EXPLANATION

The NH Department of Corrections is seeking approval to enter into a five (5) year renewal lease commencing January 1, 2013 and ending December 31, 2017 for the continued provision of approximately 3,432 square feet of probation/parole office space located at #8A Continental Drive, Exeter, NH for the Division of Field Services. The total five year cost will be \$362,706.00, with the lease payable at a "gross" annual rent of \$72,102.00 year one through three (\$21.00 per square foot) which is a rate reduced 1.5% below the current rate of \$73,200.00 annually (\$21.33 per square foot), with the rate restored to the pre-discounted rate back to \$73,200.00 annually (\$21.33 per square foot) for year four and five. The rental rate includes the Landlord's provision of heat, sewer & water, electricity, real estate taxes, insurance, snow plowing and removal, and building and site maintenance. Provision of Janitorial services is an additional cost, estimated at \$1,680.00 annually.

As required by Administrative Rule Adm. 610.06 "Public Notice," the NH Department of Corrections conducted a space search soliciting "letters of interest" for leased space in the Exeter, NH area for a term of up to five (5) years through publication of a "Request for Proposal" in the Union Leader on June 15, 2012 and June 22, 2012, concurrently the Department of Administrative Services "Bureau of Planning and Management" posted the RFP on their website. The space search produced only one proposal, the incumbent landlord, Richard Edmunds offering renewal of the current 3,432 square foot location at #8A Continental Drive, Exeter, NH, at an approximate 3.4% escalated rate of \$75,600.00 annually year one through two, with an additional approximate 3.3% escalation to \$78,000.00 annually year three through five, the resulting total five year proposed rent was \$385,200.00. The State subsequently negotiated the proposed five year renewal down to \$362,706.00 total, providing a cost savings of \$22,494.00 over the term.

Approval of the enclosed lease will allow the Division of Field Services to continue providing Probation and Parole services to the Exeter area; your positive consideration is therefore requested.

RECOMMENDATION REGARDING LEASE APPROVAL

Lessee: Department of Corrections, 105 Pleasant Street, P.O. Box 1806, Concord, NH 03302
Location: #8A Continental Drive, Exeter, NH 03833
Lessor: Richard Edmunds, Redacted Redacted
Term: January 1, 2013– December 31, 2017

The Architectural Barrier Free-Design Committee respectfully recommends that the subject LEASE RENEWAL of approximately 3,432 square feet of space be approved, with the following conditions.

No later than thirty (30) days after the commencement of the Term herein, the following improvements and renovations to the Premises. Any and all renovations must be completed in compliance with Exhibit D and with all applicable building codes, including but not limited to the Code for Barrier-Free Design for the State of New Hampshire (IBC/2006 and ICC/ANSI A117.1/2003, as amended [ANSI] citations), the NH State Building Code (IEBC/2009, IBC/2009 as amended, ICC/ANSI A117.1/2003, as amended), the NH State Fire Code Safe-c 6000, and the Americans with Disabilities Act 2010 Standards for Accessible Design (ADAAG citations). When applicable (designated by "LAHJ approval required"), renovation plans shall be submitted to the local authority having jurisdiction (i.e., Building Inspector, Code Enforcement Officer) for approval.

Condition yet to be met

Text from our letter of recommendation, Dated September 18, 2007:

3. Because the grade of the access aisle for the accessible parking space [5.5%] exceeds the maximum (2.08 % or 1:48 slope) and the grade of the path of travel from the parking space up to the front door [9.2%] exceeds the maximum (5% or 1:20 slope), and providing a code compliant accessible route is not technically feasible due to space limitations, the Lessee shall submit a protocol for program access to be approved by the Architectural Barrier-Free

Design Committee. In addition, provide and install a sign with the wheelchair symbol that is visible from the accessible parking space that reads, "Sound Horn For Assistance With Entrance Door".

6. Per Exhibit D, for the single occupant toilet rooms,
 - d. Relocate the paper towel dispensers so that the dispensing height is no more than 48 inches above the floor, in compliance with ADAAG 604.7 and ANSI 604.7.

This recommendation is based upon the site-surveys completed by Administrative Services and on the assurances of that agency's ADA Coordinator. The Accessibility Specialist cannot survey all state leased properties. However, as a safeguard for the state against ADA litigation, and to assure access for the state's people with disabilities, random surveys are performed.

Should future inspection by Administrative Services or the Architectural Barrier-Free Design Committee prove that areas of non-compliance exists, the agency should withhold rent until the landlord brings it into compliance, or should negotiate to remedy the non-complying areas.

Respectfully submitted and approved by the Architectural Barrier-Free Design Committee,

DAVID GLEASON
