REQUESTED ACTION

Authorize the Department of Transportation to enter into agreement with the City of Nashua (sub-recipient) (Vendor #177441) for an amount totaling \$4,445,000.00 to provide funding and services under the Federal Aid Highway Program (Earmark NH-003) through a local project administration process, effective upon Governor & Council approval, through September 30, 2018. 100% Federal funds.

Funding is available as follows for FY 2017:

	<u>FY 2017</u>
04-96-96-962515-2945 Municipal Aid - Federal	
072-500574 Grants to Local Gov't - Federal	\$4,445,000.00

EXPLANATION

This agreement is between the State and the sub-recipient to delineate responsibilities for providing services necessary to plan, layout and design, and/or provide oversight supervision for this Federal Aid project.

The original purpose of Earmark NH-003 was to provide funding for the Broad Street Parkway project in the City of Nashua. The Federal Consolidated Appropriations Act of 2016 allows States to repurpose certain earmark funds originally designated on or before September 30, 2005, and are no longer required for their original purpose. Earmark funds repurposed under this act may be obligated on a new or existing project in the State within 50 miles of the earmark designation. The Department of Transportation, in coordination with the City of Nashua, has determined that portions of Earmark NH-003 are no longer necessary to pay for construction of the Broad Street Parkway. A portion of Earmark NH-003 (\$4,445,000.00), involving non-participating work on the original corridor, has been identified for repurposing on a project that will resurface federal aid eligible roadways in the City of Nashua

including Somerset Parkway, NH 101A, NH 130 and NH 111. The Federal Highway Administration has approved and authorized the subject repurposing.

This project will allow the sub-recipient, with assistance of the Department, to carry forward the design and construction of the project.

Funding for this project has been programmed with the total amount being \$4,445,000.00 (100% Federal Highway funds). The project (Nashua #41049) is identified in the State's Surface Transportation Improvement Plan (STIP).

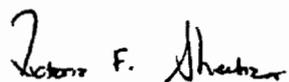

This project will repair the roadway pavement by milling out approximately 2.5 inches of existing pavement and replacing it with 2.5 inches thick new pavement. Associated work will include repairing any failed tops of manholes and catch basins, repairing traffic signal detection systems, replacing pavement markings, installing ADA elements at sidewalk and crosswalk terminations and repairing other incidental items such as damaged curb. This project is within the city maintained compact section; therefore, the sub-recipient is responsible for improvements and maintenance.

Authorization is requested to allow the Department to enter into this agreement with the sub-recipient to ensure compliance with Federal Aid Program requirements and to permit State personnel to supervise the project and the Department to expend Federal funds.

Expenses incurred will be charged against the designated project account number and reimbursement for costs shall be borne by the Federal Aid Highway Funds in the total amount of \$4,455,000.00 in accordance with Federal Aid Program requirements.

Your approval of this submission is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner

**NASHUA
STATE VENDOR #: 177441
STATE PROJECT #: 41049
FEDERAL PROJECT #: X-A004(543)**

THIS AGREEMENT, executed in *triplicate*, made and entered into this ____ day of _____, 20__, between the NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION, hereinafter called the “DEPARTMENT”, and the CITY OF NASHUA, hereinafter called the “PROJECT SPONSOR”.

WITNESSETH that,

WHEREAS, the DEPARTMENT and the PROJECT SPONSOR have determined that a project to resurface various Federal aid eligible roadways in the City of Nashua is an eligible project for funding under Federal Earmark NH 003 that was recently repurposed from the Broad Street Parkway projects; and

WHEREAS, the DEPARTMENT has established Project #41049 (the “Project”) for construction pay items and quality assurance material testing of the aforesaid project in the total amount of Four million four hundred forty-five thousand dollars (\$4,445,000.00); with 100% (\$4,445,000.00) of that cost coming from Federal funds. All other project costs excluding construction pay items and quality assurance material testing costs shall be the responsibility of the PROJECT SPONSOR. Such PROJECT SPONSOR costs include but are not limited to Preliminary Engineering, Right-of-Way and Construction Engineering expenses; and

WHEREAS, the PROJECT SPONSOR desires to act as Sponsor and Manager of the Project; and

WHEREAS, the DEPARTMENT desires to cooperate with the PROJECT SPONSOR in accomplishing the Project;

NOW, THEREFORE, in consideration of the above premises and in further consideration of the agreements herein set forth by and between the parties hereto, it is mutually agreed as follows:

I. DUTIES AND RESPONSIBILITIES OF THE PROJECT SPONSOR:

- A. The PROJECT SPONSOR shall comply with all Federal and State of New Hampshire laws and rules, regulations, and policies as applicable under the Federal-aid Highway Program for Federal Aid Construction Contracts.
- B. The PROJECT SPONSOR shall manage the design, environmental study, right-of-way acquisition and construction of the Project. This management is described in the current version of the DEPARTMENT’S document titled “Local Public Agency Manual for the Development of Projects”, as they may be amended from time to time and, by reference, are hereby made a part of this AGREEMENT.

- C. The PROJECT SPONSOR shall provide or cause to provide for both the maintenance of the Project during construction and subsequent maintenance of all Project elements together with the maintenance of sidewalks, which includes winter snow and ice removal in accordance with the requirements of 23 CFR 1.27 and 28 CFR 35.133, once the work under this AGREEMENT is completed. Should operational adjustments be necessary, the PROJECT SPONSOR agrees that no changes will be made without prior approval of the DEPARTMENT and the Federal Highway Administration.
- D. The PROJECT SPONSOR shall submit monthly progress reports and invoices to the DEPARTMENT monthly for reimbursement of the amounts paid for engineering, environmental, and/or right-of-way consultants and construction contractors as set forth and agreed upon at the scoping meeting. The invoice structure shall include details of work completed consistent with the scope of work as set forth and agreed upon at the scoping meeting, as well as backup information to support the charges. The PROJECT SPONSOR shall certify that the invoices properly represent payment for work that has been completed and paid for by the PROJECT SPONSOR.
- E. The PROJECT SPONSOR is required to maintain all project and financial records pertinent to the development of the Project for three (3) years beyond the date of the DEPARTMENT's final voucher. The DEPARTMENT will send a letter to the PROJECT SPONSOR with the date of this approval. If there is a failure to maintain this documentation, NHDOT and/or Federal Highway Administration could take an action up to and including requesting a refund of all reimbursed project costs.
- F. The PROJECT SPONSOR shall defend, indemnify and hold harmless the DEPARTMENT and its officials, agents and employees from and against any and all claims, liabilities or suits arising from (or which may be claimed to arise from) any act or omission of the PROJECT SPONSOR or its subcontractors in the performance of this AGREEMENT. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State of New Hampshire or the DEPARTMENT, which immunity is hereby reserved. This covenant shall survive the termination of this AGREEMENT.
- G. Non-Discrimination:
1. The PROJECT SPONSOR agrees that it will comply with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d—2000d-4 (referred to as the ACT), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, US Department of Transportation, Subtitle A, Office of the Secretary, Part 21, "Nondiscrimination in Federally-Assisted Programs of The Department of Transportation –Effectuation of Title VI of the Civil Rights Act of 1964" (referred to as the "REGULATIONS"), the Federal-aid Highway Act of 1973, and other pertinent directives, to the end that no person shall on the grounds of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity for which the PROJECT SPONSOR receives Federal financial assistance extended by the State of New Hampshire. This AGREEMENT obligates the PROJECT SPONSOR for the period during which Federal financial assistance is extended.
 2. The PROJECT SPONSOR hereby gives assurance as required by subsection 21.7(a)(1) of the REGULATIONS that it will promptly take any measures necessary to effectuate this AGREEMENT, including but not limited to the following specific assurances:

- a. That each “program” and each “facility” as defined in subsections 21.23(e) and 21.23(b) of the REGULATIONS will be conducted or operated in compliance with all requirements of the REGULATIONS.
 - b. That the PROJECT SPONSOR shall insert the following notification in all solicitations for negotiated agreements or bids for work or material made in connection with this Project: *The PROJECT SPONSOR hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, national origin, sex, age, or disability in consideration for an award.*
 - c. That the PROJECT SPONSOR shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any DEPARTMENT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR part 26. The PROJECT SPONSOR shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of DEPARTMENT-assisted contracts. The DEPARTMENT's DBE program, as required by 49 CFR part 26 and as approved by the United States Department of Transportation, is incorporated by reference in this AGREEMENT. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this AGREEMENT. Upon notification to the PROJECT SPONSOR of its failure to carry out its approved program, the DEPARTMENT may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 *et seq.*)
 - d. That the PROJECT SPONSOR shall include the following assurance in each contract signed with a contractor, and each subcontract the prime contractor signs with a subcontractor: *The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, sex, age, or disability in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DEPARTMENT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of the contract or such other remedy, as the recipient deems appropriate.*
3. The PROJECT SPONSOR shall insert a copy of the required provisions of Federally-assisted construction contracts in accordance with Executive Order 11246, Equal Employment Opportunity, and 41 CFR Part 60-4, Affirmative Action Requirements, in each contract entered into pursuant to this AGREEMENT. Required Federal contract provisions can be obtained through the DEPARTMENT's Labor Compliance Office (271-6612) or Online at: <http://www.nh.gov/dot/org/administration/ofc/documents.htm>
- H. If there is a default by the PROJECT SPONSOR of any nature to this AGREEMENT, the PROJECT SPONSOR shall be required to reimburse the DEPARTMENT and/or the Federal Highway Trust Fund for all funds expended under this Project.

II. DUTIES AND RESPONSIBILITIES OF THE DEPARTMENT:

- A. The DEPARTMENT shall review the Project engineering plans, environmental documents and contract documents applicable to the Federal Highway Administration and State of New Hampshire requirements for a Federally-funded project and submit appropriate documentation to the Federal Highway Administration to receive Federal approval.
- B. The DEPARTMENT shall reimburse its share to the PROJECT SPONSOR after receipt and approval of properly documented invoices have been certified by the PROJECT SPONSOR as properly representing work that has been completed and paid for by the PROJECT SPONSOR.
- C. The DEPARTMENT shall use its best efforts to obtain authorization of the Project from the Federal Highway Administration.

III. IT IS FURTHER UNDERSTOOD AND AGREED BETWEEN THE DEPARTMENT AND THE PROJECT SPONSOR:

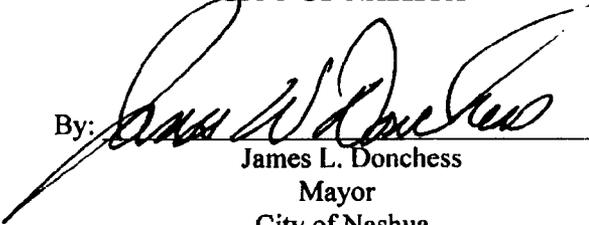

- A. That the PROJECT SPONSOR will not incur any Project costs nor enter into any agreement with any third party, including but not limited to consultants, contractors, or engineers until such time that it receives a written notice to proceed from the DEPARTMENT to do so.
- B. That the maximum amount of funds available for this Project for reimbursement under this AGREEMENT from the DEPARTMENT shall be as set forth in paragraph 4 on page 1. As the scope of the Project is finalized, should the costs for the Project exceed the amount budgeted, the DEPARTMENT agrees to review Project costs for consideration of additional funding. Neither the DEPARTMENT nor the Federal Highway Administration will be responsible for any expenses or costs incurred by the PROJECT SPONSOR under this AGREEMENT in excess of the above amounts unless the DEPARTMENT expressly authorizes additional funding prior to the work being performed.
- C. That the PROJECT SPONSOR shall invoice the DEPARTMENT for incurred costs on a monthly basis and the DEPARTMENT will process these invoices for payment in an expeditious manner.
- D. That the PROJECT SPONSOR agrees to commence the Project within three (3) months after the date of this AGREEMENT and substantially complete the Project within three (3) years after the date of the first notice to proceed date given by the Department, unless earlier terminated as provided herein. Failure to meet either deadline without good cause may cancel the DEPARTMENT's participation in this Project at its discretion. Any remaining funds will be forfeited. The PROJECT SPONSOR is responsible for informing and coordinating a new Project completion date that will need to be approved by the DEPARTMENT if any condition arises that may result in either deadline being unattainable.
- E. That the PROJECT SPONSOR will attend a meeting with the DEPARTMENT's representative after signing this AGREEMENT to discuss the Project's scope, budget and schedule. The PROJECT SPONSOR will subsequently provide a schedule showing project milestones with dates. Failure to meet these dates could delay funding for construction.

F. This AGREEMENT is contingent upon the appropriation of sufficient funds from the State of New Hampshire Legislature and/or the Federal Highway Administration. If sufficient funds are not appropriated, the DEPARTMENT may terminate this AGREEMENT upon thirty (30) days' written notice to the PROJECT SPONSOR. Such termination shall relieve the DEPARTMENT and the PROJECT SPONSOR from obligations under this AGREEMENT after the termination date.
