## "655:48 Fees. –

I. No candidate for the office of president shall have his or her name placed on the ballot for the presidential primary unless the candidate shall pay to the secretary of state at the time of filing the declaration of candidacy a fee of \$1,000. "

1. DO YOU ADMIT: that a note is a promise to pay, and a check is an order to pay?
2. DO YOU ADMIT: that none of the Presidential candidates\* paid by coin of their filing fee? "AT the TIME of filing" (emphasis ADDED.)

[and especially for candidate Ron Paul who is supposedly so against The Federal Reserve Banks, as in to demand an audit thereof like what? that it has the gold bullion per pallets of notes monetized as indicated in their Gold Certificates to "us" of that government agent making sure that "they" comply with Section 16, Part 15 thereof The Federal Reserve Act of 1913, since they buy ALL these notes of from the \$1.00 to the \$100 bill from The BEP: Bureau of Engraving & Printing for only about 6-cents each.]

Reference: the "Consent" by The N.H. General Court in 1794 to The Coinage Act of 1792, and especially Section 20 thereof: <http://www.constitution.org/uslaw/coinage1792.txt> [ Chapter 28 in Vol. 6 @ page 155. ]

A "prompt" answer by Articles 14 + 8 is hereby daimed . <http://www.nh.gov/constitution/billofrights.html>

(michael.a.delaney@doj.nh.gov)

Dear Presidential Candidates:

In addition for you to acknowledge this wrong of yours withIN our state of New Hampshire, so that:

- (1) there is no "First in the Nation Primary" N.H. vote for ANYone on the ballot, since NOone actually did "pay" their filing fee,
- OR (2) so to result in a write-in campaign to offset whoever that R&D is chosen by Party to be THEIR candidate showing just how corrupt the system is in allowing THAT candidate to violate THAT N.H. filing fee statute, but still be placed on the ballots by Party affiliation, of hopefully for THAT individual in EACH R&D Party to REFUSE to allow as showing their value, setting up one heck of a situation here, eh? (-) A general write-in voting ballot for EVERYbody! (-)

To get those FRNs and/or checks back to you, or else if not, to "follow-the-money", as they say, or in this case: follow-the-paper #1 to see if those notes with serial numbers IF recorded by the Secretary of State were indeed "monetized" or are they out of the printed batch un-monetized!? OR #2 of to find out if that bank from where the check was drawn actually does have the Section 20 "lawful money" as pre-scribed by law, since former State Rep. Dick Marple of Hooksett, N.H. has been looking for the State Treasurer to "pay" his Article 15 compensation in gold and silver coin by Article I, Section 10 of the U.S. Constitution for years now! of at only \$100 per year, he daims that quality of coin.

Would you please take the following pledge:

Pledge by Presidential Candidate: \_\_\_\_\_ (fill in your name here). I, \_\_\_\_\_ do hereby promise that if elected President of the United States I will faithfully execute the laws of the United States and that includes Article XIV, Section 2 of the U.S. Constitution to see to it that starting in the state of New Hampshire ( one of the ten states as indicated over at: <http://www.chooseyourjudges.org/> ) that of my Article 32 Petition to the General Court be processed through the new Republican House Redress of Grievance Committee with invitation to those members of the House State-Federal Relations Committee to attend such hearings for the goal to see to it that this law be upheld and that is to reduce the N.H. General Court from its present size of 424 members (400 House and 24 Senate) to: #\_\_\_\_\_ because: "when the right to vote at any election for the choice of...Judicial officers of a State...is denied to any of the male inhabitants of such State, being twenty-one years of age...the basis of representation therein shall be reduced in the proportion which the number of male citizens shall bear to the whole number of male citizens twenty-one years of age in such State." cc: to Gov. John H. Lynch, of Hopkinton to assist me on this mission per his RSA Ch. 92:2 oath to Article 51 of "to execute the laws of the state AND of the United States" (BOTH, emphasis ADDED.)

Footnote: Of Bill Gardner, who took your notes and/or checks Article 67 voted for by #\_\_\_ unlawfals and so like the judges used to say to me of: that my finder's fee agreement with "Missing Heirs" of land and mineral rights for a share or percentage of their inheritance was: "Tainted with Champerty", thus so with the Secretary of State: tainted with un-lawfulness and so by the judge-formula here applied equally across the board: ALL of his acts are: null and void!
