400-500870 Highway Contract Payments

**FY 2016**

\$18,844.25

**EXPLANATION**

Results of investigations and water analysis has been evaluated, and it has been determined that the existing water supply has been contaminated by highway chlorides. The Department is therefore obligated to obtain a new water supply for the owner. This proposal is in conformity with RSA 228:34.

This contract was advertised and four bids were received and publicly opened on January 14, 2016. Kriester Artesian Well Co., Inc. was the low bidder at \$18,844.25 and the Department considers this bid to be reasonable.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution; and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Sincerely,

Victoria F. Sheehan
