**REQUESTED ACTION**

Authorize the Department of Environmental Services to award a Local Source Water Protection grant to the Town of Waterville Valley (VC # 154573 B001) in the amount of \$25,000 to complete a project to protect public drinking water supplies, effective upon Governor and Council approval through May 31, 2023. 100% Drinking Water State Revolving Fund Loan Management Fee Funds.

03-44-44-441018-4790-073-500580	<u>FY2022</u>
Dept. Environmental Services, DWSRF Administration, Grants- Non-Federal	\$25,000

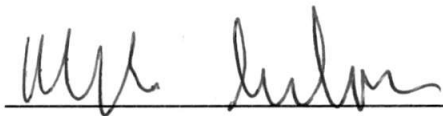

**EXPLANATION**

The Department of Environmental Services issued a request for proposals for 2022 Local Source Water Protection Grants. These grants are funded by set-asides under the Drinking Water State Revolving Loan Fund. Eighteen proposals were received. The proposals were evaluated and ranked based on criteria included in the request for proposals, such as whether the project fulfills a component of a source water protection program, that the proposed project addresses appropriate threats, and that the project will deliver a valuable and useful product. Based on eligibility and the available loan management fee funding, the Department determined that it could offer grants to ten source protection planning projects and three source security projects. See Attachment A for the full list of grants awarded and list of reviewers.

The Town of Waterville Valley will use grant funds to install 400 feet of security fencing and three 14 foot access gates around the Central Water Treatment Facility and Drinking Water Well #2 pumphouse to improve physical security of the pumphouse.

This agreement has been approved as to form, substance, and execution by the Office of the Attorney General. In the event that the fee funds are no longer available, General funds will not be requested to support this program.

We respectfully request your approval of this item.

For   
Robert R. Scott, Commissioner

  - 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
  - 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
  - 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
  17. INSURANCE.
    - 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
