JANE E. YOUNG  
DEPUTY ATTORNEY GENERAL

February 26, 2019

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, NH 03301

**REQUESTED ACTION**

Authorize the Department of Justice (DOJ) to **retroactively** amend an existing subgrant with the Child Advocacy Center of Rockingham County, Inc., Portsmouth NH (Vendor #158817-B001, Purchase Order Number 1056927), from the Federal Victim of Crime Act Grant (VOCA), approved by the Governor and Executive Council on June 21, 2017, item #154, by increasing the price limitation by \$107,841 from \$225,000 to \$332,841 effective March 1, 2019 through June 30, 2020 upon Governor and Executive Council approval. 100% Federal Funds.

Funding is available in State Fiscal Year 2019 and is contingent upon the availability and continued appropriation of funds in Fiscal Year 2020 as follows, with the ability to adjust encumbrances through the Budget Office between Fiscal Years if needed and justified:

Total Subgrant Increase For FY 2019 and FY 2020: **\$107,841**

**EXPLANATION**

This item request is **retroactive** because full and correct contract information was not received by this office from the subgrantee for timely consideration by Governor and Council prior to March 1, 2019.

VOCA was enacted by Congress in 1984 and it established the Crime Victims Fund. Fines paid by offenders of federal crimes are deposited into this Fund. Money from the Fund is

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council

then distributed to states for the benefit of victims of crime. In 2000, Congress placed a limit on the distribution of funds. Recently, the limit on the distribution of funds has been increasing. In FY 2013 the total limit was \$730 million, while in FY 2017 the total limit exceeded \$2 billion. Thus, all states, including New Hampshire, have received substantial increases in VOCA funds. DOJ is the receiving agency for VOCA funds in New Hampshire.

DOJ subgrants these funds to agencies providing direct services to victims of crime. VOCA requires the funds be distributed to agencies providing services in the fields of sexual assault, domestic abuse and crimes against children. For many years, DOJ has directed VOCA funds to certain core service providers.

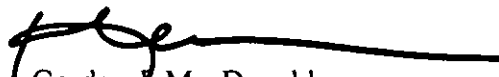

This significant increase in VOCA funds presents an important opportunity for New Hampshire and for the many dedicated organizations and individuals who work with victims of crime. Following a careful analysis, DOJ has determined that a portion of the increased VOCA funds should be allocated to existing core service providers. The distribution of the VOCA funds was based on a formula to ensure fairness, equality and, most importantly, sustainability to the current subgrantees. DOJ is also engaged in a Victims' Needs Assessment. The balance of the increase in VOCA funds will be distributed based on the results of this Needs Assessment.

The Child Advocacy Center (CAC) of Rockingham County, Inc. was one such organization whose grant was increased. The CAC of Rockingham County has been a long standing and proven subgrantee. The purpose of the CAC is to standardize the investigation of child abuse and neglect cases and minimize trauma to child victims by limiting the number of interviews to which a child must be subjected, and to coordinate services for a child using a multi-disciplinary team approach. The subgrant will be used to enhance current services.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

  
Gordon J. MacDonald  
Attorney General

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation.

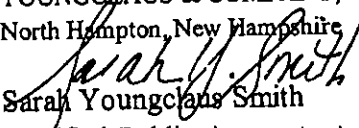

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Seacoast Child Advocacy Center, Incorporated as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplementary Information**

The schedule of functional expenses is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of the Organization's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying and other accounting records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States Of America. In our opinion, the schedule of functional expenses is fairly stated on all material respects in relation to the financial statements as a whole.

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Seacoast Child Advocacy Center, Incorporated was formed under the laws of the State of New Hampshire and has been granted an exemption from federal income taxes under section 501(c)(3) of the Internal Revenue Code. Through grants and public support this Organization's mission is to provide a safe environment for the evaluation of alleged child abuse for children 3-18 years of age. Through collaboration of public, private and community partners, the Organization works to ensure the safety, health and well being of abused children.

Revenue Recognition

In accordance with FASB ASC 958-605, contributions, including unconditional promises to give, are recorded as received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. As of December 31, 2014 the Organization had no temporarily or restricted net assets.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Company held no cash equivalents as of December 31, 2014.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated amongst the programs and supporting services benefited.

Property and Equipment

Furniture and equipment are reported in the statements of financial position at cost, if purchased, and at fair value at the date of donation, if donated. Equipment is capitalized if it has a cost of \$1,000 or more and a useful life when acquired of more than one (1) year. Repairs and maintenance that do not significantly increase the useful life of the asset are expensed as incurred.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

Furniture and Equipment	5-7 years
Leasehold Improvements	15 Years

Depreciation expense for the year ended December 31, 2014 was \$200. Fixed assets are reviewed for impairment when a significant change in the asset's use or another indicator of possible impairment is present. No impairment losses were recognized in the current period.

DEPUTY ATTORNEY GENERAL

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council

**REQUESTED ACTION**

Authorize the Department of Justice to enter into subgrants with the agencies listed below in the amount of \$444,000 from the Federal Victim of Crime Act Grant for the purpose of supporting programs providing direct services to victims of crime upon Governor and Executive Council approval through June 30, 2020. 100% Federal Funds.

Funding is available in account # 02-20-20-201510-5021 entitled "Victims of Crime Act" upon the availability and continued appropriation of funds in future operating budgets as follows:

<u>Agency</u>	<u>Vendor#</u>	<u>FY 2018 Amount</u>	<u>FY 2019 Amount</u>	<u>FY 2020 Amount</u>
Carroll County Attorney's Office	177369-B007	\$32,500	\$32,500	\$32,500

		<b>\$148,00</b>	<b>\$148,00</b>	<b>\$148,00</b>
<b>Fiscal Year Totals</b>		<b>0</b>	<b>0</b>	<b>0</b>

**EXPLANATION**

In Federal Fiscal Year 2015, Congress increased the amount of funding to be made available to the states from the Crime Victims Fund to support programs providing direct services to victims of crime. The corresponding increase for New Hampshire

allowed the Department to allocate almost \$6 million additional funds from FFY2015 and almost \$6.5 million in additional funds from FFY2016 over the course of the four-year grant period for each Federal Fiscal Year award.

One of the federally defined priorities for the allocation of the funds was to increase subgrants to direct service providers that have been the core, stable, accessible organizations that victims have historically relied upon.

The Carroll County Attorney's Office and Coos County Attorney's Office have been long standing and proven subgrantees. They will both use their respective subgrant to fund victim advocates who provide a wealth of services including educating, guiding and assisting victims through the criminal justice system and referring victims to other local services.

The Rockingham County Child Advocacy Center (CAC) has also been a long standing and proven subgrantee. The purpose of the CAC is to standardize the investigation of child abuse and neglect cases and minimize trauma to child victims by limiting the number of interviews to which a child must be subjected, and to coordinate services to a child using a multi-disciplinary team approach. The subgrant will be used to enhance current services.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

*for*  
Gordon J. MacDonald  
Attorney General

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.

17. The Subrecipient agency understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of the NH Department of Justice and the Office of Justice Programs.
18. The Subrecipient assures that federal funds received for this grant program will not be used to supplant existing funds otherwise available for this victim assistance program.
19. Equipment purchased with VOCA funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal VOCA funds, and location. The Subrecipient agrees that the title to any equipment purchased with VOCA funds will revert back to the New Hampshire Department of Justice, Grants Management Unit, when it is no longer being used for the VOCA program purposes for which it was acquired.
20. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the New Hampshire Department of Justice, Grants Management Unit.

22. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at [www.lep.gov](http://www.lep.gov).
23. The subgrantee, if a non-profit organization, agrees to make its financial statements available online (either on the subgrantee's website, or the NH Department of Justice's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
24. The subgrantee, if a non-profit organization, must certify their non-profit status by submitting a statement to NH Department of Justice: 1) affirmatively asserting that the recipient is a non-profit organization and 2) indicating that the subgrantee has on file and available upon audit one of the following:

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient. The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.
26. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The subgrantee at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").
27. Requirement for data on performance and effectiveness under the award  
the recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.
28. OJP Training Guiding Principles  
Any training or training materials that the subgrantee at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for

OJA

Grantees and Subgrantees, available at  
<http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at:

<http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm> and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact their grant manager for guidance, and may not proceed without the express prior written approval of the grant manager and OJP.

30. Subgrantees will authorize representatives of the Office for Victims of Crime and/or the Office of the Chief Financial Officer access to and the right to examine all records, books, paper or documents related to the VOCA grant.

31. Certification regarding debarment, suspension ineligibility, and voluntary exclusion

A person may be debarred or suspended for any of the causes listed in 28 CFR §67.305 and §67.405. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one Federal agency shall have government wide effect. For purposes of this certification, "prospective lower tier participant" shall refer to the subgrantee.

Instructions for Certification:

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification as set out.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or

debarment.

- c) The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- d) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- f) The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

- f) The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

By signing this document, you are certifying that neither your agency, nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any transaction by any Federal department or agency.

32. Certification Regarding EEOP Required:

If required, within 30 days from the date of the award, the Subrecipient will submit for approval, an acceptable Equal Employment Opportunity Plan (EEOP) as required by 28 CFR 42.301 et seq. or a Certification Form to both the NH DOJ and the Office of Civil Rights, Office of Justice Programs, US DOJ at 810 7th Street, NW, Washington, DC 20531. Failure to submit an approved EEOP or Certification is a violation of the Program Guidelines and Conditions and may result in suspension or termination of funding, until such time as the Subrecipient is in compliance. Additional information on EEOP requirements may be found here: [http://ojp.gov/about/ocr/faq\\_eeop.htm](http://ojp.gov/about/ocr/faq_eeop.htm)

The form and instructions can be found at: <http://ojp.gov/about/ocr/pdfs/cert.pdf>

33. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000. The Subrecipient at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward). The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the
