July 15, 2016

Her Excellency, Governor Margaret Wood Hassan
and The Honorable Council
State House
Concord, NH 03301

REQUESTED ACTION

Authorize the Department of Environmental Services (DES) to enter into a grant agreement with the New Hampshire Rivers Council, Concord, New Hampshire (VC #166749 B001), totaling \$8,000, for the purpose of invasive aquatic plant prevention activities, effective upon Governor and Council approval through December 31, 2016. 100% Lakes Restoration Funds.

Funding is available in the account as follows:

	<u>FY 2017</u>
03-44-44-442010-1430-073-500581	\$8,000
Dept. Environmental Services, Lakes Restoration Program, Grants-Nonfederal	

EXPLANATION

The Milfoil and Other Exotic Plants Prevention Program was established on January 1, 2003. This grant program was established to prevent and control new infestations of exotic aquatic plants through grants to non-profit and municipal organizations, as well as other state agencies. Program funding originates from boat registration fees.

DES issued a Request for Proposals (RFP) for the Milfoil Prevention Grant Program and received two applications. The proposals were reviewed and approved by a committee comprised of a representative from the Commissioner of the Department of Safety, the coordinator of the New Hampshire Lakes Management Advisory Committee, and the Limnology Center Director at DES. The proposals were reviewed based on the criteria included in the Management Plan for Milfoil Prevention Grants. Based on the review criteria, these projects were eligible for funding.

The purpose of the NHRC project is to perform early detection work related to exotic aquatic species in the rivers in New Hampshire, including monitoring and outreach. NHRC staff will distribute pamphlets and other educational materials to river visitors and hold trainings around New Hampshire to inform interested groups about exotic aquatic species such as milfoil, water chestnut, Asian clam, and others. Though this individual grant is below the \$25,000 threshold limit for Governor and Council, the New Hampshire Rivers Council has been the recipient of additional grants from other state programs, ultimately exceeding the threshold.

This program is 100% fee funded through the Lake Restoration Fund. In the event that fee funds become no longer available, General Funds will not be requested to support this program.

The agreements have been approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

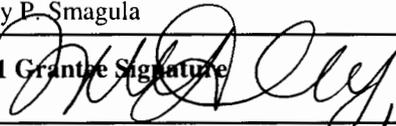

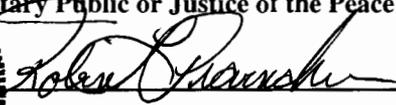

Thomas S. Burack, Commissioner

11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the

portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4 Notwithstanding anything in this Agreement to the contrary, either the State or except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

17. **INSURANCE AND BOND.**

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice has been received by the State.

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
