His Excellency, Governor Christopher T. Sununu  
And the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Division for Children, Youth & Families, to exercise a renewal option and amend an existing contract with Jane R. McMahon, Vendor #151949, 5 Engel Street, Concord, NH 03301, to continue providing dental hygienist services to the adjudicated youth at the John H. Sununu Youth Services Center by increasing the price limitation by \$31,200 from \$31,200 to an amount not to exceed \$62,400, and extending the contract completion date from June 30, 2018 to June 30, 2020, effective upon date of Governor and Executive Council approval. This agreement was originally approved by the Governor and Executive Council on April 6, 2016 (Item #7). 100% General Funds.

Funds are available in the following account for State Fiscal Year (SFY) 2019, and are anticipated to be available in SFY 2020, upon the availability and continued appropriation of funds in the future operating budgets, with authority to adjust encumbrances between state fiscal years through the Budget Office without further approval from the Governor and Executive Council, if needed and justified.

**EXPLANATION**

The purpose of this request is to ensure adjudicated youth at the Sununu Youth Services Center (SYSC) receive necessary dental hygiene services. Oral hygiene services are essential to support the routine health care services provided to youth at SYSC. The dental hygienist will provide up to eight (8) hours per week of oral hygiene services which will include collecting and assessing medical and dental histories, inspection of the oral cavity, complete oral prophylaxis and x-rays, oral hygiene instruction as well as cleaning and maintaining the dental equipment.

Many of these youth have not been seen by a dentist prior to their commitment to the SYSC. Youth will receive all oral hygiene services, along with instruction in proper oral hygiene techniques. Good oral hygiene is essential to the physical health and overall well-being of these minors. These services will be provided on campus to the youth residing at the SYSC, eliminating the need and expense of transporting youth to a community based dental office.

Notwithstanding any other provision of the Contract to the contrary, no services shall be provided after June 30, 2019, and the Department shall not be liable for any payments for services provided after June 30, 2019, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2020-2021 biennia.

Jane R. McMahon was selected for this project through a competitive bid process. As referenced in the Request for Applications and in Exhibit C-1, Item #3 of this contract, the Department has the option to extend services for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. The Division is exercising this renewal option.

Should the Governor and Executive Council not authorize this request, dental hygiene services will not be provided to the youth residing at the SYSC. Youth residing at SYSC are not eligible for Medicaid. Therefore, the State would incur a significant increase in the cost of dental care. Youth would need to be transported by two (2) staff members to a community based dental office, which would significantly increase personnel costs. The majority of community based dental offices accept a limited number of clients who are not established patients.

Area served: Youth residing at SYSC.

Source of Funds: 100% General Funds.

Respectfully submitted,

Christine Tappan  
Associate Commissioner

**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Division for Children, Youth and Families to enter into an agreement with Jane McMahon, Registered Dental Hygienist (Vendor #151949) 5 Engel Street, Concord, NH 03301, to provide dental hygienist services to the adjudicated youth at the John H. Sununu Youth Services Center in an amount not to exceed \$31,200 effective July 1, 2016 or upon Governor and Executive Council approval, whichever is later, through June 30, 2018. 100% General Funds.

Funds to support this request are available in the following account for State Fiscal Year 2017 and are anticipated to be available in State Fiscal Year 2018 with the authority to adjust encumbrances between state fiscal years without further approval from Governor and Executive Council.

			<b>Total:</b>	<b>\$31,200</b>

**EXPLANATION**

The purpose of this agreement is to provide oral hygiene services to the youth residing at the John H. Sununu Youth Services Center. Oral hygiene services are essential to support the routine health care services provided to youth at the John H. Sununu Youth Services Center. The dental hygienist will provide up to eight (8) hours a week of oral hygiene services which will include collecting and assessing medical and dental histories, inspection of the oral cavity, complete oral prophylaxis and x-rays, oral hygiene instruction as well as cleaning and maintaining the dental equipment. The Oral Health Program provides approximately 475 dental health visits each year with some youth in need of multiple visits due to poor oral health in the community.

This contract includes language which allows the contract to be renewed for up to two (2) additional years, the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

On October 7, 2015 the Department issued a Request for Application to solicit applications to provide Oral Hygiene Services to the youth residing at the John H. Sununu Youth Services Center. The request for proposal was available on the Department of Health and Human Services website from October 7, 2015 through December 11, 2015. There were four applications submitted.

A team of individuals with specific knowledge in the area of dental hygiene reviewed the applications. Jane McMahon was chosen.

Jane McMahon has been providing oral hygiene services to the youth at John H. Sununu Youth Services Center for the past eleven (11) years. During that time she has developed a strong working relationship with staff, as well as improving the dental health, knowledge and prevention skills of the youth.

Should the Governor and Executive Council not approve this request, dental hygiene services will not be provided to the youth residing at the John H. Sununu Youth Services Center. Youth residing at the John H. Sununu Youth Services Center are not eligible for Medicaid. Therefore, the State would incur a significant increase in the cost of dental care. Youth would also need to be transported by two (2) staff members to a community based dental office which would significantly increase personnel costs. The majority of community based dental offices accept a limited number of clients who are not established patients. Many of these youth have not been seen by a dentist prior to their commitment to the John H. Sununu Youth Services Center. Proper oral hygiene is essential to the physical health and overall well-being of the minors.

If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
  - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. 13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

If the recipient receives \$25,000 or more and has 50 or

Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. **INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

- 12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

- 13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
