INFORMATIONAL ITEM

Attached for your information is a report containing a list of vendors that agencies have contracted with for the period of January 1, 2018 through March 31, 2018.

When the Governor and Council previously approved the increase to a \$10,000 limit for personal service contracts and a \$25,000 limit for other service contracts, it was agreed that the Department of Administrative Services would report on those contracts entered into by agencies that are under the revised limits on a quarterly basis.

There are two reports. One which is sorted by State agency and then by vendor to enable the reader to identify which agency has contracted with individual vendors, and the second report, with the same detail, sorted alphabetically by vendor name.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner
