<u>Class</u>	<u>Description</u>	<u>Amount</u>
072-500575	Grants to Non-Profits	\$291,682

**EXPLANATION**

The Sexual Assault Support (SASP) grant program is a formula grant from the US Department of Justice, Office on Violence Against Women and will be awarded to New Hampshire on an annual basis. These funds are the first federal funding stream solely dedicated to the provision of direct intervention and related assistance for victims of sexual assault.

The majority of these funds will be directly subgranted to the NH Coalition Against Domestic and Sexual Violence (NHCADSV). NHCADSV will, in turn, pass this funding through to twelve member agencies that will provide services to sexual assault victims throughout the State. The goal of the funding is to institute programs designed to address the shortage of direct intervention and related services focusing on sexual assault trauma, from which victims must heal. Services may include crisis counseling, advocacy, and other types of support.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

Joseph A. Foster  
Attorney General
