EXPLANATION

The Division of Historical Resources (NHDHR) is working with community members in the Town of Hopkinton to stain the Contoocook Covered Railroad Bridge; the State of New Hampshire has owned the bridge since the 1980s, under the management of the NHDHR. Built in 1889, it is the world's oldest surviving covered railroad bridge and is listed on the National Register of Historic Places. The bridge is prominently located in the commercial center of Contoocook, in close proximity to stores, restaurants, a park and other businesses. A good deal of pedestrian traffic passes through and next to the bridge every day. The Park Avenue/Main Street Bridge crosses the Contoocook River just south of the covered bridge.

The community, as well as a number of non-profit organizations including the National Society for the Preservation of Covered Bridges, the Contoocook Riverway Association, and the local snowmobile club, has repeatedly assisted the NHDHR in caring for the bridge. They have come forward to assist financially for projects such as repairs to the abutments and substructure, the installation of a fire-protection and lighting system, and in the form of seasonal maintenance. The staining project will cover decades-old graffiti and preserve the extant wood siding. The community has procured a substantial discount on primer and stain through Capital Paint and Wallpaper of Concord, NH for this project.

On August 23, 2018, an invitation to submit proposals for painting the bridge was issued in accordance with Department of Administrative Services' policy. The Proposal solicitation was posted on the Division of Purchase and Property's website, the Division of Parks and

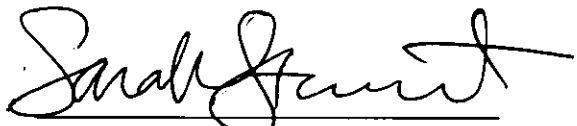

Recreation's website, and the following construction services' websites: Construction Summary of NH, Infinite Imaging, McGraw Hill Construction, Signature Press and Blueprinting, and Works in Progress. Four (4) contractors attended a mandatory pre-bid meeting on September 6, 2018 and four (4) proposals were received on September 13, 2018. The Proposals were scored according to criteria in the request for proposals and Vermont Exterior Painting was selected. Attached for your information is a summary of the proposals received for this project.

The Attorney General's Office has approved the contract as to form, substance and execution.

Respectfully submitted,

Concurred,

Elizabeth H. Muzzey
Director and SHPO
