His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Transportation to enter into a contract with Premier Fence LLC (Vendor 266408) of Avon MA, on the basis of a low bid of \$214,283.56 for the repair of damaged beam guardrail and fencing on the Central and Eastern Turnpike system, from the date of Governor and Council approval through June 30, 2019 unless extended by the Department in accordance with the Standard Specifications. 100% Turnpike Funds.

Funding is available as follows for FY 2018 and FY 2019 and is contingent upon the availability and continued appropriation of funds.

	<u>FY 2018</u>	<u>FY 2019</u>
04-096-961017-7027 Central Turnpike Maintenance 400-500870 Highway Contract Payments	\$51,987.20	\$51,940.32
04-096-961017-7032 East NH Blue Star Maintenance 400-500870 Highway Contract Payments	\$6,431.41	\$6,425.61
04-096-961017-7037 East NH Spaulding Maintenance 400-500870 Highway Contract Payments	\$48,771.50	\$48,727.52

**EXPLANATION**

This project is part of Turnpikes Division Maintenance for Central, Blue Star and Turnpikes Program. Due to safety concerns, when existing railing on the Turnpike system is damaged, this contract will be invoked by the Assistant Administrator of Turnpikes or the Maintenance Superintendent to repair the damaged guardrail and/or fencing that cannot be fixed by Turnpike's personnel. When necessary and as requested, this contract also provides for installation of new guardrail and/or fencing on the Turnpike System.

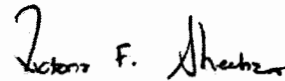

Page 2

Although the bid costs exceeded the Department's estimate by 1%, the low bid is felt to be reasonable for the work involved as there were 3 bids submitted for this project. Re-advertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan  
Commissioner
