

STATE OF NEW HAMPSHIRE  
BALLOT LAW COMMISSION

No. 96-5

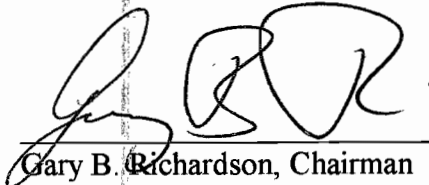

Joseph Haas v. Ballot Law Commission

**ORDER**

The Commission heard the above-referenced case on July 29, 1996. The gravamen of the Petitioner's complaint is that the loyalty oath required by RSA 648:17 was not administered to certain officials and that, therefore, these officials are not properly in office. Given that RSA 648:17 has been repealed, the Commission finds that the Petition is moot and, therefore, denies the relief requested therein.

SO ORDERED.
