MINING AND RECLAMATION 2016 ANNUAL REPORT

Pursuant to RSA 12-E:2(VI), the New Hampshire Department of Resources and Economic Development (DRED) reports that for calendar year 2016, the following two (2) existing three (3) – year mining permits remain in effect and in good standing:

1. “Mining Permit Renewal #004-03” (3rd renewal of the original February 6, 2004 Permit), effective February 1, 2014 through January 31, 2017, to Allstone Corporation of Chester, Vermont, for a 5.0-acre granite quarry in Acworth, NH.
2. “Mining Permit Renewal #01-11” (the 11th renewal/amendment of the original Permit issued on January 20, 1988), effective April 1, 2014, through March 31, 2017, to Aggregate Industries Land Company, Inc. of Bethesda, Maryland for 674-acre quarry in Raymond, NH.

The impending renewal of both aforementioned permits are currently being addressed by DRED. No other mining permit applications were accepted or rejected during this report period.

In addition to the active permits described above, DRED is also overseeing the following two (2) conditional operations to remove pre-quarried dimensional granite in Fitzwilliam:

1. Land owned by Bruce Vaal known historically as “Victoria White Quarry”.
2. Land owned by KMO Associates/Aaron Olson historically known as “Webb Hill Quarry”.

Please direct any questions regarding this report to Bill Carpenter at 271-2214.

Respectfully submitted, 

Jeffrey J. Rose, Commissioner
