series 2017A Revenue Bonds is fixed with an interest rate of 5.00% and matures in variable amounts through 2040. The interest on the Series 2017B Revenue Bonds is fixed with an interest rate of 2.54% and matures in variable amounts through 2031.

**(3) Series 2014A and Series 2014B Revenue Bonds**

The DHOG issued NHHEFA Revenue Bonds, Series 2014A and Series 2014B in August 2014. The proceeds from the Series 2014A and 2014B Revenue Bonds were used to partially refund the Series 2009 Revenue Bonds and to cover cost of issuance. Interest on the 2014A Revenue Bonds is fixed with an interest rate of 2.63% and matures at various dates through 2022. Interest on the Series 2014B Revenue Bonds is fixed with an interest rate of 4.00% and matures at various dates through 2033.

**(4) Series 2018C Revenue Bonds**

The DHOG issued NHHEFA Revenue Bonds, Series 2018C in August, 2018. The Series 2018C Revenue Bonds were used primarily to refinance the Series 2010 Revenue Bonds. The interest on the series 2018C Revenue Bonds is fixed with an interest rate of 3.22% and matures in variable amounts through 2030.

**(5) Series 2012 Revenue Bonds**

The NHHEFA issued \$29,650,000 of tax-exempt Revenue Bonds, Series 2012. The proceeds of these bonds were used to refund 1998 and 2009 Series Bonds, to finance the settlement cost of the interest rate swap, and to finance the purchase of certain equipment and renovations. The bonds have fixed interest coupon rates ranging from 2.0% to 5.0% (a net interest cost of 3.96%), and matures in variable amounts through 2039.

**(6) Series 2016B Revenue Bonds**

The DHOG issued NHHEFA Revenue Bonds, Series 2016B in July 2016 through a private placement with a financial institution. The Series 2016B Revenue Bonds were used to finance 2016 projects. The Series 2016B is fixed with an interest rate of 1.78% and matures at various dates through 2045.

Outstanding joint and several indebtedness of the DHOG at June 30, 2019 and 2018 approximates \$722,162,000 and \$697,107,000, respectively.

**Non Obligated Group Bonds**

**(7) Series 2010 Revenue Bonds**

The Business Finance Authority (BFA) of the State of NH issued Revenue Bonds, Series 2010. Interest is based on an annual percentage rate equal to the sum of (a) 69% of the 1-Month LIBOR rate plus (b) 1.8975/5. The Health System redeemed these bonds in August 2018.

The Health System Indenture agreements require establishment and maintenance of debt service reserves and other trustee held funds. Trustee held funds of approximately \$631,000 and \$1,872,000 at June 30, 2019 and 2018, respectively, are classified as assets limited as to use in the accompanying consolidated balance sheets (Note 5). The debt service reserves are mainly comprised of escrowed funds held for future principal and interest payments.

For the years ended June 30, 2019 and 2018 interest expense on the Health System's long term debt is reflected in the accompanying consolidated statements of operations and changes in net assets as operating expense of approximately \$25,514,000 and \$18,822,000 and other non-operating losses of \$3,784,000 and \$2,793,000, respectively.

**Swap Agreements**

The Health System is subject to market risks such as changes in interest rates that arise from normal business operation. The Health System regularly assesses these risks and has established business strategies to provide natural offsets, supplemented by the use of derivative financial instruments to protect against the adverse effect of these and other market risks. The Health System has established clear policies, procedures, and internal controls governing the use of derivatives and does not use them for trading, investment, or other speculative purposes.

As of June 30, 2019 and 2018, there was no liability for interest rate swaps as all remaining swaps were terminated in February 2018. For the year ended June 30, 2018, the Health System recognized a non-operating loss due to swap termination of \$14,247,000 relating to the swap termination. The change in fair value during the year ended June 30, 2018 was a decrease of

\$4,897,000. For the year ended June 30, 2018 the Health System recognized a non-operating gain of \$145,000 resulting from hedge ineffectiveness and amortization of frozen swaps.

**11. Employee Benefits**

All eligible employees of the Health System are covered under various defined benefit and/or define contribution plans. In addition, certain members provide postretirement medical and life benefit plans to certain of its active and former employees who meet eligibility requirements. The postretirement medical and life plans are not funded.

All of the defined benefit plans within the Health System have been frozen and therefore there are no remaining participants earning benefits in any of the Health System's defined benefit plans.

The Health System continued to execute the settlement of obligations due to retirees in the defined benefit plans through bulk lump sum offerings or purchases of annuity contracts. The annuity purchases follow guidelines established by the Department of Labor (DOL). The Health System anticipates continued consideration and/or implementation of additional settlements over the next several years.

**Defined Benefit Plans**

Net periodic pension expense included in employee benefits in the consolidated statements of operations and changes in net assets is comprised of the components listed below for the years ended June 30, 2019 and 2018:

<i>(in thousands of dollars)</i>	2019	2018
Service cost for benefits earned during the year	\$ 150	\$ 150
Interest cost on projected benefit obligation	47,814	47,190

As of June 30, 2019 and 2018 the liability, for pension is included in the liability for pension and other postretirement plan benefits in the accompanying consolidated balance sheets.

Amounts not yet reflected in net periodic pension expense and included in the change in net assets without donor restrictions include approximately \$478,394,000 and \$418,971,000 of net actuarial loss as of June 30, 2019 and 2018, respectively.

The estimated amounts to be amortized from net assets without donor restrictions into net periodic pension expense in fiscal year 2020 for net actuarial losses is \$12,032,000.

The accumulated benefit obligation for the defined benefit pension plans was approximately \$1,135,770,000 and \$1,087,991,000 at June 30, 2019 and 2018, respectively.

The following table sets forth the assumptions used to determine the benefit obligation at June 30, 2019 and 2018:

The primary investment objective for the Plan's assets is to support the Pension liabilities of the Pension Plans for Employees of the Health System, by providing long-term capital appreciation and by also using a Liability Driven Investing ("LDI") strategy to partially hedge the impact fluctuating interest rates have on the value of the Plan's liabilities. As of both June 30, 2019 and 2018, it is expected that the LDI strategy will hedge approximately 60% of the interest rate risk associated with pension liabilities. To achieve the appreciation and hedging objectives, the Plans utilize a diversified structure of asset classes designed to achieve stated performance objectives measured on a total return basis, which includes income plus realized and unrealized gains and losses.

The range of target allocation percentages and the target allocations for the various investments are as follows:

	Range of Target Allocations	Target Allocations
Cash and short-term investments	0-5%	3%
U.S. government securities	0-10	5
Domestic debt securities	20-58	38
Global debt securities	6-26	8
Domestic equities	5-35	19
International equities	5-15	11
Emerging market equities	3-13	5
Real estate investment trust funds	0-5	0
Private equity funds	0-5	0
Hedge funds	5-18	11

To the extent an asset class falls outside of its target range on a quarterly basis, the Health System shall determine appropriate steps, as it deems necessary, to rebalance the asset class.

The Boards of Trustees of the Health System, as Plan Sponsors, oversee the design, structure, and prudent professional management of the Health System's Plans' assets, in accordance with Board approved investment policies, roles, responsibilities and authorities and more specifically the following:

- Establishing and modifying asset class targets with Board approved policy ranges,
- Approving the asset class rebalancing procedures,
- Hiring and terminating investment managers, and
- Monitoring performance of the investment managers, custodians and investment consultants.

The hierarchy and inputs to valuation techniques to measure fair value of the Plans' assets are the same as outlined in Note 7. In addition, the estimation of fair value of investments in private equity and hedge funds for which the underlying securities do not have a readily determinable value is made using the NAV per share or its equivalent as a practical expedient. The Health System's Plans own interests in these funds rather than in securities underlying each fund and, therefore, are generally required to consider such investments as Level 2 or 3, even though the underlying securities may not be difficult to value or may be readily marketable.

The total aggregate net unrealized gains (losses) included in the fair value of the Level 3 investments as of June 30, 2019 and 2018 were approximately \$14,617,000 and \$14,743,000, respectively. There were no transfers into and out of Level 3 measurements during the years ended June 30, 2019 and 2018.

There were no transfers into and out of Level 1 and 2 measurements due to changes in valuation methodologies during the years ended June 30, 2019 and 2018.

The weighted average asset allocation for the Health System's Plans at June 30, 2019 and 2018 by asset category is as follows:

	2019	2018
Cash and short-term investments	2 %	4 %
U.S. government securities	5	5
Domestic debt securities	44	41

The expected long-term rate of return on plan assets is reviewed annually, taking into consideration the asset allocation, historical returns on the types of assets held, and the current economic environment. Based on these factors, it is expected that the pension assets will earn an average of 7.50% per annum.

The Health System is expected to contribute approximately \$20,426,000 to the Plans in 2020 however actual contributions may vary from expected amounts.

**Defined Contribution Plans**

The Health System has an employer-sponsored 401(a) plan for certain of its members, under which the employer makes base, transition and discretionary match contributions based on specified percentages of compensation and employee deferral amounts. Total employer contributions to the plan of approximately \$40,537,000 and \$38,563,000 in 2019 and 2018, respectively, are included in employee benefits in the accompanying consolidated statements of operations and changes in net assets.

Various 403(b) and tax- sheltered annuity plans are available to employees of the Health System. Plan specifications vary by member and plan. No employer contributions were made to any of these plans in 2019 and 2018 respectively.

**Postretirement Medical and Life Benefits**

The Health System has postretirement medical and life benefit plans covering certain of its active and former employees. The plans generally provide medical or medical and life insurance benefits to certain retired employees who meet eligibility requirements. The plans are not funded.

Net periodic postretirement medical and life benefit (income) cost is comprised of the components listed below for the years ended June 30, 2019 and 2018:

In determining the accumulated postretirement medical and life benefit obligation, the Health System used a discount rate of 3.70% in 2019 and an assumed healthcare cost trend rate of 6.50%, trending down to 5.00% in 2024 and thereafter. Increasing the assumed healthcare cost trend rates by one percentage point in each year would increase the accumulated postretirement medical benefit obligation as of June 30, 2019 and 2018 by \$1,601,000 and \$1,088,000 and the net periodic postretirement medical benefit cost for the years then ended by \$77,000 and \$81,000, respectively. Decreasing the assumed healthcare cost trend rates by one percentage point in each year would decrease the accumulated postretirement medical benefit obligation as of June 30, 2019 and 2018 by \$1,452,000 and \$996,000 and the net periodic postretirement medical benefit cost for the years then ended by \$71,000 and \$72,000, respectively.

**12. Professional and General Liability Insurance Coverage**

Mary Hitchcock Memorial Hospital and Dartmouth-Hitchcock Clinic, along with Dartmouth College, Cheshire Medical Center, The New London Hospital Association, Mt. Ascutney Hospital and Health Center, and the Visiting Nurse and Hospice for VT and NH are provided professional and general liability insurance on a claims-made basis through Hamden Assurance Risk Retention Group, Inc. (RRG), a VT captive insurance company. Effective November 1, 2018 Alice Peck Day Memorial Hospital is provided professional and general liability insurance coverage through RRG. RRG reinsures the majority of this risk to Hamden Assurance Company Limited (HAC), a captive insurance company domiciled in Bermuda and to a variety of commercial reinsurers. Mary Hitchcock Memorial Hospital, Dartmouth-Hitchcock Clinic, and Dartmouth College have ownership interests in both HAC and RRG. The insurance program provides coverage to the covered institutions and named insureds on a modified claims-made basis which means coverage is triggered when claims are made. Premiums and related insurance deposits are actuarially determined based on asserted liability claims adjusted for future development. The reserves for outstanding losses are recorded on an undiscounted basis.

Selected financial data of HAC and RRG, taken from the latest available financial statements at June 30, 2019 and 2018, are summarized as follows:

**13. Commitments and Contingencies**

**Litigation**

The Health System is involved in various malpractice claims and legal proceedings of a nature considered normal to its business. The claims are in various stages and some may ultimately be brought to trial. While it is not feasible to predict or determine the outcome of any of these claims, it is the opinion of management that the final outcome of these claims will not have a material effect on the consolidated financial position of the Health System.

**Operating Leases and Other Commitments**

The Health System leases certain facilities and equipment under operating leases with varying expiration dates. The Health System's rental expense totaled approximately \$12,707,000 and \$14,096,000 for the years ended June 30, 2019 and 2018, respectively.

Minimum future lease payments under noncancelable operating leases at June 30, 2019 were as follows:

*(in thousands of dollars)*

2020	\$ 11,342
2021	10,469
2022	7,488
2023	6,303
2024	4,127
Thereafter	5,752
	<u>\$ 45,481</u>

**Lines of Credit**

The Health System has entered into Loan Agreements with financial institutions establishing access to revolving loans ranging from \$2,000,000 up to \$30,000,000. Interest is variable and determined using LIBOR or the Wall Street Journal Prime Rate. The Loan Agreements are due to expire March 27, 2020. There was no outstanding balance under the lines of credit as of June 30, 2019 and 2018. Interest expense was approximately \$95,000 and \$232,000, respectively, and is included in the consolidated statements of operations and changes in net assets.

**14. Functional Expenses**

Operating expenses are presented by functional classification in accordance with the overall service missions of the Health System. Each functional classification displays all expenses related to the underlying operations by natural classification. Salaries, employee benefits, medical supplies and medications, and purchased services and other expenses are generally considered variable and are allocated to the mission that best aligns to the type of service provided. Medicaid enhancement tax is allocated to program services. Interest expense is allocated based on usage of debt-financed space. Depreciation and amortization is allocated based on square footage and specific identification of equipment used by department.

**15. Liquidity**

The Health System is substantially supported by cash generated from operations. In addition, the Health System holds financial assets for specific purposes which are limited as to use. Thus, certain financial assets reported on the accompanying consolidated balance sheet may not be available for general expenditure within one year of the balance sheet date.

Total financial assets available within one year	<u>\$ 1,077,816</u>

For the years ending June 30, 2019 and June 30, 2018, the Health System generated positive cash flow from operations of approximately \$161,853,000 and \$136,031,000, respectively. In addition, the Health System's liquidity management plan includes investing excess daily cash in intermediate or long term investments based on anticipated liquidity needs. The Health System has an available line of credit of up to \$30,000,000 which it can draw upon as needed to meet its liquidity needs. See Note 13 for further details on the line of credit.

**16. Subsequent Events**

The Health System has assessed the impact of subsequent events through November 26, 2019, the date the audited consolidated financial statements were issued, and has concluded that there were no such events that require adjustment to the audited consolidated financial statements or disclosure in the notes to the audited consolidated financial statements other than as noted below.

Effective September 30, 2019, the Boards of Trustees of D-HH, GraniteOne Health, Catholic Medical Center Health Services, and their respective member organizations approved a Combination Agreement to combine their healthcare systems. If regulatory approval of the transaction is obtained, the name of the new system will be Dartmouth-Hitchcock Health GraniteOne.

The GraniteOne Health system is comprised of Catholic Medical Center (CMC), a community hospital located in Manchester NH, Huggins Hospital located in Wolfeboro NH, and Monadnock Community Hospital located in Peterborough NH. Both Huggins Hospital and Monadnock Community Hospital are designated as Critical Access Hospitals. GraniteOne is a non-profit, community based health care system.

On September 13, 2019, the Board of Trustees of D-HH approved the issuance of up to \$100,000,000 par of new debt. On October 17, 2019, D-HH closed on the direct placement tax-

**EXPLANATION**

The United States Department of Agriculture, Food and Nutrition Services awarded a grant to DHHS to develop and implement a number of enhancements to the New HEIGHTS and NH EASY systems, with the goal of developing functionality to control, capture, store, secure, and generate outcome data for the Supplemental Nutrition Assistance Program (SNAP) Employment and Training (E&T) program. This grant will assist the Department to increase the availability, automation, and accuracy of data.

The State of New Hampshire's SNAP E&T Program is DEHS. DEHS plays a key role in promoting a more holistic, multi-generational and integrated approach for individuals, families and children. The DEHS SNAP E&T Program is a voluntary program for all individuals eligible for SNAP. The focus of the SNAP E&T Program is to help participants on their path towards upward economic mobility by providing guidance and resources to support their employment goals. This is accomplished through financial supports, community referrals, education and training referrals, and comprehensive case management. DHHS is trying to increase services to eligible participants. DEHS lacks the ability to access data to support the program, much is done manually.

Funds are being budgeted in:

Audit costs (class 041) per state requirements.

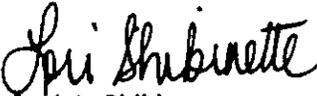

Consultants (class 046) to fund contracts to develop functionality with New Heights.

Area served: Statewide.

Source of Funds: 100% Federal Funds.

If Federal Funds become no longer available, General Funds will not be requested to support the program expenditures.

Respectfully submitted,

Funds are available in the following accounts for State Fiscal Year 2021, and are anticipated to be available in State Fiscal Year 2022, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

**See attached fiscal details.**

### EXPLANATION

This request is **Sole Source** because the original contract was submitted as a sole source request and MOP 150 requires any subsequent amendment to be identified as a sole source request.

The purpose of this request is to continue providing a Permanent Housing program that delivers Rapid Re-housing, tenant-based rental assistance, service access and supportive services to individuals and families who are experiencing homelessness. The program facilitates the movement of homeless and chronically homeless individuals and families to permanent housing and maximum self-sufficiency. Approximately thirteen (13) households, consisting of individuals and, or, families, will be served from December 1, 2020, to November 30, 2021.

Using the Housing First model and the development of Stabilization and Crisis Management plans, vendors facilitate each participant's movement into sustained permanent housing while providing connections to community and mainstream services to maximize each participant's ability to live more independently.

The Department will monitor contracted services using the following tools:

- Annual reviews relating to compliance with administrative rules and contractual agreements.
- ~~Semi-annual statistical reports, including various demographic information and income and expense reports, to include match dollars.~~
- All vendors funded through these contracts will report through the timely and accurate entry of data into the New Hampshire Homeless Management Information System. This will be the primary reporting tool for outcomes and activities of shelter and housing programs.

As referenced in Exhibit C-1, Revisions to Standard Contract Language, Section 2., Renewal, of the original contract, the parties have the option to extend the agreements for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the two (2) years available.

Should the Governor and Council not authorize this request, there will be fewer permanent housing options and supportive services available, leaving vulnerable individuals and families, in unsafe and deadly situations, without a safety net. Additionally, the Department will be out of compliance with federal regulations, which could result in a loss of federal funding for these and other types of permanent housing and supportive service programs.

Area served: Belknap and Merrimack Counties.

Source of Funds: CFDA #14.267, FAIN #s: NH0100L1T001802, NH0100L1T001903.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette  
Commissioner

## **INDEPENDENT AUDITORS' REPORT**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Community Action Program Belknap-Merrimack Counties, Inc. (a nonprofit organization), which comprise the statements of financial position as of February 28, 2019 and 2018, and the related statements of activities, functional expenses and cash flows, and notes to the financial statements for the years then ended.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action Program Belknap-Merrimack Counties, Inc. as of February 28, 2019 and 2018, and the changes in their net assets and their cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated January 16, 2020, on our consideration of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over financial reporting and compliance.

**COMMUNITY ACTION PROGRAM BELKNAP – MERRIMACK COUNTIES, INC.**

**NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED FEBRUARY 28, 2019 AND 2018**

**1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Organization**

Community Action Program Belknap – Merrimack Counties, Inc. (the Organization) is a New Hampshire nonprofit organization that serves nutritional, health, living and support needs of the low income and elderly clients in the two county service areas, as well as state wide. These services are provided with the financial support of various federal, state, county and local organizations.

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United State of America.

**New Accounting Pronouncement**

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic – 958) - Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Organization has presented these statements accordingly. The ASU has been applied retrospectively to all periods presented.

**Financial Statement Presentation**

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles, which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions** include net assets that are not subject to any donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

**Net assets with donor restrictions** include net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When restrictions expire, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. The Organization had net assets with donor restrictions of \$507,415 and \$702,853 at February 28, 2019 and 2018, respectively. See **Note 13**.

### **Income Taxes**

The Organization is organized as a nonprofit corporation and is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). The Internal Revenue Service has determined them to be other than a private foundation.

The Organization files information returns in the United States and the State of New Hampshire. The Organization is no longer subject to examinations by tax authorities for years before 2015.

Accounting Standard Codification No. 740 (ASC 740), *Accounting for Income Taxes*, established the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. The Organization has analyzed its tax position taken on its information returns for the years (2016 through 2019), and has concluded that no additional provision for income taxes is necessary in the Organization's financial statements.

### **Property**

Property and equipment is recorded at cost or, if donated, at the approximate fair value at the date of the donation. Assets purchased with a useful life in excess of one year and exceeding \$5,000 are capitalized unless a lower threshold is required by certain funding sources. Depreciation is computed on the straight-line basis over the estimated useful lives of the related assets as follows:

Buildings and improvements	40 years
Equipment, furniture and vehicles	3 - 7 years

### **Use of Estimates**

The preparation of financial statements in conformity with United States generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **Cash and Cash Equivalents**

For purposes of the statement of cash flows, the Organization considers all liquid investments purchased with original maturities of three months or less to be cash equivalents. The Organization maintains its cash in bank deposit accounts, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk with respect to these accounts.

### **Contributed Services**

Donated services are recognized as contributions in accordance with FASB ASC No. 958, *Accounting for Contributions Received and Contributions Made*, if the services (a)

create or enhance non-financial assets or (b) require specialized skills, and would otherwise be purchased by the Agency.

Volunteers provided various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria under FASB ASC No. 958 were not met.

#### In-Kind Donations / Noncash Transactions

Donated facilities, services and supplies are reflected as revenue and expense in the accompanying financial statements, if the criteria for recognition is met. This represents the estimated fair value for the service, supplies and space that the Organization might incur under normal operating activities. The Organization received \$829,924 and \$1,147,978 in donated facilities, services and supplies for the years ended February 28, 2019 and 2018, respectively, as follows:

The Organization receives contributed professional services that are required to be recorded in accordance with FASB ASC No. 958. The estimated fair value of these services was determined to be \$35,519 and \$292,141 for the years ended February 28, 2019 and 2018, respectively.

The Organization also receives contributed food commodities and other goods that are required to be recorded in accordance with FASB ASC No. 958. The estimated fair value of these food commodities and goods was determined to be \$793,945 and \$846,237 for the years ended February 28, 2019 and 2018, respectively.

The Agency pays below-market rent for the use of certain facilities. In accordance with generally accepted accounting principles, the difference between amounts paid for the use of the facilities and the fair market value of the rental space has been recorded as an in-kind donation and as an in-kind expense in the accompanying financial statements. The estimated fair value of the donation was determined to be \$9,600 for the year ended February 28, 2018. There was no donation for the year ended February 28, 2019.

#### Advertising

The Organization expenses advertising costs as they are incurred. Total advertising costs for the years ended February 28, 2019 and 2018 totaled \$54,461 and \$32,655, respectively.

#### Inventory

Inventory consists of weatherization supplies and work in process and is valued at the lower of cost or net realizable value, using the first-in, first-out method.

#### Functional Allocation of Expenses

The costs of providing the various programs and other activities have been presented in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. Expenses are charged to each program based on the direct expenses incurred or estimated usage based on time spent on each program by staff.

<u>Expense</u>	<u>Method of allocation</u>
Wages and benefits	Time and effort
Depreciation	Actual assets used by program
All other expenses	Direct assignment

2. **LIQUIDITY AND AVAILABILITY**

The following represents the Organization's financial assets as of February 28, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Financial assets at year end:		
Cash and cash equivalents, undesignated	\$ 1,411,762	\$ 1,751,685
Accounts receivable	2,321,041	2,993,405
Investments	102,522	98,753
Line of credit available	<u>200,000</u>	<u>200,000</u>
Total financial assets	<u>4,035,325</u>	<u>5,043,843</u>
Less amounts not available to be used within one year:		
Net assets with donor restrictions	507,415	702,853
Less net assets with time restrictions to be met in less than a year	<u>-</u>	<u>-</u>
Amounts not available within one year	<u>507,415</u>	<u>702,853</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 3,527,910</u>	<u>\$ 4,340,990</u>

It is the Organization's goal to maintain financial assets to meet 60 days of operating expenses which approximates \$3,880,000 and \$3,530,000 respectively, at February 28, 2019 and 2018.

3. **ACCOUNTS RECEIVABLE**

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year end. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance for uncollectible accounts was estimated to be zero at February 28, 2019 and 2018. The Organization has no policy for charging interest on overdue accounts.

4. **REFUNDABLE ADVANCES**

Grants received in advance are recorded as refundable advances and recognized as revenue in the period in which the related services or expenditures are performed or incurred. Funds received in advance of grantor conditions being met aggregated \$998,332 and \$1,187,333 as of February 28, 2019 and 2018, respectively.

5. **RETIREMENT PLAN**

The Organization has a qualified contributory pension plan which covers substantially all employees. The cost of the plan is charged to programs administered by the Organization. The expense of the plan for the year ended February 28, 2019 and 2018 totaled \$184,961 and \$202,725, respectively.

6. **LEASED FACILITIES**

Facilities occupied by the Organization for its community service programs are leased under various operating leases. The lease terms range from month to month to twenty years. For the year ended February 28, 2019 and 2018, the annual lease expense for the leased facilities was \$480,258 and \$479,964, respectively.

The approximate future minimum lease payments on the above leases are as follows:

<u>Year Ended</u> <u>February 28</u>	<u>Amount</u>
2020	\$ 468,715
2021	368,835
2022	104,206
2023	103,206
2024	103,206
Thereafter	<u>972,603</u>
Total	<u>\$ 2,120,771</u>

7. **ACCRUED EARNED TIME**

The Organization has accrued a liability for future annual leave time that its employees have earned and vested with the employees in the amount of \$377,163 and \$369,827 at February 28, 2019 and 2018, respectively.

8. **BANK LINE OF CREDIT**

The Organization has a \$200,000 revolving line of credit agreement (the line) with a bank that is due on demand. The line calls for monthly variable interest payments based on the Wall Street Journal Prime Rate (5.50% and 4.50% at February 28, 2019 and 2018, respectively) plus 1%, but not less than 6% per annum. The line is secured by all the Organization's assets. There was no outstanding balance on the line at February 28, 2019 and 2018.

9. **LONG TERM DEBT**

Long term debt consisted of the following as of February 28, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
5.75% note payable to a financial institution in monthly installments for principal and interest of \$13,912 through July 2023. The note is secured by property of the Organization for Lakes Region Family Center.	\$ 649,372	\$ 773,551

3.00% note payable to the City of Concord for leasehold improvements in monthly installments for principal and interest of \$747 through May 2027. The note is secured by property of the Organization for the agency administrative building renovations.

64,943 71,843

7.00% note payable to a bank in monthly installments for principal and interest of \$4,842 through May 2023. The note is secured by a first real estate mortgage and assignment of rents and leases on property located in Concord, New Hampshire for Early Head Start.

250,339 290,132

Total  
Less amounts due within one year

964,654 1,135,526  
183,269 172,745

Long term portion

\$ 781,385 \$ 962,781

The scheduled maturities of long-term debt as of February 28, 2019 were as follows:

**Year Ending  
February 28**

**Amount**

2020	\$ 183,269
2021	194,445

2023	218,926
2024	133,205
Thereafter	<u>28,492</u>
	<u>\$ 964,654</u>

**10. PROPERTY AND EQUIPMENT**

Property and equipment consisted of the following as of February 28, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Land	\$ 168,676	\$ 168,676
Building and improvements	4,580,996	4,465,544
Equipment and vehicles	<u>5,979,321</u>	<u>6,227,722</u>
	10,728,993	10,861,942

Property and equipment, net	<u>\$ 4,398,413</u>	<u>\$ 3,925,134</u>

Depreciation expense for the years ended February 28, 2019 and 2018 was \$330,491 and \$236,706, respectively.

**11. CONTINGENCIES**

The Organization receives grant funding from various sources. Under the terms of these agreements, the Organization is required to use the funds within a certain period and for purposes specified by the governing laws and regulations. If expenditures were found not to have been made in compliance with the laws and regulations, the Organization might be required to repay the funds. No provisions have been made for this contingency because specific amounts, if any, have not been determined or assessed as of February 28, 2019.

During the year ended February 28, 2018, the Corporation for National and Community Service (CNCS) conducted a monitoring of its program and found that the Organization was not in full compliance with the program requirements. As a result, CNCS disallowed \$37,000 of grant expenditures. The Organization returned the funds in full during April 2018.

**12. CONCENTRATION OF RISK**

For the years ended February 28, 2019 and 2018, approximately \$12,000,000 (48%) and \$11,000,000 (47%), respectively, of the Organization's total revenue was received from the Department of Health and Human Services. The future scale and nature of the Organization is dependent upon continued support from this department.

**13. NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions are available for the following specific program services as of February 28, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
NH Food Pantry Coalition	\$ 663	\$ 663
Senior Center	137,743	127,746
Elder Services	200,912	390,089
NH Rotary Food Challenge	5,068	5,068

Caring Fund	11,811	14,272
Agency – FAP	6,342	14,746
Agency Head Start	137,967	140,979
Other Programs	<u>1,375</u>	<u>3,378</u>
Total net assets with donor restrictions	<u>\$ 507,415</u>	<u>\$ 702,853</u>

14. **RELATED PARTY TRANSACTIONS**

The Organization is related to the following corporation as a result of common management:

<b><u>Related Party</u></b>	<b><u>Function</u></b>
CAPBMC Development Corporation	Real Estate Development

There was \$139,441 due from CAPBMC Development Corporation at both February 28, 2019 and 2018.

The Organization serves as the management agent for the following organizations:

<b><u>Related Party</u></b>	<b><u>Function</u></b>
Belmont Elderly Housing, Inc.	HUD Property
Epsom Elderly Housing, Inc.	HUD Property
Alton Housing for the Elderly, Inc.	HUD Property
Pembroke Housing for the Elderly, Inc.	HUD Property
Newbury Elderly Housing, Inc.	HUD Property
Kearsarge Elderly Housing, Inc.	HUD Property
Riverside Housing Corporation	HUD Property
Sandy Ledge Limited Partnership	Low Income Housing Tax Credit Property
Twin Rivers Community Corporation	Property Development
Ozanam Place, Inc.	Transitional Supportive Services
TRCC Housing Limited Partnership I	Low Income Housing Tax Credit Property

The services performed by the Organization included, marketing, accounting, tenant selection (for the HUD properties), HUD compliance (for the HUD properties), and maintenance of property.

The total amount due from the related parties (collectively) at February 28, 2019 and 2018 was \$185,937 and \$114,032, respectively and is included in accounts receivables.

15. **RECLASSIFICATION**

Certain amounts and accounts from the prior year financial statements have been reclassified to enhance the comparability with the presentation of the current year.

16. **FAIR VALUE OF FINANCIAL INSTRUMENTS**

Community Action Program Belknap-Merrimack Counties, Inc. has also invested money relating to its Fix-it program in certain mutual funds. The fair value of the mutual funds totaled \$101,522 and \$97,753 at February 28, 2019 and 2018, respectively.

ASC Topic No. 825-10, Financial Instruments, provides a definition of fair value which focuses on an exit price rather than an entry price, establishes a framework in generally accepted accounting principles for measuring fair value which emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and requires expanded disclosures about fair value measurements. In accordance with FASB ASC 820, the Organization may use valuation techniques consistent with market, income and cost approaches to measure fair value. As a basis for considering market participant assumptions in fair value measurements, FASB ASC 820 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair values. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

At February 28, 2019 and 2018, the Organization's investments were classified as Level 1 and were based on fair value.

**Fair Value Measurements using Significant Observable Inputs (Level 1)**

	<u>2019</u>	<u>2018</u>
Beginning balance – mutual funds	\$ 97,753	\$ 84,225
Total gains (losses) – mutual funds	3,769	9,528
Purchases	<u>-</u>	<u>4,000</u>
Ending balance – mutual funds	<u>\$ 101,522</u>	<u>\$ 97,753</u>

The carrying amount of cash, current assets, other assets and current liabilities, approximates fair value because of the short maturity of those instruments.

The Organization also has \$1,000 invested in a Partnership, The Lakes Region Partnership for Public Health, at February 28, 2019 and 2018.

**17. FISCAL AGENT**

Community Action Program Belknap-Merrimack Counties, Inc. acts as the fiscal agent for the following community organizations: Franklin Community Services Building (Franklin), the Common Pantry (Laconia), the Caring Fund (Meredith), the NH Food Pantry Coalition, the NH Rotary Food Challenge and FGP/SCP Association Region 1. The Agency provides the management and oversight of the revenues received (donations) and the expenses (utilities, food and emergency services).

**18. SUBSEQUENT EVENTS**

Subsequent events are events or transactions that occur after the statement of financial position date, but before the financial statements are available to be issued. Recognized subsequent events are events or transactions that provide additional evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. Non-recognized subsequent events are events that provide evidence about conditions that did not exist at the statement of financial position date, but arose after that date. Management has evaluated subsequent events through January 16, 2020, the date the financial statements were available to be issued.

**COMMUNITY ACTION PROGRAM BELKNAP-MERRIMACK COUNTIES, INC.**

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
FOR THE YEAR ENDED FEBRUARY 28, 2019**

**NOTE 1 BASIS OF PRESENTATION**

The accompanying schedule of expenditures of Federal Awards (the Schedule) includes the federal award activity of Community Action Program Belknep-Merrimack Counties, Inc. under programs of the federal government for the year ended February 28, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Community Action Program Belknep-Merrimack Counties, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

**NOTE 3 INDIRECT COST RATE**

Community Action Program Belknep-Merrimack Counties, Inc. has elected not to use the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.

**NOTE 4 FOOD COMMODITIES AND VEHICLES**

Nonmonetary assistance is reported in the Schedule at the fair value of the commodities received and disbursed.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
Community Action Program Belknap-Merrimack Counties, Inc.  
Concord, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Action Program Belknap-Merrimack Counties, Inc. (a nonprofit organization), which comprise the statement of financial position as of February 28, 2019 and 2018, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated January 16, 2020.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2019-001 that we consider to be a material weakness.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Community Action Program Belknap-Merrimack Counties, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH  
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors  
Community Action Program Belknep-Merrimack Counties, Inc.  
Concord, New Hampshire

**Report on Compliance for Each Major Federal Program**

We have audited Community Action Program Belknep-Merrimack Counties, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action Program Belknep-Merrimack Counties, Inc.'s major federal programs for the year ended February 28, 2019. Community Action Program Belknep-Merrimack Counties, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditors' Responsibility**

Our responsibility is to express an opinion on compliance for each of Community Action Program Belknep-Merrimack Counties, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Program Belknep-Merrimack Counties, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action Program Belknep-Merrimack Counties, Inc.'s compliance.

**Opinion on Each Major Federal Program**

In our opinion, Community Action Program Belknap-Merrimack Counties, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended February 28, 2019.

**Report on Internal Control Over Compliance**

Management of Community Action Program Belknap-Merrimack Counties, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## FINDINGS - FINANCIAL STATEMENTS AUDIT

### MATERIAL WEAKNESS

2019-001

*Condition:* The financial statements presented to the auditor at the beginning of fieldwork understated net income by a material amount. This was primarily the result of improper cut off due to revenue related to the fiscal year under audit being recorded to the subsequent period.

*Criteria:* The Organization's internal control procedures should be structured so that accounts are reconciled and reviewed on a timely basis and a review is completed prior to closing the financial records for the year.

*Cause:* The Organization lost staff and their accumulated knowledge of Fiscal Department processes and procedures. This led to general ledger entries being posted late or mis-posted.

*Effect:* Significant adjusting journal entries were proposed by the auditor to ensure accurate revenue cut off for the period under audit. Additionally, the auditor proposed a significant adjusting entry to reduce expenses as a result of workers' compensation insurance expenses being over-accrued.

*Recommendations:* The auditors recommend that the Organization implement procedures so that balance sheet accounts are reconciled and reviewed by management on a monthly basis. Further, the auditors recommend that the financial closing process be simplified and include a review of all significant balance sheet and profit and loss accounts.

*Views of Responsible Officials:* Staff turnover and short staffing resulted in the errors leading to this finding. Agency Officials recognize the need to ensure the presence of qualified staff for operational continuity. The Organization will implement procedures so that balance sheet accounts are reconciled and reviewed by management on a monthly basis. The Director of Finance will also develop procedures to produce financial reports on a periodic basis.

**SEE ATTACHED FISCAL DETAILS**

**EXPLANATION**

These requests are sole source because federal regulations require the Department to specify each vendor's name during the annual, federal Continuum of Care Program renewal application process, prior to the grant award being issued. The U.S. Department of Housing and Urban Development (HUD) reviews the applications and subsequently awards funding based on its criteria. The application process and timing of grant terms do not align with state or federal fiscal years. The start date of a grant is based on the month in which each grant's original federal agreement was issued. This results in Continuum of Care Program grant start dates, and subsequent renewal approval requests, occurring in various months throughout the year.

The purpose of these requests is for the provision of Permanent Housing programs that deliver rental and leasing assistance, service access, supportive services and associated administrative services for individuals and families who face chronic homelessness to promote the ability of participants to live more independently.

Collectively, these vendors will provide permanent housing and supportive services to a minimum of eighty (80) participants for the total contract period among all agreements in this submission from November 1, 2019 through November 30, 2020.

The attached agreements represent four (4) of thirty (30) total annual agreements, many of which have renewal dates dispersed throughout the calendar year, with vendors who are located throughout the state, to ensure ongoing, statewide delivery of housing services through New Hampshire's Continuum of Care Program.

Using the Housing First model and the development of Stabilization and Crisis Management plans, the vendors will facilitate participants' movement into sustained permanent housing while providing connections with community services to maximize the participant's ability to live more independently.

HUD established the Continuum of Care concept to support communities in their efforts to address the problems of housing instability and homelessness in a coordinated, comprehensive, and strategic fashion. The Continuum of Care serves three main purposes:

- (1) A strategic planning process for addressing homelessness in the community.
- (2) A process to engage broad-based, community-wide involvement in addressing homelessness on a year-round basis.
- (3) An opportunity for communities to submit an application to the U.S. Department of Housing and Urban Development for resources targeting housing and support services for individuals and families who face homelessness.

The Bureau ensures contract compliance and vendor performance in the following ways:

- (1) Annual compliance reviews are performed and include the collection of data relating to compliance with administrative rules and contractual agreements.
- (2) Statistical reports are submitted by the vendor on a semi-annual basis which include various demographic information and income and expense reports, including match dollars.
- (3) Each vendor is required to maintain timely and accurate data entry in the New Hampshire Homeless Management Information System. The NH Homeless Management Information System is the primary reporting tool for outcomes and activities of shelter and housing programs funded through these contracts.

As referenced in Exhibit C-1 of these agreements, the parties have the option to extend contract services for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council.

Should the Governor and Executive Council not authorize these requests, supportive services for individuals and families who face homelessness in the areas served by the vendors may not be available in their communities, additionally there may be an increase in demand for services placed upon each region's local welfare authorities. It may also result in individuals and families becoming homeless.

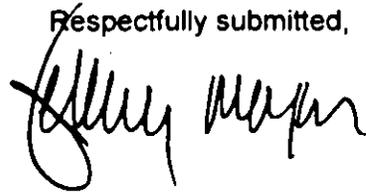

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 3 of 3

Area served: Belknap, Coos, Merrimack, Sullivan and Western Rockingham Counties; a minimum of eighty (80) individuals and/or families will be served collectively.

Source of funds: 100% Federal Funds from the U.S. Department of Housing and Urban Development, Office of Community Planning and Development, Catalog of Federal Domestic Assistance Number (CFDA) #14.267. FAIN #s: NH0100L1T001802; NH0066L1T001805; NH0079L1T001805; and NH0001L1T0011806.

In the event that the Federal funds become no longer available, General funds will not be requested to support these programs.

Respectfully submitted,

Jeffrey A. Meyers  
Commissioner

**2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

#### 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

#### 9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. **TERMINATION.** In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. **ASSIGNMENT/DELEGATION/SUBCONTRACTS.** The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. **INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**17. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**18. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

**19. CONSTRUCTION OF AGREEMENT AND TERMS.**

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

**SCOPE OF SERVICES**

**Rapid Re-Housing, Permanent Housing Program**

**1. Provisions Applicable to All Services**

- 1.1. The Contractor shall submit a detailed description of the language assistance services they will provided to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date; submitted to:

NH DHHS  
Bureau of Housing Supports  
105 Pleasant Street  
Concord, NH 03301.

- 1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the services described herein, the State, through the Bureau of Housing Supports (BHS), has the right to modify service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.
- 1.3. For the purposes of this agreement, the Department has identified the Contractor as a subrecipient, in accordance with 2 CFR 200.300.
- 1.4. Notwithstanding the confidentiality procedures established under 24 CFR 578.103(b), US Department of Housing and Urban Development (HUD), the HUD Office of the Inspector General, and the Comptroller General of the United States, or any of their authorized representatives, must have the right of access to all books, documents, papers, or other records of the Contractor that are pertinent to the Continuum of Care (CoC) grant, in order to make audits, examinations, excerpts, and transcripts. These rights of access are not limited to the required retention period, but last as long as the records are retained.
- 1.5. The Contractor shall maintain adherence to federal and state financial and confidentiality laws, and agrees to comply with the program narratives, budget detail and narrative, and amendments thereto, as detailed in the applicable Notice of Funding Available (NOFA) CoC Project Application approved by HUD.
- 1.6. The Contractor shall provide services according to HUD regulations outlined in Public Law 102-550 and 24 CFR 578 and other written, appropriate HUD policies and directives.
- 1.7. All programs shall be licensed to provide client level data into the New Hampshire Homeless Management Information System (NH HMIS). Programs shall follow NH HMIS policy, including specific information required for data entry, accuracy of data entered, and time required for data entry. Refer to Exhibit K for information security requirements and Exhibit I for privacy and security requirements for protected health information.
- 1.8. The Contractor shall cooperate fully with and answer all questions, related to this contract, of representatives of the State or Federal agencies who may conduct a periodic review of performance or an inspection of records.
- 1.9. The Contractor shall support the primary goal of this program, which is to facilitate the movement of homeless and chronically homeless individuals and families to permanent housing and maximum self-sufficiency.

2. Scope of Services

- 2.1. The Contractor shall implement a Coordinated Entry System for all projects funded by the CoC Program, Emergency Solutions Grants Program, and Housing Opportunities for Persons with AIDS Program, in accordance with CoC interim rule, 24 CFR 578.
- 2.2. The Contractor shall provide a Rapid Re-Housing, Permanent Housing program that is targeted to serve thirty-seven (37) homeless individuals and families, which includes but is not limited to:
  - 2.2.1. Utilization of the "Housing First" model, ensuring barriers to entering housing are not imposed beyond those required by regulation or statute, and will only terminate project participation for the most severe reasons, once available options have been exhausted to help a participant maintain housing; and
  - 2.2.2. The development of a stabilization plan and crisis management plan with the participant, at intake and, at a minimum, annually. An ongoing Assessment of Housing and Supportive Services is required, with the ultimate goal being assistance to the participant in obtaining the skills necessary to live in the community independently.
- 2.3. The Contractor shall establish and maintain standard operating procedures to ensure CoC program funds are used in accordance with 24 CFR 578 and must establish and maintain sufficient records to enable HUD and BHS to determine Contractor requirement compliance, including:
  - 2.3.1. Continuum of Care Records: The Contractor shall maintain the following documentation related to establishing and operating a CoC:
    - 2.3.1.1. Records of Homeless Status. The Contractor shall maintain acceptable evidence of homeless status in accordance with 24 CFR 576.500(b);
    - 2.3.1.2. Records of at Risk of Homelessness Status: The Contractor shall maintain records that establish "at risk of homelessness" status of each individual or family who receives CoC homelessness prevention assistance, as identified in 24 CFR 576.500(c); and
    - 2.3.1.3. Records of Reasonable Belief of Imminent Threat of Harm. The Contractor shall maintain documentation of each program participant who moved to a different CoC due to imminent threat of further domestic violence, dating violence, sexual assault, or stalking, as defined in 24 CFR 578.51(c)(3). The Contractor shall retain documentation that includes, but is not limited to:
      - 2.3.1.3.1 The original incidence of domestic violence, dating violence, sexual assault, or stalking, only if the original violence is not already documented in the program participant's case file. This may be written observation of the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought assistance; medical or dental records; court records or law enforcement records; or written certification by the program participant to whom the violence occurred or by the head of household; and
      - 2.3.1.3.2 The reasonable belief of imminent threat of further domestic violence, dating violence, or sexual assault or stalking; which would include threats from a third-party, such as a friend or family member of the perpetrator of the violence. This may be written observation by the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought

Exhibit A

assistance; current restraining order; recent court order or other court records; law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts; or a written certification by the program participant to whom the violence occurred or the head of household.

2.3.1.4. Records of Annual Income. For each program participant who receives housing assistance where rent or an occupancy charge is paid by the program participant, the Contractor shall keep the following documentation of annual income:

2.3.1.4.1. Income evaluation form specified by HUD and completed by the Contractor;

2.3.1.4.2. Source documents, which may include the most recent wage statement, unemployment compensation statement, public benefits statement, and bank statements for the assets held by the program participant and income received before the date of the evaluation; and

2.3.1.4.3. To the extent that source documents are unobtainable, a written statement by a relevant third party, which may include an employer or a government benefits administrator, or the written certification by the Contractor's intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period; or

2.3.1.4.4. To the extent that source documents and third-party verification are unobtainable, the written certification by the program participant of the amount of income that the program participant is reasonably expected to receive over the three (3) month period following the evaluation.

2.3.1.5. Program Participant Records. In addition to evidence of homelessness status or at-risk-of-homelessness status, as applicable, the Contractor shall keep records for each program participant that document:

2.3.1.5.1. The services and assistance provided to that program participant, including evidence that the Contractor has conducted an annual assessment of services for those program participants that remain in the program for more than a year and adjusted the service package accordingly, and including case management services as provided in 24 CFR 578.37(a)(1)(ii)(F); and

2.3.1.5.2. Where applicable, compliance with the termination of assistance requirement in 24 CFR 578.91.

2.3.1.6. Housing Standards. The Contractor shall retain documentation of compliance with the housing standards in 24 CFR 578.75(b), including inspection reports.

2.3.1.7. Services Provided. The Contractor shall document the types of supportive services provided under the Contractor's program and the amounts spent on those services. The Contractor shall keep documentation that the records were reviewed at least annually and that the service package offered to program participants was adjusted as necessary.

2.4. The Contractor shall maintain records that document compliance with:

2.4.1. The Organizational conflict-of-interest requirements in 24 CFR 578.95(c);

2.4.2. The Continuum of Care Board conflict-of-interest requirements in 24 CFR 578.95(b); and

Exhibit A

- 2.4.3. The Other Conflicts requirements in 24 CFR 578.95(d).
- 2.5. The Contractor shall develop, implement and retain a copy of the personal conflict-of-interest policy that complies with the requirements in 24 CFR 578.95, including records supporting any exceptions to the personal conflict-of-interest prohibitions.
- 2.6. The Contractor shall comply and retain documentation of compliance with:
- 2.6.1. The Homeless Participation requirements in accordance with 24 CFR 578.75(g);
- 2.6.2. The Faith-based Activities requirements in accordance with 24 CFR 578.87(b);
- 2.6.3. Affirmatively Furthering Fair Housing by maintaining copies of all marketing, outreach, and other materials used to inform eligible persons of the program in accordance with 24 CFR 578.93(c);
- 2.6.4. Other Federal Requirements in 24 CFR 578.99, as applicable;
- 2.6.5. Other Records Specified by HUD. The Contractor must keep other records as specified by HUD; and
- 2.6.6. Procurement Requirements in 24 CFR 85.36 and 24 CFR part 84.
- 2.7. Confidentiality. In addition to meeting specific confidentiality and security requirements for HMIS data (76 FR 76917), the Contractor shall develop and implement written procedures to ensure:
- 2.7.1. All records containing protected identifying information of any individual or family who applies for and/or receives Continuum of Care assistance shall be kept secure and confidential;
- 2.7.2. The address or location of any family violence project assisted with Continuum of Care funds shall not be made public, except with written authorization of the person responsible for the operation of the project; and
- 2.7.3. The address or location of any housing of a program participant will not be made public, except as provided under a preexisting privacy policy of the recipient or subrecipient and consistent with State and local laws regarding privacy and obligations of confidentiality.
- 2.8. Period of Record Retention. The Contractor shall ensure all records, originals or copies made by microfilming, photocopying, or other similar methods, pertaining to Continuum of Care funds are retained for five (5) years following the Contract Completion Date and receipt of final payment by the Contractor unless records are otherwise required to be maintained for a period in excess of the five (5) year period according to state or federal law or regulation.
3. Program Reporting Requirements
- 3.1. The Contractor shall submit the following reports:
- 3.1.1. Annual Performance Report (APR): Within thirty (30) days after the Contract Completion Date, an APR shall be submitted to BHS that summarizes the aggregate results of the Project Activities, showing in particular how the Contractor is carrying out the project in the manner proposed in the application submitted to HUD for the relevant fiscal year NOFA. The APR shall be in the form required or specified by the State, and submitted to the address listed in section 1.1. Exhibit A; and
- 3.1.2. Other Reports as requested by the State in compliance with NH HMIS policy.

Exhibit A

4. Contract Administration

- 4.1. The Contractor shall have appropriate levels of staff to attend all meetings or trainings requested by BHS, including training in data security and confidentiality, according to state and federal laws. To the extent possible, BHS shall notify the Contractor of the need to attend such meetings five (5) working days in advance of each meeting.
- 4.2. The Contractor shall inform BHS of any staffing changes within thirty (30) days of the change.

5. Performance Measures

- 5.1. The Contractor shall adhere to all terms and conditions as set forth in the applicable HUD Project Application #SF-424.
  - 5.1.1. The Contractor shall abide by the performance measures as detailed in all applicable HUD regulations including, but not limited to the following:
    - 5.1.1.1. <https://www.hudexchange.info/programs/coc/system-performance-measures/#guidance>;
    - 5.1.1.2. 24 CFR 578; Continuum of Care Program; and
    - 5.1.1.3. Public Law 102-550.
  - 5.1.2. The Contractor shall be accountable to all performance measures as detailed in the Annual Performance Report Section 3, Exhibit A.
- 5.2. The Bureau Administrator of BHS, or designee, may observe performance, activities and documents under this Agreement.

6. Deliverables

- 6.1. The Contractor shall implement and participate in the Coordinated Entry System, as detailed in Section 2.1., Scope of Services, Exhibit A, in accordance with the CoC Program interim rule, 24 CFR Part 578 and as amended.
- 6.2. The Contractor shall provide a permanent housing program as outlined in Section 2.2., Scope of Services, Exhibit A and other written HUD policies and directives as appropriate.
- 6.3. The Contractor shall provide accurate and timely reporting as detailed in Section 3., Program Reporting Requirements, Exhibit A.
- 6.4. The Contractor shall be subject to all performance measures as outlined in Section 5, Performance Measures, Exhibit A.

  - 1.2.5. Federal Agency: U.S. Department of Housing & Urban Development (HUD)
  - 1.2.6. Program Title: Continuum of Care, Rapid Re-Housing Permanent Housing Program
  - 1.2.7. Total Amount Continuum of Care;
    - 1.2.7.1. December 1, 2019 – November 30, 2020: not to exceed \$181,202
  - 1.2.8. Funds allocation under this agreement for Continuum of Care Program;
    - 1.2.8.1. Administrative Expenses: \$4,274
    - 1.2.8.2. Supportive Services: \$11,700
    - 1.2.8.3. Rental Assistance: \$165,228
    - 1.2.8.4. Total program amount: \$181,202
    - 1.2.8.5. Vendor Match (25%) \$46,396
- 1.3. The Contractor agrees to provide the services in Exhibit A, Scope of Service in compliance with funding requirements. Failure to meet the scope of services may jeopardize the funded Contractor's current and/or future funding.

2. Financial Reports

- 2.1. As part of the performance of the Project Activities, the Contractor covenants and agrees to submit the following:
  - 2.1.1. Audited Financial Report: The Audited Financial Report shall be prepared in accordance with 2 CFR part 200.
  - 2.1.2. One (1) copy of the audited financial report within thirty (30) days of the completion of said report to the State at the following address:
 

NH DHHS  
Bureau of Housing Supports  
105 Pleasant Street  
Concord, NH 03301
- 2.2. Conformance to 2 CFR part 200: Grant funds are to be used only in accordance with procedures, requirements, and principles specified in 2 CFR part 200.

New Hampshire Department of Health and Human Services  
Continuum of Care Program

Exhibit B

- 2.3. If the Contractor is not subject to the requirements of 2 CFR part 200, the Contractor shall submit one (1) copy of an audited financial report to the Department utilizing the guidelines set forth by the Comptroller General of the United States in "Standards for Audit of Governmental Organizations, Program Activities, and Functions," within ninety (90) days after contract completion date.

**3. Project Costs: Payment Schedule: Review by the State**

- 3.1. Project Costs: As used in this Agreement, the term "Project Costs" shall mean all expenses directly or indirectly incurred by the Contractor in the performance of the Project Activities, as determined by the State to be eligible and allowable for payment in accordance with Public Law 102-550 as well as allowable cost standards set forth in 2 CFR part 200 as revised from time to time and with the rules, regulations, and guidelines established by the State. Nonprofit subcontractors shall meet the requirements of 2 CFR part 200.

- 3.2. Continuum of Care funds may be used to pay for eligible costs listed in 24 CFR 578.39 through 578.63 when used to establish and operate projects under five program components: permanent housing; transitional housing; supportive services only; HMIS; and, in some cases, homeless prevention. Administrative costs are eligible for all components. All components are subject to the restrictions on combining funds for certain eligible activities in a single project found in 24 CFR 578.87(c).

**3.3. Match Funds:**

- 3.3.1. The Contractor shall provide sufficient matching funds, as required by HUD regulations and policies described in 24 CFR 578.73.

- 3.3.2. Match requirements are to be documented with each payment request.

- 3.3.3. The Contractor must match all grant funds except for leasing funds, with no less than twenty-five (25) percent of funds or in-kind contributions from other sources.

- 3.3.4. Cash match must be used for the cost of activities that are eligible under subpart D of 24 CFR 578. The Contractor shall:

- 3.3.4.1. Maintain records of the source and use of contributions made to satisfy the match requirement in 24 CFR 578.73.

- 3.3.4.2. Ensure records indicate the grant and fiscal year for which each matching contribution is counted.

- 3.3.4.3. Ensure records include methodologies that specify how the values of third party in-kind contributions were derived.

- 3.3.4.4. Ensure records include, to the extent feasible, volunteer services that are supported by the same methods used to support the allocation of regular personnel costs.

**3.4. Payment of Project Costs:**

- 3.4.1. The State agrees to provide payment on a cost reimbursement basis for actual, eligible expenditures incurred in the fulfillment of this agreement, and shall be in accordance with the approved line items as specified in Exhibit B-1, Budget, and as defined by HUD under the provisions of Public Law 102-550 and other applicable regulations, subject to the availability of sufficient funds.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit B**

- 3.4.2. The Contractor shall only be reimbursed for those costs designated as eligible and allowable costs as stated in Section 4. Expense Eligibility, Exhibit B. The Contractor must have written approval from the State prior to billing for any other expenses.
- 3.4.3. Payment of Project Costs shall be made through the utilization of funds as provided through the U.S. Department of Housing and Urban Development Title XIV Housing programs under the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH Act), Subtitle A-Housing Assistance (Public Law 102-550), in an amount and time period not to exceed as specified in section 1.2 Exhibit B.
- 3.4.4. Schedule of Payments:
- 3.4.4.1. All reimbursement requests for all Project Costs, including the final reimbursement request for this Contract, shall be submitted by the fifteenth (15<sup>th</sup>) day of each month, for the previous month, and accompanied by an invoice from the Contractor for the amount of each requested disbursement along with a payment request form and any other documentation required, as designated by the State, which shall be completed and signed by the Contractor.
- 3.4.4.2. In lieu of hard copies submitted to the address listed in Section 2.1.2. Exhibit B., all invoices may be assigned an electronic signature and emailed to: [housingsupportsinvoices@dhhs.nh.gov](mailto:housingsupportsinvoices@dhhs.nh.gov)
- 3.4.4.3. The Contractor shall keep records of their activities related to Department programs and services, and shall provide such records and any additional financial information if requested by the State to verify expenses.

**3.5. Review of the State Disallowance of Costs:**

- 3.5.1. At any time during the performance of the Services, and upon receipt of the Annual Performance Report, Termination Report or Audited Financial Report, the State may review all Project Costs incurred by the Contractor and all payments made to date.
- 3.5.2. Upon such review, the State shall disallow any items of expenses that are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, informing the Contractor of any such disallowance.
- 3.5.3. If the State disallows costs for which payment has not yet been made, it shall refuse to pay such costs. Any amounts awarded to the Contractor pursuant to this agreement are subject to recapture.
- 3.5.4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of non-compliance with any Federal or State law, rule or regulation applicable to the services provided, or if the said services, products, required report submissions, as detailed in Exhibits A and B, or NH-HMIS data entry requirements have not been satisfactorily completed in accordance with the terms and conditions of this Agreement.

**4. Expense Eligibility**

- 4.1. Based on the continued receipt/availability of federal funds, the Contractor shall utilize Continuum of Care Program funds specified in this Exhibit B from the HUD Continuum of Care Program, for contract services.

4.2. Operating Expenses:

4.2.1. Eligible operating expenses include:

- 4.2.1.1. Maintenance and repair of housing.
- 4.2.1.2. Property taxes and insurance (including property and car).
- 4.2.1.3. Scheduled payments to reserve for replacement of major systems of the housing (provided that the payments must be based on the useful life of the system and expected replacement cost).
- 4.2.1.4. Building security for a structure where more than fifty (50) percent of the units or area is paid for with grant funds.
- 4.2.1.5. Utilities, including electricity, gas and water.
- 4.2.1.6. Furniture and equipment.

4.2.2. Ineligible costs include:

- 4.2.2.1. Rental assistance and operating costs in the same project.
- 4.2.2.2. Operating costs of emergency shelter and supportive service-only facilities.
- 4.2.2.3. Maintenance and repair of housing where the costs of maintaining and repairing the housing are included in the lease.

4.3. Supportive Services

4.3.1. Eligible supportive services costs must comply with all HUD regulations in 24 CFR 578.53, and are available to individuals actively participating in the permanent housing program.

4.3.2. Eligible costs shall include:

- 4.3.2.1. Annual assessment of Service Needs. The costs of the assessment required by 578.53(a) (2).
- 4.3.2.2. Assistance with moving costs. Reasonable one-time moving costs are eligible and include truck rental and hiring a moving company.
- 4.3.2.3. Case management. The costs of assessing, arranging, coordinating, and monitoring the delivery of individualized services to meet the needs of the program participant(s) are eligible costs.
- 4.3.2.4. Child Care. The costs of establishing and operating child care, and providing child-care vouchers, for children from families experiencing homelessness, including providing meals and snacks, and comprehensive and coordinated developmental activities are eligible.
- 4.3.2.5. Education Services. The costs of improving knowledge and basic educational skills are eligible.
- 4.3.2.6. Employment assistance and job training. The costs of establishing and operating employment assistance and job training programs are eligible, including classroom, online and/or computer instruction, on-the-job instruction, services that assist individuals in securing employment, acquiring learning skills, and/or increasing earning potential. The cost of providing reasonable stipends to

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

- program participants in employment assistance and job training programs is also an eligible cost.
- 4.3.2.7. Food. The cost of providing meals or groceries to program participants is eligible.
  - 4.3.2.8. Housing search and counseling services. Costs of assisting eligible program participants to locate, obtain, and retain suitable housing are eligible.
  - 4.3.2.9. Legal services. Eligible costs are the fees charged by licensed attorneys and by person(s) under the supervision of licensed attorneys, for advice and representation in matters that interfere with homeless individual or family's ability to obtain and retain housing.
  - 4.3.2.10. Life Skills training. The costs of teaching critical life management skills that may never have been learned or have been lost during course of physical or mental illness, domestic violence, substance abuse, and homelessness are eligible. These services must be necessary to assist the program participant to function independently in the community. Component life skills training are the budgeting of resources and money management, household management, conflict management, shopping for food and other needed items, nutrition, the use of public transportation, and parent training.
  - 4.3.2.11. Mental Health Services. Eligible costs are the direct outpatient treatment of mental health conditions that are provided by licensed professionals. Component services are crisis interventions; counseling; individual, family, or group therapy sessions; the prescription of psychotropic medications or explanations about the use and management of medications; and combinations of therapeutic approaches to address multiple problems.
  - 4.3.2.12. Outpatient health services. Eligible costs are the direct outpatient treatment of medical conditions when provided by licensed medical professionals.
  - 4.3.2.13. Outreach Services. The costs of activities to engage persons for the purpose of providing immediate support and intervention, as well as identifying potential program participants, are eligible.
  - 4.3.2.14. Substance abuse treatment services. The costs of program participant intake and assessment, outpatient treatment, group and individual counseling, and drug testing are eligible. Inpatient detoxification and other inpatient drug or alcohol treatment are ineligible.
  - 4.3.2.15. Transportation Services are described in 24CFR 578(e) (15).
  - 4.3.2.16. Utility Deposits. This form of assistance consists of paying for utility deposits. Utility deposits must be one-time, paid to utility companies.
  - 4.3.2.17. Direct provision of services. If the service described in 24CFR 578.53(e) (1)-(16) of this section is being directly delivered by the recipient or subrecipient, eligible costs for those services are described in 24 CFR 578(e) (17).
  - 4.3.2.18. Ineligible costs. Any cost not described as eligible costs under this section is not an eligible cost of providing supportive services using Continuum of Care program funds. Staff training and costs of obtaining professional licensure or certifications needed to provide supportive services are not eligible costs.

4.3.2.19. Special populations. All eligible costs are eligible to the same extent for program participants who are unaccompanied homeless youth; persons living with HIV/AIDS; and victims of domestic violence, dating violence, sexual assault, or stalking.

4.4. Rental Assistance

- 4.4.1. Grant funds may be used for rental assistance for homeless individuals and families.
- 4.4.2. Rental assistance cannot be provided to a program participant who is already receiving rental assistance, or living in a housing unit receiving rental assistance or operating assistance through other federal, State, or local sources.
- 4.4.3. Rental assistance must be administered in accordance with the policies and procedures established by the Continuum as set forth in 24 CFR 578.7(a) (9) and 24 CFR 578.51. and may be:
  - 4.4.3.1. Short term, up to 3 months of rent;
  - 4.4.3.2. Medium term, for 3-24 months; or
  - 4.4.3.3. Long-term, for longer than 24 months.
- 4.4.4. Grant funds may be used for security deposits in an amount not to exceed 2 months of rent.
- 4.4.5. An advance payment of the last month's rent may be provided to the landlord, in addition to the security deposit and payment of first month's rent.
- 4.4.6. Rental assistance will only be provided for a unit if the rent is reasonable, as determined by the Contractor, in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit.
- 4.4.7. The Contractor may use grant funds in an amount not to exceed one month's rent to pay for any damage to housing due to the action of a program participant. For Leasing funds only: Property damages may be paid only from funds paid to the landlord from security deposits.
- 4.4.8. Housing must be in compliance with all State and local housing codes, licensing requirements, the Lead-Based Paint Poisoning Prevention Act, and any other requirements of the jurisdiction in which the housing is located regarding the condition of the structure and operation of the housing or services.
- 4.4.9. The Contractor must provide one of the following types of rental assistance: Tenant-based, Project-based, or Sponsor-based assistance as described by HUD in 24 CFR 578.51.
  - 4.4.9.1. Tenant-based rental assistance is rental assistance in which program participants choose housing of an appropriate size in which to reside. When necessary to facilitate the coordination of supportive services, recipients and subrecipients may require program participants to live in a specific area for their entire period of participation, or in a specific structure for the first year and in a specific area for the remainder of their period of participation. Short and medium term rental assistance provided under the Rapid Re-Housing program component must be tenant based rental assistance.

New Hampshire Department of Health and Human Services  
Continuum of Care Program

Exhibit B

- 4.4.9.2. Sponsor-based rental assistance is provided through contracts between the recipient and sponsor organization. A sponsor may be a private, nonprofit organization, or a community mental health agency established as a public nonprofit organization. Program participants must reside in housing owned or leased by the sponsor.
- 4.4.9.3. Project-based rental assistance is provided through a contract with the owner of an existing structure, where the owner agrees to lease the subsidized units to program participants. Program participants will not retain rental assistance if they move.
- 4.4.9.4. For project-based, sponsor-based, or tenant-based rental assistance, program participants must enter into a lease agreement for a term of at least one year, which is terminable for cause. The leases must be automatically renewable upon expiration for terms that are a minimum of one month long, except on prior notice by either party.
- 4.5. Administrative Costs:
- 4.5.1. Eligible administrative costs include:
- 4.5.1.1. The Contractor may use funding awarded under this part, for the payment of project administrative costs related to the planning and execution of Continuum of Care activities. This does not include staff and overhead costs directly related to carrying out activities eligible under 24 CFR 578.43 through 578.57, because those costs are eligible as part of those activities.
- 4.5.1.2. General management, oversight, and coordination. Costs of overall program management, coordination, monitoring and evaluation. These costs include, but are not limited to, necessary expenditures for the following:
- 4.5.1.2.1. Salaries, wages, and related costs of the staff of the contractor's, or other staff engage in program administration.
- 4.5.1.2.1.1. In charging costs to this category, the contractor may include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The contractor may only use one of these methods for each fiscal year grant. Program administration assignments include the following:
- 4.5.1.2.1.1.1. Preparing program budgets and schedules, and amendments to those budgets and schedules;
- 4.5.1.2.1.1.2. Developing systems for assuring compliance with program requirements;
- 4.5.1.2.1.1.3. Developing interagency agreements and agreements with subrecipients and Contractors to carry out program activities;
- 4.5.1.2.1.1.4. Monitoring program activities for progress and compliance with program requirements;

- 4.5.1.2.1.1.5. Preparing reports and other documents related to the program for submission to HUD;
- 4.5.1.2.1.1.6. Coordinating the solution of audit and monitoring findings;
- 4.5.1.2.1.1.7. Preparing reports and other documents directly related to the program submission to HUD;
- 4.5.1.2.1.1.8. Evaluating program results against stated objectives;
- 4.5.1.2.1.1.9. Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in sections 4.5.1.2.1.1.1. through 4.5.1.2.1.1.8. above, Exhibit B.
- 4.5.1.2.1.1.10. Travel costs incurred for official business in carrying out the program;
- 4.5.1.2.1.1.11. Administrative services performed under third party contracts or agreements, including such services as general legal services, accounting services, and audit services; and;
- 4.5.1.2.1.1.12. Other costs for goods and services required for administration of the program, including such goods and services as rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance, but not purchase, of office space.
- 4.5.1.2.1.1.13. Training on Continuum of Care requirements. Costs of providing training on Continuum of Care requirements and attending HUD-Sponsored Continuum of Care trainings.
- 4.5.1.2.1.1.14. Environmental review. Costs of carrying out the environmental review responsibilities under 24 CFR 578.31

4.6. Leasing:

4.6.1. When the Contractor is leasing the structure, or portions thereof, grant funds may be used to pay for 100 percent of the costs of leasing a structure or structures, or portions thereof, to provide housing or supportive services to homeless persons for up to three (3) years. Leasing funds may not be used to lease units or structures owned by the contractor, their parent organization, any other related organization(s), or organizations that are members of a partnership, where the partnership owns the structure, unless HUD authorized an exception for good cause.

4.6.2. Requirements:

4.6.2.1. Leasing structures. When grants are used to pay rent for all or part of a structure or structures, the rent paid must be reasonable in relation to rents being charged in the area for comparable space. In addition, the rent paid may not exceed rents currently being charged by the same owner for comparable unassisted space.

4.6.2.2. Leasing individual units. When the grants are used to pay rent for individual housing units, the rent paid must be reasonable in relation to rents being charged for comparable units, taking into account the location, size, type, quality, amenities, facilities, and management services. In addition, the rents may not exceed rents currently being charged for comparable units, and the rent paid may not exceed HUD-determined fair market rents.

New Hampshire Department of Health and Human Services  
Continuum of Care Program

Exhibit B

- 4.6.2.3. Utilities. If electricity, gas, and water are included in the rent, these utilities may be paid from leasing funds. If utilities are not provided by landlord, these utility costs are operating costs, except for supportive service facilities. If the structure is being used as a supportive service facility, then these utility costs are a supportive service cost.
- 4.6.2.4. Security deposits and first and last month's rent. The contractor may use grant funds to pay security deposits, in an amount not to exceed 2 months of actual rent. An advance payment of last month's rent may be provided to the landlord in addition to security deposit and payment of the first month's rent.
- 4.6.2.5. Occupancy agreements and subleases. Occupancy agreements and subleases are required as specified in 24 CFR 578.77(a).
- 4.6.2.6. Calculation of occupancy charges and rent. Occupancy charges and rent from program participants must be calculated as provided in 24 CFR 578.77.
- 4.6.2.7. Program income. Occupancy charges and rent collected from program participants are program income and may be used as provided under 24 CFR 578.97.
- 4.6.2.8. Transition. Refer to 24CFR 578.49(b)(8)
- 4.6.2.9. Rent paid may only reflect actual costs and must be reasonable in comparison to rents charged in the area for similar housing units. Documentation of rent reasonableness must be kept on file by the Contractor.
- 4.6.2.10. The portion of rent paid with grant funds may not exceed HUD-determined fair market rents.
- 4.6.2.11. The Contractor shall pay individual landlords directly; funds may not be given directly to participants to pay leasing costs.
- 4.6.2.12. Property damages may only be paid from money paid to the landlord for security deposits.
- 4.6.2.13. The Contractor cannot lease a building that it already owns to itself.
- 4.6.2.14. Housing must be in compliance with all State and local housing codes, licensing requirements, the Lead-Based Paint Poisoning Prevention Act, and any other requirements of the jurisdiction in which the housing is located regarding the condition of the structure and operation of the housing or services.
- 4.7. The Contractor may charge program participants rent and utilities (heat, hot water); however, the amount charged may not exceed the maximum amounts specified in HUD regulations (24 CFR 578.77). Other services such as cable, air conditioning, telephone, Internet access, cleaning, parking, pool charges, etc. are at the participant's option.
- 4.8. The Contractor shall have any staff charged in full or part to this contract, or counted as match, complete weekly or bi-weekly timesheets.

**SPECIAL PROVISIONS**

**Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation, regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
  - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

**RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:**

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
- 8.1. **Fiscal Records:** books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
  - 8.2. **Statistical Records:** Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
  - 8.3. **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.
9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
- 9.1. **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
  - 9.2. **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.
10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department.
  - 11.1. **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
  - 11.2. **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.
12. **Completion of Services: Disallowance of Costs:** Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.
13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
  - 13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.
14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.
15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.
16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of \$500,000 or more. If the recipient receives \$25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than \$25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: <http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf>.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.
18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, \$150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF  
WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:

- 19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
- 19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
- 19.3. Monitor the subcontractor's performance on an ongoing basis

- 19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
- 19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

**20. Contract Definitions:**

- 20.1. **COSTS:** Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.
- 20.2. **DEPARTMENT:** NH Department of Health and Human Services.
- 20.3. **PROPOSAL:** If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the services and/or goods to be provided by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.
- 20.4. **UNIT:** For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.
- 20.5. **FEDERAL/STATE LAW:** Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from time to time.
- 20.6. **SUPPLANTING OTHER FEDERAL FUNDS:** Funds provided to the Contractor under this Contract will not supplant any existing federal funds available for these services.

**REVISIONS TO STANDARD CONTRACT LANGUAGE**

**1. Revisions to Form P-37, General Provisions**

1.1. Section 4, Conditional Nature of Agreement, is replaced as follows:

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account in the event funds are reduced or unavailable.

1.2. Section 10, Termination, is amended by adding the following language:

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

**2. Renewal**

2.1. The Department reserves the right to extend this agreement for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, written agreement of the parties and approval of the Governor and Executive Council.

**CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS  
US DEPARTMENT OF EDUCATION - CONTRACTORS  
US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner  
NH Department of Health and Human Services  
129 Pleasant Street,  
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
  - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
    - 1.2.1. The dangers of drug abuse in the workplace;
    - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
    - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
    - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
  - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
    - 1.4.1. Abide by the terms of the statement; and
    - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
  - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

- 1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
    - 1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
    - 1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
  - 1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.
2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

- \*Social Services Block Grant Program under Title XX
- \*Medicaid Program under Title XIX
- \*Community Services Block Grant under Title VI
- \*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-1.)
3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION  
AND OTHER RESPONSIBILITY MATTERS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
  - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (11)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
  - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).
14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

**CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO  
FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND  
WHISTLEBLOWER PROTECTIONS**

The Vendor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Vendor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;
- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Vendor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Vendor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

- p. **Other Definitions** - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

- a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
  - I. For the proper management and administration of the Business Associate;
  - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
  - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Exhibit I

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
  - o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
  - o The unauthorized person used the protected health information or to whom the disclosure was made;
  - o Whether the protected health information was actually acquired or viewed
  - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

Exhibit I

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

**(4) Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

**(5) Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

**(6) Miscellaneous**

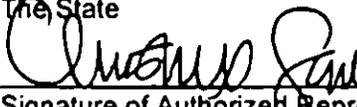

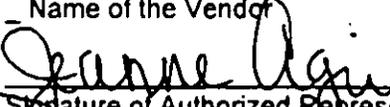

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.
2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.
3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.
5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.
6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.
8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.
9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.
10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.
11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.
12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

#### I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

##### A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

JA

4.26.19

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

### III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

#### A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

**B. Disposition**

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

**IV. PROCEDURES FOR SECURITY**

- A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:
  1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
  2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

DHHS Information Security Requirements

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.
6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.
7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.
8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.
9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.
10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.
11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.
13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at <https://www.nh.gov/doi/vendor/index.htm> for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.
14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.
15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.
16. The Contractor must ensure that all End Users:
  - a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.
  - b. safeguard this information at all times.
  - c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.
  - d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

- e. limit disclosure of the Confidential Information to the extent permitted by law.
- f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).
- g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.
- h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.
- i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

#### V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Division of Economic and Housing Stability, to enter into a **Sole Source** amendment to an existing contract with the vendor listed in bold below for the ongoing provision of permanent housing and supportive services to individuals and families who are experiencing homelessness through the Federal Continuum of Care Program, by exercising a contract renewal option by extending the completion date from October 31, 2020, to October 31, 2021, and by increasing the total price limitation by \$107,192 from \$281,462 to \$388,654, effective November 1, 2020, or upon Governor and Council approval, whichever is later. 100% Federal Funds.

The original contracts were approved by Governor and Council on August 14, 2019, item #9.

Vendor Name	Vendor Code	Area Served	Current Amount	Increase (Decrease)	Revised Amount

**EXPLANATION**

This request is **Sole Source** because the contract was originally approved as sole source and MOP 150 requires any subsequent amendment to be labelled as sole source.

The purpose of this request is to continue providing permanent housing programs that deliver rental and leasing assistance; service access; and supportive services to individuals and families who are experiencing homelessness.

The programs serve individuals and families experiencing homelessness who would otherwise likely be left in unsafe situations without permanent housing. Approximately thirty-eight (38) individuals will be served from November 1, 2020, to October 31, 2021.

Using the Housing First model, the Contractors develop Stabilization and Crisis Management plans and facilitate each participant's movement into sustained permanent housing. Additionally, the Contractors work to maximize each participant's ability to live more independently by providing connections to community and mainstream services.

The Department will monitor contracted services using the following:

- Annual reviews relating to compliance with administrative rules and contractual agreements.
- Semi-annual statistical reports, including various demographic information and income and expense reports, to include match dollars.
- Timely and accurate data entered by the Contractors into the New Hampshire Homeless Management Information System, which is the primary reporting tool for outcomes and activities of shelter and housing programs.

As referenced in Exhibit C-1, Revisions to Standard Contract Language, Section 2., Renewal, of the original contract, the parties have the option to extend the agreement for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the two (2) years available.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 3 of 3

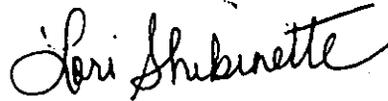

Should the Governor and Executive Council not authorize this request, there will be fewer permanent housing options and supportive services available, leaving vulnerable individuals and families, in unsafe and deadly situations, without a safety net. Additionally, if data is not collected as required by the contracts, the Department will be out of compliance with federal regulations, which could result in a loss of federal funding for these and other types of permanent housing and supportive service programs.

Area served: Manchester and Merrimack and Stafford Counties.

Source of Funds: CFDA #14.267, FAIN #NH0053L1T001909

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette  
Commissioner

## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
FIT/NHNN, Inc. and Subsidiaries

We have audited the accompanying consolidated financial statements of FIT/NHNN, Inc. and Subsidiaries (the Organization), which comprise the consolidated statement of financial position as of December 31, 2019 and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Organization as of December 31, 2019, and the consolidated changes in their net assets and their consolidated cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

***Report on Summarized Comparative Information***

We have previously audited the Organization's 2018 consolidated financial statements and, in our report dated March 18, 2019, expressed an unmodified opinion on those audited consolidated financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2018 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

***Other Matters***

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information, which consists of the consolidating statement of financial position as of December 31, 2019, and the related consolidating statements of activities and functional expenses for the year then ended, is presented for purposes of additional analysis, rather than to present the financial position and changes in net assets of the individual entities, and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

***Changes in Accounting Principles***

As discussed in Note 1 to the consolidated financial statements, in 2019 the Organization adopted new accounting guidance, Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2016-18, *Restricted Cash*, and FASB ASU No. 2018-08, *Clarifying the Scope of the Accounting Guidance for Contributions Received and Contributions Made*. Our opinion is not modified with respect to these matters.

**FIT/NHNN, INC. AND SUBSIDIARIES**

**Notes to Consolidated Financial Statements**

**December 31, 2019**

**(With Comparative Totals for December 31, 2018)**

**Organization**

In May 1994, Families in Transition, Inc. was incorporated as a New Hampshire nonprofit to provide housing and comprehensive social services to individuals and families who are homeless or at risk of becoming homeless in certain areas of southern New Hampshire.

Effective January 1, 2018, Families in Transition, Inc. merged with New Horizons for New Hampshire, Inc. (NHNH) to form FIT/NHNN, Inc. (FIT/NHNN or the Organization). As a result of the merger, FIT/NHNN created an integrated system of care that provides an increased supply of affordable housing for those most in need, sustains positive outcomes through the incorporation of evidence based practices proven to meet identified needs and goals, identifies areas for systemic and programmatic improvements through the use of consistent and accurate data to regularly measure success, and provide an integrated system of care to prevent homelessness when possible and rapidly rehouse those who become homeless, including both the chronically homeless and families with children. The merger resulted in a contribution of net assets in 2018 as follows:

Cash and cash equivalents	\$ 326,551
Other current assets	63,438
Cash surrender value of life insurance	33,676
Investments	1,780,456
Property and equipment, net	1,396,197
Accounts payable and accrued payroll	(95,950)
Notes payable	<u>(73,417)</u>
Fair value of net assets acquired	<u>\$ 3,430,951</u>

The fair value of the identifiable assets exceeded the fair value of the liabilities assumed; as a result, a contribution was recognized. There was no consideration transferred from NHNN.

The Organization directly owns and operates housing programs in facilities located on Amherst Street, Spruce Street, Lake Avenue and Douglas Street in Manchester, New Hampshire. Additional housing facilities are owned and operated by several limited partnerships of which the Organization, or one of its subsidiaries, is the sole general partner. These limited partnerships include Bicentennial Families Concord Limited Partnership (Bicentennial), located at Bicentennial Square in Concord, New Hampshire; Family Bridge Limited Partnership (Family Bridge), located on Second Street in Manchester, New Hampshire; and Family Willows Limited Partnership (Family Willows), located on South Beech Street in Manchester, New Hampshire (collectively referred to as the Limited Partnerships).

During 2019, Bicentennial reached the end of its initial 15-year low-income housing tax credit compliance period. Effective September 20, 2019, New Hampshire Housing Equity Fund 2002 Limited Partnership and JPMorgan Chase, the limited partners, and Bicentennial Families Concord, Inc., the general partner, dissolved Bicentennial. As a result, the non-controlling interest was eliminated and the assets and liabilities of Bicentennial were transferred to the general partner. The general partner's parent, FIT/NHNN, then caused the assets to be contributed to, and the liabilities assumed by, Housing Benefits, Inc. (Housing Benefits), a subsidiary of FIT/NHNN.

### Notes to Consolidated Financial Statements

December 31, 2019

(With Comparative Totals for December 31, 2018)

In 2008, the Organization created Housing Benefits, a Community Development Housing Organization, to identify and develop new housing units and refurbish existing units to meet the persistent need of combating homelessness. Completed housing units are located on School & Third Street, Lowell Street, Belmont Street, Market Street (Millyard I and Millyard II), Spruce Street and Hayward Street, in Manchester, New Hampshire as well as additional housing facilities located on Central Avenue in Dover, New Hampshire (Dover), Leher Street in Wolfeboro, New Hampshire (Hope House), and at Bicentennial Square in Concord, New Hampshire (Bicentennial).

On April 12, 2019, HB-AH, LLC (HB-AH) was legally formed as a limited liability company organized under the laws of the State of New Hampshire which is treated as a disregarded entity for federal income tax purposes. HB-AH's purpose is to acquire, own, rent, operate and manage 23 residential apartments located in Manchester, New Hampshire. HB-AH is to operate exclusively to further the charitable purpose of Housing Benefits, HB-AH's sole member.

In 2012, the Organization became the sole member of Manchester Emergency Housing, Inc. (MEH), a New Hampshire nonprofit corporation providing immediate shelter to homeless families in the Manchester, New Hampshire area. MEH is the only family shelter in Manchester, New Hampshire.

The Organization also owns 100% of Family Outfitters, LLC (Outfitters), a limited liability corporation. At December 31, 2019, Outfitters operated an independent thrift store in Manchester, New Hampshire with the sole purpose of generating an alternate funding stream for the Organization. During 2018, management made the decision to close a Concord, New Hampshire thrift store location.

In 2012, the Organization became the sole member of The New Hampshire Coalition to End Homelessness (NHCEH), a statewide entity, whose mission is to "eliminate the causes for homelessness through research, education and advocacy."

On May 25, 2018, the Organization organized Wilson Street Condominium Association (the Association). The Association was established for the purpose of maintaining and preserving a five unit premise located on Wilson Street in Manchester, New Hampshire. The Organization is the majority owner of the Association.

The Organization has several wholly-owned corporations which include Second Street Family Mill, Inc. (Family Mill), and Big Shady Tree, Inc. (Big Shady Tree) (collectively referred to as the General Partners), all of which are New Hampshire corporations. These wholly-owned corporations represent the .01% sole general partners in the Limited Partnerships, whereby Family Mill is a general partner of Family Bridge and Big Shady Tree is a general partner of Family Willows.

**1. Summary of Significant Accounting Policies**

**Newly Adopted Accounting Principle and Reclassifications**

In 2019, the Organization adopted Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-18, *Restricted Cash*. This ASU requires an entity to present restricted cash with cash on the statement of cash flows. The impact of adoption on the consolidated statement of cash flows for the year ended December 31, 2018 is a decrease in cash used by investing activities of \$40,338, and an increase in cash and restricted cash, beginning of the year of \$1,014,394.

In July 2018, FASB issued ASU No. 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, to clarify and improve the accounting guidance for contributions received and contributions made. The amendments in this ASU assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of FASB Accounting Standards Codification (ASC) Topic No. 958, *Not-for-Profit Entities*, or as exchange (reciprocal) transactions subject to other accounting guidance, and (2) distinguishing between conditional contributions and unconditional contributions. This ASU was adopted by the Organization for the year ended December 31, 2019. Adoption of the ASU did not have a material impact on the Organization's financial reporting.

**Principles of Consolidation**

Since the General Partners have control of the Limited Partnerships, in accordance with FASB ASC Topic 810-20-25, *Consolidation*, the financial statements of the Limited Partnerships are required to be consolidated with the Organization's consolidated financial statements. The limited partners' ownership interest is reported in the consolidated statement of financial position as noncontrolling interest.

The consolidated financial statements include the net assets of the Organization, the Limited Partnerships, Housing Benefits, HB-AH, MEH, Outfitters, NHCEH, the Association, and the General Partners. All significant inter-entity balances and transactions are eliminated in the accompanying consolidated financial statements.

**Comparative Information**

The consolidated financial statements include certain prior year summarized comparative information in total, but not by net asset classification. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Accordingly, such information should be read in conjunction with the Organization's December 31, 2018 consolidated financial statements, from which the summarized information was derived.

**FIT/NHNN, INC. AND SUBSIDIARIES**

**Notes to Consolidated Financial Statements**

**December 31, 2019**

**(With Comparative Totals for December 31, 2018)**

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Basis of Presentation**

The consolidated financial statements of the Organization have been prepared in accordance with U.S. GAAP, which require the Organization to report information regarding to its consolidated financial position and activities according to the following net asset classification:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the consolidated statement of activities.

All contributions are considered to be available for general use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions that increases net assets with donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. The Organization records donor-restricted contributions whose restrictions are met in the same reporting period as support without donor restrictions in the year of the gift.

The Organization reports contributions of land, buildings or equipment as support without donor restrictions, unless a donor places explicit restriction on its use. Contributions of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions and reclassified to net assets without donor restrictions when the assets are acquired and placed in service.

**Notes to Consolidated Financial Statements**

**December 31, 2019**

**(With Comparative Totals for December 31, 2018)**

**Cash and Cash Equivalents**

The Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Organization maintains its cash in bank deposit accounts which, at times, may exceed the federally insured limits. Management regularly monitors the financial institutions, together with their respective cash balances, and attempts to maintain the potential risk at a minimum. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk on these accounts.

Reserves are those deposits of cash and cash equivalents not generally available for operating costs, but restricted to particular uses including operating and replacement reserves for rental properties as well as certain other social services and programs.

**Property and Equipment**

Property and equipment are recorded at cost or, if donated, at estimated fair market value at the date of donation, less accumulated depreciation. The Organization's capitalization policy requires the capitalization of capital expenditures greater than \$1,000, while ordinary maintenance and repairs are charged to expense. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets, ranging from 5 to 30 years. Assets not in service are not depreciated.

**Rental Income**

Rental revenue is recognized pro rata over each tenant's period of occupancy. A contract is entered into with a tenant and covers a period of twelve months. All rents are collected at the beginning of each month and are nonrefundable. A tenant has an option to cancel a lease at any time with a minimum of 30 days notice, at which time the Organization will prorate the final rent payment through a tenant's expected move-out date.

When a contract is entered into with a tenant, the Organization collects a security deposit. The security deposits are maintained in a separate cash account and a corresponding liability is recognized. Upon termination of a tenant's contract, the Organization assesses the condition of the unit being vacated. If it is determined a unit is vacated in a condition equivalent to when the tenant occupied the unit, the security deposit is refunded to the tenant. If a unit is determined to be vacated in a condition less than equivalent to when the tenant occupied the unit, the security deposit is retained and recognized as revenue.

**(With Comparative Totals for December 31, 2018)**

**Volunteer Services**

A number of volunteers have donated their time to the Organization's various programs and administrative services. The value of these services has not been included in the accompanying consolidated financial statements since the volunteers' time does not meet criteria for recognition. The estimated value of donated time for the years ended December 31, 2019 and 2018 is approximately \$1,030,000 and \$780,000, respectively.

**Functional Expense Allocation**

The consolidated financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses allocated include salaries and benefits, depreciation, amortization, office and other expenses, which are allocated based on direct payroll hours by functional cost centers.

**Income Taxes**

The Organization is a tax-exempt Section 170(b)(1)(A)(vi) public charity as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Accordingly, no provision for income taxes has been reflected in these financial statements.

The standards for accounting for uncertainty in income taxes require the Organization to report any uncertain tax positions and to adjust its financial statements for the impact thereof. As of December 31, 2019 and 2018, the Organization determined that it had no tax positions that did not meet the more-likely-than-not threshold of being sustained by the applicable tax authority. The Organization files an informational return in the United States. This return is generally subject to examination by the federal government for up to three years.

No provision for taxes on income is made in the Limited Partnerships' financial statements since, as partnerships, all taxable income and losses are allocated to the partners for inclusion in their respective tax returns.

The Association is not exempt from income taxes; however, the Code categorizes any profits realized by the Association from its member activities as reductions of members' contributions towards the operation of the condominium property and not as taxable income of the Association or its members. Accordingly, no provision for income taxes has been made in these consolidated financial statements.

2. Availability and Liquidity of Financial Assets

As of December 31, 2019, the Organization has working capital, excluding current assets with donor restrictions of \$454,597, of \$1,932,450 and average days (based on normal expenditures) cash and cash equivalents on hand of 85.

Financial assets and liquidity resources available within one year for general expenditure, such as operating expenses, scheduled principal payments on mortgage notes payable, and capital acquisitions not funded through replacement reserves or financed with debt, were as follows:

	<u>2019</u>	<u>2018</u>
Financial assets:		
Cash and cash equivalents	\$ 2,522,454	\$ 1,598,033
Accounts receivable	67,501	52,211
Grants and contributions receivable	589,218	786,343

Financial assets available at year end for current use	<u>\$ 3,822,989</u>	<u>\$ 2,621,148</u>

The Organization also has a line of credit available to meet short-term needs, as described in Note 5.

The Organization has replacement reserves and designated cash reserves for properties as part of its debt financing with New Hampshire Housing Finance Authority (NHHFA) which are only available when approved by NHHFA. As a result, these replacement reserves and designated cash reserves for properties are not considered available for general expenditure within the next year and are not reflected in the amount above. The goal for the Organization is to maintain a balanced budget while meeting the requirements of the various financing authorities.

Accumulated depreciation on the land improvements, buildings and building improvements at December 31, 2019 and 2018 was \$9,284,428 and \$8,344,904, respectively.

**4. Development In Process**

At December 31, 2019, development in process consisted of various projects in process related to all of the properties owned by the Organization. As December 31, 2018, development in process consisted of costs related to the following:

**Family Willows Recovery Housing Program**

In response to the rising rates of opioid and other substance use issues throughout Manchester, New Hampshire and the State of New Hampshire, FIT/NHNN and Housing Benefits established The Manchester Recovery and Treatment Center (the Facility), a large-scale facility to curb the tide of substance misuse.

The Facility provides areas for agencies to provide substance use disorder treatments or services to those at varying stages of recovery. The Facility also includes Housing Benefit's Family Willows Recovery Housing Program (the Program) on the 2<sup>nd</sup> and 3<sup>rd</sup> floors. This Program provides 19 units of sober recovery housing, and accommodates approximately 40-50 women and their children. Residents in the Program have access to case management, continued outpatient treatment, self-help groups, employment workshops, and social events. Funding for the Facility was secured from the City of Manchester, NHHFA, Franklin Savings Bank, the Community Development Finance Authority (CDFA) and private foundations. Construction was completed and the Facility was placed into service in 2019.

#### 8. Commitments

Under the terms of the Limited Partnerships' Regulatory Agreements with NHHFA, each Limited Partnership is required to make deposits to various escrow accounts to fund expected future costs.

Each Limited Partnership has entered into a Land Use Restriction Agreement with NHHFA, as a condition of the allocation of low-income housing tax credits by NHHFA. Pursuant to the covenant, the Limited Partnerships are required to remain in compliance with Code Section 42 for the compliance period and an extended use period, unless terminated sooner.

**(With Comparative Totals for December 31, 2018)**

**9. Retirement Plan**

The Organization has a tax deferred retirement plan which is available to all employees working greater than 25 hours a week. All employees are eligible to participate and are fully vested with the first contribution. The Organization matches contributions at 100% up to 3% of compensation. The Organization contributed \$71,543 and \$63,053 during the years ended December 31, 2019 and 2018, respectively.

**10. Noncontrolling Interest**

Noncontrolling interest, as shown in the consolidated statement of financial position, represents investments by limited partners in the Limited Partnerships as follows:

<u>Limited Partner</u>	<u>Property</u>	<u>2019</u>	<u>2018</u>
New Hampshire Housing Equity Fund, Inc.	Bicentennial	\$ -	\$ 105,749
JP Morgan Chase	Bicentennial	-	213,791

		<u>\$ 2,602,333</u>	<u>\$ 3,209,398</u>

**11. Uncertainty**

Subsequent to December 31, 2019, local, U.S., and world governments have encouraged self-isolation to curtail the spread of the global pandemic, coronavirus disease (COVID-19), by mandating the temporary shut-down of business in many sectors and imposing limitations on travel and the size and duration of group meetings. Most sectors are experiencing disruption to business operations and may feel further impacts related to delayed government reimbursement, volatility in investment returns, and reduced philanthropic support. There is unprecedented uncertainty surrounding the duration of the pandemic, its potential economic ramifications, and any government actions to mitigate them. Accordingly, while management cannot quantify the financial and other impacts to the Organization as of March 31, 2020, management believes that a material impact on the Organization's consolidated financial position and results of future operations is reasonably possible.

**12. Subsequent Events**

For purposes of the preparation of these consolidated financial statements in conformity with U.S. GAAP, the Organization has considered transactions or events occurring through March 31, 2020, which was the date the consolidated financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the consolidated financial statements.

### EXPLANATION

These requests are **sole source** because federal regulations require the Department to specify each vendor's name during the annual, federal Continuum of Care Program renewal application process, prior to the grant award being issued. The U.S. Department of Housing and Urban Development (HUD) reviews the applications and subsequently awards funding based on its criteria. The application process and timing of grant terms do not align with state or federal fiscal years. The start date of a grant is based on the month in which each grant's original federal agreement was issued. This results in Continuum of Care Program grant start dates, and subsequent renewal approval requests, occurring in various months throughout the year.

The purpose of these requests is for the provision of Permanent Housing programs that shall deliver rental/leasing assistance, service access, supportive services and associated administrative services.

Collectively, these vendors have a target to provide permanent housing and supportive services to a minimum of thirty-eight (38) participants from September 1, 2019 through October 31, 2020.

The attached agreements represent three (3) of thirty (30) total annual agreements, many of which have renewal dates dispersed throughout the calendar year, with vendors who are located throughout the state, to ensure ongoing, statewide delivery of housing services through New Hampshire's Continuum of Care Program.

Using the "Housing First" model and the development of Stabilization and Crisis Management plans, the Vendors will facilitate participant's movement into sustained permanent housing while providing connections with community and mainstream services to maximize the participant's ability to live more independently.

HUD established the Continuum of Care concept to support communities in their efforts to address the problems of housing instability and homelessness in a coordinated, comprehensive, and strategic fashion. The Continuum of Care serves three main purposes:

- A strategic planning process for addressing homelessness in the community.
- A process to engage broad-based, community-wide involvement in addressing homelessness on a year-round basis.
- An opportunity for communities to submit an application to the U.S. Department of Housing and Urban Development for resources targeting housing and support services for homeless individuals and families.

The following performance measures/objectives will be used to measure contract compliance and vendor performance:

- Annual compliance reviews shall be performed that include the collection of data relating to compliance with administrative rules and contractual agreements.
- Statistical reports shall be submitted on a semi-annual basis from all funded vendors, including various demographic information and income and expense reports including match dollars.
- All vendors funded for rapid re-housing, transitional, permanent or coordinated entry housing, and/or outreach/supportive services will be required to maintain timely and accurate data entry in the New Hampshire Homeless Management Information System, unless they are required by law to use an alternate means of data collection. The NH Homeless Management Information System will be the primary reporting tool for outcomes and activities of shelter and housing programs funded through these contracts.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 3 of 3

As referenced in Exhibit C-1 of these agreements, the parties have the option to extend contract services for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council.

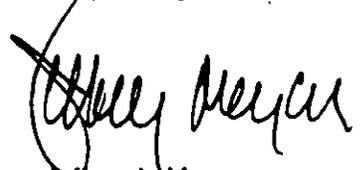

Should the Governor and Executive Council not authorize these requests, Permanent Housing and Supportive Services for individuals and families, who are experiencing housing instability and/or homelessness, may not be available in their communities, and there may be an increase in demand for services placed upon the communities' local welfare authorities and other human-services providers. It may also cause individuals and/or families to not have access to housing, and therefore, experience homelessness.

Area served: City of Manchester and Merrimack and Stafford Counties; a minimum of thirty-eight (38) individuals will be served collectively.

Source of funds: 100% Federal Funds from the U.S. Department of Housing and Urban Development, Office of Community Planning and Development, Catalog of Federal Domestic Assistance Number (CFDA) #14.267.

In the event that the Federal funds become no longer available, General funds will not be requested to support these programs.

Respectfully submitted,

Jeffrey A. Meyers  
Commissioner

**2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

#### 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

#### 9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. **TERMINATION.** In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. **ASSIGNMENT/DELEGATION/SUBCONTRACTS.** The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. **INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**17. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid; in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**18. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

**19. CONSTRUCTION OF AGREEMENT AND TERMS.**

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

**SCOPE OF SERVICES**

**Permanent Housing Program**

**1. Provisions Applicable to All Services**

- 1.1. The Contractor shall submit a detailed description of the language assistance services they will provided to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date; submitted to:  
  
NH DHHS  
Bureau of Housing Supports  
105 Pleasant Street  
Concord, NH 03301
- 1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the services described herein, the State, through the Bureau of Housing Supports, has the right to modify service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.
- 1.3. For the purposes of this agreement, the Department has identified the Contractor as a subrecipient, in accordance with 2 CFR 200.300.
- 1.4. Notwithstanding the confidentiality procedures established under 24 CFR Part 578.103(b), US Department of Housing and Urban Development (HUD), the HUD Office of the Inspector General, and the Comptroller General of the United States, or any of their authorized representatives, must have the right of access to all books, documents, papers, or other records of the Contractor that are pertinent to the Continuum of Care (CoC) grant, in order to make audits, examinations, excerpts, and transcripts. These rights of access are not limited to the required retention period, but last as long as the records are retained.
- 1.5. The Contractor shall maintain adherence to federal and state financial and confidentiality laws, and agrees to comply with the program narratives, budget detail and narrative, and amendments thereto, as detailed in the applicable Notice of Funding Available (NOFA) CoC Project Application approved by HUD.
- 1.6. The Contractor shall provide services according to HUD regulations outlined in Public Law 102-550 and 24 CFR Part 578: CoC Program and other written, appropriate HUD policies/directives.
- 1.7. All programs shall be licensed to provide client level data into the New Hampshire Homeless Management Information System (NH HMIS). Programs shall follow NH HMIS policy, including specific information required for data entry, accuracy of data entered, and time required for data entry. Refer to Exhibit K for Information Security requirements and Exhibit I for Privacy requirements.
- 1.8. The Contractor shall cooperate fully with and answer all questions, related to this contract, of representatives of the State or Federal agencies who may conduct a periodic review of performance or an inspection of records.
- 1.9. The Contractor shall support the primary goal of this program which is to facilitate the movement of homeless and chronically homeless individuals and families to permanent housing and maximum self-sufficiency.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit A**

**2. Scope of Services**

- 2.1. The Contractor shall implement and participate in the Coordinated Entry System (CES) for all projects funded by the CoC Program, Emergency Solutions Grants (ESG) Program, and Housing Opportunities for Persons with AIDS (HOPWA) Program, in accordance with CoC interim rule, 24 CFR Part 578.
- 2.2. The Contractor shall provide a Permanent Housing Program that is targeted to serve eight (08) homeless individuals in Strafford County with tenant-based, rental assistance and supportive services, and which includes but is not limited to:
  - 2.2.1. Utilization of the "Housing First" model, ensuring barriers to entering housing are not imposed beyond those required by regulation or statute, and will only terminate project participation for the most severe reasons, once available options have been exhausted to help a participant maintain housing; and
  - 2.2.2. The development of a stabilization plan and crisis management plan with the participant, at intake and, at a minimum, annually. An ongoing Assessment of Housing and Supportive Services is required, with the ultimate goal being assistance to the participant in obtaining the skills necessary to live in the community independently.
- 2.3. The Contractor shall establish and maintain standard operating procedures to ensure CoC program funds are used in accordance with 24 CFR 578 and must establish and maintain sufficient records to enable HUD and BHS to determine Contractor requirement compliance, including:
  - 2.3.1. Continuum of Care Records: The Contractor shall maintain the following documentation related to establishing and operating a CoC:
    - 2.3.1.1. Records of Homeless Status. The Contractor shall maintain acceptable evidence of homeless status in accordance with 24.CFR 576.500(b).
    - 2.3.1.2. Records of at Risk of Homelessness Status: The Contractor shall maintain records that establish "at risk of homelessness" status of each individual or family who receives CoC homelessness prevention assistance, as identified in 24 CFR 576.500(c).
    - 2.3.1.3. Records of Reasonable Belief of Imminent Threat of Harm. The Contractor shall maintain documentation of each program participant who moved to a different CoC due to imminent threat of further domestic violence, dating violence, sexual assault, or stalking, as defined in 24 CFR 578.51(c)(3). The Contractor shall retain documentation that includes, but is not limited to:
      - 2.3.1.3.1 The original incidence of domestic violence, dating violence, sexual assault, or stalking, only if the original violence is not already documented in the program participant's case file. This may be written observation of the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought assistance; medical or dental records; court records or law enforcement records; or written certification by the program participant to whom the violence occurred or by the head of household.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit A**

- 2.3.1.3.2 The reasonable belief of imminent threat of further domestic violence, dating violence, or sexual assault or stalking, which would include threats from a third-party, such as a friend or family member of the perpetrator of the violence. This may be written observation by the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought assistance; current restraining order; recent court order or other court records; law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts; or a written certification by the program participant to whom the violence occurred or the head of household.
- 2.3.1.4. Records of Annual Income. For each program participant who receives housing assistance where rent or an occupancy charge is paid by the program participant, the Contractor must keep the following documentation of annual income:
- 2.3.1.4.1. Income evaluation form specified by HUD and completed by the Contractor; and
- 2.3.1.4.2. Source documents (e.g., most recent wage statement, unemployment compensation statement, public benefits statement, bank statement) for the assets held by the program participant and income received before the date of the evaluation;
- 2.3.1.4.3. To the extent that source documents are unobtainable, a written statement by a relevant third party (e.g., employer, government benefits administrator) or the written certification by the Contractor's intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period; or
- 2.3.1.4.4. To the extent that source documents and third-party verification are unobtainable, the written certification by the program participant of the amount of income that the program participant is reasonably expected to receive over the three (3) month period following the evaluation.
- 2.3.1.5. Program Participant Records. In addition to evidence of homelessness status or at-risk-of-homelessness status, as applicable, the Contractor must keep records for each program participant that document:
- 2.3.1.5.1. The services and assistance provided to that program participant, including evidence that the Contractor has conducted an annual assessment of services for those program participants that remain in the program for more than a year and adjusted the service package accordingly, and including case management services as provided in 24 CFR 578.37(a)(1)(ii)(F); and
- 2.3.1.5.2. Where applicable, compliance with the termination of assistance requirement in 24 CFR 578.91.
- 2.3.1.6. Housing Standards. The Contractor must retain documentation of compliance with the housing standards in 24 CFR 578.75(b), including inspection reports.
- 2.3.1.7. Services Provided. The Contractor must document the types of supportive services provided under the Contractor's program and the amounts spent on those services. The Contractor must keep documentation that these records were reviewed at least annually and that the service package offered to program participants was adjusted as necessary.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit A**

- 2.4. The Contractor shall maintain records that document compliance with:
- 2.4.1. The Organizational conflict-of-interest requirements in 24 CFR 578.95(c).
  - 2.4.2. The Continuum of Care Board conflict-of-interest requirements in 24 CFR 578.95(b).
  - 2.4.3. The Other Conflicts requirements in 24 CFR 578.95(d).
- 2.5. The Contractor shall develop, implement and retain a copy of the personal conflict-of-interest policy that complies with the requirements in 24 CFR 578.95, including records supporting any exceptions to the personal conflict-of-interest prohibitions.
- 2.6. The Contractor shall comply and retain documentation of compliance with:
- 2.6.1. The Homeless Participation requirements in accordance with 24 CFR 578.75(g);
  - 2.6.2. The Faith-based Activities requirements in accordance with 24 CFR 578.87(b);
  - 2.6.3. Affirmatively Furthering Fair Housing by maintaining copies of all marketing, outreach, and other materials used to inform eligible persons of the program in accordance with 24 CFR 578.93(c);
  - 2.6.4. Other Federal Requirements in 24 CFR 578.99, as applicable;
  - 2.6.5. Other Records Specified by HUD. The Contractor must keep other records as specified by HUD; and
  - 2.6.6. The Contractor must retain copies of all procurement contracts and documentation of compliance with the Procurement Requirements in 24 CFR 85.36 and 24 CFR part 84.
- 2.7. Confidentiality. In addition to meeting specific confidentiality and security requirements for HMIS data (76 FR 76917), the Contractor shall develop and implement written procedures to ensure:
- 2.7.1. All records containing protected identifying information of any individual or family who applies for and/or receives Continuum of Care assistance shall be kept secure and confidential;
  - 2.7.2. The address or location of any family violence project assisted with Continuum of Care funds shall not be made public, except with written authorization of the person responsible for the operation of the project; and
  - 2.7.3. The address or location of any housing of a program participant will not be made public, except as provided under a preexisting privacy policy of the recipient or subrecipient and consistent with State and local laws regarding privacy and obligations of confidentiality.
- 2.8. Period of Record Retention. The Contractor shall ensure all records, originals or copies made by microfilming, photocopying, or other similar methods, pertaining to Continuum of Care funds are retained for five (5) years following the Contract Completion Date and receipt of final payment by the Contractor unless records are otherwise required to be maintained for a period in excess of the five (5) year period according to state or federal law or regulation.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit A**

**3. Program Reporting Requirements**

3.1. The Contractor shall submit the following reports:

3.1.1. Annual Performance Report (APR): Within thirty (30) days after the Contract/Grant Completion Date, an APR shall be submitted to BHS that summarizes the aggregate results of the Project Activities, showing in particular how the Contractor is carrying out the project in the manner proposed in the application submitted to HUD for the relevant fiscal year Notice of Funding Availability (NOFA). The APR shall be in the form required or specified by the State, and submitted to the address listed in section 1.1. Exhibit A; and

3.1.2. Other Reports as requested by the State in compliance with NH HMIS policy.

**4. Contract Administration**

4.1. The Contractor shall have appropriate levels of staff to attend all meetings or trainings requested by BHS, including training in data security and confidentiality, according to state and federal laws. To the extent possible, BHS shall notify the Contractor of the need to attend such meetings five (5) working days in advance of each meeting.

4.2. The Contractor shall inform BHS of any staffing changes within thirty (30) days of the change.

**5. Performance Measures**

5.1. The Contractor shall adhere to all terms and conditions as set forth in the applicable HUD Project Application #SF-424.

5.1.1. The Contractor shall abide by the performance measures as detailed in all applicable HUD regulations including, but not limited to the following:

5.1.1.1. <https://www.hudexchange.info/programs/coc/system-performance-measures/#guidance>;

5.1.1.2. 24 CFR Part 578; Continuum of Care Program; and

5.1.1.3. Public Law 102-550

5.1.2. The Contractor shall be accountable to all performance measures as detailed in the Annual Performance Report Section 3.1.1. Exhibit A.

**METHOD AND CONDITIONS PRECEDENT TO PAYMENT**

**1. Permanent Housing Program Funding**

- 1.1. Subject to the General Provisions of this Agreement and in consideration of the satisfactory completion of the services to be performed under this Agreement pursuant to Exhibit A, Scope of Services, the State agrees to pay the Contractor an amount not to exceed Form P-37, Block 1.8, Price Limitation and for the time period specified below.
- 1.2. This Agreement is funded by the New Hampshire General Fund and/or by federal funds made available under the Catalog of Federal Domestic Assistance (CFDA), as follows:
  - 1.2.1. NH General Fund: 0%
  - 1.2.2. Federal Funds: 100%
  - 1.2.3. CFDA #: 14.267
  - 1.2.4. Grant Number: NH0053L1T001808
  - 1.2.5. Federal Agency: U.S. Department of Housing & Urban Development (HUD)
  - 1.2.6. Program Title: Continuum of Care, Permanent Housing
  - 1.2.7. Total Amount Continuum of Care;
    - 1.2.7.1. November 1, 2019 – October 31, 2020, not to exceed \$104,761
  - 1.2.8. Funds allocation under this agreement for Continuum of Care Program
    - 1.2.8.1. Supportive Services: \$21,264
    - 1.2.8.2. Operating Cost: \$81,042
    - 1.2.8.3. Administrative Expenses: \$2,455
    - 1.2.8.4. Total program amount: \$104,761
    - 1.2.8.5. Vendor Match (25%) \$26,190
- 1.3. The Contractor agrees to provide the services in Exhibit A, Scope of Service in compliance with funding requirements. Failure to meet the Scope of Services may jeopardize the Contractor's current and/or future funding.

**2. Financial Reports**

- 2.1. As part of the performance of the Project Activities, the Contractor covenants and agrees to submit the following:
  - 2.1.1. Audited Financial Report: The Audited Financial Report shall be prepared in accordance with 2 CFR part 200.
  - 2.1.2. One (1) copy of the audited financial report within thirty (30) days of the completion of said report to the State at the following address:
    - NH DHHS
    - Bureau of Housing Supports
    - 105 Pleasant Street
    - Concord, NH 03301

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit B**

- 2.2. Conformance to 2 CFR part 200: Grant funds are to be used only in accordance with procedures, requirements, and principles specified in 2 CFR part 200.
- 2.3. If the Contractor is not subject to the requirements of 2 CFR part 200, the Contractor shall submit one (1) copy of an audited financial report to the Department utilizing the guidelines set forth by the Comptroller General of the United States in "Standards for Audit of Governmental Organizations, Program Activities, and Functions," within ninety (90) days after Contract/Grant completion date.

**3. Project Costs; Payment Schedule; Review by the State**

- 3.1. Project Costs: As used in this Agreement, the term "Project Costs" shall mean all expenses directly or indirectly incurred by the Contractor in the performance of the Project Activities, as determined by the State to be eligible and allowable for payment in accordance with Public Law 102-550 as well as allowable cost standards set forth in 2 CFR part 200 as revised from time to time and with the rules, regulations, and guidelines established by the State. Nonprofit subcontractors shall meet the requirements of 2 CFR part 200.
- 3.2. Continuum of Care funds may be used to pay for eligible costs listed in 24 CFR 578.39 through 578.63 when used to establish and operate projects under five program components: permanent housing; transitional housing; supportive services only; HMIS; and, in some cases, homeless prevention. Administrative costs are eligible for all components. All components are subject to the restrictions on combining funds for certain eligible activities in a single project found in 24 CFR 578.87(c).

**3.3. Match Funds:**

- 3.3.1. The Contractor shall provide sufficient matching funds, as required by HUD regulations and policies described in 24 CFR 578.73.
- 3.3.2. Match requirements are to be documented with each payment request.
- 3.3.3. The Contractor must match all grant funds, except for leasing funds, with no less than twenty-five (25) percent of funds or in-kind contributions from other sources. Cash match must be used for the cost of activities that are eligible under subpart D of 24 CFR 578. The Contractor shall:
  - 3.3.3.1. Maintain records of the source and use of contributions made to satisfy the match requirement in 24 CFR 578.73;
  - 3.3.3.2. Ensure records indicate the grant and fiscal year for which each matching contribution is counted;
  - 3.3.3.3. Ensure records include methodologies that specify how the values of third party in-kind contributions were derived; and
  - 3.3.3.4. Ensure records include, to the extent feasible, volunteer services that are supported by the same methods used to support the allocation of regular personnel costs.

**3.4. Payment of Project Costs:**

- 3.4.1. The State agrees to provide payment on a cost reimbursement basis for actual, eligible expenditures incurred in the fulfillment of this Agreement, subject to the availability of sufficient funds.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit B**

- 3.4.2. The Contractor shall only be reimbursed for those costs designated as eligible and allowable costs as stated in Section 5. Expense Eligibility, Exhibit B. The Contractor must have written approval from the State prior to billing for any other expenses.
- 3.4.3. Eligible expenditures shall be in accordance with the approved line item not to exceed an amount as specified in this Exhibit, and defined by HUD under the provisions of Public Law 102-550 and other applicable regulations.
- 3.4.4. Payment of Project Costs shall be made through the utilization of funds as provided through the U.S. Department of Housing and Urban Development Title XIV Housing programs under the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH Act), Subtitle A-Housing Assistance (Public Law 102-550), in an amount and time period not to exceed as specified in Section 1.2. Exhibit B.
- 3.4.5. Schedule of Payments:
- 3.4.5.1. All reimbursement requests for all Project Costs, including the final reimbursement request for this Contract, shall be submitted by the tenth (10th) day of each month, for the previous month, and accompanied by an invoice from the Contractor for the amount of each requested disbursement along with a payment request form and any other documentation required, as designated by the State, which shall be completed and signed by the Contractor.
- 3.4.5.2. In lieu of hard copies submitted to the address listed in Section 2.1.2. Exhibit B., all invoices may be assigned an electronic signature and emailed to:  
[housingsupportsinvoices@dhhs.nh.gov](mailto:housingsupportsinvoices@dhhs.nh.gov)
- 3.4.5.3. The Contractor shall keep records of their activities related to Department programs and services, and shall provide such records and any additional financial information if requested by the State to verify expenses.
- 3.5. Review of the State Disallowance of Costs:
- 3.5.1. At any time during the performance of the Services, and upon receipt of the Annual Performance Report, Termination Report or Audited Financial Report, the State may review all Project Costs incurred by the Contractor and all payments made to date.
- 3.5.2. Upon such review, the State shall disallow any items or expenses that are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform the Contractor of any such disallowance.
- 3.5.3. If the State disallows costs for which payment has not yet been made, it shall refuse to pay such costs. Any amounts awarded to the Contractor pursuant to this Agreement are subject to recapture.
- 3.5.4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of non-compliance with any Federal or State law, rule or regulation applicable to the services provided, or if the said services, products, required report submissions, as detailed in Exhibits A and B, or NH-HMIS data entry requirements have not been satisfactorily completed in accordance with the terms and conditions of this Agreement.

**4. Use of Grant Funds**

- 4.1. Notwithstanding paragraph 18 of the General Provisions P-37, changes limited to adjusting amounts between budget line items, related items, amendments of related budget exhibits within the price limitation, and to adjusting encumbrances between State Fiscal Years, may be made by written agreement of both parties and may be made through the Budget Office without obtaining approval of the Governor and Executive Council if needed and justified.

**5. Expense Eligibility**

- 5.1. Based on the continued receipt/availability of federal funds, the Contractor shall utilize Continuum of Care program funds specified in this Exhibit B from the HUD Continuum of Care Program, for contract services.

**5.2. Operating Expenses:**

5.2.1. Eligible operating expenses include:

- 5.2.1.1. Maintenance and repair of housing;
- 5.2.1.2. Property taxes and insurance (including property and car);
- 5.2.1.3. Scheduled payments to reserve for replacement of major systems of the housing (provided that the payments must be based on the useful life of the system and expected replacement cost);
- 5.2.1.4. Building security for a structure where more than fifty (50) percent of the units or area is paid for with grant funds;
- 5.2.1.5. Utilities, including electricity, gas and water; and
- 5.2.1.6. Furniture and equipment.

5.2.2. Ineligible costs include:

- 5.2.2.1. Rental assistance and operating costs in the same project;
- 5.2.2.2. Operating costs of emergency shelter and supportive service-only facilities; and
- 5.2.2.3. Maintenance and repair of housing where the costs of maintaining and repairing the housing are included in the lease.

**5.3. Supportive Services**

- 5.3.1. Eligible supportive services costs must comply with all HUD regulations in 24 CFR 578.53, and are available to individuals actively participating in the permanent housing program.

5.3.2. Eligible costs shall include:

- 5.3.2.1. Annual assessment of Service Needs. The costs of assessment required by 578.53(a) (2);
- 5.3.2.2. Assistance with moving costs. Reasonable one-time moving costs are eligible and include truck rental and hiring a moving company;
- 5.3.2.3. Case management. The costs of assessing, arranging, coordinating, and monitoring the delivery of individualized services to meet the needs of the program participant(s) are eligible costs;

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit B**

- 5.3.2.4. Child Care. The costs of establishing and operating child care, and providing child-care vouchers, for children from families experiencing homelessness, including providing meals and snacks, and comprehensive and coordinated developmental activities are eligible;
- 5.3.2.5. Education Services. The costs of improving knowledge and basic educational skills are eligible;
- 5.3.2.6. Employment assistance and job training. The costs of establishing and operating employment assistance and job training programs are eligible, including classroom, online and/or computer instruction, on-the-job instruction, services that assist individuals in securing employment, acquiring learning skills, and/or increasing earning potential. The cost of providing reasonable stipends to program participants in employment assistance and job training programs is also an eligible cost;
- 5.3.2.7. Food. The cost of providing meals or groceries to program participants is eligible;
- 5.3.2.8. Housing search and counseling services. Costs of assisting eligible program participants to locate, obtain, and retain suitable housing are eligible;
- 5.3.2.9. Legal services. Eligible costs are the fees charged by licensed attorneys and by person(s) under the supervision of licensed attorneys, for advice and representation in matters that interfere with homeless individual or family's ability to obtain and retain housing;
- 5.3.2.10. Life Skills training. The costs of teaching critical life management skills that may never have been learned or have been lost during course of physical or mental illness, domestic violence, substance abuse, and homelessness are eligible. These services must be necessary to assist the program participant to function independently in the community. Component life skills training are the budgeting of resources and money management, household management, conflict management, shopping for food and other needed items, nutrition, the use of public transportation, and parent training;
- 5.3.2.11. Mental Health Services. Eligible costs are the direct outpatient treatment of mental health conditions that are provided by licensed professionals. Component services are crisis interventions; counseling; individual, family, or group therapy sessions; the prescription of psychotropic medications or explanations about the use and management of medications; and combinations of therapeutic approaches to address multiple problems;
- 5.3.2.12. Outpatient health services. Eligible costs are the direct outpatient treatment of medical conditions when provided by licensed medical professionals;
- 5.3.2.13. Outreach Services. The costs of activities to engage persons for the purpose of providing immediate support and intervention, as well as identifying potential program participants, are eligible;
- 5.3.2.14. Substance abuse treatment services. The costs of program participant intake and assessment, outpatient treatment, group and individual counseling, and drug testing are eligible. Inpatient detoxification and other inpatient drug or alcohol treatment are ineligible;
- 5.3.2.15. Transportation Services are described in 24CFR 578(e) (15);

**Exhibit B**

- 5.3.2.16. Utility Deposits. This form of assistance consists of paying for utility deposits. Utility deposits must be one-time, paid to utility companies;
- 5.3.2.17. Direct provision of services. If the service described in 24CFR 578.53(e) (1) - (16) of this section is being directly delivered by the recipient or subrecipient, eligible costs for those services are described in 24 CFR 578(e) (17);
- 5.3.2.18. Ineligible costs. Any cost not described as eligible costs under this section is not an eligible cost of providing supportive services using Continuum of Care program funds. Staff training and costs of obtaining professional licensure or certifications needed to provide supportive services are not eligible costs; and
- 5.3.2.19. Special populations. All eligible costs are eligible to the same extent for program participants who are unaccompanied homeless youth; persons living with HIV/AIDS; and victims of domestic violence, dating violence, sexual assault, or stalking.

**5.4. Rental Assistance**

- 5.4.1. Grant funds may be used for rental assistance for homeless individuals and families.
- 5.4.2. Rental assistance cannot be provided to a program participant who is already receiving rental assistance, or who is living in a housing unit receiving rental assistance or operating assistance through other federal, State, or local sources.
- 5.4.3. Rental assistance must be administered in accordance with the policies and procedures established by the Continuum as set forth in 24 CFR 578.7(a) (9) and 24 CFR 578.51. and may be:
  - 5.4.3.1. Short term, up to 3 months of rent;
  - 5.4.3.2. Medium term, for 3-24 months; or
  - 5.4.3.3. Long-term, for longer than 24 months.
- 5.4.4. Grant funds may be used for security deposits in an amount not to exceed 2 months of rent.
- 5.4.5. An advance payment of the last month's rent may be provided to the landlord, in addition to the security deposit and payment of first month's rent.
- 5.4.6. Rental assistance will only be provided for a unit if the rent is reasonable, as determined by the Contractor, in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit.
- 5.4.7. The Contractor may use grant funds in an amount not to exceed one month's rent to pay for any damage to housing due to the action of a program participant. For Leasing funds only: Property damages may be paid only from funds paid to the landlord from security deposits.
- 5.4.8. Housing must be in compliance with all State and local housing codes, licensing requirements, the Lead-Based Paint Poisoning Prevention Act, and any other requirements of the jurisdiction in which the housing is located regarding the condition of the structure and operation of the housing or services.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit B**

5.4.9. The Contractor must provide one of the following types of rental assistance: Tenant-based, Project-based, or Sponsor-based rental assistance as described in 24 CFR 578.51.

- 5.4.9.1. Tenant-based rental assistance is rental assistance in which program participants choose housing of an appropriate size in which to reside. When necessary to facilitate the coordination of supportive services, recipients and subrecipients may require program participants to live in a specific area for their entire period of participation, or in a specific structure for the first year and in a specific area for the remainder of their period of participation. Short and medium term rental assistance provided under the Rapid Re-Housing program component must be tenant based rental assistance.
- 5.4.9.2. Sponsor-based rental assistance is provided through contracts between the recipient and sponsor organization. A sponsor may be a private, nonprofit organization, or a community mental health agency established as a public nonprofit organization. Program participants must reside in housing owned or leased by the sponsor.
- 5.4.9.3. Project-based rental assistance is provided through a contract with the owner of an existing structure, where the owner agrees to lease the subsidized units to program participants. Program participants will not retain rental assistance if they move.
- 5.4.9.4. For project-based, sponsor-based, or tenant-based rental assistance, program participants must enter into a lease agreement for a term of at least one year, which is terminable for cause. The leases must be automatically renewable upon expiration for terms that are a minimum of one month long, except on prior notice by either party.

**5.5. Administrative Costs:**

5.5.1. Eligible administrative costs include:

- 5.5.1.1. The Contractor may use funding awarded under this part, for the payment of project administrative costs related to the planning and execution of Continuum of Care activities. This does not include staff and overhead costs directly related to carrying out activities eligible under 24 CFR 578.43 through 578.57, because those costs are eligible as part of those activities; and
- 5.5.1.2. General management, oversight, and coordination. Costs of overall program management, coordination, monitoring and evaluation. These costs include, but are not limited to, necessary expenditures for the following:
  - 5.5.1.2.1. Salaries, wages, and related costs of the staff of the contractor's, or other staff engage in program administration.
    - 5.5.1.2.1.1. In charging costs to this category, the contractor may include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program, involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The Contractor may only use one of these methods for each fiscal year grant. Program administration assignments include the following:

*MB*

**New Hampshire Department of Health and Human Services

**Exhibit B**

- 5.5.1.2.1.1.1. Preparing program budgets and schedules, and amendments to those budgets and schedules;
- 5.5.1.2.1.1.2. Developing systems for assuring compliance with program requirements;
- 5.5.1.2.1.1.3. Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;
- 5.5.1.2.1.1.4. Monitoring program activities for progress and compliance with program requirements;
- 5.5.1.2.1.1.5. Preparing reports and other documents related to the program for submission to HUD;
- 5.5.1.2.1.1.6. Coordinating the solution of audit and monitoring findings;
- 5.5.1.2.1.1.7. Preparing reports and other documents directly related to the program submission to HUD;
- 5.5.1.2.1.1.8. Evaluating program results against stated objectives;
- 5.5.1.2.1.1.9. Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in sections 5.5.1.2.1.1.1. through 5.5.1.2.1.1.8. above, Exhibit B.
- 5.5.1.2.1.1.10. Travel costs incurred for official business in carrying out the program;
- 5.5.1.2.1.1.11. Administrative services performed under third party contracts or agreements, including such services as general legal services, accounting services, and audit services;
- 5.5.1.2.1.1.12. Other costs for goods and services required for administration of the program, including such goods and services as rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance, but not purchase, of office space;
- 5.5.1.2.1.1.13. Training on Continuum of Care requirements. Costs of providing training on Continuum of Care requirements and attending HUD-Sponsored Continuum of Care trainings; and
- 5.5.1.2.1.1.14. Environmental review. Costs of carrying out the environmental review responsibilities under 24 CFR 578.31.

**5.6. Leasing:**

When the Contractor is leasing the structure, or portions thereof, grant funds may be used to pay for 100 percent of the costs of leasing a structure or structures, or portions thereof, to provide housing or supportive services to homeless persons for up to three (3) years. Leasing funds may not be used to lease units or structures owned by the Contractor, their parent organization, any other related organization(s), or organizations that are members of a partnership, where the partnership owns the structure, unless HUD authorized an exception for good cause.

**5.6.1. Requirements:**

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit B**

- 5.6.1.1. Leasing structures. When grants are used to pay rent for all or part of a structure or structures, the rent paid must be reasonable in relation to rents being charged in the area for comparable space. In addition, the rent paid may not exceed rents currently being charged by the same owner for comparable unassisted space.
- 5.6.1.2. Leasing individual units. When the grants are used to pay rent for individual housing units, the rent paid must be reasonable in relation to rents being charged for comparable units, taking into account the location, size, type, quality, amenities, facilities, and management services. In addition, the rents may not exceed rents currently being charged for comparable units, and the rent paid may not exceed HUD-determined fair market rents.
- 5.6.1.3. Utilities. If electricity, gas, and water are included in the rent, these utilities may be paid from leasing funds. If utilities are not provided by landlord, these utility costs are operating costs, except for supportive service facilities. If the structure is being used as a supportive service facility, then these utility costs are a supportive service cost.
- 5.6.1.4. Security deposits and first and last month's rent. The Contractor may use grant funds to pay security deposits, in an amount not to exceed 2 months of actual rent. An advance payment of last month's rent may be provided to the landlord in addition to security deposit and payment of the first month's rent.
- 5.6.1.5. Occupancy agreements and subleases. Occupancy agreements and subleases are required as specified in 24 CFR 578.77(a).
- 5.6.1.6. Calculation of occupancy charges and rent. Occupancy charges and rent from program participants must be calculated as provided in 24 CFR 578.77.
- 5.6.1.7. Program income. Occupancy charges and rent collected from program participants are program income and may be used as provided under 24 CFR 578.97.
- 5.6.1.8. Transition. Refer to 24CFR 578.49(b)(8).
- 5.6.1.9. Rent paid may only reflect actual costs and must be reasonable in comparison to rents charged in the area for similar housing units. Documentation of rent reasonableness must be kept on file by the Contractor.
- 5.6.1.10. The portion of rent paid with grant funds may not exceed HUD-determined fair market rents.
- 5.6.1.11. The Contractor shall pay individual landlords directly; funds may not be given directly to participants to pay leasing costs.
- 5.6.1.12. Property damages may only be paid from money paid to the landlord for security deposits.
- 5.6.1.13. The Contractor cannot lease a building that it already owns to itself.
- 5.6.1.14. Housing must be in compliance with all State and local housing codes, licensing requirements, the Lead-Based Paint Poisoning Prevention Act, and any other requirements of the jurisdiction in which the housing is located regarding the condition of the structure and operation of the housing or services.

**New Hampshire Department of Health and Human Services  
Continuum of Care Program**

**Exhibit B**

---

- 5.7. The Contractor may charge program participants rent and utilities (heat, hot water); however, the amount charged may not exceed the maximum amounts specified in HUD regulations (24 CFR 578.77). Other services such as cable, air conditioning, telephone, Internet access, cleaning, parking, pool charges, etc. are at the participant's option.
- 5.8. The Contractor shall have any staff charged in full or part to this Contract, or counted as match, complete weekly or bi-weekly timesheets.

**6. Contractor Financial Management System**

- 6.1. Fiscal Control: The Contractor shall establish fiscal control and fund accounting procedures which assure proper disbursement of, and accounting for, grant funds and any required nonfederal expenditures. This responsibility applies to funds disbursed in direct operations of the Contractor.
- 6.2. The Contractor shall maintain a financial management system that complies with 2 CFR part 200 or such equivalent system as the State may require.

**SPECIAL PROVISIONS**

**Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
  - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

**RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:**

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
- 8.1. **Fiscal Records:** books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
  - 8.2. **Statistical Records:** Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
  - 8.3. **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.
9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
- 9.1. **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
  - 9.2. **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.
10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

**New Hampshire Department of Health and Human Services  
Exhibit C**

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department.
  - 11.1. **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
  - 11.2. **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.
  
12. **Completion of Services: Disallowance of Costs:** Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.
  
13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
  - 13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.
  
14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.
  
15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.
  
16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of \$500,000 or more. If the recipient receives \$25,000 or more and has 50 or

New Hampshire Department of Health and Human Services

more employees, it will maintain a current EEO on file and submit an EEO Certification Form to the OCR, certifying that its EEO is on file. For recipients receiving less than \$25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEO Certification Form to the OCR certifying it is not required to submit or maintain an EEO. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEO requirement, but are required to submit a certification form to the OCR to claim the exemption. EEO Certification Forms are available at: <http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf>.

- 17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.
- 18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, \$150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

- 19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:

- 19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
- 19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
- 19.3. Monitor the subcontractor's performance on an ongoing basis

*AB*

**New Hampshire Department of Health and Human Services

- 
- 19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
  - 19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

**20. Contract Definitions:**

- 20.1. **COSTS:** Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.
- 20.2. **DEPARTMENT:** NH Department of Health and Human Services.
- 20.3. **PROPOSAL:** If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the services and/or goods to be provided by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.
- 20.4. **UNIT:** For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.
- 20.5. **FEDERAL/STATE LAW:** Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from time to time.
- 20.6. **SUPPLANTING OTHER FEDERAL FUNDS:** Funds provided to the Contractor under this Contract will not supplant any existing federal funds available for these services.

New Hampshire Department of Health and Human Services

**REVISIONS TO STANDARD CONTRACT LANGUAGE**

**1. Revisions to Form P-37, General Provisions**

1.1. Section 4, Conditional Nature of Agreement, is replaced as follows:

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account in the event funds are reduced or unavailable.

1.2. Section 10, Termination, is amended by adding the following language:

- 10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.
- 10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.
- 10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.
- 10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.
- 10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

**2. Renewal**

2.1. The Department reserves the right to extend this agreement for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, written agreement of the parties and approval of the Governor and Executive Council.

**CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS  
US DEPARTMENT OF EDUCATION - CONTRACTORS  
US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner  
NH Department of Health and Human Services  
129 Pleasant Street,  
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
  - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
    - 1.2.1. The dangers of drug abuse in the workplace;
    - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
    - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
    - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
  - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
    - 1.4.1. Abide by the terms of the statement; and
    - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
  - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

New Hampshire Department of Health and Human Services  
Exhibit D

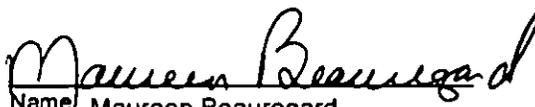

- has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
    - 1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
    - 1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
  - 1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.
2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

- \*Social Services Block Grant Program under Title XX
- \*Medicaid Program under Title XIX
- \*Community Services Block Grant under Title VI
- \*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-1.)
3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION  
AND OTHER RESPONSIBILITY MATTERS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

New Hampshire Department of Health and Human Services  
Exhibit F

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

- 11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
  - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- 12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

- 13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
  - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).
- 14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

**CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO  
FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND  
WHISTLEBLOWER PROTECTIONS**

The Vendor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Vendor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. **CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE**

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Vendor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Vendor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

- p. **Other Definitions** - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

**(2) Business Associate Use and Disclosure of Protected Health Information.**

- a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
  - I. For the proper management and administration of the Business Associate;
  - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
  - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

**(3) Obligations and Activities of Business Associate.**

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
  - o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
  - o The unauthorized person used the protected health information or to whom the disclosure was made;
  - o Whether the protected health information was actually acquired or viewed
  - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (I). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

- a. **Definitions and Regulatory References.** All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. **Amendment.** Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. **Data Ownership.** The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. **Interpretation.** The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

**CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE**

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than \$25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of \$25,000 or more. If the initial award is below \$25,000 but subsequent grant modifications result in a total award equal to or over \$25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
  - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25M annually and
  - 10.2. Compensation information is not already available through reporting to the SEC.

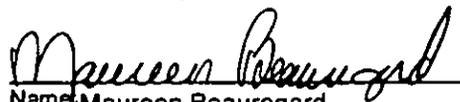

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Vendor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

**A. Definitions**

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.
2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.
3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.
5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.
6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.
8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.
9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.
10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.
11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.
12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

**I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR**

**A. Business Use and Disclosure of Confidential Information.**

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
2. The Contractor must not disclose any Confidential Information in response to a

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

**III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS**

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

**A. Retention**

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

**B. Disposition**

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

**IV. PROCEDURES FOR SECURITY**

- A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:
  1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
  2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

**DHHS Information Security Requirements**

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.
6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.
7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.
8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.
9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.
10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.
11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.
13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at <https://www.nh.gov/doi/vendor/index.htm> for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.
14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.
15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.
16. The Contractor must ensure that all End Users:
  - a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.
  - b. safeguard this information at all times.
  - c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.
  - d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

**DHHS Information Security Requirements**

- e. limit disclosure of the Confidential Information to the extent permitted by law.
- f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).
- g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.
- h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.
- i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

**V. LOSS REPORTING**

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into a **Retroactive** amendment to an existing contract with Cynthia Wolz, PsychNP, for reimbursement payments of educational loans through the State Loan Repayment Program by increasing the price limitation by \$2,500, from \$8,750 to \$11,250, and extending the completion date from September 30, 2020 to September 30, 2021, effective retroactively to September 30, 2020 upon Governor and Executive Council approval. 100% Other-NH Medical Malpractice Joint Underwriters Assn.

This agreement was originally approved by the Governor and Executive Council on October 31, 2018 (Item #26).

Funds are available in the following account for State Fiscal Years 2021 and 2022, with authority to adjust amounts within the price limitation and adjust encumbrances between State Fiscal Years through the Budget Office if needed and justified, without approval from Governor and Executive Council.

### EXPLANATION

This item is **Retroactive** because the Department did not have the fully executed contract documents in time for Governor and Executive Council approval to prevent the current contract from expiring.

This purpose of this request is to extend the term of one State Loan Repayment Program agreement. The funds will be applied to the principal and interest of qualifying educational loans for actual cost paid for tuition, reasonable educational expenses, and reasonable living expenses relating to graduate or undergraduate education of a primary health care provider.

The Contractor works at the Mental Health Center of Greater Manchester, which is in a federally designated medically underserved area. The presence of the Contractor in medically underserved rural areas is part of the continuing effort to improve access to primary health care and reduce disparities within New Hampshire. Attached is the Contractor's copies of Certificate of Licensure, resume and employer's Insurance Certificates.

The State Loan Repayment Program provides funds to health care providers working in areas of the state designated as being medically underserved. These medically underserved areas identified as Health Professional Shortage Areas, Mental Health Professional Shortage Areas, Dental Health Professional Shortage Areas, Medically Underserved Areas/Populations, and Governor's Exceptional Medically Underserved Populations are indicators that a shortage of health care professionals exists, posing a barrier to access health care services for the residents of these areas. As one of several approaches to improve access to health care services, the State Loan Repayment Program has proven to be a successful short and long-term strategy to recruit and retain physicians, dentists, and other health care professionals into New Hampshire's underserved communities. In addition, the health care providers and practicing sites that participate in the State Loan Repayment Program agree to provide direct primary health care services, especially for uninsured residents, who are residing in our medically underserved areas of New Hampshire. A significant percentage of New Hampshire residents continue to face difficulty accessing primary care, mental, and oral health care services, due to workforce challenges.

As referenced in Exhibit C-1 of the original contract, the parties have the option to extend the agreement for up to one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the one (1) years available.

Should the Governor and Executive Council not authorize this request, it will have a critical impact on the ability of New Hampshire health care facilities to recruit and retain qualified primary care health professionals to work in the State's Health Professional Shortage Areas. It is well established that a sizable number of health care professionals carry a heavy debt-burden as they come out of training and are attracted to serving in those areas where a share of that burden can be removed. This program serves to attract and retain such providers into underserved areas by relieving some of their financial burden that would otherwise make service in such areas less attractive. This shortage of health care workers can impact health care in a variety of ways, including decreasing quality of care, decreasing access to care, increasing stress in the workplace, increasing medical errors, increasing workforce turnover, and increasing health care costs.

Area served: Hillsborough County.

Source of Funds: 100% Other-NH Medical Malpractice Joint Underwriters Assn.

**REVISIONS TO GENERAL PROVISIONS**

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

4. **CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. Extension:

This agreement has the option for a potential extension of up to one (1) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

**Special Provisions**

**State Loan Repayment Program**

**1. Special Provisions to the Contract**

- 1.1. The Contractor, in signing this Agreement, attests that s/he is a citizen or national of the United States and that s/he does not have an unserved obligation for service to a Federal, State, or local government, or any other entity.
- 1.2. The Contractor shall submit, in a timely manner to the State of New Hampshire, any changes to the information provided in application for this agreement, a copy of which is attached to this agreement.
- 1.3. The Contractor shall provide the State of New Hampshire proof of employment or private practice agreement within the HPSA identified in Exhibit A, incorporating appropriate dates and working conditions.
- 1.4. The Contractor shall provide all information necessary to the State of New Hampshire for it to meet its responsibilities set forth in the attached "Agreement – State Loan Repayment Program" (Attachment 1) the terms of which are hereby incorporated by reference into this Agreement as if fully set forth herein.
- 1.5. If the Contractor fails to complete the period of obligated services, s/he shall be liable to the State of New Hampshire, Department of Health and Human Services (DHHS) for an amount equal to the sum of:
  - a) The total amount paid by the Department to, or on behalf of, the Contractor under this contract, and
  - b) An amount equal to the unserved obligation penalty set forth in paragraph 1.6 of this section.
- 1.6. The unserved obligation penalty is an amount equal to 20% of the total contract amount paid out.
- 1.7. In the event the Contractor does not fulfill his/her obligations under this agreement, s/he shall forfeit any remaining allotment(s) under this contract.
- 1.8. The Commissioner of the NH Department of Health and Human Services, or designee, shall review the circumstances associated with a failure of the Contractor to complete the period of obligated services. The Commissioner may waive any or all of the provisions of paragraphs 1.5 through 1.7, if the failure is determined to be caused by circumstances beyond the Contractor's control. The Contractor must provide appropriate documentation of the circumstances.
- 1.9. Any amount the Commissioner determines that the Department is entitled to recover, shall be paid within one (1) year of the date the Commissioner determines that the Contractor is in breach of this contract.

New Hampshire Department of Health and Human Services

Exhibit D

**2. Gratuities or Kickbacks**

2.1. The Contractor agrees that it is a breach of this Agreement to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work set forth in the attached "Memorandum of Agreement – State Loan Repayment Program" (Attachment 1) of this Agreement. The State may terminate this Agreement and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

**3. Credits**

3.1. All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services or the Agreement shall include the following statement "The preparation of this (report, document, etc.) was financed under an Agreement with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the (State of New Hampshire and/or United States Department of Health and Human Services.)"

**4. Debarment, Suspension and Other Responsibility Matters**

4.1. If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with the provisions of Section 319 of the Public Law 101-121, Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions; with the provisions of Executive Order 12549 and 45 CFR Subpart A, B, C, D, and E Section 76 regarding Debarment, Suspension and Other Responsibility Matters, and shall complete and submit to the State of New Hampshire the appropriate certificates of compliance upon approval of the Agreement by the Governor and Council.

## Exhibit F

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION  
AND OTHER RESPONSIBILITY MATTERS**

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

- 11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

- 13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).
14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

MEMORANDUM OF AGREEMENT (ATTACHMENT 1)  
AMENDMENT #1  
State Loan Repayment Program

Between Cynthia Wolz, PsychNP, Contractor, Mental Health Center of Greater Manchester, Employer, and New Hampshire Department of Health & Human Services, Division of Public Health Services, Rural Health and Primary Care Section, the State, who administers the New Hampshire State Loan Repayment Program. The Program eligibility requirements are established by federal law authorizing the State Loan Repayment Program (Section 388I of the Public Health Service Act, as amended by Public Law 101-597).

Part Time Services

This loan repayment contract is for part-time clinical practice, defined as working a minimum of 20-hours per week, for at least 45 weeks each service year. The 20-hours per week may be compressed into no less than 2 days per week, with no more than 12 hours of work to be performed in any 24-hour period. Participants do not receive credit for hours worked over the required 20-hours per week, and excess hours cannot be applied to any other work week. Research and teaching are not considered to be "clinical practice". Time spent for all health care providers and dentists in "on-call" status will not count toward the 20-hour workweek, except to the extent the provider is directly serving patients during that period. Up to 7 weeks (35 work days) of leave is allowed from the practice site in each year (vacation, holidays, professional education, illness, or any other reason).

- a. For most type of providers, at least 16-hours of the minimum hours per week must be spent providing direct patient care in the outpatient ambulatory care setting at the approved service site. The remaining 4-hours of the minimum 20-hours must be spent providing clinical services for patients in the approved practice site(s) providing clinical services in alternative settings (e.g., hospitals, nursing homes, shelters) as directed by the approved site(s), or performing practice-related administrative activities. Practice-related administrative activities shall not exceed 4-hours of the minimum 20-hours per week.
- b. OB/GYN physicians, family practice physicians who practice obstetrics on a regular basis, certified nurse midwives, and behavioral/mental health providers: the majority of the 20-hours per week (not less than 11-hours per week) is expected to be spent providing direct patient care. These services must be conducted in an approved ambulatory care practice site during normal schedule office hours, with the remaining 9-hours spent providing inpatient care to patients of the approved practice site, or providing clinical services in alternative settings (e.g., hospitals, nursing homes, shelters) as directed by the approved practice site(s), performing practice related administrative activities. Practice-related administrative activities shall not exceed 4-hours of the minimum 20-hours per week.

## ATTACHMENT 1 – MEMORANDUM OF AGREEMENT

### STATEMENT OF AGREEMENT

1. NOW COMES the State of New Hampshire through the Department of Health and Human Services, Division of Public Health Services, Rural Health and Primary Care Section, who agree to make state loan repayment contributions for Cynthia Wolz, PsychNP, New Hampshire Licensed (hereinafter referred to as the Contractor). Funds in this agreement will be used to provide loan repayments to the Contractor, who is employed by Mental Health Center of Greater Manchester (MHCGM), 401 Cypress Street, Manchester, NH 03103 (hereafter referred to as the Employer), and is working part-time at MHCGM – North End Counseling, 1555 Elm Street, Manchester, NH 03104 (hereafter referred as the Practice Site).
2. The Practice Site is a Community Mental Health Center in a Medically Underserved Area (ID #02112) in Hillsborough County, New Hampshire.
3. State funds in this agreement will be used to provide payments to the Contractor to be applied to the principal and interest of qualifying educational loans for actual cost paid for tuition, reasonable educational expenses, and reasonable living expenses relating to graduate or undergraduate education of a primary care provider. The funds must be used immediately to reduce outstanding loan balances that are deemed valid under the program.
4. In this contract amendment agreement, the Contractor will be signing for a minimum continuous service obligation of twelve months in exchange for four payments, the State of New Hampshire will pay directly to the Contractor the principal and interest owed by the Contractor, in an amount not to exceed \$2,500 over the service term. The Employer has agreed to provide loan repayment funds in an amount not to exceed \$2,500. The agreement is to be effective October 1, 2020, or date of Governor and Executive Council approval, whichever is later through September 30, 2021. Following the effective date or the date of Governor and Council approval, whichever is later, the first payment of the contract will be paid during the first month of the following quarter, and quarterly thereafter for the duration of the contract. The original contract Exhibit C-1, sub section 3, Extension, contained the option to extend the agreement for one additional year contingent upon satisfactory delivery of services, available funding, remaining loan obligation of the Contractor, the agreement of the parties and the approval of the Governor and Executive Council. The Department is exercising this option.
5. Before initiating state payments, the Rural Health & Primary Care Section will contact the Employer to ensure the Memorandum of Agreement stipulations are being met and verification that their non-federal loan repayment funds have been paid to the contractor prior to the State of New Hampshire releasing its funds, if employer's funds are to be paid.
6. The Contractor and Employer shall:
  - a. The Contractor and Employer participating in the Loan Repayment Program agree to provide direct patient care in an outpatient ambulatory care setting at the approved practice site during scheduled office hours under this agreement.
  - b. The Contractor entering into any State Loan Repayment Program contract agrees to complete a service obligation that runs the length of the contract and remains at the eligible practice site for the term of the contract.
  - c. The Employer shall maintain the practice schedule of the Contractor for the number of hours per week specified in the Memorandum of Agreement. Any changes in practice circumstances are subject to the approval of the Rural Health & Primary Care Section based upon the policies of the program.

**ATTACHMENT 1 – MEMORANDUM OF AGREEMENT**

Employer/Practice Site must notify the Primary Care Workforce Coordinator and receive approval for any changes in writing at least two (2) weeks in advance of any consideration of permanent changes in the sites or circumstances of the contractor under their agreement.

d. Insurance:

1. The Employer shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
  - a. comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and
2. The policies described in subparagraph e) Insurance herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.
3. The Employer shall furnish to the Section Administrator identified in the signature block below, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Employer shall also furnish to the Section Administrator or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Section Administrator or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

e. Workers' Compensation

1. By signing this agreement, the Employer agrees, certifies and warrants that the Employer is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").
  2. To the extent the Employer is subject to the requirements of N.H. RSA chapter 281-A, Employer shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Employer shall furnish the Section Administrator identified in the signature block below, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Employer, or any subcontractor or employee of Employer, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement
- f. The Contractor must maintain the appropriate professional license/certification and conform to all State laws and administrative rules pertaining to profession being practiced. If there are any restrictions that would prevent the Contractor from doing their duties at the Practice Site, the Contractor will be in violation of the contract and Memorandum of Agreement.
- g. The Contractor and Employer will allow the Division of Public Health Services, Rural Health & Primary Care Section to conduct periodic monitoring either through site visits, telephone calls, exit surveys or compliance with written reports for the program.
- h. The Contractor and Employer will charge for services at the usual and customary rates prevailing in the service areas, except that the Practice Site shall have a policy providing the patients unable to

## ATTACHMENT 1 – MEMORANDUM OF AGREEMENT

pay the usual and customary rate shall be charged a reduced rate according to the practice site's sliding discount-to-fee-schedule based on poverty level or not charged; and

- i. The Contractor and Employer will not discriminate on the basis of a patient's ability to pay for care or the payment source including Medicare and Medicaid, and provide free care when medically necessary.
- j. If the Contractor is providing services in a designated medically underserved area and is relocated to a Practice Site that is not in a designated medically underserved area, termination of the contract may result, and the health care provider will not be in default.
- k. The Contractor and Employer shall notify the Rural Health & Primary Care Section within seven (7) calendar days in the event of termination of employment of the Contractor and must include specific reason(s) for termination.
- l. The Contractor and Employer shall notify the Rural Health & Primary Care Section in writing within seven (7) calendar days if the Contractor, for any reason chooses to take a leave of absence due to physical or mental health disability, or the terminal illness of an immediate family member, that results in the participant's temporary inability to perform the program's obligations. This includes any medical conditions or a personal situation that: 1) would make it temporarily impossible for the Contractor to continue the service obligation or payment of the monetary debt; or 2) would temporarily involve an extreme hardship to the Contractor and would be against equity and good conscience to enforce the service or payment obligation. An amendment to their loan repayment contract would be at the discretion of the RHPC Section Administrator and contingent upon the approval of the Governor and Council.
- m. The Employer shall comply with the terms and conditions of the Memorandum of Agreement and will maintain the employment of the Contractor in the program for the length of service required under the terms of the Memorandum of Agreement, except in the cases of the health professional's termination due to substandard job performance or lay off due to financial constraints. Employers who are out of compliance with the terms and conditions of the Memorandum of Agreement may be ineligible to participate in the State Loan Repayment Program in the future. The Employer must provide appropriate documentation of the circumstances.
- n. Failure of the Contractor to comply with the provisions contained within the Contract and Memorandum of Agreement may result in denial of any loan repayment.
- o. The Commissioner of the NH Department of Health and Human Services, or designee, shall review the circumstances associated with a failure of the Contractor to comply with all provisions of the Contract and Memorandum of Agreement. If the failure is determined to be caused by circumstances beyond the Contractor's control, the Commissioner may waive any or all of the provisions of paragraphs 1.5 through 1.7 of Exhibit D of the contract.
- p. Transfer requests are considered in extreme situations on a case-by-case basis. The Contractor under the State Loan Repayment Program is expected to honor their contract with the healthcare organization and the State. An example of when a transfer request might be approved is the closure of the healthcare organization under the Memorandum of Agreement. Should a transfer request be approved, the healthcare provider will be expected to continue at another equally qualified site within two months. In no circumstances can a health care provider leave the employing healthcare practice site without prior approval from the Rural Health & Primary Care Section, or s/he will be placed in default and will be considered in breach of contract.

**ATTACHMENT 1 – MEMORANDUM OF AGREEMENT**

7. The Contractor will be paid by the State in four payments during the term of the contract amendment. The first payment of the contract amendment will be paid during the month of the following quarter, and quarterly thereafter for the duration of the contract.
  - a. First payment of \$625 of providing services obligated under this contract.
  - b. Second payment of \$625 of providing services obligated under this contract.
  - c. Third payment of \$625 of providing services obligated under this contract
  - d. Fourth payment of \$625 of providing services obligated under this contract.
  
8. To the extent there exists an agreement between the Employer and the Contractor for a matching contribution by the Employer for the benefit of the Contractor that agreement is solely between the Employer and the Contractor. The Department is not a party to that agreement and is not responsible for the collection, payment, or enforcement of any matching contribution by the Employer for the benefit of the Contractor.
  
9. This Memorandum of Agreement Amendment #1 shall be effective upon signature of all parties and will remain in force from the effective date, or date of Governor and Council approval, whichever is later, and quarterly thereafter for the duration of the contract. All parties may initiate review and/or a modification at any time should changing conditions warrant. Any modifications to this agreement shall be in writing and approved by all signatories. Termination of this agreement without providing written notice to all parties at least thirty (30) calendar days in advance will be considered in default of this agreement.

All information provided to the NH Department of Health and Human Services, Division of Public Health Services, Rural Health and Primary Care Section will be held in strict confidence.

**EXPLANATION**

This requested action seeks the approval of a total of twenty agreements for a total of \$587,850 to be used to provide payments to State Loan Repayment Program medical and mental health providers. The funds will be applied to the principal and interest of qualifying educational loans for actual cost paid for tuition, reasonable educational expenses, and reasonable living expenses relating to graduate or undergraduate education of a primary health care provider.

The State Loan Repayment Program provides funds to health care providers working in areas of the state designated as being medically underserved. These medically underserved areas identified as Health Professional Shortage Areas, Mental Health Professional Shortage Areas, Dental Health Professional Shortage Areas, Medically Underserved Areas/Populations, and Governor's Exceptional Medically Underserved Populations are indicators that a shortage of health care professionals exists, posing a barrier to access health care services for the residents of these areas. Organizations/facilities that are funded by programs in the Department of Health and Human Services are also considered eligible sites. As one of several approaches to improve access to health care and mental health services, the State Loan Repayment Program has proven to be a successful short and long-term strategy to recruit and retain physicians, dentists, and other health care professionals into New Hampshire's underserved communities. In addition, the health care provider and practicing site that are participating in the State Loan Repayment Program agree to provide direct primary health care services, behavioral health services, or substance abuse treatment especially for uninsured residents who are residing in our medically underserved areas of New Hampshire. A significant percentage of New Hampshire residents continue to face difficulty accessing primary care, mental, and oral health care services, due to workforce challenges.

The Contractor must be a U.S. citizen, not have any unserved obligations for service to another governmental or non-governmental agency, be New Hampshire Licensed, and ready to begin full-time or part-time clinical practice at the approved site once a contract has been signed. The Contractor must be willing to commit to a minimum service obligation of thirty-six months (full-time employee) or a minimum service obligation of twenty-four months (part-time employee) with the State of New Hampshire to work in a federally designated medically underserved area or a State sponsored Dental or Mental Health Program with the Department of Health and Human Services. A Contractor who has completed their initial service contract obligation with the State Loan Repayment Program may request a contract extension if funding is available.

The twenty Contractors will be working full-time or part-time and have committed to a minimum service obligation of 24 to 36 months. The full-time Contractors have the option to extend their Agreements for two additional years, contingent upon satisfactory delivery of services, available funding, remaining loan obligation of the Contractor, agreement of the parties and approval of the Governor and Council. The part-time Contractors have the option to extend their Agreements for one additional year, contingent upon satisfactory delivery of services, available funding, remaining loan obligation of the Contractor, agreement of the parties and approval of the Governor and Council.

Eligible practice sites include community health centers, community mental health centers, substance abuse treatment centers, health care entities that provide primary health care services to underserved populations, federally qualified health centers, and other systems of care that provide a full range of primary and preventive health and medical services.

Should Governor and Executive Council not authorize this Request, it may have a critical impact on the ability of New Hampshire health care facilities to recruit and retain qualified primary care health professionals to work in the State's Health Professional Shortage Areas. It is well-established that a sizable number of health care professionals carry a heavy debt-burden as they come out of training and are attracted to serving in those areas where a share of that burden can be taken away. This program serves to attract and retain such providers into underserved areas by relieving some of their financial burden that would otherwise make service in such areas less attractive. This shortage of health care workers can impact health care in a variety of ways, including decreasing quality of care, decreasing access to care, increasing stress in the workplace, increasing medical errors, increasing workforce turnover, decreasing retention rates and increasing health care costs.

To assure that the highest need areas receive priority, the Rural Health & Primary Care Section has implemented an in-house scoring process for all State Loan Repayment Program applications. State Loan Repayment Program applications receive weighted points based on the information required in the program guidelines and application. The criteria are based on: community needs; the specialty of the health professional (ability to meet the needs); the percent of the population served using sliding-fee schedules; bad debt/charity care as a percentage of revenue by the facility; the underserved area being served; the type of facility; indebtedness of the applicant; retention or recruitment needs of the facility; language other than English that is significant to the area; and the applicant's commitment to the community. These criteria may change, as workforce needs of the State change.

The State will make the first payment to the Contractors following completion of their first quarter of work, and quarterly thereafter for the duration of the contract. State payments are made directly to the Contractors to repay the principal and interest of any qualifying outstanding graduate or undergraduate educational loans. Before initiating each payment to the Contractors, the Rural Health and Primary Care Section will contact the respective employers to ensure the contract and Memorandum of Agreement requirements are being met.

Each Contractor entering into any State Loan Repayment Program contract agrees to complete a service obligation that runs the length of the contract and remain at the eligible practice site for the term of the contract. Contractors who fail to begin or complete their State Loan Repayment Program obligation or otherwise breach the terms and conditions of the obligations are in default of their contracts and are subject to the financial consequences outlined in their contracts.

To the extent there exists an agreement between the Employer and the Contractor for a matching contribution by the Employer for the benefit of the Contractor, that agreement is solely between the Employer and the Contractor. The Department is not a party to that agreement and is not responsible for the collection, payment, or enforcement of any matching contribution by the Employer for the benefit of the Contractor.

All Contractors are working in areas of the state designated as being medically underserved and contracted with their employer. The presence of the Contractors in medically underserved rural areas is part of the continuing effort to improve access to primary health care and reduce disparities within New Hampshire. Attached are the Contractors copies of Certificates of Licensure, resumes and employers' Insurance Certificates.

**2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

#### 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

#### 9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. **TERMINATION.** In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. **ASSIGNMENT/DELEGATION/SUBCONTRACTS.** The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. **INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

#### 15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

#### 19. CONSTRUCTION OF AGREEMENT AND TERMS.

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. **HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. **SPECIAL PROVISIONS:** Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. **SEVERABILITY:** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. **ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

**Scope of Services**

**State Loan Repayment Program**

The scope of services for this contract between Cynthia Wolz, Psychiatric ARNP (Contractor) and the New Hampshire Department of Health and Human Services, Division of Public Health Services (Department) is set forth in the attached "Memorandum of Agreement – State Loan Repayment Program" (Attachment 1) the terms of which are hereby incorporated by reference into this Agreement as if fully set forth herein.

---

## Method and Conditions Precedent to Payment

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, of the General Provisions, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

The Method and Conditions Precedent to Payment between the Contractor and the State are set forth in the attached "Memorandum of Agreement – State Loan Repayment Program" (Attachment 1), and are hereby incorporated by reference into this Agreement as if fully set forth herein. Under no circumstances shall the payments in this Agreement exceed the Price Limitation in block 1.8.

Payment for said services shall be made as follows:

1. Payments will be made on a quarterly basis.
2. No later than the tenth working day following the close of each quarter, the State will contact the Contractor's employer to ensure that the Memorandum of Agreement and contract stipulations have been met.
3. Within thirty (30) days of confirmation, the State shall make payment to the Contractor.

## Special Provisions

### State Loan Repayment Program

#### 1. **Special Provisions to the Contract**

- 1.1. The Contractor, in signing this Agreement, attests that s/he is a citizen or national of the United States and that s/he does not have an unserved obligation for service to a Federal, State, or local government, or any other entity.
- 1.2. The Contractor shall submit, in a timely manner to the State of New Hampshire, any changes to the information provided in application for this agreement, a copy of which is attached to this agreement.
- 1.3. The Contractor shall provide the State of New Hampshire proof of employment or private practice agreement within the HPSA identified in Exhibit A, incorporating appropriate dates and working conditions.
- 1.4. The Contractor shall provide all information necessary to the State of New Hampshire for it to meet its responsibilities set forth in the attached "Memorandum of Agreement - State Loan Repayment Program" (Attachment 1) the terms of which are hereby incorporated by reference into this Agreement as if fully set forth herein.
- 1.5. If the Contractor agrees to serve, and fails to complete the period of obligated services, s/he shall be liable to the State of New Hampshire, Department of Health and Human Services (DHHS) for an amount equal to the sum of:
  - a) The total amount paid by the Department to, or on behalf of, the Contractor under this contract, and
  - b) An amount equal to the unserved obligation penalty set forth in paragraph 1.6 of this section.
- 1.6. The unserved obligation penalty is an amount equal to 20% of the total contract amount paid out.
- 1.7. In the event the Contractor does not fulfill his/her obligations under this agreement, s/he shall forfeit any remaining allotment(s) under this contract.
- 1.8. The Commissioner of the NH Department of Health and Human Services, or designee, shall review the circumstances associated with a failure of the Contractor to complete the period of obligated services. The Commissioner may waive any or all of the provisions of paragraphs 1.5 through 1.7, if the failure is determined to be caused by circumstances beyond the Contractor's control. The Contractor must provide appropriate documentation of the circumstances.
- 1.9. Any amount the Commissioner determines that the Department is entitled to recover, shall be paid within one (1) year of the date the Commissioner determines that the Contractor is in breach of this contract.
- 1.10. The Contractor shall comply with all applicable State and Federal laws.

## 2. Gratuities or Kickbacks

- 2.1. The Contractor agrees that it is a breach of this Agreement to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work set forth in the attached "Memorandum of Agreement – State Loan Repayment Program" (Attachment 1) of this Agreement. The State may terminate this Agreement and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

## 3. Credits

- 3.1. All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services or the Agreement shall include the following statement "The preparation of this (report, document, etc.) was financed under an Agreement with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the (State of New Hampshire and/or United States Department of Health and Human Services.)"

## 4. Debarment, Suspension and Other Responsibility Matters

- 4.1. If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with the provisions of Section 319 of the Public Law 101-121, Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions; with the provisions of Executive Order 12549 and 45 CFR Subpart A, B, C, D, and E Section 76 regarding Debarment, Suspension and Other Responsibility Matters, and shall complete and submit to the State of New Hampshire the appropriate certificates of compliance upon approval of the Agreement by the Governor and Council.

Exhibit C-1

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:
  4. **CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.
2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language:
  - 10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.
  - 10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.
  - 10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.
  - 10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.
  - 10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.
3. **Extension:**

This agreement has the option for a potential extension of up to one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION  
AND OTHER RESPONSIBILITY MATTERS**

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
  - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
  - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).
14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

MEMORANDUM OF AGREEMENT  
State Loan Repayment Program

Between Cynthia Wolz, Psychiatric Nurse Practitioner (PsychNP), Contractor, Mental Health Center of Greater Manchester (MHCGM), Employer, and New Hampshire Department of Health & Human Services, Division of Public Health Services, Rural Health and Primary Care Section, the State, who administers the New Hampshire State Loan Repayment Program. The Program eligibility requirements are established by federal law authorizing the State Loan Repayment Program (Section 388I of the Public Health Service Act, as amended by Public Law 101-597).

Part Time Services

This loan repayment contract is for part-time clinical practice, defined as working a minimum of 20-hours per week, for at least 45 weeks each service year. The 20-hours per week may be compressed into no less than 2 days per week, with no more than 12 hours of work to be performed in any 24-hour period. Participants do not receive credit for hours worked over the required 20-hours per week, and excess hours cannot be applied to any other work week. Research and teaching are not considered to be "clinical practice". Time spent for all health care providers and dentists in "on-call" status will not count toward the 20-hour workweek, except to the extent the provider is directly serving patients during that period. Up to 7 weeks (35 work days) of leave is allowed from the practice site in each year (vacation, holidays, professional education, illness, or any other reason).

- a. For most type of providers, at least 16-hours of the minimum hours per week must be spent providing direct patient care in the outpatient ambulatory care setting at the approved service site. The remaining 4-hours of the minimum 20-hours must be spent providing clinical services for patients in the approved practice site(s) providing clinical services in alternative settings (e.g., hospitals, nursing homes, shelters) as directed by the approved site(s), or performing practice-related administrative activities. Practice-related administrative activities shall not exceed 4-hours of the minimum 20-hours per week.
- b. OB/GYN physicians, family practice physicians who practice obstetrics on a regular basis, certified nurse midwives, and behavioral/mental health providers: the majority of the 20-hours per week (not less than 11-hours per week) is expected to be spent providing direct patient care. These services must be conducted in an approved ambulatory care practice site during normal schedule office hours, with the remaining 9-hours spent providing inpatient care to patients of the approved practice site, or providing clinical services in alternative settings (e.g., hospitals, nursing homes, shelters) as directed by the approved practice site(s), performing practice related administrative activities. Practice-related administrative activities shall not exceed 4-hours of the minimum 20-hours per week.

## ATTACHMENT 1 – MEMORANDUM OF AGREEMENT

### STATEMENT OF AGREEMENT

1. NOW COMES the State of New Hampshire through the Department of Health and Human Services, Division of Public Health Services, Rural Health and Primary Care Section, who agree to make state loan repayment contributions for Cynthia Woltz, PsychNP, New Hampshire Licensed (hereinafter referred to as the Contractor). Funds in this agreement will be used to provide loan repayments to the Contractor, who is employed by Mental Health Center of Greater Manchester, 401 Cypress Street, Manchester, NH 03103 (hereafter referred to as the Employer), and is working part-time at MHCGM – North End Counseling, 1555 Elm Street, Manchester, NH 03104 (hereafter referred to as the Practice Site).
2. The Practice Site is a Community Mental Health Center in a Medically Underserved Area (ID #02112) in Hillsborough County, New Hampshire.
3. State funds in this agreement will be used to provide payments to the Contractor to be applied to the principal and interest of qualifying educational loans for actual cost paid for tuition, reasonable educational expenses, and reasonable living expenses relating to graduate or undergraduate education of a primary care provider. The funds must be used immediately to reduce outstanding loan balances that are deemed valid under the program.
4. In this contract agreement, the Contractor will be signing for a minimum continuous service obligation of twenty-four months in exchange for eight payments, the State of New Hampshire will pay directly to the Contractor the principal and interest owed by the Contractor, in an amount not to exceed \$8,750 over the service term. The Employer has agreed to provide loan repayment funds in an amount not to exceed \$8,750. The agreement is to be effective October 1, 2018, or date of Governor and Executive Council approval, whichever is later through September 30, 2020. Following the effective date or the date of Governor and Council approval, whichever is later, the first payment of the contract will be paid during the first month of the following quarter, and quarterly thereafter for the duration of the contract. This agreement contains the option to extend the agreement for up to one additional year contingent upon satisfactory delivery of services, available funding, remaining loan obligation of the Contractor, the agreement of the parties and the approval of the Governor and Executive Council.
5. Before initiating state payments, the Rural Health & Primary Care Section will contact the Employer to ensure the Memorandum of Agreement stipulations are being met and verification that their non-federal loan repayment funds have been paid to the contractor prior to the State of New Hampshire releasing its funds, if employer's funds are to be paid.
6. The Contractor and Employer shall:
  - a. The Contractor and Employer participating in the Loan Repayment Program agree to provide direct patient care in an outpatient ambulatory care setting at the approved practice site during scheduled office hours under this agreement.
  - b. The Contractor entering into any State Loan Repayment Program contract agrees to complete a service obligation that runs the length of the contract and remains at the eligible practice site for the term of the contract.
  - c. The Employer shall maintain the practice schedule of the Contractor for the number of hours per week specified in the Memorandum of Agreement. Any changes in practice circumstances are

subject to the approval of the Rural Health & Primary Care Section based upon the policies of the program. The Employer/Practice Site must notify the Primary Care Workforce Coordinator and receive approval for any changes in writing at least two (2) weeks in advance of any consideration of permanent changes in the sites or circumstances of the contractor under their agreement.

d. Insurance:

1. The Employer shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
  - a. comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and
2. The policies described in subparagraph e) Insurance herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.
3. The Employer shall furnish to the Section Administrator identified in the signature block below, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Employer shall also furnish to the Section Administrator or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Section Administrator or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

e. Workers' Compensation

1. By signing this agreement, the Employer agrees, certifies and warrants that the Employer is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A, ("Workers' Compensation").
  2. To the extent the Employer is subject to the requirements of N.H. RSA chapter 281-A, Employer shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Employer shall furnish the Section Administrator identified in the signature block below, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Employer, or any subcontractor or employee of Employer, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement
- f. The Contractor must maintain the appropriate professional license/certification and conform to all State laws and administrative rules pertaining to profession being practiced. If there are any restrictions that would prevent the Contractor from doing their duties at the Practice Site, the Contractor will be in violation of the contract and Memorandum of Agreement.
- g. The Contractor and Employer will allow the Division of Public Health Services, Rural Health & Primary Care Section to conduct periodic monitoring either through site visits, telephone calls, exit surveys or compliance with written reports for the program.
- h. The Contractor and Employer will charge for services at the usual and customary rates prevailing in the service areas, except that the Practice Site shall have a policy providing the patients unable to

## ATTACHMENT 1 – MEMORANDUM OF AGREEMENT

pay the usual and customary rate shall be charged a reduced rate according to the practice site's sliding discount-to-fee-schedule based on poverty level or not charged; and

- i. The Contractor and Employer will not discriminate on the basis of a patient's ability to pay for care or the payment source including Medicare and Medicaid, and provide free care when medically necessary.
- j. If the Contractor is providing services in a designated medically underserved area and is relocated to a Practice Site that is not in a designated medically underserved area, termination of the contract may result, and the health care provider will not be in default.
- k. The Contractor and Employer shall notify the Rural Health & Primary Care Section within seven (7) calendar days in the event of termination of employment of the Contractor and must include specific reason(s) for termination.
- l. The Contractor and Employer shall notify the Rural Health & Primary Care Section in writing within seven (7) calendar days if the Contractor, for any reason chooses to take a leave of absence due to physical or mental health disability, or the terminal illness of an immediate family member, that results in the participant's temporary inability to perform the program's obligations. This includes any medical conditions or a personal situation that: 1) would make it temporarily impossible for the Contractor to continue the service obligation or payment of the monetary debt; or 2) would temporarily involve an extreme hardship to the Contractor and would be against equity and good conscience to enforce the service or payment obligation. An amendment to their loan repayment contract would be at the discretion of the RHPC Section Administrator and contingent upon the approval of the Governor and Council.
- m. The Employer shall comply with the terms and conditions of the Memorandum of Agreement and will maintain the employment of the Contractor in the program for the length of service required under the terms of the Memorandum of Agreement, except in the cases of the health professional's termination due to substandard job performance or lay off due to financial constraints. Employers who are out of compliance with the terms and conditions of the Memorandum of Agreement may be ineligible to participate in the State Loan Repayment Program in the future. The Employer must provide appropriate documentation of the circumstances.
- n. Failure of the Contractor to comply with the provisions contained within the Contract and Memorandum of Agreement may result in denial of any loan repayment.
- o. The Commissioner of the NH Department of Health and Human Services, or designee, shall review the circumstances associated with a failure of the Contractor to comply with all provisions of the Contract and Memorandum of Agreement. If the failure is determined to be caused by circumstances beyond the Contractor's control, the Commissioner may waive any or all of the provisions of paragraphs 1.5 through 1.7 of Exhibit C of the contract.
- p. Transfer requests are considered in extreme situations on a case-by-case basis. The Contractor under the State Loan Repayment Program is expected to honor their contract with the healthcare organization and the State. An example of when a transfer request might be approved is the closure of the healthcare organization under the Memorandum of Agreement. Should a transfer request be approved, the healthcare provider will be expected to continue at another equally qualified site within two months. In no circumstances can a health care provider leave the employing healthcare practice site without prior approval from the Rural Health & Primary Care Section, or s/he will be placed in default and will be considered in breach of contract.

## ATTACHMENT 1 – MEMORANDUM OF AGREEMENT

7. The Contractor will be paid by the State in eight payments during the term of the contract. The first payment of the contract will be paid during the month of the following quarter, and quarterly thereafter for the duration of the contract.
  - a. First payment of \$1,202 of providing services obligated under this contract.
  - b. Second payment of \$1,202 of providing services obligated under this contract.
  - c. Third payment of \$1,202 of providing services obligated under this contract.
  - d. Fourth payment of \$1,202 of providing services obligated under this contract.
  - e. Fifth payment of \$986 of providing services obligated under this contract.
  - f. Sixth payment of \$986 of providing services obligated under this contract.
  - g. Seventh payment of \$986 of providing services obligated under this contract.
  - h. Eighth payment of \$986 of providing services obligated under this contract.
8. To the extent there exists an agreement between the Employer and the Contractor for a matching contribution by the Employer for the benefit of the Contractor that agreement is solely between the Employer and the Contractor. The Department is not a party to that agreement and is not responsible for the collection, payment, or enforcement of any matching contribution by the Employer for the benefit of the Contractor.
9. This Memorandum of Agreement shall be effective upon signature of all parties and will remain in force from the effective date, or date of Governor and Council approval, whichever is later, and quarterly thereafter for the duration of the contract. All parties may initiate review and/or a modification at any time should changing conditions warrant. Any modifications to this agreement shall be in writing and approved by all signatories. Termination of this agreement without providing written notice to all parties at least thirty (30) calendar days in advance will be considered in default of this agreement.

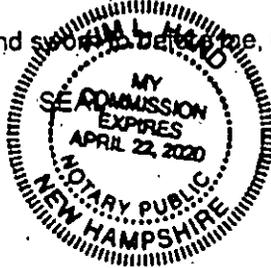

All information provided to the NH Department of Health and Human Services, Division of Public Health Services, Rural Health and Primary Care Section will be held in strict confidence.

			<b>Total</b>	<b>\$19,351.50</b>

**EXPLANATION**

This request is **Sole Source** because the vendor is uniquely qualified to provide maintenance and support. Technology, chemistry, and software components of the instrument

are intellectual property of Illumina, Inc., and no other vendor has the knowledge or expertise to provide maintenance and repair services

The purpose of this request is provide periodic, preventative, and corrective maintenance for the Department's Miseq instrument. This instrument is used by the Department for infectious disease surveillance, outbreak investigations, and identification of new and emerging infectious diseases. For the past year, this instrument has been used at the PHL to sequence bacterial and viral pathogens for disease surveillance. In doing so, this has allowed for more efficient and accurate identification of disease outbreaks.

The vendor will be providing the Department with annual instrument inspections to ensure that the instrument is running according to standards. The Department will have access to remote technical assistance and on-site support within seventy-two (72) hours if need be. The vendor will provide replacements parts and the labor, when requested.

The Department will monitor contracted services using the following performance measures:

- Providing on-site service, within seventy-two (72) hours of receiving a request from the Department for services that cannot be done remotely.
- Providing remote technical assistance by telephone and email to the Department
- Providing yearly testing on the instrument to ensure it meets standards.

As referenced in Exhibit C-1 of the attached contract, the parties have the option to extend the agreement for up three (3) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval.

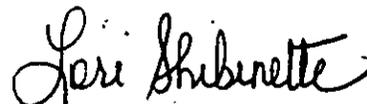

Should the Governor and Council not authorize this request the Department will not be able to identify outbreaks caused by foodborne or other bacterial species in a timely manner, thus negatively impacting the State's capacity in prevention and control of infectious disease transmissions or outbreaks.

Area served: Statewide

Source of Funds: CFDA #93.323, FAIN #NU50CK000522

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette  
Commissioner

**2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

## 9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**10. TERMINATION.** In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.** The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

**13. INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

## 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**17. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**18. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

**19. CONSTRUCTION OF AGREEMENT AND TERMS.**

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

## Scope of Services

### 1. Provisions Applicable to All Services

## Exhibit B

### Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
  - 1.1. This Agreement is funded by 100% Federal Funds from the United States Department of Health and Human Services, Division of Public Health, Centers for Disease Control and Prevention, Epidemiology and Laboratory Capacity for Infectious Diseases (CFDA #93.323), Federal Award Identification Number (FAIN) NU50CK000522.
  - 1.2. The Contractor agrees to provide the services in Exhibit A, Scope of Services in compliance with funding requirements. Failure to meet the scope of services may jeopardize the funded contractor's current and/or future funding.
2. Payment for services shall be made on an annual basis as follows:
  - 2.1. Upon approval by the Governor and Executive Council, the Contractor shall submit an invoice to the Department requesting payment in the amount of \$6,451 for the first year of services.
  - 2.2. The Contractor shall submit an invoice to the Department in the amount of \$6,450 no sooner than one year after the Contract Effective Date for the second year of services.
  - 2.3. The Contractor shall submit an invoice to the Department in the amount of \$6,451 no sooner than one year after the Contract Effective Date for the third year of services.
  - 2.4. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available. The Contractor will keep detailed records of their activities related to DHHS-funded programs and services.
  - 2.5. The final invoice shall be due to the State no later than forty (40) days after the contract Form P-37, Block 1.7 Completion Date. Address below:

Financial Administrator  
Department of Health and Human Services  
Division of Public Health  
Attn: Public Health Laboratories  
29 Hazen Drive  
Concord, NH 03301
  - 2.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.
3. Notwithstanding paragraph 18 of the General Provisions P-37, changes limited to adjusting encumbrances between State Fiscal Years, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

### SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
  - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

**RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:**

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
  - 8.1. **Fiscal Records:** books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
  - 8.2. **Statistical Records:** Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
  - 8.3. **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.
9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
  - 9.1. **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
  - 9.2. **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.
10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
  - 11.1. **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
  - 11.2. **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.
12. **Completion of Services: Disallowance of Costs:** Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.
13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
  - 13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.
14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.
15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.
16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of \$500,000 or more. If the recipient receives \$25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than \$25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: <http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf>.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.
18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, \$150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF  
WHISTLEBLOWER RIGHTS (SEP 2013)

- (a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.
  - (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.
  - (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.
19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:

- 19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
- 19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
- 19.3. Monitor the subcontractor's performance on an ongoing basis

- 19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
- 19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

**20. Contract Definitions:**

- 20.1. **COSTS:** Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.
- 20.2. **DEPARTMENT:** NH Department of Health and Human Services.
- 20.3. **PROPOSAL:** If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the services and/or goods to be provided by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.
- 20.4. **UNIT:** For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.
- 20.5. **FEDERAL/STATE LAW:** Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from time to time.
- 20.6. **SUPPLANTING OTHER FEDERAL FUNDS:** Funds provided to the Contractor under this Contract will not supplant any existing federal funds available for these services.

---

**REVISIONS TO STANDARD CONTRACT LANGUAGE**

**1. Revisions to Form P-37, General Provisions**

1.1. Section 4, Conditional Nature of Agreement, is replaced as follows:

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account in the event funds are reduced or unavailable.

1.2. Section 10, Termination, is amended by adding the following language:

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

**2. Renewal**

2.1. The Department reserves the right to extend this agreement for up to three (3) additional years, contingent upon satisfactory delivery of services, available funding, written agreement of the parties and approval of the Governor and Executive Council.

**CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS  
US DEPARTMENT OF EDUCATION - CONTRACTORS  
US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner  
NH Department of Health and Human Services  
129 Pleasant Street,  
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
  - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
    - 1.2.1. The dangers of drug abuse in the workplace;
    - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
    - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
    - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
  - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
    - 1.4.1. Abide by the terms of the statement; and
    - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
  - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

- has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
    - 1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
    - 1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
  - 1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.
2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

- \*Medicaid Program under Title XIX
- \*Community Services Block Grant under Title VI
- \*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-1.)
3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION  
AND OTHER RESPONSIBILITY MATTERS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
  - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
  - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).
14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

**CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO  
FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND  
WHISTLEBLOWER PROTECTIONS**

The Vendor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Vendor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;
- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;
- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);
- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;
- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;
- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;
- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;
- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;
- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

**(1) Definitions.**

- a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.
- b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.
- c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.
- d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.
- e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.
- f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.
- g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, Title XIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.
- h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.
- i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).
- j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.
- k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Exhibit I

- l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.
- m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.
- n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.
- o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.
- p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

- a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
  - I. For the proper management and administration of the Business Associate;
  - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
  - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Exhibit I

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

**(3) Obligations and Activities of Business Associate.**

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
  - o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
  - o The unauthorized person used the protected health information or to whom the disclosure was made;
  - o Whether the protected health information was actually acquired or viewed
  - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

Exhibit I

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

**(4) Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

**(5) Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

**(6) Miscellaneous**

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. **Segregation.** If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. **Survival.** Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

**CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE**

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than \$25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of \$25,000 or more. If the initial award is below \$25,000 but subsequent grant modifications result in a total award equal to or over \$25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
  - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25M annually and
  - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.
2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.
3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.
5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.
6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic

DHHS Information Security Requirements

mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.
8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.
9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.
10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.
11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.
12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

**I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR**

**A. Business Use and Disclosure of Confidential Information.**

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
2. The Contractor must not disclose any Confidential Information in response to a

DHHS Information Security Requirements

request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

**II. METHODS OF SECURE TRANSMISSION OF DATA**

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open

wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.

9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

### III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

#### A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a

DHHS Information Security Requirements

whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

- A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.
6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.
7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.
8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.
9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the scope of the engagement between the Department and the Contractor changes.
10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.
11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from

the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.
13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at <https://www.nh.gov/doi/vendor/index.htm> for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.
14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.
15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.
16. The Contractor must ensure that all End Users:
  - a. comply with such safeguards as referenced in Section IV A. above; implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.
  - b. safeguard this information at all times.
  - c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.
  - d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

DHHS Information Security Requirements

- e. limit disclosure of the Confidential Information to the extent permitted by law.
- f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).
- g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.
- h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.
- i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

**V. LOSS REPORTING**

The Contractor must notify the State's Privacy Officer and Security Officer of any Security Incidents and Breaches immediately, at the email addresses provided in Section VI.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and

5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

**THE STATE OF NEW HAMPSHIRE**  
**DEPARTMENT OF TRANSPORTATION**

*Victoria F. Sheehan*  
*Commissioner*

*William Cass, P.E.*  
*Assistant Commissioner*

His Excellency, Governor Christopher T. Sununu  
 and the Honorable Council  
 State House  
 Concord, New Hampshire 03301

Office of Federal Compliance  
 September 17, 2020

**REQUESTED ACTION**

Authorize the New Hampshire Department of Transportation (NHDOT) to enter into a **sole source** contract with Hessel & Associates, LLC, Brattleboro, Vermont (vendor #209072), due to the vendor's knowledge and experience with the project's scope of work for a total fee of \$24,551.00, to provide employment outreach and placement services for minorities and female candidates under the New Hampshire On-the-Job Training (OJT) program necessary to meet Federally mandated EEO/Affirmative Action requirements in accordance with Title VI of the Civil Rights Act of 1964, effective upon Governor and Council approval, through October 30, 2021. 100% Federal Funds.

Funds to support this request are available in the following account in State FY 2021 and funding is contingent upon the availability and continued appropriation of funds in FY 2022, with the ability to adjust encumbrances between State Fiscal Years through the Budget Office if needed and justified:

	<u>FY 2021</u>	<u>FY 2022</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
046-500464 General Consultants Non-Benefit	\$14,321.37	\$10,229.63

**EXPLANATION**

This contract is requested as **sole source** with Hessel & Associates, LLC. The federal funding available for these supportive services is required to be utilized beginning immediately and Hessel & Associates is an established firm already providing such services for the Department. The Federal Highway Administration (FHWA) On-the-Job Training/Supportive Services (OJT/SS) program was established in Title 23, Code of Federal Regulations (CFR) Part 230, to supplement the On-the-Job Training (OJT) program and support States' training programs by providing funding for approved services to assist highway construction contractors and highway construction apprentices and trainees.

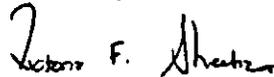

The New Hampshire Department of Transportation recognized a need by highway construction contractors for access to a larger pool of qualified minority and female candidates to fulfill their contractual OJT obligations. To request OJT/SS funding and address this need, the NHDOT was required to develop and submit a Statement of Work (SOW), requesting OJT/SS funding for specific supportive service activities with measurable goals and objectives.

The goal of this supportive services contract is to provide outreach and placement services in specific geographic areas to increase the availability of qualified minority and female candidates for hire by contractors and remove barriers to their initial and continued employment. Supportive services provided pursuant to this contract complement existing OJT functions and extend beyond the current capacity of the NHDOT Office of Federal Compliance.

The Department has verified that the necessary funds are available. The contract has been approved by the Attorney General as to form and execution. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

A handwritten signature in black ink, appearing to read "Victoria F. Sheehan". The signature is written in a cursive style with a large initial "V".

Victoria F. Sheehan  
Commissioner

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

submit to the State a Transition Plan for services under the Agreement.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

## 9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached

EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

## 10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

## 12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

**14. INSURANCE.**

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**17. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

**18. CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

**19. CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

Scope of Work

Goals & Objectives

**Goal #1:** To remove barriers to initial and ongoing training and employment of minorities, women and disadvantaged individuals who have been hired as OJTs on federally assisted construction projects, leading to eventual full time employment in the highway construction industry.

Objectives:

The NHDOT will strive to accomplish the following:

- 1) Interview each OJT trainee prior to their start date and determine what barriers to employment may exist.
- 2) Provide construction boots, appropriate hand tools and/or equipment necessary for employment to new OJT trainees if needed, as identified in pre-employment interview.
- 3) Interview each OJT trainee at the midpoint of their training to determine if barriers still exist to their ongoing employment and eventual hiring as a permanent full time employee, and work with the trainee, and/or the contractor on resolving any issues and/or barriers.
- 4) Provide additional resources to OJT trainees as needed, approved, and on a first come first serve basis until funds are exhausted, with an effort to address the barriers to ongoing employment and eventual hiring as a permanent full time employee.
- 5) Conduct a survey with OJT trainees and contractors upon completion of the training to identify the strengths and weaknesses of the OJT SS Program and suggest improvements.

**Goal #2:** To provide five qualified minorities, women or disadvantaged individuals with tuition assistance for the successful completion of a CDL Class-B driver training course, leading to full time employment in the highway construction industry. The CDL Class-B driver training program will assist up to five individuals who will be reimbursed \$2,000 upon successful completion of the training. In an effort to assist those individuals who may not have \$4,000 for paying for the class upfront, NHDOT will make every attempt to work with the school to implement some kind of a payment plan, and/or attempt to partner with other community stakeholders to assist with the payment for the training.

Applicants will be interviewed and approved by the External EEO Coordinator. NHDOT employees and/or interns are not qualified to participate in the CDL Class-B drivers training program. Approved applicants and/or their sponsoring agencies will be reimbursed \$2,000 by the Supportive Services Consultant upon successful completion of the program.

Consultant's Initials GH  
Date 7/17/20

The Supportive Services Consultant may also make payment installments to the CDL School if necessary. The OJT Program and the CDL Class-B training program will be overseen by the External EEO Coordinator. In order for candidates to enroll into the CDL Class-B training program, the regulations require that candidates have to be 18 or older and must provide the following documents for verification and enrollment:

- Birth certificate,
- Valid NH driver license,
- Valid NH CDL - B Permit (General Knowledge & Air Brakes),
- NH Criminal Background Check (CBC). No Misdemeanors or Felonies in previous 7 years of registration per Insurance Guidelines.
- NH Motor Vehicle Record (MVR). No more than two (2) moving violations in previous three (3) years.

Additionally, candidates also have to pass a Department of Transportation (DOT) physical exam and drug screen with the vendor's provider, to obtain their Medical Certificate. To graduate from the training program, candidates have to pass 100 questions written exam with 80% passing grade.

Objectives:

- 1) Continue to promote the training to prospective candidates by distributing the information to partners, stakeholders, educational institutions, and other organizations.
- 2) Continue to recruit up to five qualified individuals for the CDL Class-B driver training program.
- 3) Continue to partner with other community stakeholders that are interested in assisting with the partial payment for the training.
- 4) Track the progress of CDL-Class B driver training program candidates and assist when needed.
- 5) Assist trainees with job placement by contacting highway construction contractors and/or connecting them with agencies that specialize with employment search.

**Monitoring and Evaluation**

The Contractor shall, on a monthly basis, file a report summarizing ongoing supportive service activities. The monthly report will list actions taken to remove both initial and ongoing barriers to employment for each OJT. These reports must detail activities performed as required by the contract, including detailed notes on discussions with referral sources and applicants to the program. Final report is also required and will be due 10/30/2021. Reports will be compiled and submitted to FHWA by the NHDOT External EEO Coordinator. NHDOT reserves the right to adjust objectives and tasks to accommodate the needs of the Program.

THE STATE OF NEW HAMPSHIRE  
DEPARTMENT OF TRANSPORTATION

Victoria F. Sheehan  
Commissioner

William Cass, P.E.  
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of TSMO  
August 24, 2020

**REQUESTED ACTION**

Authorize the Department of Transportation (NHDOT) and the Department of Safety (NHDOS) to enter into a Memorandum of Agreement for \$500,000.00 to support the administration of the State of New Hampshire's Highway Truck Weight Safety program, effective upon Governor and Executive Council approval through September 30, 2024. 100% Federal Funds

Funding is available as follows for FY 2021, and is contingent upon the availability and continued appropriation of funds in FY 2022, FY2023, FY 2024 and FY 2025 with the ability to adjust encumbrances between State Fiscal Years through the Budget Office, if needed and justified:

	<u>FY 2024</u>	<u>FY 2025</u>	
	\$100,000.00	\$100,000.00	

**EXPLANATION**

The purpose of this MOA is to identify the roles and responsibilities of NHDOS and NHDOT as they relate to the administration of the Highway Truck Weight Safety Program (HTWSP) funded by Federal Highway Administration (FHWA) through NHDOT to NHDOS. NHDOT is the direct recipient of HTWSP funding from FHWA, and NHDOT passes this funding through to NHDOS as the sub-recipient of funds.

The Highway Truck Weight Safety Program (HTWSP) has been authorized in the 2021-2030 NHDOT Ten Year Transportation Improvement Plan (TYP) utilizing FHWA funds authorized under the Fixing America's Surface Transportation (FAST) Act of 2015. The HTWSP is designed to provide truck weight safety inspection and maintenance on New Hampshire interstate highways and all tiers of the New Hampshire roadway network.

NHDOS has been designated as the state agency responsible for administering the State of New Hampshire's Highway Truck Weight Safety Program as authorized by Title 23, United States Code (USC) Sections 127, 141 and 315 and Title 23, Code of Federal Regulations (CFR), Part 657.

This agreement has been approved by the Attorney General as to form and execution. Copies of the fully executed agreement are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

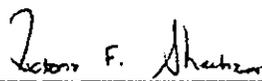

Your approval of this resolution is respectfully requested.

Sincerely,

---

**MEMORANDUM OF AGREEMENT BETWEEN  
NEW HAMPSHIRE DEPARTMENT OF SAFETY AND  
NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION**

---

This Memorandum of Agreement (MOA) is entered into by the New Hampshire Department of Safety, hereinafter referred to as NHDOS and the New Hampshire Department of Transportation, hereinafter referred to as NHDOT.

**SECTION 1: PURPOSE**

The purpose of this MOA is to identify all of the roles and responsibilities of NHDOS and NHDOT as they relate to the administration of the Highway Truck Weight Safety Program (HTWSP) funded by Federal Highway Administration (FHWA) through NHDOT to NHDOS.

**SECTION 2: PROGRAM BACKGROUND**

The Highway Truck Weight Safety Program (HTWSP) has been authorized in the 2017-2026 NHDOT Ten Year Transportation Improvement Plan (TYP) utilizing FHWA funds authorized under the Fixing America's Surface Transportation (FAST) Act of 2015. The HTWSP is designed to provide truck weight safety inspection and maintenance on New Hampshire interstate highways and all tiers of the New Hampshire roadway network.

**SECTION 3: PROGRAM ADMINISTRATION**

NHDOS has been designated as the state agency responsible for administering the State of New Hampshire's Highway Truck Weight Safety Program as authorized by Title 23, United States Code (USC) Sections 127, 141 and 315 and Title 23, Code of Federal Regulations (CFR), Part 657.

NHDOT is the direct recipient of HTWSP funding from FHWA, and NHDOT passes this funding through to NHDOS as the sub-recipient of funds.

As the sub-recipient of Federal-aid funds for the State of New Hampshire's HTWSP through NHDOT, NHDOS is accountable to both NHDOT and the FHWA for the proper use of the Federal funds.

As a sub-recipient of funds, NHDOS shall use its HTWSP funds in accordance with all applicable Federal legislation and regulations. NHDOS shall also follow all NHDOT Local Public Agency (LPA) processes and requirements (see link below), which are also reviewed and approved by FHWA.

<https://www.nh.gov/dot/org/projectdevelopment/planning/documents/LPAManual.pdf>

As the recipient of funds from FHWA, NHDOT shall be responsible to ensure proper compliance and oversight of the HTWSP funds by NHDOS. Therefore, all decisions regarding the use of HTWSP funds shall be made by NHDOS under the oversight of NHDOT. Any audit or Federal-aid review that determines non-participation of NHDOS expenditures will require that NHDOS be responsible for all pay back to FHWA through NHDOT.

## SECTION 4: PROGRAM FUNDING

### STIP/TIP

23 U.S.C. 134 and 135 requires FHWA-funded HTWSP projects to be included in the Statewide Transportation Improvement Program (STIP) and applicable Metropolitan Planning Organizations (MPOs) Transportation Improvement Plans (TIPs). NHDOS shall forward the approved annual Work Plan (how Federal funds will be used) for the HTWSP determined eligible for funding to NHDOT's Bureau of Transportation System, Management & Operations (TSMO) for incorporation into the STIP, and to applicable TIPs.

Unless the HTWSP project is determined to be regionally significant, it may be grouped and submitted as one line item to NHDOT for incorporation into the STIP, and to applicable MPOs for incorporation into their TIPs. If an HTWSP project is determined to be regionally significant by NHDOT and/or through the interagency consultation process, it must be listed individually within the STIP and any applicable TIP.

All modifications to the individual listing of projects or to the line item as listed in the STIP and appropriate TIPs shall be subject to Federal STIP requirements and subjected to the FHWA approved STIP Revision Procedures that are used to guide NHDOT STIP actions.

### Obligation Limitation

The HTWSP is subject to the same annual obligation limitation as the remaining Federal-Aid Highway Program that NHDOT receives. Congress determines the annual obligation limitation through authorization legislation (FAST) or through annual appropriations acts. As specified in law, the FHWA allocates the annual obligation limitation to NHDOT.

NHDOT shall notify NHDOS, in writing, of the yearly apportionment when released by FHWA, as well as of any rescissions or adjustments to apportionment by FHWA. NHDOT, in consultation with NHDOS, shall determine the obligation limitation share that HTWSP funds shall receive for the upcoming Federal Fiscal Year so that NHDOS can plan for their program.

### Funds Availability

Under 23 U.S.C. 118(b)(2), apportioned funds are available for obligation for four fiscal years: the current fiscal year plus three additional years. The funds are treated in a "first in, first out" manner; older year funds are obligated before newer year funds. Neither NHDOS nor NHDOT is required to fully use the HTWSP funds made available through Congress and FHWA if sufficient progress has not been made on existing funded projects.

### Award Amount

NHDOT will provide funding in the amount of \$100,000 in state fiscal year 2021, \$100,000 in state fiscal year 2022, \$100,000 in state fiscal 2023, \$100,000 in state fiscal 2024 and \$100,000 in state fiscal 2025 to NHDOS to support the administration of the State of New Hampshire's Highway Truck Weight Safety Program as authorized by Title 23, United States Code (USC) Sections 127, 141 and 315 and Title 23, Code of Federal Regulations (CFR), Part 657.

## Reimbursements

Upon approval of this MOA, NHDOT shall reimburse up to \$100,000 in state fiscal year 2021, \$100,000 in state fiscal year 2022, \$100,000 in state fiscal year 2023, \$100,000 in state fiscal year 2024 and \$100,000 in state fiscal year 2025 to NHDOS upon receiving appropriate documentation of expended funds from NHDOS. Supporting documentation shall include appropriate proof of cost and proof of payment (e.g., purchase orders, receipts, sign-in sheets, etc).

## SECTION 5: AGENCY RESPONSIBILITIES UNDER THIS MOA

1. NHDOS shall manage the HTWSP in accordance with all applicable FHWA rules and regulations governing the use of FHWA funding, as well as in accordance with LPA requirements outlined under the most recent NHDOT LPA Manual sections 6–12 and sections 28-30. NHDOS will be responsible for:
  - i. Develop program guidance that reflects the Federal HTWSP guidance and is approved by FHWA – NH Division. An approved copy of this Program guidance and any additional FHWA HTWSP guidance must be shared with NHDOT when it becomes available;
  - ii. Conducting a competitive bid process for distribution of the HTWSP funds that is compliant with HTWSP and other Federal requirements;
  - iii. If a competitive bid process will not be completed, submission of a Public Interest Finding (PIF) to FHWA NH Division for approval will be required prior to proceeding with procurement;
  - iv. Reviewing and approving individual projects for compliance with HTWSP and other Federal requirements; and
  - v. Ensure that acceptable supporting documentation is provided and maintained for expenditures for reimbursement through the HTWSP.
2. NHDOS shall undertake the following activities for HTWSP project and financial transactions through the NHDOT TSMO:
  - i. Initiate project setup and definition, to include defining the project term and other related details. Sufficient detail must be provided so that NHDOT staff can update their Project Management System completely.
  - ii. Request the obligation, de-obligation and/or re-obligation of project funds through NHDOT TSMO for review and submission to the FHWA.
  - iii. Request reimbursement monthly for the Federal share of allowable project work completed through NHDOT TSMO. Submit copies of all supporting documentation to NHDOT for review and approval by NHDOT along with the reimbursement request.
  - iv. Work with NHDOT TSMO to ensure that completed projects are closed (final voucher) within 90-days after completion of the project, in accordance with the current NHDOT and FHWA approved processes.
3. No more than two Term Projects are allowed to be open within FMIS at any one time. One project can be starting up as another is being completed and closed.

4. If required, coordinate all required reviews for the National Environmental Protection Act (NEPA) and submit all projects to the NHDOT Bureau of Environment for approvals, after consultation with the State Historical Preservation Office.
5. Meet annually or more as needed, with the NHDOT TSMO and the NHDOT Bureau of Finance and Contracts (F&C) about the program for billing reviews and other items if needed.
6. Maintain project files and further maintain expenditure support; documentation to include vendor contracts, procurement process, project ledgers and invoices. Such files shall be retained for a period of 3 years after final voucher.
7. NHDOS, as part of every project closeout process, shall utilize an internal auditor to verify that expenditures are allowable in accordance with FHWA guidelines. In the case that unallowable (non-participating) expenses are found through this audit or through a billing review initiated by NHDOT or FHWA, NHDOS shall be responsible for paying those funds back to NHDOT. Failure to do so will result in the current program being given a "Hold" or "Stop Work Order" until such funds are repaid. The auditor's report shall be forwarded to NHDOT TSMO with the request to close the project.
8. As the sub-recipient of Federal-aid funds for the State of New Hampshire's HTWSP, NHDOS is accountable to the NHDOT as the recipient for the use of the Federal funds.

NHDOT shall undertake the following activities for the HTWSP:

1. NHDOT TSMO shall process all initial project listings and projections through the NHDOT's Project Management System (Currently known as ProMIS) so that all projects will be included in the NHDOT's STIP and all appropriate MPO TIPs as part of the NHDOT's normal required processes.
2. NHDOT TSMO shall process all project setups and modifications through ProMIS, including but not limited to scope, schedule and budget and term end dates as provided to NHDOT from NHDOS.
3. NHDOT TSMO shall process all requests for obligation, de-obligation and/or re-obligation of project funds through ProMIS and NHDOT processes for review and submission to the FHWA.
4. NHDOT Bureau of Finance and Contracts (F&C) – Project Programming will program FMIS for obligation, de-obligation and/or re-obligation of project funds and other required project information.
5. NHDOT F&C shall process all of NHDOS's approved reimbursement requests of project work completed within State and Federal requirements through its Current Billing System (CBS). NHDOT F&C will direct the revenue received from FHWA through NHFIRST to a revenue account designated by NHDOS.
6. NHDOT F&C shall provide CBS and other financial system history when requested to

document revenue activity for a project.

7. NHDOT TSMO shall work with NHDOS on STIP amendments and/or minor revisions, if necessary, for the HTWSP providing that any amendments and/or minor revisions do not negatively impact NHDOT projects.
8. As the recipient of Federal-aid funds for the State of New Hampshire, NHDOT is accountable to the FHWA for the proper use of the Federal funds.

## **SECTION 6: ADDITIONAL PROVISIONS OF AGREEMENT**

### Effective Date

This MOA shall be effective upon the signatures of NHDOS and NHDOT authorized officials and Governor and Council approval.

The original lease agreement was approved by Governor and Council on July 10, 2019, Item 107 and amended on April 8, 2020, Item 22.

Rental income will be credited as follows:

	<u>FY 2021</u>
04-096-096-964010-2991 Special Railroad Account	
009-403532 Railroad Property Sale or Lease	\$5,875.00

**EXPLANATION**

RSA 228:57 allows the Department to sell or lease portions of railroad property for the continued operation of a railroad. Pursuant to RSA 228:57, the Department of Transportation seeks to amend a lease for 65,100 square foot parcel of the state-owned railroad corridor to Superior Plus Energy, Inc. (Superior). Superior is currently utilizing the parcel in conjunction with active railroad operations by the New England Central Railroad (NECR), the entity with railroad operating rights to the subject property. The current lease does not interfere with NECR's active railroad operations because the parcel leased is adjacent to the railroad track that Superior presently uses for unloading fuel products and related commodities pursuant to a Side Track Agreement between Superior and NECR.

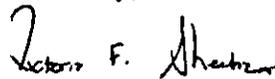

This Department originally entered into a lease for this parcel with Rymes Heating Oils, Inc. (Rymes) that was approved by Governor and Council on July 10, 2019, Item 107 and amended on April 8, 2020, Item 22 with a completion date of October 31, 2020. In accordance with Section 10.01 of the lease, the Department and Rymes consented to the assignment of the lease to Superior on September 23, 2020. The Department chose to lease the parcel to Rymes, originally, and Superior, now, for an interim period

while a new 10-year operating agreement between the State and the railroad (NECR) was being renegotiated and then the railroad would enter into a more appropriate sublease with Superior. As the State and railroad need additional time, approximately three (3) months, to finalize a new 10-year operating agreement, this subject amendment proposes to extend the lease with Superior for said three (3) month period. The term of the amended lease shall terminate on January 31, 2021, or within thirty (30) days of the effective date of a new operating agreement between the State and NECR, if it should be sooner. The use of this parcel will enhance the railroad corridor's current use and a provision is included in the proposed lease relative to the removal or modification of the facility if necessary for improvements to railroad service.

The amendment has been approved by the Attorney General as to form and execution; and the Department has certified that the necessary funds are available. Copies of the fully executed amendment are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan  
Commissioner

AMENDMENT #2 TO LEASE AGREEMENT

This AMENDMENT TO THE LEASE AGREEMENT (“Amendment”) is entered into this 25<sup>th</sup> day of September, 2020, by and between the State of New Hampshire, acting by and through the New Hampshire Department of Transportation, Bureau of Rail and Transit, PO Box 483, Concord, New Hampshire 03302-0483, (hereinafter referred to as “Landlord”) and Superior Plus Energy Services, Inc., 650 E Swedesford Rd., Suite 300, Wayne, PA 19087 (hereinafter referred to as “Tenant”) (the Landlord and Tenant may hereinafter singularly and/or collectively be referred to as “Party” or “Parties”).

WHEREAS, the Landlord is the owner of the State-owned Northern Railroad corridor at approximate Engineering Station 3645+00+/- to 3650+00, Valuation Section 32.1, Sheet 70 (“Property”).

WHEREAS, the Landlord and Rymes Heating Oils, Inc. (“Rymes”) entered into a Lease Agreement on June 4, 2019 for a portion of the Property (“Lease”) and that Lease was amended by the Landlord and Rymes on April 8, 2020.

WHEREAS, the Landlord and Rymes consented on September 23, 2020 to assign the Lease to the Tenant in accordance with Section 10.01 of the Lease.

NOW THEREFORE, the Parties mutually agree to amend the Lease as follows:

1. Section 2.02 of the Lease shall be amended to extend the term of the Lease for an additional three (3) months. The Lease shall terminate on January 31, 2021, or within thirty (30) days of the effective date of a new operating agreement between the State of New Hampshire and New England Central Railroad, Inc. (hereinafter “Railroad Operator”) for the Northern Railroad, unless terminated sooner in accordance with Condition 17.01 or 17.02 of the Lease.
2. The rent for the amended lease term shall be five thousand eight hundred seventy-five dollars (\$5,875), payable in advance, and due upon November 1, 2020. This payment shall be made payable to “TREASURER, STATE OF NH” and mailed to:

NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION  
BUREAU OF FINANCE & CONTRACTS  
J.O. MORTON BUILDING  
PO BOX 483  
CONCORD, NH 03302-0483

If the total rent amount is not paid within ten (10) days after the due date, the Tenant agrees to pay a late charge of 5% of the total rental amount due.

If the Lease, as amended herein, is terminated before October 31, 2020, the Landlord will reimburse the Tenant for the pro rata proportion of the remaining number of days for

which rent has been paid in advance but during which the Tenant no longer occupies the premises.

3. The Parties agree that all other provisions of the Lease not amended herein shall remain in full force and effect.
4. This Amendment and all obligations of the parties hereunder shall become effective upon approval by the Governor and Council of the State of New Hampshire.

IN WITNESS WHEREOF, the Parties hereto have set their hands the date first-written above.

- The Canadian Commercial General Liability and Canadian Umbrella Policies provide excess Difference in Conditions and Difference in Limits coverage to the US Commercial General Liability policy and US Umbrella policy respectively.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**LIMITED CONTRACTUAL LIABILITY – RAILROADS**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**SCHEDULE**

<b>Scheduled Railroad:</b>	ALL CONTRACTS FOR WORK DONE FOR RAILROADS, AS REQUIRED BY WRITTEN CONTRACT
<b>Designated Job Site:</b>	ALL CONTRACTS FOR WORK DONE FOR RAILROADS, AS REQUIRED BY WRITTEN CONTRACT
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to operations performed for, or affecting, a Scheduled Railroad at a Designated Job Site, the definition of "insured contract" in the **Definitions** section is replaced by the following:

9. "Insured contract" means:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
- b. A sidetrack agreement;
- c. Any easement or license agreement;
- d. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
- e. An elevator maintenance agreement;
- f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or those acting on your behalf. However, such part of a contract or agreement shall only be considered an "insured contract" to the extent your assumption of the tort liability is permitted by law. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph 1. does not include that part of any contract or agreement:

- (1) That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
  - (a) Preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
  - (b) Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage;
- (2) Under which the insured, if an architect, engineer or surveyor, assumes liability for an injury or damage arising out of the insured's rendering or failure to render professional services, including those listed in Paragraph (1) above and supervisory, inspection, architectural or engineering activities.

CONSENT TO ASSIGNMENT OF LEASE

This Consent to Assignment of Lease is made as of the 1st day of September 2020. Reference is made to a certain lease from the State of New Hampshire, Department of Transportation ("Landlord"), to Rymes Heating Oils, Inc., 257 Sheep Davis Road, Concord, NH ("Tenant"), with respect to certain premises (the "Premises") in Lebanon, Grafton County, State of New Hampshire, located on the State-owned Northern Railroad Corridor, opposite and between Engineering Station 3645+00 +/- to 3650+00 as shown on Railroad Valuation Map V32.1/70 (the "Lease"). Pursuant to the Amendment to the Lease Agreement signed by the parties March 23, 2020, the Lease shall terminate on October 31, 2020, or within thirty (30) days of the effective date of a new operating agreement between the State of New Hampshire and New England Central Railroad, Inc. (hereinafter "Railroad Operator") for the Northern Railroad, unless terminated sooner in accordance with Condition 17.01 or 17.02 of the Lease

The Landlord hereby consents to an assignment of the Lease from Rymes Heating Oils, Inc. to Superior Plus Energy Services, Inc. ("Assignee"). By acceptance of the assignment of the Lease, Superior Plus Energy Services, Inc. agrees to be bound by the terms and conditions of the Lease and to perform the obligations of Tenant under the Lease.

Landlord acknowledges that to the best of its knowledge and belief that the Tenant is not in default of any of its obligations under the Lease and that the Lease, as affected by this Consent and the assignment, as amended on March 23, 2020, remains in full force and effect.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**LIMITED CONTRACTUAL LIABILITY – RAILROADS**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**SCHEDULE**

<b>Scheduled Railroad:</b>	ALL CONTRACTS FOR WORK DONE FOR RAILROADS, AS REQUIRED BY WRITTEN CONTRACT
<b>Designated Job Site:</b>	ALL CONTRACTS FOR WORK DONE FOR RAILROADS, AS REQUIRED BY WRITTEN CONTRACT
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to operations performed for, or affecting, a Scheduled Railroad at a Designated Job Site, the definition of "insured contract" in the Definitions section is replaced by the following:

9. "Insured contract" means:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
- b. A sidetrack agreement;
- c. Any easement or license agreement;
- d. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
- e. An elevator maintenance agreement;
- f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or those acting on your behalf. However, such part of a contract or agreement shall only be considered an "insured contract" to the extent your assumption of the tort liability is permitted by law. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph f. does not include that part of any contract or agreement:

- (1) That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
  - (a) Preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
  - (b) Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage;
- (2) Under which the insured, if an architect, engineer or surveyor, assumes liability for an injury or damage arising out of the insured's rendering or failure to render professional services, including those listed in Paragraph (1) above and supervisory, inspection, architectural or engineering activities.

## AMENDMENT TO LEASE AGREEMENT

This AMENDMENT TO THE LEASE AGREEMENT ("Amendment") is entered into this \_\_\_\_ day of March, 2020, by and between the State of New Hampshire, acting by and through the New Hampshire Department of Transportation, Bureau of Rail and Transit, PO Box 483, Concord, New Hampshire 03302-0483, (hereinafter referred to as "Landlord") and Rymes Heating Oils, Inc., 257 Sheep Davis Road, Concord, New Hampshire 03301 (hereinafter referred to as "Tenant") (the Landlord and Tenant may hereinafter singularly and/or collectively be referred to as "Party" or "Parties").

WHEREAS, the Landlord and the Tenant entered into a Lease Agreement on June 4, 2019, with respect to a portion of the State-owned Northern Railroad corridor at approximate Engineering Station 3645+00+/- to 3650+00, Valuation Section 32.1, Sheet 70 ("Lease").

NOW THEREFORE, the Parties mutually agree to amend the Lease as follows:

1. Section 2.02 of the Lease shall be amended to extend the term of the Lease for an additional six (6) months. The Lease shall terminate on October 31, 2020, or within thirty (30) days of the effective date of a new operating agreement between the State of New Hampshire and New England Central Railroad, Inc. (hereinafter "Railroad Operator") for the Northern Railroad, unless terminated sooner in accordance with Condition 17.01 or 17.02 of the Lease.
2. The rent for the amended lease term shall be eleven thousand seven hundred fifty dollars (\$11,750), payable in advance, and due upon May 1, 2020. This payment shall be made payable to "TREASURER, STATE OF NH" and mailed to:

NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION  
BUREAU OF FINANCE & CONTRACTS  
J.O. MORTON BUILDING  
PO BOX 483  
CONCORD, NH 03302-0483

If the total rent amount is not paid within ten (10) days after the due date, the Tenant agrees to pay a late charge of 5% of the total rental amount due.

If the Lease, as amended herein, is terminated before October 31, 2020, the Landlord will reimburse the Tenant for the pro rata proportion of the remaining number of days for which rent has been paid in advance but during which the Tenant no longer occupies the premises.

3. The Parties agree that all other provisions of the Lease not amended herein shall remain in full force and effect.
4. This Amendment and all obligations of the parties hereunder shall become effective upon approval by the Governor and Council of the State of New Hampshire.

IN WITNESS WHEREOF, the Parties hereto have set their hands the date first-written above.

**Unanimous Consent of Directors to Action  
in Lieu of Special Meeting**

The undersigned, being all of the directors of Rymes Heating Oils, Inc., a corporation organized and existing under the New Hampshire Business Corporation Act (NH RSA 293-A) (the "Company"), do hereby waive any and all notice requirements of the Company's Bylaws and consent pursuant to New Hampshire RSA 293-A:8.21, that the following actions be taken in lieu of a special meeting with such actions to be effective as of March 23, 2020:

**RESOLVED:** That the Company be authorized to become a party to, and perform its duties and exercise its rights under that certain Amendment to Lease Agreement by and between the Company and the State of New Hampshire, acting by and through the New Hampshire Department of Transportation, Bureau of Rail and Transit, in substantially the form attached hereto as Exhibit A (the "Lease Amendment") and each of the other documents and agreements that are contemplated by the Lease Amendment or are otherwise necessary or useful in connection therewith, which documents and agreements shall be in a form acceptable to the Officers of the Company (together with the Lease Amendment, the "Transaction Documents");

**RESOLVED:** That the Officers of the Company be, and they hereby are, and each of them acting singly hereby is, authorized, for and on behalf of the Company, to negotiate, execute and deliver the Transaction Documents for and on behalf of the Company and in its name, the execution of such Transaction Documents by such Officer to be conclusive evidence of the authorization of his or her approval of any change and of the authorization of his or her execution and delivery of such Transaction Documents;

**RESOLVED:** That the Officers of the Company be, and they hereby are, and each of them acting singly hereby is, authorized, for and on behalf of the Company and in its name, to execute, acknowledge, seal and deliver all such instruments, agreements and other documents, and to do all such acts and things, as they or any of them shall deem necessary, desirable or appropriate in order to consummate and perform the transactions described in and contemplated by the Transaction Documents, or to otherwise carry out the intent and purpose of any of the foregoing Resolutions; and

**RESOLVED:** That all actions heretofore taken by any Officer of the Company which would have been authorized if taken after adoption of the foregoing Resolutions be, and they hereby are, and each of them hereby is, approved, adopted, ratified and confirmed.

This Consent may be executed in any number of counterparts, all of which when taken together shall constitute a single original consent.

**IN WITNESS WHEREOF**, the undersigned have executed this written Consent as of the date first written above.

REQUESTED ACTION

Pursuant to RSA 228:57 authorize the Department of Transportation to enter into a **RETROACTIVE** lease of a 65,100 square foot parcel of State-owned land located on the Northern Railroad Corridor in the City of Lebanon to Rymes Heating Oils, Inc. for \$21,538.00, retroactive to June 1, 2019 and effective upon Governor and Executive Council and ending April 30, 2020.

Rental income will be credited as follows:

04-096-096-964010-2991	
Special Railroad Account	
009-403532 Railroad Property Sale or Lease	\$21,538.00

EXPLANATION

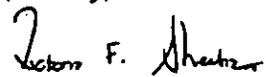

This request to enter into a lease agreement with Rymes is retroactive because the parties were unable to vet all railroad related issues, finalize lease terms and insurance requirements, and collect signatures in time to submit the lease for consideration by Governor and Council prior to June 1, 2019.

RSA 228:57 allows the Department to sell or lease portions of railroad property for the continued operation of a railroad. Pursuant to RSA 228:57, the Department of Transportation seeks to lease a 65,100 square foot parcel of the State-owned railroad corridor to Rymes Heating Oils, Inc. (Rymes). Rymes is currently utilizing the parcel in conjunction with active railroad operations by the New England Central Railroad (NECR), the entity with railroad operating rights to the subject property. The proposed lease will not interfere with NECR's active railroad operations because the parcel to be leased is adjacent to the railroad track that Rymes presently uses for unloading fuel products and related commodities pursuant to a Side Track Agreement between Rymes and NECR. In furtherance of current railroad operations, Rymes proposes to construct and maintain railroad fuel transload facilities.

Rymes has been utilizing the parcel pursuant to a temporary use agreement between Rymes and the Department, which expired on May 31, 2019. The Department proposes to lease the parcel to Rymes for an interim period while the operating agreement between the State and the railroad (NECR) is renegotiated and a more appropriate sublease is prepared between the railroad (NECR) and Rymes. The term of the lease shall terminate on April 30, 2020, or within thirty (30) days of the effective date of a new operating agreement between the State and NECR. The use of this parcel will enhance the railroad corridor's current use and a provision is included in the proposed lease relative to the removal or modification of the facility if necessary for improvements to railroad service.

Your approval of this resolution is respectfully requested.

Sincerely,

A handwritten signature in black ink, appearing to read "Victoria F. Sheehan". The signature is written in a cursive style with a large initial "V".

**LEASE AGREEMENT**

THIS LEASE, made and entered into this 4<sup>th</sup> day of June, 2019, between the State of New Hampshire, Department of Transportation, hereinafter called the "LANDLORD", and Rymes Heating Oils, Inc., 257 Sheep Davis Road, Concord, NH 03301, hereinafter called the "TENANT".

WHEREAS, the LANDLORD is the owner of the hereinafter described property, which is not immediately required by the LANDLORD and has been requested by the TENANT to lease the property to the TENANT on an "as is" basis.

WHEREAS, the LANDLORD is willing to comply with said request, provided that the TENANT, as a condition to the occupancy of said premises, joins in the execution of this LEASE for the purpose of accepting each and every condition herein set forth during the occupancy of said premises by the TENANT.

NOW, THEREFORE, THIS LEASE WITNESSETH THAT:

**1. DEMISE OF THE PREMISES**

1.01 For and in consideration of the rent and the mutual covenants hereinafter stated, and the acceptance by the TENANT of each and every term and condition herein set forth, the LANDLORD hereby leases and demises to the TENANT the premises located in the City of Lebanon on the State-owned Northern railroad corridor and nearly opposite Engineering Station 3645+00+/- to 3650+00, as shown on the attached Railroad Valuation Section 32.1 Sheet 70 (EXHIBIT A).

**2. TERM AND EFFECTIVE DATE.**

2.01 The term of this lease shall begin on the 1st day of June, 2019 ("Lease Term").

2.02 This lease shall terminate on April 30, 2020, or within thirty (30) days of the effective date of a new operating agreement between the State of New Hampshire and New England Central Railroad, Inc. (hereinafter "Railroad Operator") for the Northern Railroad, unless terminated sooner in accordance with Condition 17.01 or 17.02.

2.03 The Effective Date of this Agreement shall be the date Governor and Council of the State of New Hampshire approve this LEASE ("Effective Date").

2.04 In the event that this LEASE does not become effective, the LANDLORD shall have no liability to the TENANT, including without limitation, any obligation to reimburse the TENANT for any costs incurred by the TENANT relating to its use of the premises. If the TENANT performs any alterations or improvements, or incurs any expenses associated with this LEASE prior to the Effective Date, the TENANT is doing so at the sole risk of the TENANT.

Initial 

**3. SECURITY DEPOSIT AND RENT**

3.01 Intentionally Omitted.

3.02 All real or personal property taxes assessed by the City of Lebanon as a result of this LEASE are not included in the rent and will be paid by the TENANT. In accordance with RSA 72:23, I(b), "failure of the lessee to pay any duly assessed personal and real estate taxes when due shall be cause to terminate said lease or agreement by the lessor."

3.03 Rent for the Lease Term shall be twenty-one thousand five hundred thirty-eight dollars (\$21,538), payable in advance, and due upon June 1, 2019. This payment shall be made payable to "TREASURER, STATE OF NH" and mailed to:

NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION  
BUREAU OF FINANCE & CONTRACTS  
J. O. MORTON BUILDING  
PO BOX 483  
CONCORD NH 03302-0483

If the total rental amount is not paid within ten (10) days after the due date, the TENANT agrees to pay a late charge of 5% of the total rental amount due.

If this LEASE is terminated before April 30, 2020, the LANDLORD will reimburse the TENANT for the pro rata proportion of the remaining number of days for which rent has been paid in advance but during which the TENANT no longer occupy the premises.

**4. QUIET ENJOYMENT**

4.01 The LANDLORD covenants and agrees that so long as the TENANT is not in default of any of the covenants and agreements of this LEASE, the TENANT's quiet and peaceful enjoyment of the premises shall not be disturbed or interfered with by the LANDLORD or any person claiming by or through the LANDLORD.

**5. USE OF PREMISES**

5.01 The premises shall be used and occupied by the TENANT exclusively as trans-load and short-term storage of fuel products transported by rail, and neither the premises nor any part thereof shall be used at any time during the term of this LEASE by the TENANT for the purpose of carrying on any other business, profession or trade of any kind. The TENANT shall comply with all laws, ordinances, rules and orders of appropriate governmental authorities affecting the cleanliness, occupancy, and preservation of the demised premises during the term of this LEASE. The TENANT shall not use the premises in any manner that will disturb a neighbor's peaceful enjoyment of other property.

Initial 

- 5.02 The TENANT's use of the premises shall be as shown on EXHIBIT B and shall include the following equipment and site improvements: chain link fencing around its work area with lockable gates; two (2) storage tanks (currently unconnected and unused); a field office; site lighting.
- 5.03 The TENANT agrees that the purpose of this LEASE is to allow for the transportation and transloading of fuel products and is in furtherance of continued rail operations on the Northern Railroad. The TENANT's use of the premises shall not interfere with active railroad operations or the Railroad Operator's use of the railroad property.
- 5.04 No TENANT or visitor or invitee of the TENANT may park any motorized vehicle on any area, which is not designated specifically for parking. No unregistered motorized vehicles shall be stored upon the premises.

## 6. MAINTENANCE OF PREMISES

- 6.01 The TENANT acknowledges that the premises are in good order and repair at the beginning of the LEASE term, unless otherwise indicated by attached written statement. The TENANT shall at their own expense maintain the premises, including the structures and equipment located thereon, in a clean and sanitary manner. The TENANT shall not allow brush, leaves, grass or other plant matter, ice, snow, dirt or any other material to be placed on the premises.
- 6.02 The TENANT shall be responsible for any damage caused during this tenancy. The TENANT shall return the premises to the LANDLORD in as good order and condition as when received, ordinary wear and tear excepted. The TENANT agrees to be responsible for all single job repair costs. The LANDLORD reserves the right to select the persons or company to perform any such repairs. This provision shall survive the termination or expiration of this LEASE.

## 7. DAMAGE TO PREMISES

- 7.01 If the premises are damaged so as to render them untenable, then either party shall have the right to terminate this LEASE as of the date on which the damage occurs, through written notice to the other party, to be delivered within ten (10) days after the occurrence of such damage. However, should the damage or destruction occur as a result of any act or omission on the part of the TENANT or its invitees, then only the LANDLORD shall have the right to terminate this LEASE. Should the right to terminate be exercised, the rent for the current year shall be prorated between the parties as of the date the damage occurred.

## 8. ALTERATIONS AND IMPROVEMENTS

- 8.01 Except as otherwise provided for in this LEASE and the "Prosecution of Work" attached hereto as EXHIBIT C and incorporated by reference into this LEASE, the TENANT shall make no alterations to the premises or construct any building or make other improvements

of the TENANT or agent of TENANT, regardless of status as guest, invitee or trespasser, or for loss or destruction of or damage to any property of the TENANT or any agent of the TENANT while upon, or about, or in the use of the premises. The TENANT and its employees, contractors and agents agree to defend, indemnify, and hold harmless the LANDLORD, its officers, agents and employees, from and against any and all losses suffered by the LANDLORD, its successors and assigns, officers, agents, employees and operating railroad, from any and all claims, liabilities or penalties asserted against the LANDLORD, its successors and assigns, officers, agents and employees, by or on behalf of any person on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the TENANT or from the use, maintenance, installation, removal or existence of this facility, regardless of any negligence on the part of the LANDLORD, the Railroad Operator or their agents or employees. Without limiting the foregoing, it is agreed that this covenant of indemnification shall apply to all cases of loss, damage, injury, death, cost or expense for which any party to this agreement may or shall be liable. For the purpose of this agreement, all persons using the premises shall be deemed agents of the TENANT. This covenant shall survive the termination of this LEASE.

13.02 The TENANT shall maintain Worker's Compensation Insurance or Pooled Risk Management Coverage in the amount as required by current State Statute.

13.03 The TENANT shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance, designating "the State of New Hampshire" and the "New England Central Railroad, Inc." as additional named insureds:

13.03.1 Commercial General Liability:  
\$1,000,000.00 each occurrence/\$2,000,000.00 in the aggregate

13.03.2 Comprehensive Automobile Liability:  
\$500,000.00 combined single limit

13.03.3 Railroad Protective Public and Property Damage Liability:  
\$1,000,000.00 each occurrence/\$2,000,000.00 in the aggregate

13.04 Procurement and delivery of a certificate indicating such insurance acceptable to the State is a condition precedent to the effectiveness of this LEASE. Nothing contained herein shall be construed as a waiver of sovereign immunity.

13.05 No provision of this LEASE is intended to waive any aspect of the State's sovereign immunity, and any possible counterclaims or defenses it may assert relative to any claim brought related to this LEASE or the premises.

#### 14. **HOLDOVER BY TENANT**

14.01 No holdover by the TENANT will be permitted.

**15. DEFAULT**

15.01 The LANDLORD shall be the sole judge of what shall constitute a violation of the provisions of the LEASE, or the failure of the TENANT to otherwise abide by any of the covenants herein contained, and may order a discontinuance of the practices, or the performance of any of the work related to such default by giving the TENANT ten (10) days notice in writing. Failure of the TENANT to comply with the notice shall automatically give the LANDLORD the right to terminate this LEASE evict the TENANT and take full and complete possession of the premises.

**16. TERMINATION OF LEASE FOR CAUSE**

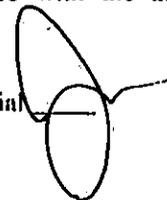

16.01 In the event that the TENANT shall default in the payment of any installment of rent or other sum herein specified and such default shall continue for ten (10) days after written notice, thereof, or if the TENANT shall default in the observance or performance of any other of the TENANT's covenants, agreements, or obligations hereunder and such default shall not be corrected within ten (10) days of written notice by the LANDLORD to the TENANT specifying such default and requiring it to be remedied then, and in such an event, the LANDLORD may serve a written notice of termination of this LEASE upon the TENANT and this LEASE and the term hereunder shall terminate and upon such termination the LANDLORD may immediately or at any time thereafter, without demand or notice enter into or upon the premises and repossess the same.

16.02 If it becomes necessary for the LANDLORD to institute suit for eviction or damages on account of rental arrears or violation of the terms of this LEASE, the LANDLORD shall be entitled to include in such suit for eviction or damages, a claim for attorney's fees and court costs incident thereto, which fees the TENANT hereby covenants and agrees to pay.

**17. TERMINATION FOR CONVENIENCE**

17.01 The LANDLORD may terminate the LEASE at any time by giving thirty (30) days notice thereof in writing, and may take full and complete possession of the premises hereby leased, at the end of said thirty (30) day period with no further liability of any nature whatsoever to the TENANT for so doing. Should the LANDLORD terminate this LEASE by giving the thirty (30) days notice during any period for which a full year's rent has already been paid, the LANDLORD will reimburse the TENANT for the pro-rata proportion of the remaining number of days for which rent has been paid in advance but during which the TENANT no longer occupy the premises.

17.02 The TENANT may terminate this LEASE Agreement at any time by giving at least thirty (30) days notice in writing, specifying in said notice the day (and the time of day) on which possession of the premises will be surrendered. The TENANT shall not vacate or leave the premises unattended on the day of surrender until the LANDLORD's representative shall have sufficient time to check the premises prior to taking formal possession thereof. In the event that the TENANT shall terminate this LEASE in accordance with the above

provisions, payment of rent shall cease at the end of the said thirty (30) day period, or at the end of the day on which possession shall be surrendered, whichever shall last occur.

**18. SURRENDER OF THE PREMISES**

18.01 In the event that the term or any extension thereof shall have expired or terminated, the TENANT shall peacefully quit and surrender to the LANDLORD the premises together with all improvements, alterations, or additions made by the TENANT, which cannot be removed without damaging the premises. The TENANT shall remove all personal property and shall repair any damage caused by such removal. The TENANT's obligations to observe or perform the covenants contained herein shall survive the expiration or termination of this LEASE.

**19. INDEMNIFICATION AND RELEASE FROM LIABILITY**

19.01 The TENANT further releases the LANDLORD, its agents and employees, from any and all claims or demands for damages or injuries of any nature whatsoever attributable to the taking, use and occupancy of any portion of the premises caused by the construction and maintenance by the State of New Hampshire of any transportation project or proposed project which abuts (or will abut) or may effect in any way the property herein leased.

**20. DISCRIMINATION PROHIBITED**

20.01 The TENANT hereby covenants and agrees that no person on the ground of race, color, national origin or sex, shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the premises, and that in the construction of any improvements on, over or under such premises and the furnishing of services thereon, no person on the ground of race, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and that the TENANT shall use the premises in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

**21. MISCELLANEOUS**

21.01 LANDLORD's Agents. All rights and obligations of the LANDLORD under this LEASE may be performed or exercised by such agents as the LANDLORD may select.

21.02 Notice. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by registered or certified mail, postage prepaid, in a United States Post Office.

## **PROSECUTION OF WORK ON NH DOT RAILROAD PROPERTY**

### **DESCRIPTION OF WORK**

This Prosecution of Work covers the use of a portion of the State-owned Northern Railroad Line Westboro Railroad Yard in West Lebanon, New Hampshire by Rymes Heating Oils ("TENANT") for the storage and staging of materials and equipment related to the transloading of Propane from railroad cars to delivery trucks. The TENANT will access the work site from Railroad Avenue on the east side of the railroad corridor. The TENANT is only authorized to cross the railroad corridor at existing crossings and not come any closer to the railroad tracks than 15 ft. at any other location.

A job office trailer, trucks, equipment, containers and tanks for the transloading, storage and transport of propane shall be located on the existing paved area easterly of the old engine house. This Prosecution of Work and the accompanying LEASE cover the portion of the NH DOT owned railroad property used by the TENANT that is outside the portion covered in the side track agreement between the TENANT and New England Central Railroad.

### **RAILROAD OWNER & OPERATOR**

The Railroad Corridor Owner and Operator in the subject area are:

State of New Hampshire Department of Transportation (Railroad Corridor Owner)  
Bureau of Rail & Transit  
PO Box 483  
Concord, New Hampshire 03302  
Tel. (603) 271-2468

New England Central Railroad (Railroad Operator)  
Mr. Jeffrey Castle, General Manager  
1 Depot Street  
Palmer, MA 01690  
Tel. (716) 827-2718

### **RAILROAD COORDINATION**

The portion of the NH DOT railroad property covered and described in the LEASE and shown in Exhibit A is located adjacent to an active railroad line that has both scheduled and unscheduled train traffic daily. The TENANT shall not impede train traffic or railroad activities in any way by the use of NH DOT railroad property. The TENANT shall check **DAILY** with the Railroad Operator to coordinate the TENANT's work with anticipated train movements for that day. The State and the Railroad Operator shall not be held liable for any delays in the TENANT's movements or work caused by the Railroad Operator blocking the crossings while moving and switching rail cars.

## EXHIBIT C

### **RIGHT-OF-WAY AND PROTECTION OF PROPERTY**

The TENANT shall not modify, excavate, bury materials or alter the NH DOT railroad property in any way without first obtaining written approval and permission of the NH DOT Bureau of Rail & Transit.

The TENANT shall not block or restrict access to the historical railroad structures, land leased or owned by the City of Lebanon or the City of Lebanon sewer facility in its use of NH DOT railroad property.

### **CONSTRUCTION REQUIREMENTS**

The TENANT shall comply with the following requirements to enter onto utilize the NH DOT Railroad property to perform their work:

1. The TENANT shall contact Dig Safe (1-888-344-7233) prior to starting any preparatory site work on the project. The TENANT is responsible for locating all underground utilities and preventing damage to them during their operations. The TENANT shall notify the NH DOT Bureau of Rail & Transit in advance of requesting a Dig Safe permit.
2. The TENANT shall submit a plan to the NH DOT Bureau of Rail & Transit showing any proposed facility changes and shall obtain the approval and permission from the Bureau of Rail & Transit prior to making any modifications to the storage area or operations.
3. The TENANT shall apply for and obtain all City of Lebanon Permits prior to making any changes to their operations or to their proposed modifications to the site.
4. No additional work or modifications to the site or transload operations on this site shall be made without the prior approval of the NH DOT Bureau of Rail & Transit. This includes making any hookups or modifications to the existing unused unconnected propane storage tanks sitting on the site.
5. The TENANT shall erect any required fencing and other protection measures necessary around the subject property and operations.
6. **Crossing Protocols** – The TENANT's, subcontractor's and supplier's vehicles and equipment shall come to a FULL STOP a safe distance from the tracks at all crossings. The vehicle operator shall look both ways to ensure a train is not coming before proceeding across the tracks.
7. The TENANT shall be responsible for all costs to repair damage to the railroad property caused by their work.
8. Upon termination of the LEASE, unless a subsequent lease is successfully entered into between the TENANT and the State or the Railroad Operator, the TENANT shall regrade the site, remove all of its equipment and materials and return all disturbed areas of the railroad property to their original condition. In addition the TENANT shall be responsible for 50% of the cost to repave the entire asphalt paved area when all of their operations are complete. Repaving must be completed within eight (8) months of the TENANT vacating the property. If not completed within 8 months the TENANT will not be responsible for 50% or any portion of the cost. The

**EXHIBIT C**

TENANT will pay its portion directly to the paving contractor and the contractor should bill the TENANT directly for 50% of the cost. The TENANT's portion of the cost will not exceed \$10,000. (Note: This section shall be included in any prevailing lease.)

9. Upon termination and without a prevailing lease, the TENANT shall notify the NH DOT Bureau of Rail & Transit when all work on the railroad property has been completed, including all clean up, so the Bureau can send a representative to inspect the work area. The TENANT will be required to complete all cleanup work that is found to be unsatisfactory by the Bureau. If the TENANT does not complete the required work, including fence reconstructions and paying its apportioned cost for repavement, then the Bureau will hire other contractors to perform the work and bill the costs to the TENANT.

## SCHEDULE

Scheduled Railroad:	Designated Job Site:
New England Central Railroad Inc, 2 FEDERAL ST, ST. ALBANS, VT 05470	36 Railroad Ave, West Lebanon, NH 03784

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement)

With respect to operations performed for, or affecting, a Scheduled Railroad at a Designated Job Site, the definition of "insured contract" in the Definitions section is replaced by the following:

## 9. "Insured Contract" means:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
- b. A sidetrack agreement;
- c. Any easement or license agreement;
- d. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
- e. An elevator maintenance agreement;
- f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph f. does not include that part of any contract or agreement:

- (1) That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
  - (a) Preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
  - (b) Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage;
- (2) Under which the insured, if an architect, engineer or surveyor, assumes liability for an injury or damage arising out of the insured's rendering or failure to render professional services, including those listed in Paragraph (1) above and supervisory, inspection, architectural or engineering activities.

EXPLANATION

The Errol X-A004(565), 41069 contract was approved by Governor and Council on June 10, 2020 (Item #30) on a basis of a low bid for an original contract encumbrance of \$1,069,513.00. The contract is proposed to be increased by a total of \$43,346.25 as a result of the following:

The scope of the original project was focused on the realignment of Route 16 to allow space for the construction and future maintenance of a stabilized slope along the Magalloway River. However, the project begins on a horizontal curve with a documented crash history, crashes that have involved commercial trucks with trailers. The curve geometry warrants additional shoulder width on the inside of the curve to accommodate trailer off-tracking of large trucks. Adding this shoulder widening improvement to the slope stabilization work is a safety improvement Route 16 can take advantage of as part of the current project. Final completion date for this contract is June 18, 2021.

This project funding is 80% Federal – FLAP (Forest Land Access Program) and conventional federal aid, with anticipated utilization of Turnpike Toll Credits for the states 20% match, effectively using 100% Federal Funds.

Your approval of this resolution is respectfully requested.

Sincerely,

[Handwritten signature of Victoria F. Sheehan]

Assistant Commissioner

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Construction  
April 1, 2020

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with J.P. Sicard, Inc. (Vendor 227157) of Barton, VT, on the basis of a single bid of \$1,069,513.00 for roadway slope repair on NH 16, from the date of Governor and Council approval through June 18, 2021, unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Year 2020 and Fiscal Year 2021 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2020</u>	<u>FY 2021</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$347,591.74	\$721,921.26

2. Further authorize that a contingency in the amount of \$53,475.65 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2020</u>	<u>FY 2021</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments		\$53,475.65

**EXPLANATION**

This project is part of the State's Ten Year Transportation Improvement Plan. This project is located on NH Route 16 in the Town of Errol, within the Umbagog National Wildlife Refuge, and includes a westerly relocation of NH 16 and stabilization of approximately 200 ft. of the adjacent Magalloway River bank. Work begins approximately 4.6 miles north of the NH 16/NH 26 intersection, and continues 1,550 ft. north to approximately 4.9 miles north of the NH 16/26 intersection. The project consists of full box reconstruction of NH 16, and construction of an Engineered Log Jam (ELJ) for permanent slope stabilization of the Magalloway River bank, which has seen continued erosion since an initial slope failure in 2011, resulting in encroachment into NH 16. In 2011, the embankment began to fail and as a result Route 16 was moved west to avoid impact from the failure and barrier installed. The move west was made possible by a temporary easement granted by USF&W until a long term solution to stabilize the river

Page 2

bank was developed. Ancillary work includes existing pavement removal and re-grading, and drainage improvements.

The proposed contingency amount is 5% of the contract amount. The risk of overruns associated with the proposed work is higher due to uncertain ground conditions. Additionally, unanticipated work associated with the engineered log jam treatment, as well as the execution to minimize impacts to the adjacent shoreline may be required.

Although the bid costs exceeded the Department's estimate by 20.99%, the only bid received is felt to be reasonable for the work involved. Two items contributed to 74% of the overage. Both items are related to the Engineered Log Jam slope repair, and we have no previous bidding history. Re-advertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

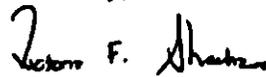

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal - FLAP (Forest Land Access Program) and conventional federal aid, with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan  
Commissioner

## SUPPLEMENTAL PROJECT INFORMATION SHEET

**DESCRIPTION:** This project is located on NH Route 16 in the Town of Errol, within the Umbagog National Wildlife Refuge, and includes a westerly relocation of NH 16 and stabilization of approximately 200 ft. of the adjacent Magalloway River bank. Work begins approximately 4.6 miles north of the NH 16/NH 26 intersection, and continues 1,550 ft. north to approximately 4.9 miles north of the NH 16/26 intersection. The project consists of full box reconstruction of NH 16, and construction of an Engineered Log Jam (ELJ) for permanent slope stabilization of the Magalloway River bank, which has seen continued erosion since an initial slope failure in 2011, resulting in encroachment into NH 16. Ancillary work includes existing pavement removal and re-grading, and drainage improvements.

**FEDERAL FUNDING:** 80% FLAP (Forest Land Access Program) with anticipated utilization of Turnpike Toll Credits for the State's 20% match

**CONTINGENCY:** The contingency amount is proposed to be 5% of the contract amount. The risk of overruns associated with the proposed work is higher due to uncertain ground conditions. Additionally, unanticipated work associated with the engineered log jam treatment, as well as the execution to minimize impacts to the adjacent shoreline may be required.

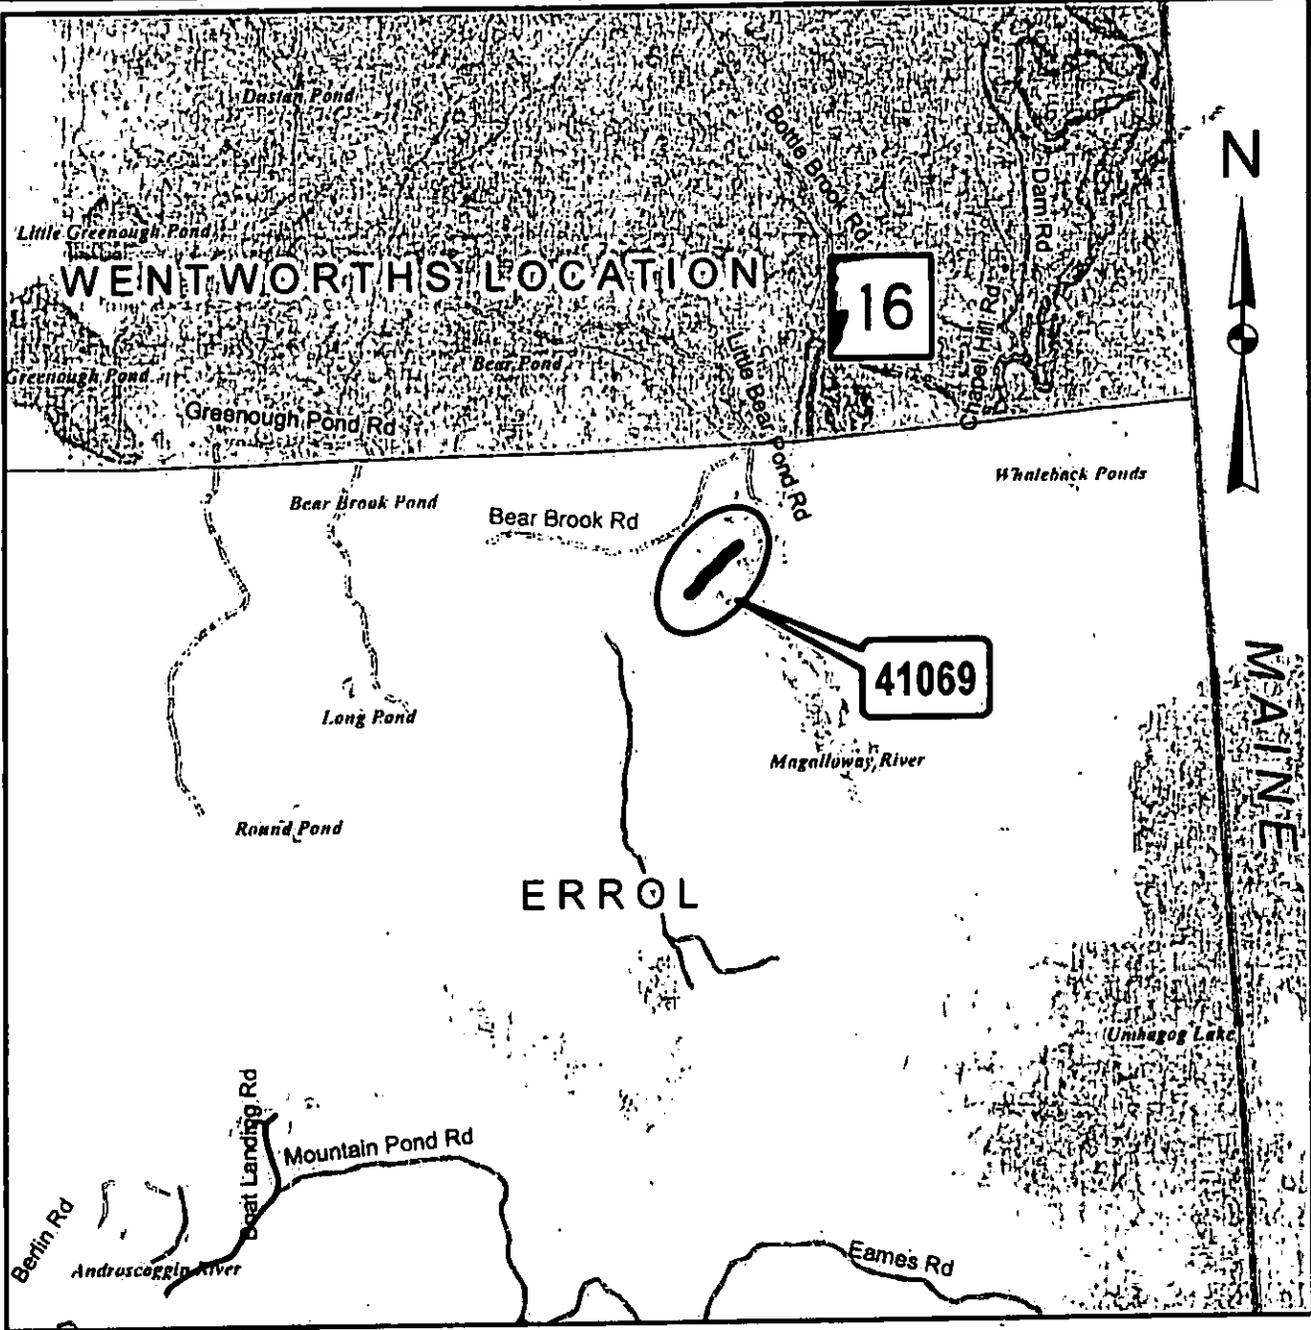

**PROJECT INITIATED:** Application through State's Federal Lands Access Program

**PROJECT EXPLANATION:** The project consists of full box reconstruction of NH 16, and construction of an Engineered Log Jam (ELJ) for permanent slope stabilization of the Magalloway River bank, which has seen continued erosion since an initial slope failure in 2011, resulting in encroachment into NH 16. Ancillary work includes existing pavement removal and re-grading, and drainage improvements.

**TRAFFIC IMPLICATION:** The current roadway will have minimal disruption to the public during construction work hours, as the project will be built almost entirely offline. The project will utilize flaggers to complete the final configuration tying into the existing NH Route 16.

**FINAL COMPLETION DATE:** June 18, 2021

### STATEMENT OF WORK

**New Hampshire Department of Transportation  
Railroad Safety State Participation Grant Program**

#### I. AUTHORITY

<b>Authorization</b>	49 U.S.C. § 20105
<b>Funding Authority/Appropriation</b>	Consolidated Appropriations Act, 2020, Public Law 116-94, Div. H, Title I.
<b>Notice of Funding Opportunity</b>	Notice of Funding Opportunity for FY 2020 Railroad Safety State Participation Grant (June 17, 2020)

#### II. BACKGROUND

This Agreement funds the New Hampshire Department of Transportation (Grantee) to support the deployment of the Grantee's State Railroad Safety Program. To the extent there is a conflict between Attachment 1 and this Attachment 2, Attachment 1 governs.

#### III. OBJECTIVE

The objective of this Agreement is to support the State Railroad Safety Program and the proper certification of state inspectors under 49 U.S.C. § 20105 and 49 CFR part 212.

#### IV. PROJECT LOCATION

The locations of the training courses, conferences, and meetings to which the Grantee's program participants will travel and attend under this Agreement are in the locations provided in the Detailed Project Work Plan.

#### V. DESCRIPTION OF WORK

The Grantee will complete the following tasks (together, the "Project" as further defined in Attachment 1).

##### **Task 1: Grant Administration**

The Grantee will submit to FRA a detailed project work plan including a detailed budget and detailed project schedule for the following tasks in this Statement of Work, which may result in amendments to this Agreement (together the "Detailed Project Work Plan"). The Detailed Project Work Plan will describe, in detail, the activities and steps necessary to complete the tasks outlined in this Statement of Work. In addition, the Detailed Project Work Plan will include the

detailed project schedule consistent with the Approved Project Schedule and a detailed project budget consistent with the Approved Project Budget. FRA will review and approve the Detailed Project Work Plan in writing.

The Grantee acknowledges that costs for work performed under this Agreement will not be reimbursed unless the costs are consistent with the FRA-approved Detailed Project Work Plan. Costs incurred in advance of FRA's approval of the Detail Project Work Plan are incurred at the Grantee's risk. FRA will not reimburse the Grantee for costs incurred in contravention of this requirement.

**Task 1 Deliverables:**

- Detailed Project Work Plan. The Detailed Project Work Plan will include the title of the training course, conference, or meeting to which the Grantee inspector(s) traveled; its location; travel dates; traveler's name and title; related costs for each traveler; and the number and cost of laptops to be purchased, if applicable.

**Task 2: Training and Travel**

The Grantee will cause eligible personnel to travel to attend eligible training courses, conferences, or meetings as further described in the Detailed Project Work Plan. Costs under this task may be for FRA-approved or FRA-provided training (FRA-provided training is generally provided free of charge) and for travel to attend such training including out of state OJT program activities, and approved conferences/meetings including the Association of State Rail Safety Managers (ASRSM) annual and executive committee meetings.

**VI. PROJECT COORDINATION**

The Grantee will perform all tasks required for the Project through a coordinated process, which will include coordination with FRA.

**VII. PROJECT MANAGEMENT**

The Grantee is responsible for facilitating the coordination of all activities necessary for implementation of the Project. Upon obligation of this Agreement, the Grantee will monitor and evaluate the Project's progress through regular meetings scheduled throughout the Project Performance Period. The Grantee will:

- Participate in a project kickoff meeting with FRA
- Hold regularly scheduled Project meetings with FRA
- Review and approve invoices as appropriate for completed work
- Perform Project close-out audit to ensure contractual compliance and issue close-out report

- Submit to FRA all required Project deliverables and documentation on-time and according to schedule, including periodic receipts and invoices
- Comply with all FRA Project reporting requirements, including, but not limited to:
  - a. Status of project by task breakdown and percent complete
  - b. Changes and reason for changes in and updated versions of the Detailed Project Work Plan
  - c. Description of unanticipated problems and any resolution since the immediately preceding progress report
  - d. Summary of work scheduled for the next progress period
  - e. Updated Project schedule.
- Read and understand the Terms and Conditions of this Agreement
- Notify FRA of changes to this Agreement that require written approval or modification to the Agreement

## **VIII. ENVIRONMENTAL COMPLIANCE**

FRA has evaluated the actions covered in this grant in accordance with the National Environmental Policy Act (NEPA; 42 U.S.C. § 4321 et seq.), other environmental statutes, related regulatory requirements and FRA's NEPA implementing regulations (23 CFR part 771, Environmental Impact and Related Procedures). FRA has determined that the activities funded under this grant for the payment of State Inspector travel and training and the purchase of laptops are categorically excluded from detailed environmental review pursuant to 23 CFR § 771.116(c)(1). Categorical exclusions (CEs) are actions identified in an agency's NEPA implementing procedures that do not normally have a significant impact on the environment and therefore do not require either an environmental assessment (EA) or environmental impact statement (EIS). See 40 CFR § 1508.4.

In analyzing the applicability of a CE, FRA also considered whether extraordinary circumstances are present that would warrant a more detailed environmental review through the preparation of an EA or EIS. In accordance with 23 CFR § 771.116 (a) and (b), FRA has further concluded that no extraordinary circumstances exist with respect to the activities funded under this grant program that might trigger the need for a more detailed environmental review.

## APPROVED PROJECT BUDGET

### New Hampshire Department of Transportation Railroad Safety State Participation Grant Program

#### I. APPROVED PROJECT BUDGET

The total estimated cost of the Project is \$2,572 for which the FRA grant will contribute up to 100% of the total Project cost, not to exceed \$2,572. The Grantee's Non-Federal Contribution is \$0.00. Any additional expense required beyond that provided in this Agreement to complete the Project will be borne by the Grantee.

Grantee will certify in its Final Performance Report that the total amount reimbursed under this Agreement is not more than 50% of the cost of the personnel, equipment and activities needed during the next fiscal year to carry out Grantee's safety program under the Federal Railroad Safety Program State Participation Agreement, consistent with 49 U.S.C. § 20105(e).

#### Project Budget by Task

Task #	Task Name	Total Cost
1	Grant Administration	\$0
2	Training and Travel <sup>1</sup>	\$2,572
		\$2,572

Revisions to the Approved Project Budget shall be made in compliance with Attachment 1 of this Agreement. The Grantee will document expenditures by task, and by Federal and Non-Federal Contributions, if applicable, when seeking reimbursement from FRA.

#### Project Budget by Source

Funding Source	Project Contribution Amount	Percentage of Total Project Cost
Federal Contribution (Amount of FRA Grant)	\$2,572	100%
Non-Federal Contribution	\$0	0%
<b>Total Project Cost</b>	<b>\$2,572</b>	<b>100%</b>

<sup>1</sup> These costs will be reviewed and may be adjusted once travel arrangements have been made and updated estimates have been provided to the FRA via updates to the Detailed Project Work Plan.

Bureau of Construction  
July 29, 2020

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Northeast Traffic Control Services (Vendor 162193) of Plymouth, MA, on the basis of a low bid of \$214,154.15 for sign replacement on I-93 NB and SB mainline at Exits 25, 27 and 28, from the date of Governor and Council approval through August 13, 2021, unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Year 2021, and is contingent upon the availability and continued appropriation of funds in Fiscal Year 2022 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2021</u>	<u>FY 2022</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$186,620.02	\$27,534.13

2. Further authorize that a contingency in the amount of \$21,415.42 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 10% of the contract amount.

Funding is available as follows:	<u>FY 2022</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$21,415.42

**EXPLANATION**

This project is part of the State's Ten Year Transportation Improvement Plan, under the Update Signing State System (USSS) Program. This project consists of sign replacement on I-93 northbound and southbound mainline at Exits 25, 27 & 28 in Holderness, Plymouth and Campton. The sign locations

Page 2

range from MM 79.0 to 86.6 northbound and MM 88.3 to 80.2 southbound. The signs are being replaced due to poor retroreflectivity and to bring them up to meet Manual Uniform Traffic Control Devices (MUTCD) compliance. All signs are ground mounted except for a single sign panel overhead on a cantilever sign structure. Most of the signs being replaced will be installed on existing posts and foundations, but four will be at new locations with new posts and foundations.

This project addresses the needed replacement of signs to enhance safety, conform to the current MUTCD design standards, improve retroreflectivity and provide better guidance for the motoring public.

The proposed contingency amount is 10% of the contract amount. This is to account for the potential overruns in traffic control and changes due to latent deficiencies in existing infrastructure proposed to be reused.

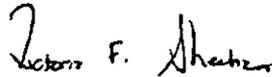

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal (Program: Update Signing State System (USSS)) with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan  
Commissioner

**SUPPLEMENTAL PROJECT INFORMATION SHEET**

**DESCRIPTION:** This project consists of sign replacement on I-93 northbound and southbound mainline at Exits 25, 27 & 28 in Holderness, Plymouth and Campton. The sign locations range from MM 79.0 to 86.6 northbound and MM 88.3 to 80.2 southbound. The signs are being replaced due to poor retroreflectivity and to bring them up to meet MUTCD compliance. All signs are ground mounted except for a single sign panel overhead on a cantilever sign structure. Most of the signs being replaced will be installed on existing posts and foundations, but four will be at new locations with new posts and foundations.

**FEDERAL FUNDING:** 80% (Program: Update Signing State System (USSS)) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

**CONTINGENCY:** The proposed contingency is 10% of the contract amount, and accounts for the potential overruns in traffic control and changes due to latent deficiencies in existing infrastructure proposed to be reused.

**PROJECT INITIATED:** Under the Bureau of Traffic USSS Sign Program.

**PROJECT EXPLANATION:** This project addresses the needed replacement of signs to enhance safety, conform to the current MUTCD design standards, improve retroreflectivity and provide better guidance for the motoring public.

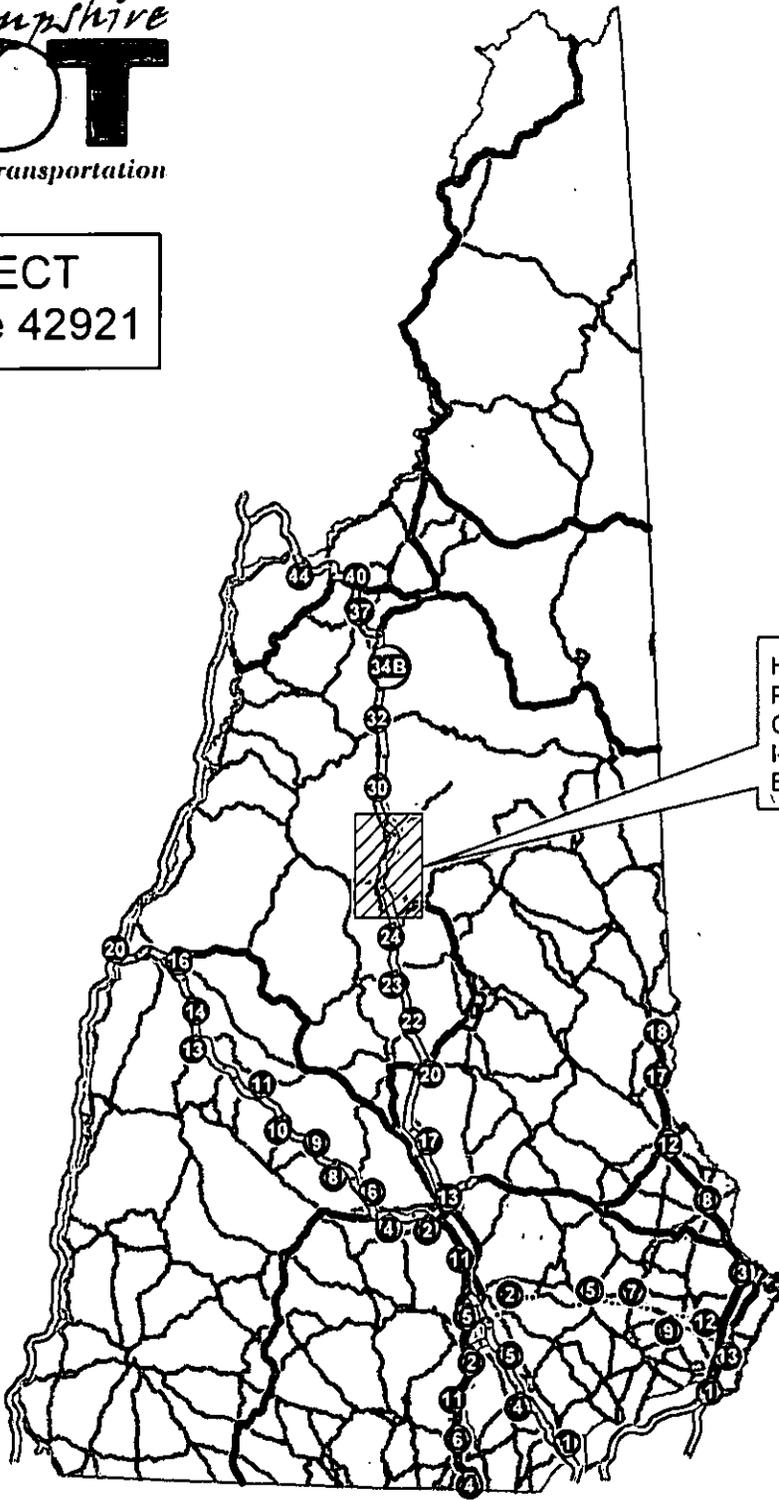

**TRAFFIC IMPLICATIONS:** Lane closures, shoulder closures and some night work are anticipated on this contract. Lane closures will be used to allow for the removal and installation of the cantilever overhead signs and will be restricted to night time operations. Lane and shoulder closures will be permitted during daytime operations during off peak timeframes and where the work is outside the traveled way. Uniformed officers will be required for both lane and shoulder closures due to the high-speed and high-volume nature of the facilities.

Bureau of Turnpikes  
 September 2, 2020

His Excellency, Governor Christopher T. Sununu  
 and the Honorable Council  
 State House  
 Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Transportation to enter into an Agreement with Stantec Consulting Services, Inc., Bedford, NH, Vendor #174802, for an amount not to exceed \$600,000.00, for on-call Turnpike-related consulting services, effective upon Governor and Council approval through October 31, 2023. 100% Turnpike Funds.

Funds to support this request are available in the following account in State FY 2021, and funding is contingent upon the availability and continued appropriation of funds in State FY 2022, State FY 2023, and State FY 2024, with the ability to adjust encumbrances between State Fiscal Years through the Budget Office if needed and justified:

The Turnpike Administration – Support, AU 7022, is utilized at this time to encumber funds for this request. Actual funding sources will be determined by each particular project incurring expenses as a result of this request.

**EXPLANATION**

The Department requires professional engineering consultants to provide on-call services for the Central and Eastern Turnpikes. Professional services may include financial and policy planning services offering advice on E-ZPass, Toll Collection System, Capital and Renewal & Replacement programs. The Consultant may also be asked to provide professional services for Traffic and Revenue Studies, Data Analysis, Equity Studies, Benefit Cost Assessments, Turnpike System O&M Model Analysis, preparation and representation for Bond Issuances, Legislation, E-ZPass Revenue Reconciliation, and RFQ/RFP contract development for special projects (i.e. Welcome Center Rest Areas). For physical Turnpike assets the Consultant may be asked to provide professional services for High Speed Tolling, Toll Plaza Design, All Electronic Tolling Facilities, Bridge Design, Bridge Painting, Soundwall Design, and Culvert Inspection. The Consultant may also be asked to provide Environmental services to further design with air and noise studies, along with wetland permitting application support.

The consultant selection process employed by the Department for this qualifications-based contract is in accordance with RSAs 21-I:22, 21-I:22-c, 21-I:22-d, 228:4 and 228:5-a, and all applicable Federal laws and the Department’s “Policies and Procedures for Consultant Contract Procurement, Management, and Administration” dated August 25, 2017. The Department’s Consultant Selection Committee is a standing committee that meets regularly to administer the process and make determinations. The Committee is comprised of the Assistant Director of Project Development (Chair), the Chief Project Manager, the Administrators of the Bureaus of Highway Design, Bridge Design, Environment, and Materials and Research, and the Municipal Highways Engineer.

The consultant selection process for this qualifications-based contract was initiated by a solicitation for consultant services for three (3) Statewide On-Call Turnpike System Services contracts. The assignment was listed as a “Project Soliciting for Interest” on the Department’s website on December 2, 2019, asking for letters of interest

from qualified firms. From the list of firms that submitted letters of interest, the Committee prepared a long and then short list of Consultants on January 23, 2020 for consideration and approval by the Assistant Commissioner. Upon receipt of that approval, seven (7) shortlisted firms were notified on February 18, 2020 through a technical "Request for Proposal" (RFP). Committee members individually rated the firms' technical proposals on April 23, 2020 using a written ballot to score each firm on the basis of comprehension of the assignment, clarity of the proposal, capacity to perform in a timely manner, quality and experience of the project manager and the team, and overall suitability for the assignment. (A compilation of the completed individual rating ballots and the ranking summary form is attached.) The individual rankings were then totaled to provide an overall ranking of the seven firms, and the Committee's ranking was submitted to the Assistant Commissioner for consideration and approval. Upon receipt of the Assistant Commissioner's approval, the shortlisted firms were notified of the results and the three (3) highest-ranking firms were asked to submit a fee proposal for negotiations.

The long list of nine (9) consultant firms that were considered for this assignment, with the seven (7) short-listed firms shown in bold, is as follows:

The firm of Stantec Consulting Services, Inc., has been recommended for one of the three contracts. This firm has an excellent reputation and has demonstrated their capability to perform the required services. Background information on this firm is attached. The other two contracts, with the firms of HNTB Corporation and Jacobs Engineering Group, Inc., are being processed separately.

Stantec Consulting Services, Inc. has agreed to furnish the on-call services for an amount not to exceed \$600,000.00. The cost for individual Task Orders assigned under this contract will be negotiated and use of a modified cost plus fixed fee or lump sum method of compensation will be determined based on the complexity and scope of engineering and technical services required. No new tasks may be assigned after the above-noted completion date, however, completion of previously assigned work begun prior to the completion date shall be allowed, subject to the written mutual agreement of both parties, which shall include a revised date of completion.

This Agreement (Statewide On-Call Turnpike System Services 42926) has been approved by the Attorney General as to form and execution. The Department has verified that the necessary funds are available. Copies of the fully-executed Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given to enter into an Agreement for consulting services as outlined above.

Sincerely,

Victoria F. Sheehan  
Commissioner

**PROJECT: Statewide On-Call Turnpike System Services (3 Contracts)**

**DESCRIPTION:** Three (3) Statewide On-Call Agreements, anticipated to have a maximum value of \$600,000 each over a three-year term, are needed to provide on-call Turnpike system services, project development, maintenance task support and special task efforts for the Central and Eastern Turnpikes. Scope of work may include: Toll Services, including but not limited to: Traffic and Revenue Studies for Toll Facilities; Revenue Assurance Metrics; Vendor Solicitation support; Equity studies and other special toll system related assignments; Open Road and All Electronic Tolling studies with implementation; and Toll system data and traffic analysis. Renewal & Replacement program efforts, including but not limited to: Bridge Painting; Bridge Rehab Assessments; Drainage Infrastructure; Concrete Barrier and Bridge Pier Protection; and Development of Inspection Process. Environmental investigations to prepare and complete all appropriate environmental documentation and all necessary permitting; MS4 permitting and program development support; and Air & Noise studies. Capital Program Assessment; Assessment of Turnpike programs; Toll plaza rehab and retrofit projects; Asset management, develop processes and implementation; Bond issuance support and representation; Boundary Survey, as needed; Preparation and/or assistance in draft legislation in regards to the toll system; Independent audits for financial and facility for I93 Welcome Centers; Development of RFQ/RFP for Special Projects. This work will require Professional Engineer and Land Surveyor licensure in the State of New Hampshire.

**SERVICES REQUIRED: TPK, BRDG, STRC, RDWY, ENV, TRAF, SURV, AIR, NOIS**

AGREEMENT  
FOR PROFESSIONAL SERVICES

PREAMBLE

THIS AGREEMENT made this 2<sup>nd</sup> day of September, in the year 2020 by and between the STATE OF NEW HAMPSHIRE, hereinafter referred to as the STATE, acting by and through its COMMISSIONER OF THE DEPARTMENT OF TRANSPORTATION, hereinafter referred to as the COMMISSIONER, acting under Chapter 228 of the Revised Statutes Annotated, and Stantec Consulting Services, Inc., with principal place of business at 200, 10160-112 Street, in the City of Edmonton, Province of Alberta, Canada, and New Hampshire local office at 5 Dartmouth Drive, Suite 101, in the Town of Auburn, State of New Hampshire, hereinafter referred to as the CONSULTANT, witnesses that:

The Department of Transportation, State of New Hampshire, hereinafter referred to as the DEPARTMENT, requires on-call engineering and technical Turnpike System services, project development, maintenance task support, and special task efforts for the Central and Eastern Turnpikes. These services are outlined in the CONSULTANT'S technical proposal dated April 1, 2020.

This AGREEMENT becomes effective upon approval by the Governor and Council.

## ARTICLE I

### **ARTICLE I - DESCRIPTION OF PROFESSIONAL SERVICES TO BE RENDERED**

NOW THEREFORE, in consideration of the undertakings of the parties hereinafter set forth, the DEPARTMENT hereby engages the CONSULTANT, who agrees to render services to the DEPARTMENT which shall include, but not be restricted to, the following items, in accordance with conditions and terms hereinafter set forth:

#### **A. DESCRIPTION OF SERVICES**

The types of services required under the terms of this AGREEMENT shall generally include, but are not limited to, the following:

Provide on-call professional consulting advice, financial and policy planning services, program assessments, development of legislation, project development, and other professional services in support of the Turnpike System E-ZPass, toll collection system, Capital and Renewal & Replacement programs and maintenance tasks in support of the State of New Hampshire, as well as other Turnpike support services.

#### **B. SCOPE OF WORK**

The CONSULTANT may be asked to perform any of the tasks listed below. The DEPARTMENT'S Bureau of Turnpikes will assign tasks to the CONSULTANT as needed. The list below is not intended to be all-inclusive, additional scope items may be added by mutual agreement of both parties.

1. **TRAFFIC AND REVENUE STUDY** – the CONSULTANT may be directed to complete a traffic and revenue study to support future bond issuances and to address the financial integrity of the Turnpike System. The CONSULTANT may be asked to represent the DEPARTMENT at bond presentations with Wall Street Firms. The CONSULTANT may be asked to prepare a Turnpike Revenue forecast.
2. **DATA ANALYSIS** – the CONSULTANT may be directed to assist the DEPARTMENT'S E-ZPass Program Manager and Toll Manager in analyzing toll system data to maintain accuracy and reliability, as well as provide recommendations to improve reporting.
3. **TOLL PLAZA DESIGN SERVICES** – the CONSULTANT may be directed to assist the DEPARTMENT with toll plaza design services in the event a toll plaza conversion to Open Road Tolling or All Electronic Tolling project, or an expansion project is initiated.
4. **EQUITY STUDY** – the CONSULTANT may be directed to study and analyze the NH Turnpike System in regard to equity. The CONSULTANT may be directed to focus on specific regions of the Turnpike system.
5. **RENEWAL & REPLACEMENT PROGRAM ASSESSMENT**– the CONSULTANT may be directed to review the existing Turnpike System renewal and replacement program. The CONSULTANT may be directed to develop a 5-year renewal and replacement program upon completion of an inspection of the Turnpike System.

## ARTICLE I

6. **RENEWAL & REPLACEMENT PROJECT DEVELOPMENT** – the CONSULTANT may be directed to work to develop plans, specifications and estimates (PS&E) for individual projects for assets associated with this program.
7. **BENEFIT COST ASSESSMENTS**— the CONSULTANT may be directed to develop a benefit cost assessment of future Capital Program projects in support of the State’s Ten Year Plan (TYP).
8. **TURNPIKE SYSTEM ASSET MANAGEMENT & ANALYSIS** - The CONSULTANT may be directed to perform an Independent Engineers assessment of the Turnpike System or parts thereof specifically relating to condition and be asked to perform life cycle cost analyses for Turnpike assets.
9. **TURNPIKE SYSTEM O&M MODEL ANALYSIS** – The CONSULTANT may be directed to analyze the operational and maintenance cost of the Turnpike System. The CONSULTANT may be asked to provide a plan for optimizing operations and maintenance that would reduce costs.
10. **PREPARATION AND REPRESENTATION FOR BOND ISSUANCES** – The CONSULTANT may be asked to prepare material for and represent the DEPARTMENT in matters concerning the issuance(s) of bonds as related to the Turnpike System.
11. **HIGH SPEED TOLLING** – the CONSULTANT may be directed to evaluate high-speed open road tolling options for NH toll plazas and provide cost estimates for options presented, as well as complete preliminary layouts and final design plans, as required. The CONSULTANT may be directed to evaluate All Electronic or Open Road Tolling design and oversight of installation for new or retrofit existing facilities.
12. **LEGISLATION** – the CONSULTANT may be directed to assist the DEPARTMENT as needed with draft legislation related to E-ZPass or toll collection that may be introduced during the contract period.
13. **E-ZPASS REVENUE RECONCILIATION** – provide ongoing support to reconcile E-ZPass revenue expected by the toll system with revenue collected by the CSC.
14. **SITE SPECIFIC ETC TRAFFIC ANALYSIS** – the CONSULTANT may be directed to perform a traffic analysis at a specific toll plaza to provide optimum lane utilization in mixed-mode lanes and E-ZPass Only lanes.
15. **SIGNING ANALYSIS** – the CONSULTANT may be directed to review the DEPARTMENT’S signage and make recommendations for improvement as required.
16. **RFQ/RFP AND CONTRACT DEVELOPMENT** – the CONSULTANT may be directed to provide guidance, support and document development for special projects such as rest area redevelopment, air/noise/soundwall studies, etc.

## ARTICLE I

17. **SPECIAL ASSIGNMENTS** - the CONSULTANT may be asked to assist the DEPARTMENT on any necessary assignment, not mentioned above, by mutual agreement of both parties.

### **C. STAFFING**

The CONSULTANT shall submit the Salary Rate Calculation Form (furnished to the CONSULTANT by the DEPARTMENT) which contains the average salary rates for the personnel anticipated to be assigned to the Task Order. This form will be used for Task Order cost development independently by the CONSULTANT and the DEPARTMENT prior to entering into negotiations for Task Orders under this AGREEMENT.

### **D. QUALITY CONTROL**

The CONSULTANT is expected to perform in a professional manner and all work shall be neat, well organized, fully comply with the requirements of this AGREEMENT and Task Orders, and meet the specified accuracy requirements. The DEPARTMENT will reject any data that does not comply with the above. The DEPARTMENT will decide when the data and services have fully met the project requirements. The CONSULTANT will not be paid for insufficient work.

### **E. TASK ORDERS**
